(a) Adoption of Plan. The Board shall adopt a Plan to offer life, sickness, accident or other similar benefits to Participants. All terms of the Plan shall be determined by the Board; provided that such terms shall be consistent with this Trust Agreement, Code section 501(c)(9) and the regulations promulgated thereunder. The Board shall be under no obligation to design the Plan to assure that the assets of the Trust Fund are sufficient to provide benefits to all potential Participants of the Plan in subsequent years.

(b) Benefits. The Plan shall include benefits and any other features including, without limitation, premium-sharing or other cost-sharing or reimbursements, that the Board from time to time determines appropriate or desirable in its sole discretion. The Plan may provide for different benefit structures or programs for different groups of Participants, as determined by the Board in its sole discretion. In designing the Plan and the benefits to be provided thereunder, the Board may take into account relevant circumstances, including, without limitation, the degree to which Participants may have alternative resources or coverage sources, as well as the resources of the Trust Fund. Benefits provided under the Plan shall be limited to those health care benefits permitted by Code Section 501(c)(9), and any Plan eligibility restrictions established by the Board shall conform with the requirements set forth in Treasury Regulation Section 1.501(c)(9)-2. (c) Method of Providing Benefits. Benefits under the Plan may be fully insured, partially insured or self-insured, as determined by the Board from time to time in its sole discretion. The expected cost of benefits under the Plan shall not exceed the amount expected to be available under the Trust.

(d) Plan Documentation. The Board shall be responsible for creating, adopting and/or executing any documents necessary to set forth the Plan's governing terms, and shall be responsible for communicating the terms of the Plan to the Eligible Retiree Members and Eligible Dependents in accordance with applicable law.

Section 9.3 Investment of the Trust. The Board may employ outside advisors, including investment advisors, to advise it with regard to the investment of the assets of the Trust Fund. Any outside advisors shall acknowledge a fiduciary relationship to the Board and the Trust Fund.

In investing and managing the assets of the Trust, the Board:

shall consider among other circumstances: the general economic conditions; the possible effect of inflation or deflation; the role that each investment or course of action plays within the overall portfolio; the expected total return from income and the appreciation of capital; needs for liquidity, regularity of income, and preservation or appreciation of capital; and the adequacy of funding for the plan based on reasonable actuarial factors;

(b) shall diversify the investments of the Trust unless the Board reasonably determines that because of special circumstances, it is clearly prudent not to do so;

(c) shall make a reasonable effort to verify facts relevant to the investment and management of assets of the Trust; and

(d) may consider benefits created by an investment in addition to investment return only if the Board determines that the investment providing these collateral benefits would be prudent even without the collateral benefits.

Section 9.4 Appointment of Investment Managers. The Board, from time to time, may appoint one or more independent Investment Managers, pursuant to a written investment management agreement describing the powers and duties of the Investment Manager, to direct the investment and reinvestment of all or a portion of the Trust (hereinafter referred to as an "Investment Account"). The Board shall determine that each Investment Manager is a fiduciary to the Board and Trust with demonstrated expertise in the type of investments authorized by the Board and, is entitled (under its investment management agreement) to direct the investment and reinvestment of the Investment Account for which it is responsible, in its sole and independent discretion and without limitation, except for any limitations which from time to time the Board determines shall modify the scope of such authority. If an Investment Manager is appointed, it shall have the authority of the Bank specified in Section 5.1 hereof with respect to the Investment Account over which it has investment discretion and the Bank's duties with respect to such Investment Account shall be limited to following the instructions of the Investment Manager. Provided that an Investment Manager is prudently selected and monitored by the Board, the Board shall have no liability (a) for the acts or omissions of such Investment Manager; (b) for following directions of such Investment Manager which are given in

accordance with this Trust Agreement; or (c) for any loss of any kind which may result by reason of the manner of division of the Trust into Investment Accounts.

Section 9.5 Government Reports and Returns. The Board shall file all reports and returns that are required to be made with respect to the Trust and the Plan.

Section 9.6 Compromise or Settle Claims. The Board may compromise, settle and release claims or demands in favor of or against the Trust or the Board on such terms and conditions as the Board may deem advisable. The Board may at all times rely upon the advice of independent counsel in reaching such decisions.

Section 9.7 Appointment of Administrator. The Board may appoint one or more third parties to perform any administrative functions it has with regard to the Trust or Plan.

Section 9.8 Employment of Assistance. The Board has the exclusive authority to employ, contract and pay for all professional services including, but not limited to, actuarial, investment, legal, accounting, medical, and any other services that the Board considers necessary for the proper operation and administration of the Plan and Trust. The powers granted to the Board in this subparagraph include complete control of the procurement process, including contracts for office space, computer hardware and software, and human resource services. In accordance with the provisions of Section 5.3 hereof, the Board may direct the Bank to pay reasonable compensation therefor from the Trust Fund. The Board may take or may refrain from taking any action in accordance with or reliance upon the opinion of counsel or such expert advisors.

Section 9.9 Reliance on Written Instruments. The Board shall be fully protected in acting upon any instrument, certificate or paper believed by him or her to be genuine and to be signed or presented by a duly authorized person or persons, and shall be under no duty to make any investigation or inquiry as to any statement contained in any such writing, but may accept the same as conclusive evidence of the truth and accuracy of the statements therein contained.

Section 9.10 No Individual Liability on Contracts. The Board shall not be liable personally for any debts, obligations, or undertakings contracted by them, or for the breach of any contracts. Such claims and obligations shall be paid out of the Trust; provided, however, that neither the Board nor any of its members shall be exempt from personal liability for willful misconduct, intentional wrongdoing, breach of applicable fiduciary duty, negligence or fraud, and the Trust shall not indemnify the Board for such liabilities to the extent that such indemnification would violate the provisions of Section 9.13 herein, or to the extent that application of this sentence would violate any law.

Section 9.11 Detroit Not Liable for Conduct of Board. The Board is not in its capacity as Board an officer, agent, employee, or representative of Detroit. In its capacity as Board, the Board is a principal acting independently of Detroit, which shall not be liable for any act, omission, contract, obligation, liability, debt, or undertaking of the Board or its officers, agents, or representatives.

Section 9.12 Liability Insurance. The Board shall obtain and keep current a policy or policies of insurance, insuring the members of the Board from and against any and all liabilities, costs and expenses incurred by such persons as a result of any act, or omission to act, in

connection with the performance of their duties, responsibilities and obligations under this Trust Agreement or the Plan. To the extent permitted by applicable law, the premiums on such policies may be paid from the Trust Fund.

Section 9.13 Reimbursement for Defense of Claims.

(a) To the extent permitted by applicable law, and not otherwise covered by liability insurance purchased by the Trust (without regard to any non-recourse rider purchased by the insured), the Board, its individual trustees, employees of the Board and persons acting on the Board's behalf pursuant to an express written delegation to the extent such written delegation provides for indemnification (each separately, the "Indemnified Party") shall be indemnified and held harmless by the Trust Fund for all reasonable costs and expenses, including without limitation attorney's fees, judgments, settlements, liabilities, fines, or penalties, incurred or suffered in defense of any claim demand, cause of action or administrative proceeding that seeks to hold the Indemnified Party personally liable for any loss to the Plan or Trust Fund or for damages suffered by any party to, or beneficiary of this Trust Agreement arising out of conduct reasonably believed to be good faith acts within the scope and powers and duties of the Indemnified Party, provided that, the Board shall have the right to approve of the retention of any counsel whose fees would be paid by the Trust Fund, but such approval shall not be withheld unreasonably. In the event that indemnification is made by the Trust pursuant hereto, the Indemnified Party shall agree to reimburse the Trust for all fees, costs and expenses to the extent that it is determined that the Indemnified Party's acts or omissions constituted fraud, bad faith, willful misconduct, negligence, or breach of fiduciary duty, and an independent fiduciary shall take all reasonable steps to ensure reimbursement at the time the Trust Fund agrees to indemnify pursuant to this Section; provided further that in the case of a final judicial determination of negligence or breach of fiduciary duty the Indemnified Party's reimbursement obligation shall be limited to the lesser of \$50,000 or the deductible on any non-recourse commercial liability insurance policy.

(b) The Board may make, execute, record and file on its own behalf and on behalf of the Trust, all instruments and other documentation (including one or more separate indemnification agreements between the Trust and individual Indemnified Parties) that the Board deems necessary and appropriate in order to extend the benefit of the provisions of this Section to any Indemnified Party.

Section 9.14 Subrogation and Reimbursement. If the Plan is self-insured, the following provisions regarding subrogation and third-party reimbursement will apply.

(a) If the Trust Fund pays, or is obligated to pay, any amount to or on behalf of an individual ("Benefit Recipient"), the Trust Fund shall be subrogated as provided in this Section 9.14 to all the Benefit Recipient's rights of recovery with respect to the illness or injury for which the payment of benefits is made by the Trust Fund. The right of recovery referred to in the preceding sentence shall include the right to make a claim, sue, and recover against any person or entity from the first dollars of any funds which are paid or payable as a result of a personal injury claim or any reimbursement of health care expenses. If requested in writing by the Board, the Benefit Recipient shall take, through any representative designated by the Board, such action as may be necessary or appropriate to recover such payment from any person or entity, said action to be taken in the name of the Benefit Recipient. In the event of a recovery or

settlement, the Trust Fund shall be reimbursed in full on a first priority basis out of such recovery or settlement for expenses, costs, and attorneys' fees incurred by it in connection therewith.

(b) If the Trust Fund pays, or is obligated to pay, any amount to or on behalf of a Benefit Recipient for an illness or injury, the Trust Fund shall be entitled to, and shall have a first priority equitable lien on, the proceeds of any recovery, by judgment, settlement or otherwise, with respect to the illness or injury, and if paid to the Benefit Recipient, the Benefit Recipient shall immediately pay any such proceeds to the Trust Fund. If the Benefit Recipient fails to pay such proceeds, or does not cause such proceeds to be paid, to the Trust Fund, the Board may, in addition to any other remedy to which it may be entitled, recover the proceeds directly or by offset against claims for benefits under the Plan and Trust made with respect to the affected Benefit Recipient (or such Benefit Recipient's beneficiaries, heirs, attorneys, agents, representatives, or estate).

(c) The Trust Fund shall have the right of subrogation and reimbursement set forth in this Section 9.14 regardless of whether the Benefit Recipient is made whole and regardless of whether the recovery, or any part thereof, is designated as payment for health care expenses, pain and suffering, loss of income or any other specified or unspecified damages or reason, and without regard to whether recovery is designated as including or excluding the health care expenses covered by the Plan and Trust. Any recovery by a Benefit Recipient, an attorney or other third party shall be deemed to be for the benefit of the Plan and Trust and shall be held in constructive trust for the Trust Fund until the Trust Fund is reimbursed in full for all amounts paid by the Trust Fund. The subrogation and reimbursement rights of the Trust Fund described in this Section 9.14 include all rights against, and include all rights with respect to, proceeds from or held by any attorney, third party, insurance carrier or payer of medical benefits, including an uninsured or under-insured motorist carrier, a no-fault carrier and a school insurance carrier, even if such coverage was purchased by the Benefit Recipient, and without regard to whether the proceeds have been paid or are payable.

(d) By participating in the Plan, each Benefit Recipient agrees to cooperate fully with the Plan and Trust and to execute and deliver agreements, liens and other documents and do whatever else the Board deems necessary to enable and assist the Trust Fund in exercising its rights under this Section 9.14, but the Trust Fund's rights under this Section 9.14 shall be effective regardless of whether the Benefit Recipient actually signs any agreements, liens or other documents. By participating in the Plan, each Benefit Recipient also agrees (i) that he or she will not make or maintain any make whole, common trust fund or apportionment action or claim in contravention of the subrogation and reimbursement provisions of this Section 9.14; and (ii) that he or she will not oppose any proceeding by the Trust Fund to obtain reimbursement on procedural grounds. The Benefit Recipient, directly or through his or her representatives, shall not do anything to impair the Trust Fund's rights. If the Board determines that any Trust Fund recovery rights under Section 9.14 have been impaired by any action of the Benefit Recipient or his or her representatives or by the Benefit Recipient's or such other person's failure to comply with the Benefit Recipient's obligations under Section 9.14, the Board may, in addition to any other remedy to which it may be entitled, determine the amount by which the Trust Fund's recovery rights have been impaired and recover such amount directly or by offset against claims for benefits under the Trust Fund made with respect to the affected Benefit Recipient.

(e) This Section 9.14 entitles the Trust Fund to subrogation and reimbursement equal to the entire amount paid by the Trust Fund for the illness or injury to which the subrogation or reimbursement relates, including related expenses, costs and attorneys' fees, which shall be from the first dollars payable to or received by the Benefit Recipient, his representatives, heirs, legal counsel, estate or any other third party from any settlement, judgment or other payment, without reduction for attorneys' fees or for any other reason. The common fund, make-whole, apportionment or any similar doctrines shall not apply to any amounts received. Any attorneys' fees shall be the responsibility solely of the Benefit Recipient, and the Trust Fund shall not pay any attorneys' fees or costs associated with a Benefit Recipient's claim or lawsuit without the Board's prior written authorization.

(f) The intention of this Section 9.14 is to give the Trust Fund the first right of subrogation and reimbursement in full with respect to the first dollars paid or payable, even though the Benefit Recipient is not made whole. Each Benefit Recipient agrees that as a condition to receiving benefits under the Plan and from the Trust Fund, the Benefit Recipient shall comply with the requirements of this Section 9.14.

ARTICLE X AMENDMENT, TERMINATION AND MERGER

Section 10.1 Amendment. The Trust Agreement may be amended at any time in writing by the Board, by a vote of not less than six (6) out of seven (7) Board members, or by Court order upon proper motion, provided, however, that no amendment may impose a contribution obligation on Detroit; provided further that no amendment shall in any way conflict with the terms of the Plan of Adjustment or a Court order confirming the Plan of Adjustment; and provided further that no amendment shall adversely affect the exempt status of the Trust or Plan under Section 501(c)(9) of the Code. No amendment to the Trust Agreement shall modify the responsibilities of the Bank hereunder unless the Bank has first consented to such amendment.

Section 10.2 Termination.

(a) The Trust and this Trust Agreement may be terminated at any time in writing by action of the Board, acting by a vote of not less than six (6) out of seven (7) Board members, with a copy of such written instrument to be provided to the Bank, or by Court order upon proper motion. Upon termination of this Trust Agreement, the assets of the Trust Fund shall be paid out at the direction of the Board in the following order of priority: (i) the payment of reasonable and necessary administrative expenses (including taxes); (ii) the payment of benefits to Participants entitled to payments for claims arising prior to such termination; and (iii) upon satisfaction of all liabilities to existing Participants, either directly or through the purchase of insurance, to provide life, sick accident or other permissible benefits in accordance with Code section 501(c)(9) and the rules and regulations promulgated thereunder. Neither Detroit nor any member of the Board shall have any beneficial interest in the Trust Fund, except to the extent an Individual Trustee is also a Participant in the Plan. Any determination by the Board or an administrator to distribute assets of the Trust upon termination to an Individual Trustee who is also a Participant must have the written concurrence of the Bank. The Trust Fund shall remain in existence until all assets have been distributed.

(b) Upon termination, the Bank and the Board shall continue to have all of the powers provided in this Trust Agreement as are necessary or desirable for the orderly liquidation and distribution of the Trust Fund in accordance with the provisions hereof.

Section 10.3 Transfer of Assets and/or Liabilities. To the extent permitted by Code section 501(c)(9) and other applicable law, some or all of the assets and/or liabilities of the Trust Fund may at the discretion of the Board be transferred directly to another trust for the purpose of providing health or welfare benefits to some or all of the Participants on such terms and conditions as the Board may determine.

ARTICLE XI MISCELLANEOUS

Except to the extent required by applicable law, the rights or interest of any Participant to any benefits or future payments hereunder or under the provisions of the Plan shall not be subject to attachment or garnishment or other legal process by any creditor of any such Participant, nor shall any such Participant have any right to alienate, anticipate, commute, pledge, encumber or assign any of the benefits or payments which he may expect to receive, contingent or otherwise, under this Trust Agreement.

Section 9.2 Plan Design and Administration

(a) Adoption of Plan. The Board shall adopt a Plan to offer life, sickness, accident or other similar benefits to Participants. All terms of the Plan shall be determined by the Board; provided that such terms shall be consistent with this Trust Agreement, Code section 501(c)(9) and the regulations promulgated thereunder. The Board shall be under no obligation to design the Plan to assure that the assets of the Trust Fund are sufficient to provide benefits to all potential Participants of the Plan in subsequent years.

(b) Benefits. The Plan shall include benefits and any other features including, without limitation, premium-sharing or other cost-sharing or reimbursements, that the Board from time to time determines appropriate or desirable in its sole discretion. The Plan may provide for different benefit structures or programs for different groups of Participants, as determined by the Board in its sole discretion. In designing the Plan and the benefits to be provided thereunder, the Board may take into account relevant circumstances, including, without limitation, the degree to which Participants may have alternative resources or coverage sources, as well as the resources of the Trust Fund. Benefits provided under the Plan shall be limited to those health care benefits permitted by Code Section 501(c)(9), and any Plan eligibility

restrictions established by the Board shall conform with the requirements set forth in Treasury Regulation Section 1.501(c)(9)-2.

(c) Method of Providing Benefits. Benefits under the Plan may be fully insured, partially insured or self-insured, as determined by the Board from time to time in its sole discretion. The expected cost of benefits under the Plan shall not exceed the amount expected to be available under the Trust.

(d) Plan Documentation. The Board shall be responsible for creating, adopting and/or executing any documents necessary to set forth the Plan's governing terms, and shall be responsible for communicating the terms of the Plan to the Eligible Retiree Members and Eligible Dependents in accordance with applicable law.

Section 9.3 Investment of the Trust. The Board, with the same care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a similar capacity and familiar with those matters would use in the conduct of a similar enterprise with similar means, shall have full power and authority to manage, control, invest and reinvest the money and other assets of the Trust Fund, and the Bank shall comply with the proper written direction of the Board concerning those assets. The Board may employ outside advisors, including investment advisors, to advise it with regard to the investment of the assets of the Trust Fund. Any outside advisors shall acknowledge a fiduciary relationship to the Board and the Trust Fund.

In investing and managing the assets of the Trust, the Board:

shall consider among other circumstances: the general economic conditions; the possible effect of inflation or deflation; the role that each investment or course of action plays within the overall portfolio; the expected total return from income and the appreciation of capital; needs for liquidity, regularity of income, and preservation or appreciation of capital; and the adequacy of funding for the plan based on reasonable actuarial factors;

(b) shall diversify the investments of the Trust unless the Board reasonably determines that because of special circumstances, it is clearly prudent not to do so;

(c) shall make a reasonable effort to verify facts relevant to the investment and management of assets of the Trust; and

(d) may consider benefits created by an investment in addition to investment return only if the Board determines that the investment providing these collateral benefits would be prudent even without the collateral benefits.

Section 9.4 Appointment of Investment Managers. The Board, from time to time, may appoint one or more independent Investment Managers, pursuant to a written investment management agreement describing the powers and duties of the Investment Manager, to direct the investment and reinvestment of all or a portion of the Trust (hereinafter referred to as an "Investment Account"). The Board shall determine that each Investment Manager is a fiduciary to the Board and Trust with demonstrated expertise in the type of investments authorized by the Board and, is entitled (under its investment management agreement) to direct the investment and reinvestment of the Investment Account for which it is responsible, in its sole and independent

discretion and without limitation, except for any limitations which from time to time the Board determines shall modify the scope of such authority. If an Investment Manager is appointed, it shall have the authority of the Bank specified in Section 5.1 hereof with respect to the Investment Account over which it has investment discretion and the Bank's duties with respect to such Investment Account shall be limited to following the instructions of the Investment Manager. Provided that an Investment Manager is prudently selected and monitored by the Board, the Board shall have no liability (a) for the acts or omissions of such Investment Manager; (b) for following directions of such Investment Manager which are given in accordance with this Trust Agreement; or (c) for any loss of any kind which may result by reason of the manner of division of the Trust into Investment Accounts.

Section 9.5 Government Reports and Returns. The Board shall file all reports and returns that are required to be made with respect to the Trust and the Plan.

Section 9.6 Compromise or Settle Claims. The Board may compromise, settle and release claims or demands in favor of or against the Trust or the Board on such terms and conditions as the Board may deem advisable. The Board may at all times rely upon the advice of independent counsel in reaching such decisions.

Section 9.7 Appointment of Administrator. The Board may appoint one or more third parties to perform any administrative functions it has with regard to the Trust or Plan.

Section 9.8 Employment of Assistance. The Board has the exclusive authority to employ, contract and pay for all professional services including, but not limited to, actuarial, investment, legal, accounting, medical, and any other services that the Board considers necessary for the proper operation and administration of the Plan and Trust. The powers granted to the Board in this subparagraph include complete control of the procurement process, including contracts for office space, computer hardware and software, and human resource services. In accordance with the provisions of Section 5.3 hereof, the Board may direct the Bank to pay reasonable compensation therefor from the Trust Fund. The Board may take or may refrain from taking any action in accordance with or reliance upon the opinion of counsel or such expert advisors.

Section 9.9 Reliance on Written Instruments. The Board shall be fully protected in acting upon any instrument, certificate or paper believed by him or her to be genuine and to be signed or presented by a duly authorized person or persons, and shall be under no duty to make any investigation or inquiry as to any statement contained in any such writing, but may accept the same as conclusive evidence of the truth and accuracy of the statements therein contained.

Section 9.10 No Individual Liability on Contracts. The Board shall not be liable personally for any debts, obligations, or undertakings contracted by them, or for the breach of any contracts. Such claims and obligations shall be paid out of the Trust; provided, however, that neither the Board nor any of its members shall be exempt from personal liability for willful misconduct, intentional wrongdoing, breach of applicable fiduciary duty, negligence, or fraud, and the Trust shall not indemnify the Board for such liabilities to the extent that such indemnification would violate the provisions of Section 9.13 herein, or to the extent that application of this sentence would violate any law.

Section 9.11 Detroit Not Liable for Conduct of Board. The Board is not in its capacity as Board an officer, agent, employee, or representative of Detroit. In its capacity as Board, the Board is a principal acting independently of Detroit, which shall not be liable for any act, omission, contract, obligation, liability, debt, or undertaking of the Board or its officers, agents, or representatives.

Section 9.12 Liability Insurance. The Board shall obtain and keep current a policy or policies of insurance, insuring the members of the Board from and against any and all liabilities, costs and expenses incurred by such persons as a result of any act, or omission to act, in connection with the performance of their duties, responsibilities and obligations under this Trust Agreement or the Plan. To the extent permitted by applicable law, the premiums on such policies may be paid from the Trust Fund.

Section 9.13 Reimbursement for Defense of Claims.

(a) To the extent permitted by applicable law, and not otherwise covered by liability insurance purchased by the Trust (without regard to any non-recourse rider purchased by the insured), the Board, its individual trustees, employees of the Board and persons acting on the Board's behalf pursuant to an express written delegation to the extent such written delegation provides for indemnification (each separately, the "Indemnified Party") shall be indemnified and held harmless by the Trust Fund for all reasonable costs and expenses, including without limitation attorney's fees, judgments, settlements, liabilities, fines, or penalties, incurred or suffered in defense of any claim demand, cause of action or administrative proceeding that seeks to hold the Indemnified Party personally liable for any loss to the Plan or Trust Fund or for damages suffered by any party to, or beneficiary of this Trust Agreement arising out of conduct reasonably believed to be good faith acts within the scope and powers and duties of the Indemnified Party, provided that, the Board shall have the right to approve of the retention of any counsel whose fees would be paid by the Trust Fund, but such approval shall not be withheld unreasonably. In the event that indemnification is made by the Trust pursuant hereto, the Indemnified Party shall agree to reimburse the Trust for all fees, costs and expenses to the extent that it is determined that the Indemnified Party's acts or omissions constituted fraud, bad faith, willful misconduct, negligence, or breach of fiduciary duty, and an independent fiduciary shall take all reasonable steps to ensure reimbursement at the time the Trust Fund agrees to indemnify pursuant to this Section; provided further that in the case of a final judicial determination of negligence or breach of fiduciary duty the Indemnified Party's reimbursement obligation shall be limited to the lesser of \$50,000 or the deductible on any non-recourse commercial liability insurance policy.

(b) The Board may make, execute, record and file on its own behalf and on behalf of the Trust, all instruments and other documentation (including one or more separate indemnification agreements between the Trust and individual Indemnified Parties) that the Board deems necessary and appropriate in order to extend the benefit of the provisions of this Section to any Indemnified Party.

Section 9.14 Subrogation and Reimbursement. If the Plan is self-insured, the following provisions regarding subrogation and third-party reimbursement will apply.

(a) If the Trust Fund pays, or is obligated to pay, any amount to or on behalf of an individual ("Benefit Recipient"), the Trust Fund shall be subrogated as provided in this Section 9.14 to all the Benefit Recipient's rights of recovery with respect to the illness or injury for which the payment of benefits is made by the Trust Fund. The right of recovery referred to in the preceding sentence shall include the right to make a claim, sue, and recover against any person or entity from the first dollars of any funds which are paid or payable as a result of a personal injury claim or any reimbursement of health care expenses. If requested in writing by the Board, the Benefit Recipient shall take, through any representative designated by the Board, such action as may be necessary or appropriate to recover such payment from any person or entity, said action to be taken in the name of the Benefit Recipient. In the event of a recovery or settlement, the Trust Fund shall be reimbursed in full on a first priority basis out of such recovery or settlement for expenses, costs, and attorneys' fees incurred by it in connection therewith.

(b) If the Trust Fund pays, or is obligated to pay, any amount to or on behalf of a Benefit Recipient for an illness or injury, the Trust Fund shall be entitled to, and shall have a first priority equitable lien on, the proceeds of any recovery, by judgment, settlement or otherwise, with respect to the illness or injury, and if paid to the Benefit Recipient, the Benefit Recipient shall immediately pay any such proceeds to the Trust Fund. If the Benefit Recipient fails to pay such proceeds, or does not cause such proceeds to be paid, to the Trust Fund, the Board may, in addition to any other remedy to which it may be entitled, recover the proceeds directly or by offset against claims for benefits under the Plan and Trust made with respect to the affected Benefit Recipient (or such Benefit Recipient's beneficiaries, heirs, attorneys, agents, representatives, or estate).

(c) The Trust Fund shall have the right of subrogation and reimbursement set forth in this Section 9.14 regardless of whether the Benefit Recipient is made whole and regardless of whether the recovery, or any part thereof, is designated as payment for health care expenses, pain and suffering, loss of income or any other specified or unspecified damages or reason, and without regard to whether recovery is designated as including or excluding the health care expenses covered by the Plan and Trust. Any recovery by a Benefit Recipient, an attorney or other third party shall be deemed to be for the benefit of the Plan and Trust and shall be held in constructive trust for the Trust Fund until the Trust Fund is reimbursed in full for all amounts paid by the Trust Fund. The subrogation and reimbursement rights of the Trust Fund described in this Section 9.14 include all rights against, and include all rights with respect to, proceeds from or held by any attorney, third party, insurance carrier or payer of medical benefits, including an uninsured or under-insured motorist carrier, a no-fault carrier and a school insurance carrier, even if such coverage was purchased by the Benefit Recipient, and without regard to whether the proceeds have been paid or are payable.

(d) By participating in the Plan, each Benefit Recipient agrees to cooperate fully with the Plan and Trust and to execute and deliver agreements, liens and other documents and do whatever else the Board deems necessary to enable and assist the Trust Fund in exercising its rights under this Section 9.14, but the Trust Fund's rights under this Section 9.14 shall be effective regardless of whether the Benefit Recipient actually signs any agreements, liens or other documents. By participating in the Plan, each Benefit Recipient also agrees (i) that he or she will not make or maintain any make whole, common trust fund or apportionment action or claim in contravention of the subrogation and reimbursement provisions of this Section 9.14; and (ii) that he or she will not oppose any proceeding by the Trust Fund to obtain reimbursement

on procedural grounds. The Benefit Recipient, directly or through his or her representatives, shall not do anything to impair the Trust Fund's rights. If the Board determines that any Trust Fund recovery rights under Section 9.14 have been impaired by any action of the Benefit Recipient or his or her representatives or by the Benefit Recipient's or such other person's failure to comply with the Benefit Recipient's obligations under Section 9.14, the Board may, in addition to any other remedy to which it may be entitled, determine the amount by which the Trust Fund's recovery rights have been impaired and recover such amount directly or by offset against claims for benefits under the Trust Fund made with respect to the affected Benefit Recipient.

(e) This Section 9.14 entitles the Trust Fund to subrogation and reimbursement equal to the entire amount paid by the Trust Fund for the illness or injury to which the subrogation or reimbursement relates, including related expenses, costs and attorneys' fees, which shall be from the first dollars payable to or received by the Benefit Recipient, his representatives, heirs, legal counsel, estate or any other third party from any settlement, judgment or other payment, without reduction for attorneys' fees or for any other reason. The common fund, make-whole, apportionment or any similar doctrines shall not apply to any amounts received. Any attorneys' fees shall be the responsibility solely of the Benefit Recipient, and the Trust Fund shall not pay any attorneys' fees or costs associated with a Benefit Recipient's claim or lawsuit without the Board's prior written authorization.

(f) The intention of this Section 9.14 is to give the Trust Fund the first right of subrogation and reimbursement in full with respect to the first dollars paid or payable, even though the Benefit Recipient is not made whole. Each Benefit Recipient agrees that as a condition to receiving benefits under the Plan and from the Trust Fund, the Benefit Recipient shall comply with the requirements of this Section 9.14.

ARTICLE X AMENDMENT, TERMINATION AND MERGER

Section 10.1 Amendment. The Trust Agreement may be amended at any time in writing by the Board, by a vote of not less than six (6) out of seven (7) voting Board members, or by Court order upon proper motion, provided, however, that no amendment may impose a contribution obligation on Detroit; provided further that no amendment shall in any way conflict with the terms of the Plan of Adjustment or a Court order confirming the Plan of Adjustment; and provided further that no amendment shall adversely affect the exempt status of the Trust or Plan under Section 501(c)(9) of the Code. No amendment to the Trust Agreement shall modify the responsibilities of the Bank hereunder unless the Bank has first consented to such amendment.

Section 10.2 Termination.

(a) The Trust and this Trust Agreement may be terminated at any time in writing by action of the Board, acting by a vote of not less than six (6) out of seven (7) voting Board members, with a copy of such written instrument to be provided to the Bank, or by Court order upon proper motion. Upon termination of this Trust Agreement, the assets of the Trust Fund shall be paid out at the direction of the Board in the following order of priority: (i) the payment of reasonable and necessary administrative expenses (including taxes); (ii) the payment of benefits to Participants entitled to payments for claims arising prior to such termination; and

(iii) upon satisfaction of all liabilities to existing Participants, either directly or through the purchase of insurance, to provide life, sick accident or other permissible benefits in accordance with Code section 501(c)(9) and the rules and regulations promulgated thereunder. Neither Detroit nor any member of the Board shall have any beneficial interest in the Trust Fund, except to the extent an Individual Trustee is also a Participant in the Plan. Any determination by the Board or an administrator to distribute assets of the Trust upon termination to an Individual Trustee who is also a Participant must have the written concurrence of the Bank. The Trust Fund shall remain in existence until all assets have been distributed.

(b) Upon termination, the Bank and the Board shall continue to have all of the powers provided in this Trust Agreement as are necessary or desirable for the orderly liquidation and distribution of the Trust Fund in accordance with the provisions hereof.

Section 10.3 Transfer of Assets and/or Liabilities. To the extent permitted by Code section 501(c)(9) and other applicable law, some or all of the assets and/or liabilities of the Trust Fund may at the discretion of the Board be transferred directly to another trust for the purpose of providing health or welfare benefits to some or all of the Participants on such terms and conditions as the Board may determine.

ARTICLE XI MISCELLANEOUS

Except to the extent required by applicable law, the rights or interest of any Participant to any benefits or future payments hereunder or under the provisions of the Plan shall not be subject to attachment or garnishment or other legal process by any creditor of any such Participant, nor shall any such Participant have any right to alienate, anticipate, commute, pledge, encumber or assign any of the benefits or payments which he may expect to receive, contingent or otherwise, under this Trust Agreement.

--------------------	--

	<p><u>Payment Period</u> means the twenty year period commencing on and immediately following the date of the Closing.</p> <p><u>State</u> means the State of Michigan.</p> <p><u>Supporting Organization</u> means the Foundation for Detroit's Future, a Michigan nonprofit corporation, which is a supporting organization of CFSEM, which was established to accommodate the contribution and payment of monies from the Funders, as contemplated under this Term Sheet, and will obtain 501(c)(3) status prior to the Closing.</p> <p><u>The DIA</u> means The Detroit Institute of Arts, a Michigan not-for-profit corporation.</p> <p><u>Tri-Counties</u> means the Counties of Macomb, Oakland and Wayne, all in the State.</p> <p>Other capitalized terms are defined elsewhere in this Term Sheet.</p>
Scope of Settlement	<p>The consummation of the transactions contemplated in this Term Sheet shall be in full and final settlement of all disputes relating to the rights of the City, the Police and Fire Retirement System and the General Retirement System for the City (collectively, the "Pensions"), The DIA, and the State with respect to the Museum, including the Museum Assets. Disputes held by other of the City's creditors pertaining to the foregoing subject matter shall be resolved by confirmation of the Plan of Adjustment (defined below).</p>
Reservation of Rights	<p>This Term Sheet proposes a settlement of disputed factual and legal issues. Nothing in this Term Sheet constitutes an admission as to any factual or legal issue or a waiver of any claim or defense, and all rights of the City, The DIA, the Funders and all other parties in the City's bankruptcy case regarding the Museum and the Museum Assets are fully preserved until the Closing.</p>
Treatment of Museum Assets	<p>As a result of this settlement, at Closing, all right, title and interest in and to the Museum Assets shall be conveyed to The DIA to be held in perpetual charitable trust for the benefit of the people of the City and the State, including the citizens of the Tri-Counties, permanently free and clear of all liens, encumbrances, claims and interests of the City and its creditors (the "Transfer").</p>

<p style="text-align: center;">Funding Commitments</p>	<p>All commitments of the Funders shall, subject to the terms and conditions of this Term Sheet and the Definitive Documentation, be the irrevocable, authorized, valid and binding commitments by the Funders, enforceable against such Funders, except that the commitment of The DIA as to any DIA Deficiency will be subject to its right of substitution as discussed in "<i>DIA Commitment Regarding Funding</i>" below. Exhibit B and Exhibit C, as applicable, set forth the commitment amount and, to the extent known prior to the date of this Term Sheet, the payment schedule for each Funder. Prior to execution of the Definitive Documentation, each Funder with respect to which the payment schedule was not known as of the date of this Term Sheet (unless such party becomes a "Funder" only after the date of the Definitive Documentation) shall agree to a payment schedule. Each Funder shall have the right to prepay its commitment in whole or in part at any time without penalty and no interest will be owed on any Funder's payments.</p> <p>All payments by the Funders shall be made as set forth in "<i>Payment Mechanism</i>" of this Term Sheet. (The mechanics, timing and terms of all payments by the State shall be determined between the State and the City.)</p> <p>The parties acknowledge that Funder payments are conditioned on the City meeting certain conditions both initially and on a continuing basis. See "<i>Conditions to Future Funding Obligations</i>" of this Term Sheet. Failure of the City to meet those conditions in any material respect may result in the delay of a scheduled payment by the Funders to the Supporting Organization and a delay of a scheduled payment by the Supporting Organization to the City until (i) all material requisite conditions for that payment are met; or (ii) cancellation of that payment if the material requisite conditions are not met within any established cure period.</p> <p>Funding commitments of the following amounts (before giving effect to any Present Value Discount, as applicable) are required as a condition to Closing:</p> <table data-bbox="727 1570 1341 1682"> <tr> <td>Foundation Funders (net)</td><td>\$366 million</td></tr> <tr> <td>DIA Funders and DIA</td><td>\$100 million*</td></tr> <tr> <td>State</td><td>\$350 million</td></tr> </table> <p style="text-align: center;">*inclusive of the intended funding amounts for the identified Foundation Funders</p>	Foundation Funders (net)	\$366 million	DIA Funders and DIA	\$100 million*	State	\$350 million
Foundation Funders (net)	\$366 million						
DIA Funders and DIA	\$100 million*						
State	\$350 million						

	<p>listed in Exhibit B</p> <p>To the extent the City fails to meet its indemnity obligations further described in Exhibit D, the Funders', the Supporting Organization's and The DIA's (with respect to a DIA Deficiency or under the Guaranty) funding commitments will be reduced by any litigation or defense costs, damages or settlement costs incurred by the applicable Funder, the Supporting Organization or The DIA in connection therewith. Similarly, the Funders, the Supporting Organization and The DIA may reduce their funding commitments to the extent that any litigation or defense costs, damages or settlement costs incurred by them and arising from the transactions contemplated by this Term Sheet and the Definitive Documentation are not otherwise covered by the City's indemnity obligations described in Exhibit D.</p>
Present Value Discount	<p>To the extent that the DIA Funders and The DIA have agreed upon an aggregate payment schedule (determined as of the Closing and adjusted after the Closing for any New Donor Commitments), that provides for the payment of greater than an aggregate of \$5 million per year during the Payment Period (the "Agreed Required Minimum Schedule"), the amount and timing of such annual excess in commitments shall, applying a discount rate to be agreed upon hereafter but prior to Closing, which may or may not be the same earnings rate that the Pensions use as provided for in the confirmed Plan of Adjustment as the Pensions' assumed future investment return, result in a present value discount in an amount which reflects the payments required to be made being instead made more rapidly than required by the Agreed Required Minimum Payment Schedule, which present value discount shall reduce the aggregate amount of the commitments that The DIA is required to secure or, as to any DIA Deficiency, undertake itself (the "Present Value Discount").</p> <p>Each Foundation Funder which funds its commitment more rapidly than ratably over twenty years shall likewise be entitled to a Present Value Discount determined in the same manner as set forth in the preceding paragraph.</p> <p>Any disputes regarding the calculation or application of a Present Value Discount will be irrevocably determined,</p>

	based upon the formula described in this Term Sheet, by an independent auditing firm to be agreed upon in the Definitive Documentation.
The DIA Commitment Regarding Funding	The DIA undertakes to secure commitments for contributions of \$100 million (subject to the Present Value Discount) from the business community (and their related foundations), other foundations and individuals. As of the Closing, The DIA shall be responsible for any portion of the \$100 million (subject to the Present Value Discount) for which it has not secured commitments from DIA Funders as of the Closing (the " DIA Deficiency "). However, The DIA shall have the right after the Closing to substitute for its obligation to pay any or all of the DIA Deficiency commitments from new DIA Funders or an increased funding commitment from an existing DIA Funder (each a " New Donor Commitment ") for such amount of the DIA Deficiency. Subject to the terms of this Term Sheet, all New Donor Commitments shall be payable according to payment schedules which shall not run later than the end of the Payment Period. In addition, The DIA agrees that it will have no claims against the Foundation Funders for failure to fund their commitments and that the Foundation Funders have made no commitments beyond those set forth in this Term Sheet (as will be reflected in the Definitive Documentation).
DIA Guaranty	Subject to the terms and conditions of this Term Sheet, The DIA shall guaranty (the " Guaranty ") the payment by all DIA Funders of all amounts such DIA Funders pledge against the \$100 million (subject to the Present Value Discount) commitment of The DIA under the " <i>Funding Commitment</i> " section of this Term Sheet. The City may take action to collect Default Amounts under the Guaranty as permitted under the " <i>Default and Remedies</i> " section of this Term Sheet. The City shall not otherwise take action to collect any amounts under the Guaranty, and under no circumstances will anyone other than the City have any right to take any action to collect any amounts under the Guaranty. The DIA Guaranty shall be in form and substance acceptable to the City and the Funders.
Default and Remedies	All Funders (including The DIA, both as to any DIA Deficiency and with respect to the Guaranty) shall have the right to rely upon the determination of the Board of Directors of the Supporting Organization as to whether the conditions

	<p>to a scheduled payment have been satisfied and, if not initially satisfied, whether they have been timely cured. In the event that the Supporting Organization has determined that the conditions have not been satisfied (or timely cured) and the City disputes that determination, the City's only recourse shall be to dispute the Supporting Organization's determination. The City shall have no claim against any Funder (or under the Guaranty) for such Funder's reliance upon the determination of the Board of Directors of the Supporting Organization. Any dispute between the City and the Supporting Organization regarding whether the conditions had been satisfied or timely cured shall be determined in accordance with the "<i>Dispute Resolution</i>" section of this Term Sheet.</p> <p>In the event it is determined by the Supporting Organization or through arbitration that the conditions to a scheduled payment have been satisfied or timely cured, all Funders shall be required to make their scheduled payments to the Supporting Organization (or, as to DIA Funders that so elect in accordance with the "<i>Payment Mechanism</i>" section of this Term Sheet, to The DIA, which will be required to make its scheduled payments to the Supporting Organization). If a Foundation Funder, a DIA Funder or The DIA (either with respect to a Deficiency Amount or on behalf of a DIA Funder who elects to make its payments to The DIA) has made its scheduled payment to the Supporting Organization, the City shall have recourse only to the Supporting Organization (and not any Funder that made its scheduled payment) for such payment. If a Foundation Funder, a DIA Funder or The DIA (either with respect to a Deficiency Amount or on behalf a DIA Funder who elects to make its payments to The DIA) has not made its scheduled payment after it is determined by the Supporting Organization or through arbitration that the conditions to such payment have been satisfied or timely cured, the Supporting Organization shall, after making reasonable efforts to collect the scheduled payment from the Funder (the "Non-funding Party"), assign its right to enforce payment of that scheduled payment (the "Default Amount") to the City in full satisfaction of the Supporting Organization's obligation to make such payment to the City.</p> <p>If the Supporting Organization assigns to the City, in accordance with the preceding paragraph, the Supporting Organization's right to enforce payment of a Default Amount from a DIA Funder (a "Defaulted DIA Funder"), during the twelve-month period following the assignment of the claim</p>
--	---

	<p>to the City (the “City Collection Period”), the City shall exercise commercially reasonable efforts to collect the Default Amount from that Defaulted DIA Funder, and any amounts collected from that Defaulted DIA Funder shall reduce the amount subject to the Guaranty. If the City is unable to collect the Default Amount from a Defaulted DIA Funder during the City Collection Period, upon the expiration of the City Collection Period, the City may collect the Default Amount from The DIA under the Guaranty and, in such event, assign to The DIA all right and title to (and exclusive authority to collect) the Default Amount.</p> <p>In no event will any Funder other than the Non-funding Party have any responsibility for the payment or obligations of such Non-funding Party (except, as to The DIA, under the Guaranty), and the City will not have any right to collect any amounts from any Funder except as set forth above. Moreover, there will be no third-party beneficiaries to the rights of the City or the Supporting Organization, and no party other than the City or the Supporting Organization (or The DIA in respect of the Guaranty), as applicable, shall have the right to assert any claim against any Funder in respect of the obligations arising under the Definitive Documentation. Without limiting the foregoing, the failure of any Funder or the Supporting Organization to make a scheduled payment shall give rise to a claim by the City against such Non-funding Party, as set forth above, and not against any other Funder, the Supporting Organization, The DIA or the Museum Assets; provided, however, (i) as contemplated in “<i>The DIA Commitment Regarding Funding</i>” above, The DIA will be obligated for any DIA Deficiency except to the extent the DIA Deficiency is replaced during the Payment Period with a New Donor Commitment, and (ii) The DIA will have its obligations under the Guaranty.</p> <p>The City will be responsible for all costs of its enforcement against the Non-funding Party and will not seek reimbursement of costs of enforcement from any other party or the Supporting Organization. No other person or entity shall have the right to enforce payment.</p>
Initial Payment	<p>At and as a condition to the Closing (a) each of the Foundation Funders and the State shall pay at least 5% of its commitment under this Term Sheet and (b) The DIA and the DIA Funders in the aggregate shall pay at least \$5 million.</p>

<p>Transfer on Initial Payment</p>	<p>The Transfer shall be irrevocably consummated upon the Initial Payment to the City Account (defined in "<i>Conditions to Future Funding Obligations</i>" of this Term Sheet) (which shall be made at the Closing). In addition, at the Closing, the City and The DIA will enter into an agreement that (1) terminates the Operating Agreement, (2) includes a mutual release of pre-Closing claims, and (3) assigns (without recourse) from the City to The DIA all current and future commitments or gifts made or intended for the benefit of the Museum or The DIA, including without limitation money and works of art. The City will not, however, make any representations or warranties relating to the condition of, or title to, the Museum Assets or such commitments and will not have any liability with respect thereto.</p>
<p>Payment Mechanism</p>	<p>All payments by the Funders shall be made directly to the Supporting Organization which shall hold such payments in a segregated account (the "Account") pending payment to the City. Notwithstanding the foregoing, any DIA Funder may make its payments to The DIA instead of to the Supporting Organization; payments by The DIA (either with respect to a Deficiency Amount or on behalf a DIA Funder who elects pursuant to the preceding sentence to make its payments to The DIA) to the Supporting Organization shall be pursuant to the terms of an agreement which will be entered into between The DIA and the Supporting Organization in connection with the execution of the Definitive Documentation. As set forth under "<i>Default and Remedies</i>" above, only the City will have recourse or claims against the Account, provided all conditions specified in "<i>Conditions to Future Funding Obligations</i>" of this Term Sheet have been satisfied and as otherwise provided in this Term Sheet, and the City shall be paid when due, directly from the Account for the exclusive payment of the Pensions. The City will not be entitled to any interest or earnings on the balances of the Account. The City shall then pay such amounts to and for the exclusive payment of the Pensions in accordance with the allocation determined by the City and agreed by the Funders.</p>
<p>DIA Commitment for State-wide Services for State Contribution</p>	<p>In addition to continuing to operate the Museum for the benefit of the people of the City and the State, including the citizens of the Tri-Counties, and continuing to provide the special services to the residents of the Tri-Counties during the millage term that are provided for in the millage</p>

	<p>agreements, during the Payment Period The DIA will provide an array of art programs at no or discounted costs to the residents of the State. In determining which programs to offer, both the cost to The DIA of developing and operating these programs and The DIA's other fundraising obligations, including its need to raise funds for general operations and its stated goal of building endowment funds, as well as any fundraising obligation under this settlement, will be taken into account. As appropriate, The DIA will collaborate with its Michigan museum colleagues in the development of these programs. Given the length of the Payment Period, it is expected that these programs would be developed and adjusted over time. Such programs could include at the outset:</p> <ul style="list-style-type: none"> • Two exhibitions in each twelve-month period, with the first such period beginning six months after the Closing, of objects from the Museum collection that would rotate through museums and art centers around the State on a schedule to be determined by The DIA and the recipient museums. Each exhibition will be developed and organized by The DIA and will include installation and de-installation of the objects, a marketing package (logo and advertising template) and, possibly, input on programming and education opportunities. • An annual professional development program coordinated with the Michigan Museums Association designed to strengthen museum professionals and introduce museum job opportunities to student audiences. • An expansion of the Museum's popular Inside/Out program (during the tenure of the program), which places high-quality art reproductions in Southeast Michigan communities, to include two additional outstate locations annually, supporting tourism, cultural awareness and life-long learning. • Art object conservation services at a discounted rate to Michigan museums conducted in consultation with the Museum conservators and the curatorial staff of the requesting museum. • The development of an educational program based on the Museum collection that supports National Common Core Standards, to be offered in two

	Michigan communities annually and to include follow-up support for educators.
DIA Operating and Maintenance Commitments	<p>(1) Subject to the terms set forth herein and the Definitive Documentation, The DIA shall have complete responsibility for and control over Museum operations, capital expenditures, collection management, purchase or sale of assets, <i>etc.</i> and will be responsible for all related liabilities, including existing liabilities of The DIA to its employees, contractors and vendors.</p> <p>(2) The permanent primary situs of The DIA and its art collection will remain in the City in perpetuity. This Term Sheet and the Definitive Documentation will not otherwise restrict the ability of The DIA to lend or to otherwise allow works to travel outside of the City or the State, consistent with ordinary Museum operations and the state-wide services proposed under this settlement. Notwithstanding anything to the contrary set forth in this Term Sheet, The DIA acknowledges and agrees that the Museum shall be operated primarily for the benefit of the people of the City and the State, including the citizens of the Tri-Counties.</p> <p>(3) The DIA will be required to operate the Museum as an encyclopedic art museum in the City, in accordance with changing future demands in the operation of such a Museum. The DIA will not deaccession from its collection or sell, lease, pledge, mortgage, or otherwise encumber art that is accessioned to or otherwise held in its collection except in accordance with the code of ethics or applicable standards for museums published by the American Alliance of Museums (the "AAM") as amended or modified by the accreditation organization. If the AAM ceases to exist or to be generally regarded by leading American art museums as the preeminent American art museum accreditation organization, then the AAM's successor organization or such other organization that is at that time generally regarded by leading American art museums as the preeminent American art museum accreditation organization shall be substituted for the AAM.</p>

	<p>(4) In the event of a liquidation of The DIA, the Museum Assets will be transferred only to another not-for-profit entity (which entity shall be subject to the reasonable approval of the City and the Supporting Organization, if then in existence, and otherwise by majority vote of the City and the then-existing Foundation Funders). Such successor entity would subject itself to the same conditions as set forth in this Term Sheet and the Definitive Documentation, including but not limited to holding the Museum Assets in perpetual charitable trust for the people of the City and the State, including the citizens of the Tri-Counties. For the purposes of determining the majority vote described above, and for the avoidance of doubt, the parties agree that the City and each of the then-existing Foundation Funders shall each have one vote with respect to such approval.</p>
<p>City Commitments Relating to Pensions</p>	<p>(1) The City will adopt and maintain pension governance mechanisms that meet or exceed commonly accepted best practices reasonably satisfactory to the Funders and the State to ensure acceptable fiscal practices and procedures for management and investment of pensions and selection of acceptable pension boards to ensure the foregoing.</p> <p>(2) The City will establish, by the Effective Date (as defined below), a Receivership Transition Review Board ("Review Board") or other independent fiduciary that is independent of the City and any association of City employees or retirees for future supervision of the Pensions' management, administration and investments for at least twenty years after the Effective Date.</p> <p>(3) Any commitments by the City to make payments hereunder, or cause payments to be made, to the Pensions shall be subject to receipt of the related payment amount from the Supporting Organization which, in turn, will be conditioned on the City's compliance with the above.</p> <p>(4) The Pension funds themselves shall agree as part of the settlements approved through the confirmed Plan of Adjustment that they waive and release</p>

	<p>any and all claims against, and shall have no recourse directly against, the Funders or the Supporting Organization with respect to enforcement of the City's commitment to make payments to the Pensions or any such party, nor for any matter arising from the contemplated transaction. The agreement of the Pension funds, as implemented through the Plan of Adjustment and any associated court orders shall be binding on the Pensions and all entities or persons claiming through the Pensions, including without limitation any successors or assigns and any plan participants, and any of their representatives, successors or assigns.</p>
Other City Commitments	<ol style="list-style-type: none"> (1) The City shall pass no charter, ordinance or other provision that solely affects or primarily targets the Museum, The DIA or museums within the City generally which such charter, ordinance or other provision has a material adverse impact on the Museum or The DIA (it being understood that a "material adverse impact" shall include any adverse financial impact or any contradiction, or adverse impact on the enforceability, of the terms of this settlement), except pursuant to State-enabling legislation, and the City agrees that the Detroit Arts Commission will henceforth have no oversight of The DIA, the Museum or the Museum Assets. (2) The City shall not impose any fee, tax or other cost on the Museum or The DIA that solely affects or primarily targets the Museum, The DIA or museums within the City generally. (3) The City shall provide (or cause to be provided) utilities and other City services to The DIA at the same pricing and on the same terms upon which the City offers to provide utilities and such other City services to arm's-length third parties generally. (4) The City agrees that there are no further commitments from the Funders, the Supporting Organization, The DIA or the State relating to the Museum or the Museum Assets beyond those contained in the Term Sheet or the Definitive

	<p>Documentation.</p> <p>(5) The City agrees to the indemnification, jurisdiction, venue and choice of law language contained in Exhibit D for the benefit of the Funders.</p>
<p>Bankruptcy Court Approval Process</p>	<p>The settlement between the City and The DIA over the Transfer in exchange for the Funders' and the State's commitments for the Payment Amount and The DIA's commitment to provide for the operation and maintenance of the Museum is subject to the Bankruptcy Court's approval in a manner acceptable to the parties hereto, which the City shall seek promptly after the signing of the Definitive Documentation for the settlement.</p>
<p>Conditions to The DIA's, the City's and the Funders' Commitments and Initial Payments under the Settlement</p>	<p>The City's and the Funders' obligations under the settlement will become binding only upon:</p> <ol style="list-style-type: none"> (1) execution of Definitive Documentation acceptable in all respects to The DIA, the City, the State and the Funders, memorializing the terms of this Term Sheet, including irrevocable commitments (subject to The DIA's right of substitution as to the DIA Deficiency) of the Funders, in the aggregate, for the full Payment Amount, (2) Bankruptcy Court entry of an order confirming the Plan of Adjustment of Debts of the City of Detroit, Michigan (the "Plan of Adjustment") that is binding on The DIA, the City and all of the City's creditors and provides, among other things, for approval and inclusion of all of the terms of this settlement, including treatment of the Payment Amount in accordance with this Term Sheet and protection of the Museum Assets as provided in "<i>Treatment of Museum Assets</i>" of this Term Sheet, and not stayed on appeal, (3) occurrence of the Effective Date, (4) approval of the settlement by the Michigan Attorney General as consistent with Michigan law and with Attorney General Opinion No. 7272, (5) agreement by the millage authorities for each of the Tri-Counties to the settlement for protection of the three-county millage payable to the Museum for the balance of the millage period approved in 2012,

	<p>(6) approval of the relevant City and State persons or entities specified in the Local Financial Stability and Choice Act (PA 436) to the extent applicable, including, but not limited to, the Emergency Manager, the Governor of the State and/or the Treasurer of the State and (if needed) the Detroit City Council and/or Detroit Arts Commission, in each case, for the Transfer,</p> <p>(7) The DIA, the Foundation Funders, the City and the State being satisfied with The DIA's governance structure, mechanisms and documents, program for provision of statewide services, multi-year fundraising plan, insurance coverage, policies, practices and procedures and such other matters as the Funders determine are critical to their decision to fund and the City determines are critical to its decision to execute the Definitive Documentation,</p> <p>(8) Closing occurring no later than December 31, 2014,</p> <p>(9) All existing agreements and other arrangements between the City and The DIA are either affirmed, modified or terminated, as provided in this Term Sheet or as otherwise agreed between the City and The DIA.</p> <p>(10) The DIA agrees to indemnify and hold harmless the Foundation Funders, the City and the Supporting Organization from any and all claims against them (together with all reasonable associated costs and expenses) that result from The DIA's failure to perform any of its obligations under the Definitive Documentation. The DIA acknowledges that the Foundation Funders and the Supporting Organization have no financial obligations other than, in the case of the Foundation Funders, the amount specified in the "<i>Funding Commitments</i>" of this Term Sheet and are not guaranteeing payment to the City of any amount committed by the DIA Funders or The DIA.</p>
Closing of Settlement	<p>Upon satisfaction of all "<i>Conditions to The DIA's, the City's, the State's and the Funders' Commitments and Initial Payments under the Settlement</i>" under this Term Sheet (any of which may be waived by agreement of all parties to this Term Sheet for whose benefit the condition exists) and the occurrence of the</p>

	effective date of the Plan of Adjustment (" Effective Date ").
Conditions to Future Funding Obligations	<p>The Funders' obligations to continue to fund the settlement (and the Supporting Organization's obligation to continue to pay funds provided by the Funders to the City) are conditioned on the following:</p> <ol style="list-style-type: none"> (1) all amounts paid by the Funders shall be used only to pay Pensions as provided in this Term Sheet and the confirmed Plan of Adjustment, (2) the Funders' receipt of an annual certification from the Review Board or other oversight authority reasonably acceptable to the Funders that the City is in compliance with its obligation to use the amounts paid by the Funders solely for the benefit of the pensioners and that the amounts received from the Funders are unencumbered by the City or any other entity, (3) the amounts paid by the Funders and transmitted by the Supporting Organization to the City are placed into a segregated account to be used for payments to the Pensions only and shown separately on the City's books ("City Account"), (4) the Funders' receipt of an annual reconciliation report of the City Account prepared by external auditors reasonably satisfactory to the Funders at the City's expense, certifying use of funds in a manner consistent with the settlement, (5) full compliance by the City with the terms of the funding agreements with the Funders or the Supporting Organization, and (6) the City's continued compliance with the first two commitments set forth above in the provision entitled "<i>City Commitments Relating to Pensions</i>" of this Term Sheet. <p>The City shall have the opportunity to cure any breach or failure of these conditions within 180 days of issuance of notice of the same by the Funders or the Supporting Organization. Notwithstanding the foregoing, to the extent that the applicable event of default cannot reasonably be cured within the period specified above, and as long as the City has commenced to cure, and diligently pursues the cure of such default in good faith, such cure period shall be</p>

	<p>extended by a reasonable period of time to permit the City to cure such event of default; provided, however, such additional extended cure period shall not extend beyond the later of: (i) 180 days beyond the initial cure period; and (ii) the date that the next applicable payment is due the City by the Supporting Organization. The City's ability to receive the benefit of the extended cure period, beyond the initial cure period, shall be subject to the approval of the Supporting Organization upon receipt of a written request from the City setting forth why the City is entitled to such extended cure period by meeting the requirements set forth above, which approval shall not be unreasonably withheld, conditioned or delayed. All obligations of the Funders and Supporting Organization to make payments shall be suspended for the duration of the cure period. If the City fails to cure a breach or failure during the cure period each Funder and the Supporting Organization shall have the right to cancel its remaining commitments.</p>
Changes in DIA Governance	<p>The DIA shall establish an ad-hoc committee (the "Governance Committee") to review best practices in museum governance, gather input from the parties to this Term Sheet and the State, and make recommendations regarding the future governance of The DIA. In addition to three members representing the perspective of The DIA, The DIA shall appoint to the Governance Committee one member representing each of the following perspectives: 1) the Foundation Funders; 2) the City; and 3) the State. In addition, The DIA shall appoint to the Governance Committee one person who is selected by agreement of the millage authorities of the Tri-Counties. The parties believe the proposed make-up of the Governance Committee will appropriately represent the perspectives of The DIA, the City, the State, the millage authorities and the Foundation Funders, but The DIA will consider adjustments to the proposed membership to the extent necessary to address any concerns raised by the State. Susan Nelson, principal of Technical Development Corporation, will facilitate and advise the process, with funding as required from the Foundation Funders. The process will be completed as quickly as possible but in any event prior to the Closing, with the Governance Committee's recommendations taking effect upon their approval by The DIA's Board of Directors and prior to Closing. The goal of the Governance Committee will be to ensure that The DIA has the best possible governance</p>

	structure for maintaining its position as one of America's great art museums.
Future Obligations of The DIA	The DIA will provide to the other Funders and the City, or their representatives, on an annual basis, a narrative report covering overall operations, fundraising and state services, as well as audited financial statements.
Dispute Resolution	In connection with the negotiation of the Definitive Documentation, the parties shall use good faith efforts to work with the State to identify and agree upon alternative dispute resolution mechanisms that provide a process for resolution of disputes surrounding whether conditions to a scheduled payment have been satisfied or cured while considering the ability of the public, Pensions and other stakeholders to monitor such alternative dispute resolution process.

 - (ii) *Any breach or failure of any representation or warranty of the City contained in the Definitive Documentation between the City and the Indemnified Parties and/or other parties related to the contemplated transaction;*
 - (iii) *Any failure by the City to perform, satisfy or comply with any covenant, agreement or condition to be performed, satisfied or complied with by the City under the Definitive Documentation with the Indemnified Parties or under agreements with any third parties contemplated by this transaction;*
 - (iv) *Reliance by the Indemnified Parties upon any books or records of the City or reliance by them on any written information furnished by the City or any of the City’s employees, officials or agents to them to the extent any such information should prove to be false or materially inaccurate or misleading (including, without limitation, by omission), but only to the extent that such books, records or written information was furnished by the City in connection with the City showing its compliance with the conditions to initial or future funding as set forth in the Term Sheet;*
 - (v) *Any claim or objection made in the City’s Chapter 9 Bankruptcy (Case No. 13-53846) or any other action brought against, or involving, the Indemnified Parties with respect to their participation in any transaction contemplated by the proposed or confirmed Plan of Adjustment;*

(vi) *The transfer, assignment or sale by the City to The DIA of any assets or property (real or personal) and any rights, title and interests therein including, but not limited to, the Museum and all of the Museum Assets;*

(vii) *Any action or claim against the Indemnified Parties made by the Pensions, including any successors or assigns and any plan participants, or their representatives, successors or assigns (collectively, the "Pension Funds"), as nothing under the Term Sheet or the Definitive Documentation is intended to, nor are they to be construed or interpreted to, make the Indemnified Parties a party in privity with, or having an obligation in any capacity to the Pension Funds. By way of illustration and not limitation, the following statements apply:*

First, the Indemnified Parties have no responsibility for the operation or administration of the Pension Funds and have no fiduciary responsibility for the Pension Funds as plan sponsor, plan administrator, investment advisor or otherwise.

Second, the Indemnified Parties have no obligation to contribute towards the funding of the Pension Funds and are not a funding guarantor.

(viii) *Any action or claim brought by the City, The DIA, the Pension Funds or any other party concerning non-payment of the contributions pursuant to the contemplated transaction by the Indemnified Parties due to the breach of the Definitive Documentation by the City, the DIA, the Pension Funds or any other party, so long as the Indemnified Parties have made a good faith determination of the breach of the Definitive Documentation or payment condition.*

(b) An Indemnified Party shall notify the City in a timely manner of any matters as to which the Indemnified Party is entitled to receive indemnification and shall set forth in such notice reasonable detail regarding specific facts and circumstances then known by the Indemnified Party which pertain to such matters. Failure or delay in providing such notice shall not relieve the City of its defense or indemnity obligations except to the extent the City's defense of an applicable claim against an Indemnified Party is actually prejudiced by such Indemnified Party's failure or delay.

(c) The City shall not contest on any grounds the enforceability of its indemnification obligations hereunder.

(d) Notwithstanding the foregoing, the parties acknowledge that the City is not making any representations to The DIA regarding the City's title to the Museum Assets prior to the Closing and that The DIA will not be entitled to indemnification in connection with its defense of any post-Closing claims by third parties challenging The DIA's title to any Museum Asset to the extent that such claim is based on an allegation that the City did not have legal title to the particular Museum Asset prior to the Closing (a "**Quitclaim Challenge**"). To be clear, however, The DIA will be entitled to indemnification by the City under this Exhibit D in connection with any post-Closing challenges to The DIA's title to Museum Assets that are in any way based upon a claim that the title that the City

had to the Museum Assets prior to Closing was not effectively conveyed to The DIA at and as a result of the Closing.

Defense of Indemnity Claims

(a) To the extent the City is notified of claim for which it is required to indemnify an Indemnified Party, the City shall be solely responsible for responding to or otherwise defending such claim. In such event, the City shall assume exclusive control of the defense of such claim at its sole expense using counsel of its sole choosing and may settle such claim in its sole discretion; provided, however, that (i) with respect to any claim that involves allegations of criminal wrongdoing, the City shall not settle such claim without the prior written approval of the Indemnified Party, which approval may be withheld in such Indemnified Party's sole discretion, and (ii) with respect to any other claim, the City shall not settle such claim in a manner that requires the admission of liability, fault, or wrongdoing on the part of an Indemnified Party, that fails to include a release of all covered claims pending against the Indemnified Party, or that imposes any obligation on the Indemnified Party without the prior written approval of the Indemnified Party, which approval may be withheld in such Indemnified Party's sole discretion. The City will keep the Indemnified Party reasonably informed of the status of any negotiations or legal proceedings related to any claim, and the Indemnified Party shall be entitled to engage counsel (at its own expense) to monitor the handling of any claim by the City. Notwithstanding the foregoing, other than as relates to a Quitclaim Challenge (for which The DIA will not be entitled to indemnification, as set forth above), The DIA shall be entitled to defend on its own behalf any claims regarding title to, interest in or control of the Museum Assets or operation of the Museum. To the extent The DIA intends to exercise such right, the City and The DIA shall use their commercially reasonable efforts in good faith to coordinate a joint defense of such claim (including as to selection of joint counsel). If the City and The DIA cannot agree on a joint defense of the claim, each party shall undertake its own defense, reserving all rights against the other for indemnification hereunder with respect to such claim, but, in such case, The DIA shall not be entitled to indemnification of its defense costs in connection therewith.

(b) Notwithstanding anything to the contrary set forth in this Exhibit D or the Term Sheet, to the extent that the City is required to indemnify an Indemnified Party hereunder, and the underlying claim being indemnified does not arise out of the City's breach of contract, sole ordinary negligence, gross negligence or intentional wrongful acts and is not due to a claim brought by the City, the City may reimburse itself for the costs of such indemnity out of the payments from the Supporting Organization, in which case the amount payable by the City to the Pensions shall be reduced by the amount reimbursed to the City for such indemnity.

Jurisdiction/Venue/Choice of Law

The parties agree that, except as to disputes that are subject to arbitration in accordance with the "*Dispute Resolution*" section of the Term Sheet, jurisdiction shall be retained by

the United States Bankruptcy Court for the Eastern District of Michigan for all matters related to the contemplated transaction and venue shall be in Detroit. The parties agree that this agreement is to be governed by Michigan law.

ARTICLE II

The Commitments

2.1 DIA Funding Obligation.

(a) Subject to the terms and conditions of this Agreement, including The DIA's guaranty obligations in Section 2.8(c) of this Agreement, The DIA hereby commits to pay to the Supporting Organization on the Closing Date and with respect to each Payment Date: (A) \$5 million multiplied by the number of annual payments required before and with respect to the then current Payment Date (treating the Closing Date for such purpose as a Payment Date) minus (B) the sum of (i) the aggregate amounts previously paid by The DIA, all DIA Direct Funders and both Special Foundation Funders plus (ii) the amount to be paid in the aggregate by all DIA Direct Funders and both Special Foundation Funders on such Payment Date. The DIA may pay an amount in excess of its obligation in this Section 2.1(a) without penalty or premium in connection with any payment otherwise made with respect to a Payment Date.

(b) Except for The DIA's guaranty obligations as provided in Section 2.8(c) of this Agreement, and taking into account the application of Sections 2.1(c) and (d) below, The DIA shall have no obligation to make any further payments and The DIA's obligations shall be entirely satisfied at such time (the "**Termination Date**") as: (A) the sum of (1) the remaining aggregate funding commitments of DIA Direct Funders to the Supporting Organization assuming such commitments are paid precisely in accordance with the funding schedule reflected in their individual DIA Direct Funder FDF Agreements plus, (2) the remaining aggregate funding commitments of both Special Foundation Funders to the Supporting Organization assuming such commitments are paid precisely in accordance with the funding schedule reflected in their individual Foundation FDF Agreements, plus (3) the aggregate amount theretofore paid by DIA Direct Funders, The DIA and both Special Foundation Funders to the Supporting Organization that is paid to the City Account is greater than or equal to (B) the sum of (i) \$5 million paid on the Closing Date plus (ii) nineteen (19) payments of \$5 million on each Payment Date thereafter, with each of the amounts in (A) and (B) being calculated with application of the Present Value Discount. The term "Termination Date" includes the date, if any, of the cancellation of the commitment of The DIA hereunder in accordance with Section 2.5(b) of this Agreement. Hypothetical examples of the calculation of The DIA's payment obligations pursuant to this Section 2.1 are attached as Schedule 2 to this Agreement.

(c) For purposes of the calculations in Sections 2.1(a) and 2.1(b) of this Agreement, in the event of a City Event of Default during a particular fiscal year (July 1 through June 30) that results in the cancellation of a payment pursuant to Section 2.5(b) of this

Agreement, The DIA, all DIA Direct Funders and both Special Foundation Funders shall, in each case, be deemed to have made the annual payment required by, with respect to The DIA, Section 2.1(a) of this Agreement and The DIA FDF Agreement, and with respect to DIA Direct Funders and Special Foundation Funders by their respective Funding Agreements, on June 30 of such year notwithstanding such cancellation of such scheduled payment.

(d) The DIA's payment obligations under Sections 2.1(a) and 2.1(b) above and Section 2.8(c) shall be reduced by (x) any litigation or defense costs, damages or settlement costs incurred by The DIA, any DIA Direct Funder or any Special Foundation Funder to the extent the City fails to meet its indemnity obligations set forth in Section 6.2 of this Agreement, and (y) to the extent of any litigation or defense costs, damages or settlement costs incurred by The DIA, any DIA Direct Funder or any Special Foundation Funder arising from the transactions contemplated by this Agreement and the other Transaction Documentation that are not otherwise covered by the City's indemnity obligations in Section 6.2 of this Agreement.

2.2 Foundation Funders Commitments to Supporting Organization. Under their respective Foundation FDF Agreements, each Foundation Funder has committed to make an aggregate amount of payments to the Supporting Organization. The obligation of each Foundation Funder to make such aggregate amount of payments to the Supporting Organization shall terminate at such time as, taking into account the application of Section 2.3(d), (A) the aggregate amount theretofore paid by that Foundation Funder to the Supporting Organization that is paid to the City Account is greater than or equal to (B) the aggregate amount of its commitment paid (i) on the Closing Date plus (ii) the nineteen (19) payments on each Payment Date thereafter, with each of the amounts in (A) and (B) being calculated with application of the Present Value Discount. For purposes of the calculations in this Section 2.2, in the event of a City Event of Default during a particular fiscal year (July 1 through June 30) that results in the cancellation of a payment pursuant to Section 2.5(b) of this Agreement, all Foundation Funders shall be deemed to have made the scheduled payment under their respective Foundation FDF Agreements on June 30 of such year notwithstanding the cancellation of such scheduled payment.

2.3 Payments.

(a) Subject to the terms and conditions of ARTICLE II, funding of the commitments shall be made by (i) each Foundation Funder pursuant to the terms and conditions of its Foundation FDF Agreement, (ii) The DIA pursuant to the terms and conditions of this Agreement and the DIA FDF Agreement, and (iii) each DIA Direct Funder pursuant to the terms and conditions of its DIA Direct Funder FDF Agreement.

(b) Subject to the terms and conditions of this Agreement, on the Closing Date, and on an annual basis thereafter commencing in 2016, on each Payment Date the Supporting Organization will remit to the City Account pursuant to the wire transfer instructions on Schedule 1 to this Agreement: (x) the payments made by all Foundation Funders as described in Section 2.2 of this Agreement and any prepayments by Foundation Funders, plus (y) the payments made by The DIA pursuant to Section 2.1 of this Agreement and the DIA FDF Agreement and any prepayments by The DIA, plus (z) the payments made by all DIA Direct Funders pursuant to the DIA Direct Funder FDF Agreements and any prepayments by DIA

Direct Funders. No interest will be owed on any Funder's payments. The Supporting Organization shall not have any obligation to remit funds to the City Account if it has not received scheduled payments from a Funder, except as provided in Section 2.8(c) of this Agreement with respect to The DIA's guaranty of payment obligations with respect to a Defaulted DIA Funder. Further, the obligation of the Supporting Organization to remit payments to the City shall terminate upon the remittance in the aggregate of \$466 million, comprised of \$100 million from The DIA (including the commitments of DIA Direct Funders and Special Foundation Funders) and \$366 million from Foundation Funders (excluding Special Foundation Funders), in each case, without interest and before applying any Present Value Discount, if applicable, or the equivalent of such amount, applying the Present Value Discount, payable \$23.3 million at Closing and \$23.3 million with respect to each Payment Date thereafter. For purposes of the calculations in this Section 2.3(b), (x) in the event of a City Event of Default during a particular fiscal year (July 1 through June 30) that results in the cancellation of a payment by any Funder pursuant to Section 2.5(b) of this Agreement, the Supporting Organization shall be deemed to have made the scheduled payment under this Agreement on June 30 of such year notwithstanding such cancellation of such scheduled payment and (y) the provisions of Section 2.3(d) shall, if applicable, be taken into account in such calculation.

(c) Either the City or the Supporting Organization may deliver written notice to the other party that they have been unable to reach agreement upon the calculation of the amount of any prepayment by any Foundation Funder applying the Present Value Discount in accordance with the applicable Foundation FDF Agreement in advance of a particular Payment Date. In addition, the City may deliver a written notice of objection to the Supporting Organization regarding the calculation of the payment obligations of The DIA with respect to a particular Payment Date within sixty (60) days after the remittance of the funds by the Supporting Organization to the City on behalf of The DIA. Any such disputes regarding the calculation of any such payment obligations under this Agreement or the applicable Foundation FDF Agreement will be determined by an independent accounting firm of national or regional (Midwest) reputation; provided that no such firm may have a conflict of interest and such firm shall be required to maintain independence as those terms are defined by the AICPA Code of Professional Conduct (as of June 1, 2012) (the "Accountant"). The Accountant shall be agreed to by the City and the Supporting Organization with respect to a Foundation Funder or by the City and The DIA if the dispute relates to The DIA's payment obligations. If the applicable Parties cannot agree on the Accountant within fourteen (14) days after either Party issues written notice to the other Party of the existence of a dispute, then within seven (7) days after the end of such fourteen (14) day notice period, each of such Parties shall submit the names of two (2) accounting firms that meet the standards of the preceding sentence, within seven (7) days thereafter, either Party may strike one name submitted by the other Party and the Accountant shall be selected by lot from the remaining names. The City and the Supporting Organization or The DIA, as applicable, shall deliver their calculations of the amounts they assert are owing to the Accountant within fourteen (14) days after the selection of the Accountant. The Accountant shall deliver its determination of the disputed payment obligations under this Agreement within thirty (30) days after receipt of the written notice of calculations from the Parties, and when rendered in writing, shall be final and binding upon each of the Parties. The City and The DIA agree that the Supporting Organization shall not be responsible for any shortfall in the amount of funds remitted to the City Account on behalf of The DIA due to a dispute regarding the calculation of The DIA's payment obligations in accordance with the provisions of this Section

2.3(c) nor shall the Supporting Organization have any other liability as a result of any such dispute.

(d) The obligation of the Foundation Funders under Section 2.2 of this Agreement and of the Supporting Organization to remit funds to the City Account under Section 2.3(b) above shall be reduced by (x) any litigation or defense costs, damages or settlement costs incurred by the Supporting Organization or the Foundation Funder to the extent the City fails to meet its indemnity obligations set forth in Section 6.2 of this Agreement, and (y) to the extent of any litigation or defense costs, damages or settlement costs incurred by the Supporting Organization or the Foundation Funder arising from the transactions contemplated by this Agreement and the other Transaction Documentation, that are not otherwise covered by the City's indemnity obligations in Section 6.2 of this Agreement.

2.4 City Reporting and Conditions to Funding.

(a) Commencing in 2015, by December 31st of each year, the City shall, at its expense, provide an annual report (the "**Annual Report**") to the Supporting Organization containing the following information:

(i) an annual reconciliation report of the City Account, performed at the City's expense, prepared by an independent external auditor, the selection of which is reasonably satisfactory to the Supporting Organization, certifying that the amounts transferred to the City Account by the Supporting Organization on each preceding Payment Date were used by the City in a manner consistent with the terms of the Transaction Documentation, including, without limitation, to make contributions to GRS and PFRS in satisfaction of the City's obligation to contribute to the Prior GRS Pension Plan and the Prior PFRS Pension Plan in accordance with the Plan of Adjustment, the payment of reasonable expenses of maintaining the City Account and consistent with Section 6.3(e) of this Agreement,

(ii) certification by the City's Chief Financial Officer on behalf of the City that the City has complied with the covenants in Sections 5.2 and 5.3(a)-(d) of this Agreement through the date of the Annual Report,

(iii) certification from the Escrow Agent that to its knowledge the amounts contributed to the GRS or PFRS from the City Account were unencumbered by the City or any other entity,

(iv) information as of the date of the Annual Report about the current membership of the:

- (A) board of trustees of the GRS (the "**GRS Board**"),
- (B) board of trustees of the PFRS (the "**PFRS Board**"),
- (C) investment committee of the GRS (the "**GRS Investment Committee**"), and

- (D) investment committee of the PFRS (the “**PFRS Investment Committee**”).

The information for this subsection (iv) should include the term of each member (where applicable), whether the person is a member of the GRS Board or PFRS Board by virtue of his or her position with the City, by appointment or by election, and, with respect to the independent members of the Investment Committees, such person’s qualifications.

(v) evidence from the respective Investment Committee reasonably necessary to show that the internal controls governing the investment of the respective Pension Funds are in compliance with the applicable provision of the Plan of Adjustment, and

(vi) any additional information that is necessary to evidence that the City is in compliance with the terms of this Agreement as may be reasonably requested by the Supporting Organization from time to time.

(b) Prior to the Closing Date, the City shall cause the Pension Governance Terms to be amended to provide that, commencing in 2015, no later than December 31 of each year, the GRS Investment Committee and the PFRS Investment Committee will provide the Supporting Organization with the following information:

(i) a copy of the audited annual financial statement and the corresponding management letter for each of the GRS and the PFRS, as applicable, for the fiscal period ending June 30 of that year, containing a non-qualified opinion of an independent external auditor to the GRS and the PFRS, as applicable (the “**Independent Audited Financial Reports**”).

(ii) a certification as of the date of the Annual Report from the respective Chair of each of the PFRS Investment Committee and the GRS Investment Committee on behalf of their respective Investment Committees in a form reasonably acceptable to the Supporting Organization (the “**Pension Certificate**”) that:

- (A) the City is current in its obligation to contribute to the Prior GRS Pension Plan and the Prior PFRS Pension Plan in accordance with the Plan of Adjustment,
- (B) the operation of the respective Investment Committees is in accordance with the applicable Pension Governance Terms, and
- (C) the City has complied and is continuing to comply with the covenants in Section 5.2(a) of this Agreement,

(iii) copies of the documentation provided for under Section 6 of the Contribution Agreement by and among the Michigan Settlement Administration Authority, GRS, PFRS and the City (“**Contribution Agreement**”), including, as

applicable: (A) the compliance report(s) (“**Compliance Report**”) covering the calendar year for which the Annual Report is made that the respective Investment Committee provided to the Treasurer of the State of Michigan (“**Treasurer**”); (B) any additional compliance reports provided during the calendar year for which the Annual Report is made as requested by the Treasurer; (C) either the certificate of compliance or the Default Notice, within the meaning of Section 6 of the Contribution Agreement, as applicable, that was provided to the respective Investment Committee by the Treasurer; and (D) in the event that the Treasurer issued a Default Notice, the Cure Certification, within the meaning of Section 6 of the Contribution Agreement, provided by the Investment Committee for the defaulting system. Notwithstanding anything in this subsection (iii) to the contrary, if the parties to the Contribution Agreement agree to revise the requirements of Section 6 of the Contribution Agreement or the information required in the Compliance Report, in order to meet the conditions of this subsection (iii), the respective Investment Committee shall be required only to provide documentation to the Supporting Organization that meets such revised requirements. However, any such change in reporting requirements pursuant to this subsection (iii) shall not change the reporting obligations under subsections (i), (ii), (iv) and (v) of this **Section 2.4(b)**.

(iv) Commencing in 2016, before May 15th of each year, the GRS Investment Committee and the PFRS Investment Committee will provide the Chief Financial Officer of the City with the information required of the GRS and PFRS in **Section 2.4(c)** of this Agreement, and

(v) any additional information from the GRS Investment Committee or the PFRS Investment Committee that may be reasonably requested by the Supporting Organization from time to time.

(c) Commencing in 2016, by May 15th of each year, the City shall provide (or with respect to the Pension Certificates cause to be provided) to the Supporting Organization a reaffirmation of the information and certifications provided by the City in the Annual Report which shall be executed by the Chief Financial Officer of the City (the “**Interim Reaffirmation**”) and which shall confirm that as of the date of the Interim Reaffirmation there has been no impairment or modification of the information in the most recent Annual Report since the date of that Annual Report, and which shall include confirmation from the GRS Investment Committee and PFRS Investment Committee that as of the date of the Interim Reaffirmation there has been no impairment or modification of the information in the most recent Pension Certificates since the date of such Pension Certificates. The Interim Reaffirmation shall include copies of the unaudited financial statements as of and for the most recent period prepared for each of the PFRS and the GRS.

To further confirm that the conditions precedent to funding are satisfied, the Supporting Organization reserves the right to make an onsite review and inspection of the City’s records and financial information and may employ at its cost an outside agent or consultant to undertake that review. The City will cooperate with any such onsite review and will provide those persons conducting the review adequate office space and assistance (without charge) to conduct that review. The City specifically waives, in favor of the Supporting Organization, or its agent or consultant, any fee for a public record search, pursuant to MCLA 15.234.

(d) The obligation of The DIA, a DIA Direct Funder and a Foundation Funder to make payment to the Supporting Organization of any portion of its commitment under this Agreement or any other Funding Agreement is conditioned upon the City's compliance with the covenants in Sections 5.2 and 5.3(a)-(d) of this Agreement, satisfaction of the conditions specified in Sections 2.4(a)-(c) above, the receipt of the Independent Audited Financial Reports and the Pension Certificate. The City acknowledges that The DIA under this Agreement, and under the DIA FDF Agreement, and each DIA Direct Funder and Foundation Funder under its respective Funding Agreement, shall have no obligation to make any payment to the Supporting Organization, nor shall the Supporting Organization have any obligation to remit any funds to the City Account, until all material requisite conditions precedent to funding in Section 2.4 of this Agreement are met. Failure of the City to meet the conditions to funding specified in this Section 2.4 in any material respect, including based on the Supporting Organization informing the City that the information provided in the Annual Report, the Independent Audited Financial Reports, the Pension Certificates or the Interim Reaffirmation is incomplete or unsatisfactory, shall be a "**City Event of Default**".

2.5 The City's Cure Right; Suspension or Cancellation of Funding.

(a) The City shall have the opportunity to cure any City Event of Default by May 15th of the year following the date the Annual Report is due under Section 2.4(a) above (this being 135 days from the time conditions to funding were due to be met by the City) provided an issuance of written notice of a City Event of Default by the Supporting Organization was provided to the City by the Supporting Organization by January 31st of the year following the year such Annual Report was due from the City under Section 2.4(a) above. Notwithstanding the foregoing, to the extent that the applicable City Event of Default cannot reasonably be cured by May 15th as specified above or if the Event of Default arises out of the Independent Audited Financial Reports, the Pension Certificates or the Interim Reaffirmation of that Annual Report, and as long as the City has commenced to cure, and diligently pursues the cure of such default in good faith, such cure period shall be extended in writing by a reasonable period of time (the "**Extended Cure Period**"), to permit the City to cure such City Event of Default; provided, however, such Extended Cure Period shall not extend beyond December 15th (being 346 days from the date the Annual Report was due under Section 2.4(a) above). The City's ability to receive the benefit of the Extended Cure Period shall be subject to the written approval of the Supporting Organization upon receipt of a written request from the City setting forth why the City believes that it will be able to meet the requirements set forth above within the requested Extended Cure Period, which approval shall not be unreasonably withheld, conditioned or delayed.

(b) All obligations of The DIA under this Agreement, and as acknowledged by the City, all obligations of The DIA under the DIA FDF Agreement and of DIA Direct Funders and Foundation Funders under their respective Funding Agreements, to make scheduled payments and of the Supporting Organization to remit funds to the City Account shall be suspended for the duration of the initial and any Extended Cure Period. The City acknowledges and agrees that, if the City fails to cure a City Event of Default during the initial and any Extended Cure Period, the scheduled payment of The DIA under this Agreement and under the DIA FDF Agreement and of all DIA Direct Funders and Foundation Funders under their respective Funding Agreements shall be cancelled, and the Supporting Organization shall have

no obligation to remit any funds to the City Account with respect to such Payment Date. Further, the City acknowledges and agrees that if the City fails to cure a City Event of Default during the initial and any Extended Cure Period under this Agreement, The DIA, all DIA Direct Funders, Foundation Funders and the Supporting Organization shall have the right to cancel their respective remaining commitments under their respective Funding Agreements and this Agreement.

2.6 Disputes and Remedies Regarding Conditions Precedent to Funding. The DIA shall have the right to rely upon the determination of the board of directors of the Supporting Organization as to whether the conditions to a scheduled payment have been satisfied and, if not initially satisfied, whether any City Event of Default shall have been timely cured. The City acknowledges that each DIA Direct Funder and each Foundation Funder shall, pursuant to its respective Funding Agreement, similarly have the right to rely upon the determination of the board of directors of the Supporting Organization as to whether the conditions to a scheduled payment have been satisfied and, if not initially satisfied, whether any City Event of Default shall have been timely cured. The City shall have no claim (and not pursue any claim) against The DIA, any DIA Direct Funder or any Foundation Funder for such Funder's reliance upon the determination of the Supporting Organization. In the event that the Supporting Organization has determined that the conditions have not been satisfied (or the City Event of Default not timely cured) and the City disputes that determination, the City's only recourse shall be to dispute the Supporting Organization's determination in accordance with the provisions of Section 7.3 of this Agreement.

2.7 Notification of Funding Conditions. In the event it is determined by the Supporting Organization or through the dispute resolution provisions in Section 7.3 of this Agreement that the conditions to funding in Section 2.4 of this Agreement have been satisfied or a City Event of Default timely cured, the Supporting Organization shall within five (5) Business Days thereafter give written notification to each of The DIA, DIA Direct Funders and Foundation Funders. The DIA, and pursuant to each Funder's respective Funding Agreement, each DIA Direct Funder and Foundation Funder, shall be required to make its respective payment to the Supporting Organization (without interest) within twenty (20) days after written notification of such determination is issued by the Supporting Organization.

2.8 Failures to Fund.

(a) If The DIA has made its payment required under Section 2.1 of this Agreement or a Foundation Funder or DIA Direct Funder has made its scheduled payment under its respective Funding Agreement, in each case, to the Supporting Organization, the City shall have recourse only to the Supporting Organization (and not to any such Funder that made its payment) for such payment.

(b) If The DIA, a DIA Direct Funder or a Foundation Funder (the "**Non-funding Party**") has not within the twenty (20) day period specified in Section 2.7 of this Agreement made its payment to the Supporting Organization in accordance with this Agreement with respect to The DIA, or such DIA Direct Funder's or Foundation Funder's schedule reflected in its Funding Agreement, as applicable ("**Default Amount**"), the Supporting Organization shall notify the Non-funding Party that it must pay its Default Amount within thirty (30) days and if

not so paid, that the Supporting Organization shall assign its right to enforce payment of the Default Amount to the City. If the Non-funding Party does not pay its Default Amount within the thirty (30) day period, the Supporting Organization shall assign its right to enforce payment of the Default Amount to the City in full satisfaction of the Supporting Organization's obligation to make such payment to the City; provided that if the Non-funding Party is a DIA Direct Funder or a Special Foundation Funder (a "**Defaulted DIA Funder**") such assignment shall be made to The DIA and not the City. Except with respect to the guaranty obligation of The DIA with respect to a Defaulted DIA Funder in accordance with Section 2.8(c) below, the annual payment amount due to the City from the Supporting Organization on the Payment Date will be reduced by the Default Amount.

(c) In the case of a Defaulted DIA Funder, the Supporting Organization shall issue written notice to The DIA within two (2) days after the expiration of the twenty (20) day funding period specified in Section 2.7 of this Agreement of the name of the Defaulted DIA Funder and the Default Amount. The DIA shall within five (5) Business Days of receipt of such notice pay to the Supporting Organization (x) the Default Amount if the Termination Date has occurred and (y) if the Termination Date has not occurred, such additional amount as is necessary, if any, such that The DIA's payment to the Supporting Organization with respect to such Payment Date is equal to the amount that The DIA is otherwise required to pay pursuant to Section 2.1 of this Agreement. The DIA shall not, however, have any obligation pursuant to this Section 2.8(c) if The DIA's commitment has been cancelled as provided in Section 2.5 of this Agreement. If the Supporting Organization thereafter collects the Default Amount from the Defaulted DIA Funder, the Supporting Organization shall promptly pay such amount to The DIA.

(d) The City agrees that, except for the guaranty obligation of The DIA in Section 2.8(c) of this Agreement with respect to a Defaulted DIA Funder, in no event will any Funder other than the Non-funding Party have any responsibility for the payment or obligations of such Non-funding Party, and the City will not have any right to collect any amounts from any Funder except as set forth in Section 2.8(b) of this Agreement. No party other than the City (as provided in Section 2.8(b) of this Agreement), the Supporting Organization, or The DIA with respect to a Defaulted DIA Funder or a DIA Indirect Funder pursuant to any grant agreement directly with The DIA shall have the right to assert any claim against any Funder. Without limiting the foregoing, the failure of The DIA, any DIA Direct Funder, any Foundation Funder or the Supporting Organization to make a scheduled payment shall only give rise to a claim by the City against such Non-funding Party (pursuant to Section 2.8(b) above), or by the Supporting Organization, and not against any other Funder, the Supporting Organization, The DIA or the DIA Assets; provided, however, (x) The DIA will have its guaranty obligations under Section 2.8(c) of this Agreement and its rights under its applicable grant agreement with each DIA Indirect Funder and (y) the foregoing shall not preclude the City from asserting claims in satisfaction of an indemnity claim pursuant to Section 6.1(b) of this Agreement but only against cash, cash equivalents or cash receivables of The DIA (excluding any cash, cash equivalents or cash receivables that are restricted in use by the terms of the donation, gift, bequest or contribution of a third party or by restrictions imposed on the use of proceeds from the sale of art by the applicable standards or ethical guidelines of the AAM or the Association of Art Museum Directors (or such other organizations by which The DIA or the Museum or its Director is accredited in the future or of which they become members in accordance with then applicable art

museum best practices). Without limiting the foregoing, under no circumstances shall the City or the Supporting Organization have a claim against any DIA Indirect Funder.

(e) The City will be responsible for all costs of its enforcement against the Non-funding Party or the Supporting Organization, as applicable, and will not seek reimbursement of costs of enforcement from any other Funder or the Supporting Organization. No other person or entity shall have the right to enforce payment of any commitments in connection with any Funding Agreement or any Transactional Documentation except as specifically set forth in this Agreement.

ARTICLE III **Initial Funding; Closing**

3.1 Closing. The closing of the transactions pursuant to this Agreement (the “**Closing**”) will take place immediately following the written confirmation from an authorized representative of the City, the Supporting Organization and The DIA in the form of **Exhibit E** to this Agreement (the “**Closing Direction**”); provided, that the Closing hereunder shall in all events occur concurrently with the closing under the Charitable Trust Agreement. The time and date on which the Closing occurs is referred to in this Agreement as the “**Closing Date**”.

3.2 Initial Funding. On the Closing Date, subject to the satisfaction of the deliverables pursuant to Section 3.3 of this Agreement, the Supporting Organization shall remit to the City Account pursuant to the wire transfer instructions on Schedule 1 to this Agreement:

(ii) the aggregate payment by The DIA, DIA Direct Funders and Special Foundation Funders of at least \$5 million.

3.3 At the Closing. At the Closing, the Supporting Organization shall deliver, or cause to be delivered, to each of the other Parties fully executed copies of the following which, to the extent held by the Title Company in escrow, shall be deemed delivered by virtue of the release of such documents by the Title Company in accordance with escrow instructions previously delivered to the Title Company:

(a) each grant agreement between a Foundation Funder and the Supporting Organization in substantially the form of **Exhibit B** to this Agreement (the “**Foundation FDF Agreement**”).

(b) each grant agreement between a DIA Direct Funder and the Supporting Organization in substantially the form of **Exhibit C** to this Agreement (the “**DIA Direct Funder FDF Agreement**”).

(c) the agreement between The DIA and the Supporting Organization in substantially the form of **Exhibit D** to this Agreement with respect to The DIA’s payment obligations as set forth in Section 2.1 of this Agreement (the “**DIA FDF Agreement**”).

ARTICLE IV

4.1 DIA Representations, Warranties and Covenants.

(a) The DIA represents and warrants that this Agreement and the DIA FDF Agreement have been duly executed and The DIA's obligations under this Agreement and under the DIA FDF Agreement are authorized, valid and binding commitments of The DIA, enforceable against it in accordance with their respective terms.

(b) The DIA acknowledges that (x) Foundation Funders, DIA Funders and the Supporting Organization have no financial obligations other than, in the case of Foundation Funders, on a several basis, their individual commitments in their respective Foundation FDF Agreement, in the case of DIA Direct Funders, their respective commitments in each of their DIA Direct Funder FDF Agreements, and DIA Indirect Funders pursuant to any grant agreement directly with The DIA, and (y) that the Funders are not guaranteeing payment to the City of any amount committed by any other Funder (other than The DIA with respect to its obligations in Section 2.8(c) of this Agreement).

(c) The DIA agrees not to amend or modify the DIA FDF Agreement, or release or waive any rights that it has under such Funding Agreement, in a manner that would reasonably be expected to adversely affect the timing or amount of the payments to be made thereunder without the consent of the City.

The Supporting Organization represents that its obligations under this Agreement and under the applicable Funding Agreements have been duly executed and are authorized, valid and binding upon the Supporting Organization, enforceable against it in accordance with their respective terms.

4.3 Supporting Organization Covenants as to Funding Agreements.

(a) The Supporting Organization agrees not to amend or modify any Funding Agreement, or release or waive any rights that it has under any Funding Agreement, in a manner that would reasonably be expected to adversely affect the timing or amount of the payments to be made thereunder (i) without the consent of the City and, (ii) with respect to any DIA Direct Funder FDF Agreement or Foundation FDF Agreement with a Special Foundation Funder, the consent of The DIA.

(b) The Supporting Organization shall promptly after execution thereof deliver to The DIA and the City copies of any DIA Direct Funder FDF Agreement entered into after the Closing Date, or any modifications to any DIA Direct Funder FDF Agreement or Foundation FDF Agreement with a Special Foundation Funder executed at Closing, in the event that the commitments thereunder are increased or modified (with the consent of The DIA) after the Closing Date.

(c) Concurrently with the remittance of payments to the City Account by the Supporting Organization, the Supporting Organization shall deliver to The DIA and the City a schedule which reflects all payments received in such year from DIA Direct Funders and Special

Foundation Funders and shall denote thereon whether any such payment represents a prepayment in excess of the funding schedule under the applicable DIA Direct Funder FDF Agreement or Foundation FDF Agreement, as applicable, and the date on which such payment was remitted to the City Account.

4.4 Reporting Obligations. The DIA will provide to the other Funders and the City, and/or their representatives, within 150 days after the end of each fiscal year during the Payment Period (i) annual financial statements of The DIA audited by an independent certified public accountant and (ii) the annual report of the Director of the Museum in the form provided to the board of directors of the Museum.

4.5 Supporting Organization Observer Right. During the Payment Period, the Supporting Organization shall have the right to designate a representative to attend and participate in a non-voting observer capacity in the meetings of the Board of The DIA (or its successor entity) subject to such observer's compliance with the applicable policies regarding confidentiality, conflicts of interest and other similar matters as may reasonably be adopted from time to time by The DIA.

ARTICLE V **Representations and Warranties; Covenants of the City**

5.1 City Representations and Warranties.

(a) The City represents and warrants that this Agreement has been duly executed and the City's obligations under this Agreement are authorized, valid and binding commitments of the City, enforceable against it in accordance with its terms.

(b) The City acknowledges that (x) Foundation Funders, DIA Funders and the Supporting Organization have no financial obligations other than, in the case of Foundation Funders, on a several basis, each of their commitments in their individual Foundation FDF Agreements, in the case of DIA Direct Funders, their respective commitments in each of their DIA Direct Funder FDF Agreements, and DIA Indirect Funders pursuant to any grant agreement directly with The DIA, and (y) that the Funders are not guaranteeing payment to the City of any amount committed by any other Funder (other than The DIA with respect to its obligations in Section 2.8(c) of this Agreement). The City further acknowledges that it has no rights under any grant agreement between any DIA Indirect Funder and The DIA.

5.2 City Commitments Relating to Pensions. The City covenants to The DIA and Supporting Organization as follows:

(a) For the twenty (20) year period following the effective date of the Plan of Adjustment, the City shall maintain the Pension Governance Terms reflected in the GRS and the PFRS, as applicable, without modification or amendment, except as required to comply with applicable federal law, including without limitation to maintain the tax qualified status of the GRS or PFRS under the Internal Revenue Code, or the Plan of Adjustment.

(b) The City acknowledges that, except as provided in Section 6.3(e) and to pay reasonable expenses of maintaining the City Account, all funds remitted by the Supporting

Organization to the City Account in connection with this Agreement shall be used solely for the payment of contributions to GRS and PFRS, allocated as provided in the Plan of Adjustment, in satisfaction of the City's obligation to contribute to the Prior GRS Pension Plan and the Prior PFRS Pension Plan in accordance with the Plan of Adjustment. Except as provided in Section 6.3(e) and to pay reasonable expenses of maintaining the City Account, the City shall cause to be transferred from the City Account for payment of contributions to the Prior GRS Pension Plan and the Prior PFRS Pension Plan all amounts received from the Supporting Organization within not more than three (3) Business Days after such funds are deposited in the City Account.

(c) The City shall notify the Supporting Organization in writing prior to the selection of the initial and successor independent GRS Investment Committee and PFRS Investment Committee members and such notice shall include information regarding the identity and qualifications of the candidates under consideration by the State, the City and the GRS Board or PFRS Board, as applicable. In addition, upon the written request of the Supporting Organization, the City shall provide to the appropriate representatives of the State and the applicable Board any written comments or observations about the candidates that the Supporting Organization elects in its consulting role to provide to the City, provided that such written comments or observations are received by the City no later than three (3) days after the City has provided notice to the Supporting Organization of the identity of the candidates under consideration.

(d) The City shall provide written notification of any change to the wire transfer instructions to the City Account on Schedule 1 to this Agreement at least ten (10) Business Days prior to the next Payment Date.

5.3 Other City Commitments. The City covenants to The DIA and Supporting Organization as follows:

(a) The City shall pass no charter, ordinance or other provision that solely affects or primarily targets the Museum, The DIA or museums within the City generally which charter, ordinance or other provision has a material adverse impact on the Museum or The DIA (it being understood that a "material adverse impact" shall include any adverse financial impact or any contradiction, or adverse impact on the enforceability, of the terms of the DIA Settlement or the Transaction Documentation), except pursuant to State-enabling legislation.

(b) The City agrees that after the Effective Time the City of Detroit Arts Commission will have no oversight of The DIA, the Museum or the DIA Assets.

(c) The City shall not impose any fee, tax or other cost on the Museum or The DIA that solely affects or primarily targets the Museum, The DIA, the DIA Assets or museums within the City generally.

(d) The City shall provide (or cause to be provided) utilities, police, fire and other City services to The DIA at the same pricing and on the same terms upon which the City offers to provide utilities, police, fire and such other City services to arm's-length third parties generally.

(e) The City agrees that, as of the date hereof, there are no further commitments from the Funders, the Supporting Organization, The DIA or the State relating to the Museum or the DIA Assets beyond those contained in this Agreement or the other Transaction Documentation.

ARTICLE VI

Indemnification

6.1 Indemnification by The DIA. To the maximum extent permitted by law, The DIA shall indemnify, defend and hold harmless:

(a) DIA Funders, Foundation Funders, the City and the Supporting Organization and each of their Related Parties (the “**DIA Indemnified Parties**”) from, against, and with respect to any Loss arising out of or in any manner, incident, relating or attributable to, or resulting from The DIA’s failure to perform any of its obligations under the Transaction Documentation; and

(b) the City and its Related Parties from, against, and with respect to any Loss arising out of or in any manner, incident, relating or attributable to, or resulting from any claim brought by an employee of The DIA arising from or relating to his/her employment with The DIA which employment commenced at any time after the effective date of the Operating Agreement and prior to the Effective Time, including without limitation, wrongful termination, workers’ compensation, unemployment compensation, discrimination, violation of federal or state labor or employment laws, ERISA, bodily injury, personal injury or defamation, but excluding any claim relating to pension benefits from the GRS to which such employee was or is entitled by virtue of having been employed by the City prior to the commencement of employment with The DIA (the “**Employee Liabilities**”).

6.2 Indemnification by the City.

(a) To the maximum extent permitted by law, the City shall indemnify, defend, and hold Foundation Funders, DIA Funders, The DIA and the Supporting Organization and their respective Related Parties (the “**City Indemnified Parties**”) harmless from, against, and with respect to any Loss arising out of or in any manner incident, relating or attributable to, or resulting from the following (provided indemnification will not be available to an Indemnified Party to the extent resulting from such Indemnified Party’s breach of contract, sole ordinary negligence, gross negligence or intentional wrongful acts):

(i) Any claims by third parties or the City arising out of any action properly taken by a City Indemnified Party under the Transaction Documentation, including but not limited to, any payment or non-payment or performance of any other obligation of the City Indemnified Parties permitted thereunder;

(iii) Any failure by the City to perform, satisfy or comply with any covenant, agreement or condition to be performed, satisfied or complied with by the City under the Transaction Documentation with the City Indemnified Parties or under agreements with any third parties contemplated by this Agreement or the Charitable Trust Agreement;

(iv) Reliance by the City Indemnified Parties upon any books or records of the City or reliance by them on any written information furnished by the City or any of the City's employees, officials or agents to them to the extent any such information should prove to be false or materially inaccurate or misleading (including, without limitation, by omission), but only to the extent that such books, records or written information was furnished by the City in connection with the City showing its compliance with the conditions to initial or future funding as set forth in this Agreement;

(v) Any claim or objection made after the Effective Date of the Plan of Adjustment in the Bankruptcy Case or any other action brought against, or involving, the City Indemnified Parties with respect to their participation in any transaction contemplated by the proposed or confirmed Plan of Adjustment;

(vi) The transfer, assignment or sale by the City to The DIA of any assets or property (real or personal) and any rights, title and interests therein including but not limited to, the Museum and all of the Museum Assets;

(vii) Any action or claim against the City Indemnified Parties made by the GRS or PFRS, including any successors or assigns and any plan participants, or their representatives, successors or assigns (collectively, the "**Pension Funds**"), as nothing under the Transaction Documentation is intended to, nor are they to be construed or interpreted to, make the City Indemnified Parties a party in privity with, or having an obligation in any capacity to the Pension Funds. By way of illustration and not limitation, the following statements apply:

First, the City Indemnified Parties have no responsibility for the operation or administration of the Pension Funds and have no fiduciary responsibility for the Pension Funds as plan sponsor, plan administrator, investment advisor or otherwise; and

Second, the City Indemnified Parties have no obligation to contribute towards the funding of the Pension Funds and are not a funding guarantor.

(viii) Any action or claim brought by the City, The DIA, the Pension Funds or any other party concerning non-payment of the commitments pursuant to this Agreement (and the Funding Agreements) by the City Indemnified Parties due to the breach of the Transaction Documentation by the City, The DIA, the Pension Funds or any other party, so long as the City Indemnified Parties have made a good faith determination of the breach of the Transaction Documentation or payment condition.

(b) The City shall not contest on any grounds the enforceability of its indemnification obligations hereunder.

(c) Notwithstanding the foregoing, the Parties acknowledge that the City is not making any representations to The DIA regarding the City's title to the Museum Assets prior to the Effective Time and that The DIA will not be entitled to indemnification in connection with its defense of any claims by third parties after the Effective Time challenging The DIA's title to any Museum Asset to the extent that such claim is based on an allegation that the City did not have legal title to the particular Museum Asset prior to the Effective Time (a "**Quitclaim Challenge**"). To be clear, however, The DIA will be entitled to indemnification by the City under this Section 6.2 in connection with any challenges after the Effective Time to The DIA's title to Museum Assets that are in any way based upon a claim that the title that the City had to the Museum Assets prior to the Effective Time was not effectively conveyed to The DIA at and as a result of the closing under the Charitable Trust Agreement. For avoidance of doubt, in the event of a final determination by the Bankruptcy Court not subject to appeal or certiorari by a court of competent jurisdiction that the Museum Assets must be re-conveyed to the City, the Losses for which The DIA may be indemnified shall not include the value of the Museum Assets but shall include all other Losses incurred by The DIA for which it is otherwise entitled to indemnification under this Agreement.

(d) Notwithstanding the foregoing, the City's indemnification of an Indemnified Party shall be limited solely to Losses arising out of or related to the Indemnified Party's participation in any transaction contemplated by the DIA Settlement.

6.3 Defense of Indemnity Claims.

(a) An Indemnified Party shall provide written notice to The DIA or the City, as applicable (the "**Indemnifying Party**") in a timely manner and in any event, within twenty-one (21) days of receipt of any claim, of any matters as to which the Indemnified Party is entitled to receive indemnification and shall set forth in such notice reasonable detail regarding specific facts and circumstances then known by the Indemnified Party which pertain to such matters. Failure or delay in providing such notice shall not relieve the Indemnifying Party of its defense or indemnity obligations except to the extent the Indemnifying Party's defense of an applicable claim against an Indemnified Party is actually prejudiced by such Indemnified Party's failure or delay.

(b) To the extent the Indemnifying Party is notified of a claim for which it is required to indemnify an Indemnified Party, the Indemnifying Party shall be solely responsible at its expense for responding to or otherwise defending such claim. In such event, the Indemnifying Party shall assume exclusive control of the defense of such claim at its sole expense using counsel of its sole choosing and may settle such claim in its sole discretion; provided, however, that (i) with respect to any claim that involves allegations of criminal wrongdoing, the City shall not settle such claim without the prior written approval of the City Indemnified Party, which approval may be withheld in such City Indemnified Party's sole discretion, and (ii) with respect to any other claim, the Indemnifying Party shall not settle such claim in a manner that requires the admission of liability, fault, or wrongdoing on the part of an Indemnified Party, that fails to include a release of all covered claims pending against the

Indemnified Party, or that imposes any obligation on the Indemnified Party without the prior written approval of the Indemnified Party, which approval may be withheld in such Indemnified Party's sole discretion.

(c) The Indemnifying Party will keep the Indemnified Party reasonably informed of the status of any negotiations or legal proceedings related to any claim, and the Indemnified Party shall be entitled to engage counsel (at its own expense) to monitor the handling of any claim by the Indemnifying Party.

(d) Notwithstanding the foregoing, The DIA shall be entitled to defend on its own behalf any claims regarding title to, interest in or control of the Museum Assets or operation of the Museum (including with respect to a Quitclaim Challenge provided The DIA shall not be entitled to indemnification for a Quitclaim Challenge, as set forth above). To the extent The DIA intends to exercise such right, the City and The DIA shall use their commercially reasonable efforts in good faith to coordinate a joint defense of such claim (including as to selection of joint counsel). If the City and The DIA cannot agree on a joint defense of the claim, each Party shall undertake its own defense, reserving all rights against the other for indemnification hereunder with respect to such claim, but, in such case, The DIA shall not be entitled to indemnification of its defense costs in connection therewith.

(e) Notwithstanding anything to the contrary set forth in this Agreement or in the Charitable Trust Agreement, to the extent that the City is required to indemnify a City Indemnified Party hereunder, and the underlying claim being indemnified does not arise out of the City's breach of contract (including a City Event of Default), sole ordinary negligence, gross negligence or intentional wrongful acts and is not due to a claim brought by the City (including pursuant to Section 2.8(b) of this Agreement), the City may reimburse itself for the costs of such indemnity out of the City Account, in which case the amount payable by the City in satisfaction of the City's obligation to contribute to the Prior GRS Pension Plan and the Prior PFRS Pension Plan shall be reduced by the amount reimbursed to the City for such indemnity.

ARTICLE VII

Miscellaneous

7.1 No Third Party Beneficiary. Except for the Indemnified Parties, each of whom is an express third-party beneficiary under this Agreement with respect to ARTICLE VI of this Agreement, and each Funder who is an express third-party beneficiary under Sections 2.3(d), 2.5(b), 2.6, 2.8(a), 2.8(d), 2.8(e), 4.1(b), 4.4, 5.1(b) and 5.3(e) of this Agreement, the terms and provisions of this Agreement are intended solely for the benefit of the Parties and their respective successors and permitted assigns, and nothing contained in this Agreement, expressed or implied, is intended to confer upon any person or entity other than the City, The DIA, and the Supporting Organization any third-party beneficiary rights or remedies.

7.2 Choice of Law; Jurisdiction; Venue. This Agreement shall be construed in accordance with the laws of the State of Michigan without regard to such state's choice of law provisions which would require the application of the law of any other jurisdiction. By its execution and delivery of this Agreement, each of the Parties irrevocably and unconditionally agrees for itself that, except as to disputes regarding the calculation of the The DIA's payment

obligations under this Agreement or of a Foundation Funder under a Foundation FDF Agreement which shall be determined in accordance with Section 2.3(c) of this Agreement, or any disputes that are subject to arbitration in accordance with Section 7.3 of this Agreement, any legal action, suit or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement, or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, including a proceeding under Section 2.3(c) or Section 7.3 of this Agreement, shall be brought in the Bankruptcy Court for so long as it has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan; provided that if the United States District Court for the Eastern District of Michigan does not have jurisdiction, then such legal action, suit or proceeding shall be brought in such other court of competent jurisdiction located in Wayne County, Michigan; and provided, further, that The DIA may bring a legal action, suit or proceeding in a state court to obtain a writ of mandamus to enforce the obligations of the City in Section 5.3 of this Agreement. By execution and delivery of this Agreement, each of the Parties irrevocably accepts and submits to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding and specifically consents to the jurisdiction and authority of the Bankruptcy Court to hear and determine all such actions, suits, and proceedings under 28 U.S.C. §157(b) or (c), whichever applies.

7.3 Dispute Resolution. Any controversy or claim arising out of or relating to the satisfaction of the conditions precedent to funding in ARTICLE II of this Agreement shall be settled by arbitration administered by the American Arbitration Association (“AAA”) in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof in accordance with Section 7.2 of this Agreement. Any such controversy or claim shall be submitted to a panel of three (3) AAA arbitrators. The place of the arbitration shall be within the Wayne County, Michigan. Except as may be required by law, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of all Parties to the arbitration. The Parties may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. The Parties also may, without waiving any remedy under this Agreement, seek from any court having jurisdiction in accordance with Section 7.2 of this Agreement any interim or provisional relief that is necessary to protect the rights or property of that party, pending the establishment of the arbitral tribunal (or pending the arbitral tribunal’s determination of the merits of the controversy). Each Party shall bear its own costs and expenses and an equal share of the arbitrators’ and administrative fees of arbitration. With respect to any dispute as to a City Event of Default and a payment in connection with the same, the arbitration proceeding and its findings contemplated under this Section must be held and received by no later than the January 31st of the second calendar year after the year in which the Annual Report was due, as provided in Section 2.4(a) above, from the City to the Supporting Organization from which the disputed City Event of Default arose, regardless of whether the City Event of Default arises from the Annual Report or the Interim Reaffirmation of said report. If the arbitration hearing findings cannot be received by that January 31st, the position of the Supporting Organization that the City Event of Default exists and has not been cured will be deemed a final determination for purposes of determining whether the conditions to funding have been satisfied.

7.4 Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief as a remedy for any such breach, including, without limitation, seeking an order of the court having jurisdiction in accordance with Section 7.2 of this Agreement requiring any Party to comply promptly with any of its obligations hereunder.

7.5 Amendment and Waiver. This Agreement may be amended and any provision of this Agreement may be waived; provided that any such amendment or waiver will be binding upon the Parties only if such amendment or waiver is set forth in a writing executed by all Parties during the Payment Period and, thereafter, by The DIA and the City. No course of dealing between or among any persons having any interest in this Agreement will be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of any Party under or by reason of this Agreement.

7.6 Notices. All notices, demands and other communications given or delivered under this Agreement shall be given in writing to the address indicated below (or such other address as the recipient specifies in writing) and will be deemed to have been given when delivered personally, three (3) Business Days after mailed by certified or registered mail, return receipt requested and postage prepaid, or when delivery is guaranteed if sent via a nationally recognized overnight carrier, or when receipt is confirmed if sent via facsimile or other electronic transmission to the recipient with telephonic confirmation by the sending party.

7.7 Binding Agreement; Assignment. This Agreement and all of the provisions hereof will be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns; provided that neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any Party (by operation of law or otherwise) without the prior written consent of all the other Parties. Any attempted assignment in violation of this Section 7.7 shall be null and void.

7.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable law, such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Agreement.

7.9 No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent. In the event an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the Parties, and no presumption or burden of proof will arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

7.10 Captions. The captions used in this Agreement are for convenience of reference only and do not constitute a part of this Agreement and will not be deemed to limit, characterize or in any way affect any provision of this Agreement, and all provisions of this Agreement will be enforced and construed as if no caption had been used in this Agreement.

7.11 Entire Agreement. This Agreement, including the Exhibits, constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement and

supersedes all other prior negotiations, agreements and understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement.

7.12 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument, and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Parties; it being understood that all Parties need not sign the same counterpart. The exchange of copies of this Agreement or of any other document contemplated by this Agreement (including any amendment or any other change thereto) and of signature pages thereof by facsimile transmission (whether directly from one facsimile device to another by means of a dial-up connection or whether otherwise transmitted via electronic transmission), by electronic mail in “portable document format” (“**.pdf**”) form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by a combination of such means, shall constitute effective execution and delivery of this Agreement as to the Parties and may be used in lieu of an original Agreement or other document for all purposes. Signatures of the Parties transmitted by facsimile, by electronic mail in .pdf form or by any other electronic means referenced in the preceding sentence, or by any combination thereof, shall be deemed to be original signatures for all purposes.

Total			\$100,000,000	\$92,000,000	\$8,000,000

As of the Closing Date, \$5 million multiplied by the single Payment Date (Closing) equals \$5 million. The sum of previous payments by The DIA, DIA Direct Funders and Special Foundation Funders (\$0) and the DIA Direct Funders' and Special Foundation Funders' scheduled payment at Closing (\$0) equals \$0. Therefore, at Closing, The DIA is obligated to pay \$5 million less \$0, which equals \$5 million. The formula applies in an identical manner to the June 30, 2016 Payment Date (and the remaining Payment Dates). \$5 million multiplied by the two (2) relevant Payment Dates (the Closing Date and June 30, 2016) equals \$10 million. The sum of the previous payments by The DIA, DIA Direct Funders and Special Foundation Funders (\$5 million) and the DIA Direct Funders' and Special Foundation Funders' scheduled payment (\$2 million) equals \$7 million. Therefore, on June 30, 2016, The DIA is obligated to pay \$10 million less \$7 million, which equals \$3 million.

As of June 30, 2016, The DIA has satisfied its payment obligation under the Omnibus Transaction Agreement (other than its guarantee obligation). The Present Value Discount of the total payments made as of the end of the day June 30, 2016, plus the Present Value Discount of

the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments equals the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016.

*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

** All examples assume an October 31, 2014 Closing Date.

6/30/34	20	\$100,000,000	\$74,316,096	\$0	\$	** \$0
Total			\$74,316,096	\$60,000,000	\$14,316,096	\$0

As of the Closing Date, \$5 million multiplied by the single Payment Date (the Closing Date) equals \$5 million. The sum of previous payments by The DIA, DIA Direct Funders and Special Foundation Funders (\$0) and the DIA Direct Funders' and Special Foundation Funders' scheduled payment at Closing (\$10,000,000) is \$10 million. Therefore, at Closing, The DIA is not obligated to make a payment. The same result occurs for each Payment Date up to June 30, 2027.

As of the June 30, 2027 Payment Date, \$5 million multiplied by the 13 relevant Payment Dates equals \$65 million. The sum of the previous payments by The DIA (\$0) and DIA Direct Funders and Special Foundation Funders (\$60 million) and the DIA Direct Funders' and Special Foundation Funders' scheduled payments on June 30, 2027 (\$0), equals \$60 million. Therefore, on June 30, 2027, The DIA is obligated to pay \$65 million less \$60 million, which equals \$5 million. The same result would occur for each of the remaining Payment Dates, except the Present Value Discount limitation under Section 2.1(b) applies as of the June 30, 2029 Payment Date. On that Payment Date, the formula for the Present Value Discount will result in The DIA only needing to pay \$4,316,096 in order for the Present Value Discount of the total payments made as of the end of that day, plus the Present Value Discount of the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments (\$0) equaling the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016.

*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

**No payment due because of Present Value Discount limitation.

The facts are the same as in Example 2, except that The DIA makes a \$4,683,841 prepayment at the time of the June 30, 2027 Payment Date. For the June 30, 2028 Payment Date, The DIA is obligated to pay \$316,159, calculated as follows: \$5 million multiplied by 14 relevant Payment Dates equals \$70 million, less previous payments of \$69,683,841, equals \$316,159. The DIA makes a \$3,726,128 prepayment at the time of the June 30, 2028 Payment Date also. For the June 30, 2029 Payment Date, The DIA is not obligated to make any payment, notwithstanding the following calculation: \$5 million multiplied by 15 relevant Payment Dates equals \$75 million, less previous payments of \$73,726,128, equals \$1,273,872. However, under Section 2.1(b), the Present Value Discount of the payments made as of the end of the day on June 30, 2028 (\$73,726,128, before discounting), plus the Present Value Discount of the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments (\$0) equals the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016. The DIA's prepayments at the time of the 2027 and 2028 Payment Dates results in The DIA not having a payment obligation in 2029 or thereafter.

*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

**\$4,683,841 is the discounted value of \$5 million at a 6.75% discount rate for a one-year period.

***\$3,726,128 is the discounted amount that results in The DIA fulfilling its payment obligation on a present value basis as of June 30, 2028.

****No payment due because of Present Value Discount limitation and no guarantee because there are no remaining commitments.

The facts are the same as in Example 3, except the DIA Direct Funders' and Special Foundation Funders' Scheduled Payment has been revised as set forth above and The DIA will be required to make payments for the Payment Dates in years 2023 through 2030. The DIA's prepayment of \$4,683,841 at the time of the June 30, 2027 Payment Date and its payment obligation on the June 30, 2028 Payment Date remain the same as in Example 3. Under Section 2.1(a), The DIA has a \$5 million payment obligation with respect to the June 30, 2029 Payment Date. On the June 30, 2030 Payment Date, The DIA pays \$1,969,618, notwithstanding the following calculation: \$5 million multiplied by 16 relevant Payment Dates equals \$80 million, less previous payments of \$75,000,000, equals \$5,000,000. However, under Section 2.1(b), the Present Value Discount of the payments made as of the end of the day on June 30, 2030 (\$76,969,618 before discounting), plus the Present Value Discount of the DIA Direct Funders' and Special Foundation Funders' remaining scheduled payments (\$10,000,000, before discounting) equals the Present Value Discount of \$5 million paid at Closing and 19 annual payments of \$5 million commencing as of June 30, 2016. The DIA's aggregate payments as of the June 30, 2030 Payment Date result in The DIA not having a payment obligation in 2031 or thereafter.

*DIA Direct Funder and Special Foundation Funder scheduled payments are assumed to be made on the Payment Date, as scheduled.

**\$4,683,841 is the discounted value of \$5 million at a 6.75% discount rate for a one-year period.

***\$1,969,618 is the discounted amount that results in The DIA fulfilling its payment obligation on a present value basis as of June 30, 2030.

****No payment due because of Present Value Discount limitation, but The DIA guarantee applies if the 2033 and 2034 payments are not made or are not made on a timely basis.

SETTLEMENT, CONVEYANCE AND CHARITABLE TRUST AGREEMENT

THIS SETTLEMENT, CONVEYANCE AND CHARITABLE TRUST AGREEMENT (this “**Agreement**”), effective as of the Effective Time, is entered into by and between the City of Detroit, Michigan (the “**City**”) and The Detroit Institute of Arts, a Michigan nonprofit corporation f/k/a Founders Society Detroit Institute of Arts (“**The DIA**”). The City and The DIA are together referred to herein as the “**Parties**” and individually as a “**Party**”. Capitalized terms used in this Agreement and not defined herein shall have the meaning ascribed thereto in the Omnibus Transaction Agreement among the City, The DIA and Foundation for Detroit’s Future, a Michigan nonprofit corporation (the “**Omnibus Transaction Agreement**”).

RECITALS

WHEREAS, beginning in 1885 The DIA held the assets of the museum that is now commonly referred to as the Detroit Institute of Arts (the “**Museum**”) in charitable trust for the benefit of the people of the City and the State of Michigan (the “**State**”) and, beginning in 1919, the City began to hold certain of such assets in charitable trust, with museum assets acquired by either The DIA or the City, and assets contributed by other donors and the State, constituting additions to the trust corpus to the extent not expended for the ongoing conduct of the trust’s charitable and educational activities;

WHEREAS, the Attorney General of the State has determined that the Museum collection is held by the City in charitable trust;

WHEREAS, The DIA asserts that the Museum and all Museum Assets are owned by the City in charitable trust, the co-trustees of which are the City and The DIA and subject to the protections of a public trust;

WHEREAS, the City acknowledges that certain creditors of the City and other interested persons have taken the position that the City has full legal and beneficial title to the Museum, including its art collection;

WHEREAS, this Agreement is being entered into as part of the DIA Settlement pursuant to the Omnibus Transaction Agreement whereby the City will convey all of its right, title and interest (including legal title it may hold as trustee and legal title and beneficial interest it otherwise holds) to the Museum and all related assets to The DIA in exchange for fair value by virtue of (i) the settlement of any dispute regarding the ownership of Museum and the Museum Assets, (ii) the contributions through the Supporting Organization by The DIA (and through it, the DIA Indirect Funders), DIA Direct Funders and Special Foundation Funders of \$100 million, of Foundation Funders (excluding Special Foundation Funders) of \$366 million, and an additional contribution by the State of \$350 million, which aggregate \$816 million (in each case and in the aggregate before applying any discount for early payment), which amounts will be paid for the benefit of Pension Claims of the City, and (iii) the commitment of The DIA to hold the Museum Assets (as they may be augmented, replaced or disposed of consistent with the perpetual charitable trust and as otherwise permitted under this Agreement) (collectively, “**DIA Assets**”) in perpetual charitable trust and to operate the Museum primarily for benefit of the residents of the City and the Tri-Counties and the citizens of the State;

WHEREAS, the allocation of responsibilities with respect to the charitable trust assets and the operation of the Museum has changed from time to time;

WHEREAS, The DIA currently operates the Museum and manages its assets under an Operating Agreement for the Detroit Institute of Arts, made on December 12, 1997, between The DIA and the City (the “**Operating Agreement**”) whereby those responsibilities have been performed by The DIA as operator on the terms set forth therein;

WHEREAS, the City and The DIA currently are parties to that certain Licensing Agreement, dated December 12, 1997 (the “**Licensing Agreement**”) under which the City licensed the use of certain intellectual property assets to The DIA, which will be terminated by the Parties pursuant to this Agreement;

WHEREAS, as part of the DIA Settlement and concurrently with the closing pursuant to the Omnibus Transaction Agreement, the Transfer shall occur, each of the Operating Agreement and the Licensing Agreement shall be terminated, and the other transactions and agreements reflected herein shall become effective; and

WHEREAS, the Transfer of the Museum and the Museum Assets is for fair value, for a public purpose and authorized by law.

NOW THEREFORE, in consideration of the covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, intending to be legally bound, the Parties hereby agree as follows:

ARTICLE IV

Termination of the Various Agreements

4.1. Termination of the Operating Agreement. As of the Effective Time, the Operating Agreement is terminated without any further action or notice by the Parties and without any further rights or obligations of any Party thereunder other than The DIA’s indemnity obligation under Section J of the Operating Agreement (which shall survive in accordance with its terms).

4.2. Termination of the Licensing Agreement. As of the Effective Time, the Licensing Agreement is terminated without any further action or notice by the Parties and without any further rights or obligations of any Party thereunder.

4.3. Release. Each of the Parties hereby fully and forever, knowingly, voluntarily, and irrevocably, releases, acquits, discharges and promises not to sue the other Party or its Related Parties from, including, without limitation, any and all claims, demands, damages, obligations, losses, causes of action, costs, expenses, attorneys' fees judgments, liabilities, duties, debts, liens, accounts, obligations, contracts, agreements, promises, representations, actions and causes of action, other proceedings and indemnities of any nature whatsoever arising from or in any way related to the Operating Agreement other than The DIA's indemnity obligation under Section J of the Operating Agreement (which shall survive in accordance with its terms), the Licensing Agreement, the Museum, the Museum Assets or any other matter of any kind or nature, whether accrued or contingent, known or unknown and whether based on law, equity, contract, tort, statute or other legal or equitable theory of recovery, whether mature or to mature in the future, which from the beginning of time of the world to the Effective Time, either Party had, now has, or may have against the other Party or its Related Parties; provided that the foregoing release shall not extend to, nor be deemed to modify in any respect, any right of any Party under this Agreement or any other Transaction Documentation.

ARTICLE V

Representations and Warranties

5.1. Representations and Warranties of The DIA. The DIA represents and warrants to the City that (a) it has the power and authority to execute and deliver this Agreement and each Exhibit to this Agreement to which it is a party and to perform its obligations hereunder and thereunder, (b) the execution, delivery and performance of this Agreement and each Exhibit to this Agreement to which it is a party have been duly authorized by all necessary action, (c) this Agreement and each Exhibit to this Agreement to which it is a party constitutes the valid and binding obligation of The DIA, enforceable in accordance with its respective terms, and (d) its performance under this Agreement and each Exhibit to this Agreement to which it is a party will not conflict with, result in a breach of or constitute (alone or with notice or lapse of time or both) a default under, any agreement or other instrument or any applicable law binding upon The DIA.

5.2. Representations and Warranties of The City. The City represents and warrants to The DIA that (a) it has the power and authority to execute and deliver this Agreement and each Exhibit to this Agreement to which it is a party and to perform its obligations hereunder and thereunder, (b) the execution, delivery and performance of this Agreement and each Exhibit to this Agreement to which it is a party have been duly authorized by all necessary action, (c) this Agreement and each Exhibit to this Agreement to which it is a party constitutes the valid and binding obligation of the City, enforceable in accordance with its respective terms, and (d) its performance under this Agreement and each Exhibit to this Agreement to which it is a party will not conflict with, result in a breach of or constitute (alone or with notice or lapse of time or both) a default under, any agreement or other instrument or any applicable law binding upon the City.

5.3. Acknowledgement of No Further Representations and Warranties. Except for the representations and warranties in Section 5.2 of this Agreement or as otherwise specifically set forth in the Transaction Documentation, the Museum Assets are being transferred by the City to The DIA without warranty or representation of any kind, including any warranty of merchantability or fitness for a particular purpose or any warranty or representation which might otherwise be inherent in a description or in specifications.

ARTICLE VI
Covenants of the City

6.1. Further Assurances. In addition to the actions specifically provided for elsewhere in this Agreement, at any time and from time to time, at The DIA's reasonable request, the City shall (x) at its own expense (except as provided in subsection (y)), do, execute, acknowledge and deliver all and every such further acts, transfers, assignments, conveyances, powers of attorney, and assurances (including in recordable form) as The DIA reasonably may require to transfer, convey, assign and deliver the Museum and the Museum Assets free and clear of all security interests, liens, encumbrances, claims and interests of the City and its creditors and to confirm The DIA's title to the Museum and all of the Museum Assets and (y) at no cost or expense to the City, take such actions, including filing such releases, as may be necessary to remove any security interest, lien, encumbrance, claim or interest of the City or any of its creditors on the Museum or the Museum Assets.

6.2. Remittance of Museum Assets. If after the Effective Time, the City receives (a) any monies for the benefit of The DIA or the Museum, including with respect to any existing or future (i) donations, gifts, bequests, and contributions from individuals, corporations, foundations and trusts, if any, and (ii) federal, state, regional, county or local tax proceeds and grants from governmental or quasi-public entities, if any, other than proceeds or grants that are intended for the City for reimbursement for specific amounts that were previously advanced or funded by the City with the expectation of the City at the time of such advance or funding that such reimbursement would be received by the City, or (b) any art or other property that is, as designated by its grant, intended for the benefit of the Museum or The DIA, in each case, the City shall promptly pay or deliver such monies, art or other property to The DIA.

6.3. NO RECOURSE. THE TRANSFER OF THE MUSEUM AND THE MUSEUM ASSETS IS FINAL AND IRREVOCABLE. THE DIA SHALL RETAIN TITLE TO AND OWNERSHIP OF THE MUSEUM AND THE DIA ASSETS IN PERPETUITY AND THE CITY SHALL NOT HAVE RECOURSE TO ANY OF THE DIA ASSETS FOR ANY CLAIMS THE CITY MAY HAVE AGAINST THE DIA, ANY OTHER FUNDER, THE SUPPORTING ORGANIZATION, THE STATE OR OTHERWISE, WHETHER ARISING NOW OR IN THE FUTURE, INCLUDING, WITHOUT LIMITATION, NONCOMPLIANCE BY THE DIA, ANY OTHER FUNDER OR THE SUPPORTING ORGANIZATION WITH ANY OF THE TERMS OR CONDITIONS OF THE OMNIBUS TRANSACTION AGREEMENT, THE TRANSACTION DOCUMENTS OR ANY RELATED DOCUMENTS; PROVIDED THAT THE FOREGOING SHALL NOT PRECLUDE THE CITY FROM ASSERTING CLAIMS IN SATISFACTION OF AN INDEMNITY OBLIGATION PURSUANT TO SECTION J OF THE OPERATING AGREEMENT OR SECTION 6.1(b) OF THE OMNIBUS AGREEMENT BUT ONLY AGAINST CASH, CASH EQUIVALENTS OR CASH RECEIVABLES OF THE DIA (EXCLUDING ANY CASH, CASH EQUIVALENTS OR CASH RECEIVABLES THAT ARE RESTRICTED IN USE BY THE TERMS OF THE DONATION, GIFT, BEQUEST OR CONTRIBUTION OF A THIRD PARTY OR BY RESTRICTIONS IMPOSED ON THE USE OF PROCEEDS FROM THE SALE OF ART BY THE APPLICABLE STANDARDS OR ETHICAL GUIDELINES OF THE AAM OR THE ASSOCIATION OF ART MUSEUM DIRECTORS (OR SUCH OTHER ORGANIZATIONS BY WHICH THE DIA OR THE MUSEUM OR ITS DIRECTOR IS ACCREDITED IN THE FUTURE OR OF WHICH THEY

BECOME MEMBERS IN ACCORDANCE WITH THEN APPLICABLE ART MUSEUM BEST PRACTICES).

ARTICLE VII **Covenants of The DIA**

7.1. Charitable Trust.

(a) The DIA as trustee shall hold the DIA Assets in perpetual charitable trust. The primary purpose of the charitable trust shall be to provide for the primary benefit of the residents of the City and the Tri-Counties and the citizens of the State an art museum located in the City of Detroit, including the ownership, maintenance and operation of The Detroit Institute of Arts, and all the benefits that are derivative thereof.

(b) The DIA shall neither change the name of the Museum from “The Detroit Institute of Arts” nor relocate the primary situs of the Museum from its current location at 5200 Woodward Avenue, Detroit, Michigan, without the approval of the City; provided that nothing in this Agreement or in any other agreement included in the Transaction Documentation shall be deemed to otherwise restrict the ability of The DIA to lend or to otherwise allow art works to travel outside of the City or the State consistent with ordinary Museum operations.

(c) In its capacity as trustee of the perpetual charitable trust, The DIA shall operate the Museum as an encyclopedic art museum in the City, in accordance with changing future demands in the operation of such a Museum. The DIA shall not deaccession from its collection or sell, lease, pledge, mortgage, or otherwise encumber art that is accessioned to its permanent collection except in accordance with the code of ethics or applicable standards for museums published by the AAM, as amended or modified by the AAM. If the AAM ceases to exist or ceases to be generally regarded by leading American art museums as the preeminent American art museum accreditation organization, then the code of ethics or applicable standards (as may be amended or modified) of AAM’s successor organization, or such other organization that is at that time generally regarded by leading American art museums as the preeminent American art museum accreditation organization, shall be substituted for such policies of the AAM.

7.2. State-wide Services. In addition to continuing to operate the Museum for the primary benefit of the residents of the City, the Tri-Counties and the citizens of the State, and continuing to provide the special services to the residents of the Tri-Counties during the balance of the ten (10) year millage period commencing in 2013 that are provided for in the agreements for the Millage, during the Payment Period The DIA will provide an array of art programs at no or discounted costs to the residents of the State. In determining which programs to offer, both the cost to The DIA of developing and operating these programs and The DIA’s other fundraising obligations, including its need to raise funds for general operations and its stated goal of building endowment funds, as well as any fundraising obligation under the Omnibus Transaction Agreement, will be taken into account. As appropriate, The DIA will collaborate with its Michigan museum colleagues in the development of these programs. Given the length of the Payment Period, it is expected that these programs would be developed and adjusted over time. Such programs could include at the outset:

(i) two exhibitions in each twelve-month period, with the first such period beginning six (6) months after the Closing, of objects from the Museum collection that will rotate through museums and art centers around the State on a schedule to be determined by The DIA and the recipient museums. Each exhibition will be developed and organized by The DIA and will include installation and de-installation of the objects, a marketing package (logo and advertising template) and, possibly, input on programming and education opportunities,

(ii) an annual professional development program coordinated with the Michigan Museums Association designed to strengthen museum professionals and introduce museum job opportunities to student audiences,

(iii) an expansion of the Museum's popular Inside/Out program (during the tenure of the program), which places high-quality art reproductions in Southeast Michigan communities, to include two additional outstate locations annually, supporting tourism, cultural awareness and life-long learning,

(iv) art object conservation services at a discounted rate to Michigan museums conducted in consultation with the Museum conservators and the curatorial staff of the requesting museum, and

7.3. Liquidation. In the event of a dissolution of, and liquidation of the assets and affairs of, The DIA in accordance with the Michigan Nonprofit Corporation Act, the DIA Assets will be conveyed to another nonprofit entity determined by the board of directors of The DIA, subject to the reasonable approval of the City and the Supporting Organization, if then in existence, and otherwise by majority vote of the City and any Foundation Funders who have remaining commitments under their Funding Agreements. As a condition to receiving the conveyance, such successor entity must subject itself to the same conditions as set forth in this Agreement, including but not limited to, holding the DIA Assets in perpetual charitable trust for the primary benefit of the residents of the City and the Tri-Counties and the citizens of the State. For the purposes of determining the majority vote described above, and for the avoidance of doubt, the Parties agree that the City and each of the Foundation Funders who have remaining commitments under their Funding Agreements at the time of such dissolution or liquidation shall each have one vote with respect to any such approval.

7.4. City Board Representative. From and after the Effective Time, in perpetuity, the City shall have the right to appoint one director to the Board of The DIA (or its successor entity). Such representative shall be designated in writing to The DIA by the Mayor of the City with approval by the City Council. Such director shall be subject to removal by The DIA for cause. The City shall have the right in accordance with this Section 7.4 to appoint a successor representative to any vacancy created by the removal of the City's representative for cause or otherwise.

7.5. Enforcement of Certain of The DIA's Obligations. The Attorney General of the State and the Corporation Counsel of the City (on behalf of the City) (or their respective successors) shall have the exclusive rights to enforce the obligations of The DIA (x) to hold the DIA Assets in perpetual charitable trust and (y) under ARTICLE VII of this Agreement. If the Corporation Counsel of the City (on behalf of the City) exercises its rights to enforce the obligations of The DIA pursuant to this Section 7.5 by means of a legal action or proceeding, the unsuccessful party to such action or proceeding shall pay to the prevailing party all costs and expenses, including reasonable attorneys' fees and disbursements, incurred by such prevailing party in such action or proceeding and in any appeal in connection therewith. If such prevailing party recovers a judgment in any such action, proceeding or appeal, such costs, expenses and attorneys' fees and disbursements shall be included in and as a part of such judgment.

Except for the Related Parties, each of whom is an express third-party beneficiary under this Agreement with respect to Section 4.3 of this Agreement, and the Attorney General of the State who is an express third party beneficiary under this Agreement with respect to Section 7.5 of this Agreement, the terms and provisions of this Agreement are intended solely for the benefit of the City and The DIA and their respective successors and permitted assigns, and nothing contained in this Agreement, expressed or implied, is intended to confer upon any person or entity any third-party beneficiary rights or remedies.

8.3. Choice of Law; Jurisdiction; Venue. This Agreement shall be construed in accordance with the laws of the State of Michigan without regard to such state's choice of law provisions which would require the application of the law of any other jurisdiction. By its execution and delivery of this Agreement, each of the Parties irrevocably and unconditionally agrees for itself that, subject to the exclusive rights of the Attorney General of the State and the Corporation Counsel of the City (on behalf of the City) as set forth in Section 7.5 of this Agreement, any legal action, suit or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, shall be brought in the Bankruptcy Court for so long as the Bankruptcy Court has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan; provided that if the United States District Court for the Eastern District of Michigan does not have jurisdiction, then (i) if such legal action,

suit or proceeding relates to or seeks to enforce the obligations of The DIA to hold the DIA Assets in perpetual charitable trust or the obligations of The DIA under Article VII of this Agreement, then such legal action, suit or proceeding shall be brought only in Wayne County Probate Court, or (ii) if such legal action, suit or proceeding involves any other matter relating to this Agreement not referenced in subsection (i), then it may be brought only in such other court of competent jurisdiction located in Wayne County, Michigan. By execution and delivery of this Agreement, each of the City and The DIA irrevocably accepts and submits to the exclusive jurisdiction of such courts, generally and unconditionally, with respect to any such action, suit or proceeding and specifically consents to the jurisdiction and authority of the Bankruptcy Court to hear and determine all such actions, suits, and proceedings under 28 U.S.C. §157(b) or (c), whichever applies.

8.4. Amendment and Waiver. This Agreement may be amended and any provision of this Agreement may be waived; provided that any such amendment or waiver will be binding upon the Parties only if such amendment or waiver is set forth in a writing executed by both Parties. No course of dealing between The DIA and the City will be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of either Party under or by reason of this Agreement.

8.5. Entire Agreement. This Agreement, including the Exhibits, together with the Omnibus Transaction Agreement, constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement and supersedes all other prior negotiations, agreements and understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement.

3. Report on City of Detroit Compliance with Initial Grant Conditions
Grantee will provide to Foundation a report within 45 days of the Closing Date documenting that the conditions precedent for Closing were met and that the initial grant payment contemplated by the OTA has been made by the Grantee to the City of Detroit. In the event the Closing does not occur by December 31, 2014, a first and final report will be provided by January 31, 2015.

b. Annual Grant Payments

1. Payment Amounts and Dates. Commencing in 2015 and continuing until 2033 (except as otherwise provided herein), Foundation will annually make a grant payment to Grantee of \$[INSERT 1/20 OF TOTAL GRANT AWARD] by September 15 of that year. Foundation intends Grantee to use these annual payments to fund, in part, the annual payments from Grantee to the City of Detroit, pursuant to and subject to the terms and conditions of the OTA, on a funding schedule commencing June 30, 2016, and each June 30 thereafter ending on June 30, 2034 (the payment dates to the City of Detroit being subject to possible extensions pursuant to the OTA).

Foundation acknowledges that it has the right to, but is not required to, rely on any finding by the board of trustees of the Grantee that the City is in compliance with the Conditions for Funding found in Section 2.4 of the OTA and that as a result of such a finding the Foundation is obligated to make timely payment to Grantee as provided in Section 2.7 of the OTA. Foundation will not unreasonably dispute any such finding by the board of the Grantee that the City is in compliance. If (i) Foundation has failed to make an annual grant installment

payment to Grantee when due hereunder and Grantee has provided the Foundation the 30-day notice contemplated by Section 2.8(b) of the OTA, and (ii) the Foundation has not made the required grant payment by the expiration of such 30-day period, then Grantee will assign its right to enforce collection of the payment from the Foundation to the City and the City will have the right to pursue collection of that payment as provided in the OTA. Foundation will be responsible for its own costs and attorney fees in defending any action by Grantee or City to enforce payment from Foundation, unless those costs and attorney fees are otherwise indemnified or set-off on behalf of Foundation by the provisions of the OTA or the Plan of Adjustment.

2. Annual Grant Payment Conditions

Grantee agrees that any annual grant payment it receives from the Foundation will be used for the sole purpose of making the annual payments to be made by Grantee to the City of Detroit pursuant to Section 2.3 of the OTA.

In the event the Foundation has provided (i) an annual grant payment to the Grantee prior to the date Grantee has determined that the City has complied with Section 2.4 of the OTA for the year in which the annual grant payment is to be used, or (ii) Foundation, in its sole discretion, advances any future annual grant payment to Grantee, Grantee will maintain such grant balances in conservatively invested reserves to ensure that the monies provided are available to make payment to the City when conditions have been met. Any earnings on such early grant payments will be used to offset operational costs of Grantee relating to the purposes of this grant. If on December 31, 2034, there remains any earnings after payment of those operational expenses, Grantee, in its discretion, may use those excess earnings (i) to make grants and/or establish endowments that will support the ongoing revitalization, or maintain and expand the quality of life of the residents, of the City of Detroit and/or (ii) return those excess earnings ratably to the Foundation Funders.

In the event the City fails to meet the conditions for release of an annual payment to it under Section 2.4 of the OTA and all applicable cure periods available to the City pursuant to Section 2.5 of the OTA (including any periods of time necessary for dispute resolution as provided in the OTA) have expired, the Foundation may either request that the Grantee return that annual grant payment to the Foundation, at which time the Foundation's obligation to make such annual grant payment is automatically terminated and cancelled, or request that the Grantee retain the annual grant payment for application to a future annual grant payment due to the Grantee from the Foundation. Foundation and Grantee also acknowledge and agree that consistent with Section 2.5(b) of the OTA, the Foundation may cancel its remaining grant installments to Grantee if the City fails to meet the conditions for release of an annual payment to it under the OTA, and all applicable cure periods available to the City pursuant to Section 2.5 of the OTA (including any periods of time necessary for dispute resolution as provided in the OTA) have expired. If Foundation elects to cancel its remaining grant payments, the Foundation may either request that the Grantee return any pre-paid annual grant amount provided to Grantee that has not yet been paid or is not obligated to be paid to the City by Grantee and/or allow Grantee to retain some or all of such pre-paid grant installments to offset operational costs of Grantee relating to the purposes of this grant.

3. Present Value Election

Consistent with the OTA, Foundation has the right to elect to make early payment of any or all of its grant payment obligations to the Grantee and have its obligation under this Terms of Grant Agreement reduced by a present value discount rate of 6.75% as provided in the OTA. Grantee will transfer such early payment to the City of Detroit and elect that present value discount provided the requirements of the next paragraph are met.

Foundation agrees that it will only make the above mentioned present value election if (i) the Grantee receives confirmation from the City, in a form reasonably acceptable to Grantee, that the Grantee's future grant payment obligations to the City under the OTA will be properly reduced as a result of such present value election by Foundation, and (ii) Foundation and Grantee agree to reasonable arrangements to prevent such early payment election from Foundation jeopardizing the fiscal stability and operations of Grantee and its abilities to perform its obligations under the OTA.

III. Indemnification and Other Provisions

Foundation and Grantee acknowledge that Foundation is a third-party beneficiary of certain provisions contained in the OTA and the contemplated order confirming the Plan of Adjustment. Foundation's rights as a third-party beneficiary include, but are not limited to, (i) indemnification by the City of Detroit as found in Section 6.2 of the OTA, (ii) set-offs on grant installments as a result of the City of Detroit failing to pay for defense and other costs (except that Foundation is not entitled to such set-off if the Grantee has, as a result of the City failing to pay all of the defense and other costs of the Foundation, incurred those costs on behalf of Foundation and Grantee), (iii) jurisdiction and choice of law provisions, and (iv) certain injunctive and other relief as found in the Plan of Adjustment as confirmed by court order. Foundation's obligation to make any installment payment under this Terms of Grant Agreement is expressly conditioned upon the existence of all such third-party benefits including, but not limited to, said indemnification provision, set-off provisions and injunctive relief.

This Terms of Grant Agreement, or any rights, obligations or funds awarded under this Terms of Grant Agreement, may not be assigned, unless otherwise expressly provided herein, without the prior written consent of the non-assigning party, and any purported assignment in violation of the foregoing will be void and of no effect. This Terms of Grant Agreement will be governed by and construed in accordance with the laws of the state of Michigan, with jurisdiction in the State and Federal Courts of Michigan (as more specifically provided in the OTA and the Plan of Adjustment).

IV. Review of Grant Activity

Grantee will provide written annual reports to the Foundation each July 30 showing the use of the grant funds provided under this grant. Grantee may extend the date for any annual report to no later than January 30 of the following calendar year if Grantee is unable to obtain information from the City of Detroit necessary for completing the report. Foundation and Grantee agree that the reports to be provided will be of a standard format and content to be provided to all Foundation Funders. The content of the annual reports will include, without limitation:

- Information on the Grantee's progress toward meeting the terms of this grant
- A statement of determination by the board of Grantee regarding the City's compliance with the Conditions for Funding found in Section 2.4 of the OTA
- A statement of facts regarding the accounting treatment of the remaining payments due to Grantee by the Foundation for consideration by the Foundation in preparing its statements of financial position
- Copies of any and all evaluation or similar reports, if any, provided to any other Foundation Funder or any party to the OTA
- An explanation of any significant changes in the organizational leadership of the Grantee, such information to be provided promptly to Foundation if it occurs between the filing of an annual report

A final report is due by June 30, 2035.

In addition, Grantee will furnish the Foundation with any additional information reasonably requested by the Foundation from time to time. Without limiting the generality of the foregoing, Grantee will provide the Foundation (or its designated representatives) with reasonable access to Grantee's files, records and personnel for the purpose of making financial audits, evaluations or verification, program evaluations, or other verifications concerning this grant as the Foundation reasonably deems necessary during the term of this grant and for five years thereafter. The fees and expenses of any such representative that is designated by the Foundation to undertake these tasks, and any reasonable out-of-pocket costs actually incurred by the Grantee in complying with this request, will be paid by the Foundation.

V. Standard Provisions

In accepting this grant, the Grantee agrees to the following and certifies the following statements:

- a. Grantee will use the funds granted solely for the purpose stated and Grantee will repay any portion of the amounts granted which is not used for the purpose of the grant or not expended by the due date for the final report.
- b. Grantee is and will at all times maintain its status as (i) a nonprofit corporation in good standing under the laws of the State of Michigan, and (ii) an organization described in Section 501(c)(3) and Section 509(a)(3) of the U.S. Internal Revenue Code ("Code") that is not a "private foundation" within the meaning of Section 509(a) of the Code because it is a Type-I supporting organization of the Community Foundation for Southeast Michigan.
- c. Grantee will notify the Foundation immediately of any change in its tax status.
- d. Grantee will return any unexpended funds if the Grantee loses its exemption from Federal income taxation as a 501(c)(3) nonprofit organization pursuant to Section 509(a)(1), 509(a)(2) or 509(a)(3) of the Code.
- e. Grantee will maintain books and records adequate to verify actions related to this grant during the term of this grant and for five years thereafter.
- f. Grant funds will only be expended for charitable, educational, literary or scientific purposes within the meaning of Section 501(c)(3) of the Code, and Grantee will comply with all applicable federal and state laws and regulations that govern the use

of funds received from private foundations. Grantee will in no event use grant funds or any income earned thereon to:

- i. Carry on propaganda or otherwise to attempt to influence legislation (within the meaning of Section 4945(d)(1) of the Code).
- ii. Influence the outcome of any specific public election or carry on, directly or indirectly, any voter registration drive (within the meaning of Section 4945(d)(2) of the Code).
- iii. Make grants to individuals or to other organizations for travel, study or similar purpose that do not comply with the requirements of Section 4945(d)(3) or (4) of the Code.
- iv. Undertake any activity other than for a charitable, educational, literary or scientific purpose specified in Section 170(c)(2)(B) of the Code.
- v. Inure a benefit to any private person or entity in violation of Section 501(c)(3) and 4941 of the Code, including but not limited to any Foundation trustee, officer, employee, or his/her spouse, children, grandchildren, and great grandchildren or their respective spouses for any purpose.
- vi. Support a use that is not in compliance with all applicable anti-terrorist financing and asset control laws, regulations, rules and executive orders, including but not limited to, the USA Patriot Act of 2001 and Executive Order No. 13224. Furthermore, Grantee agrees to ensure that no Foundation funds will be disbursed to any organization or individual listed on the United States Government's Terrorist Exclusion List or the Office of Foreign Assets Control (OFAC) Specially Designated Nationals & Blocked Persons List. In addition, Grantee takes reasonable steps to ensure that its board, staff and volunteers have no dealings whatsoever with known terrorist or terrorist organizations.
- g. Grantee acknowledges and agrees that this Terms of Grant Agreement does not imply a commitment by the Foundation to continued funding beyond the express terms of this Terms of Grant Agreement.
- h. Grantee represents that this grant will not result in the private benefit of any individual or entity, including, but not limited to, the discharge of any pledge or financial obligation of any individual or entity.

VI. Publicity

Communications regarding this grant, the OTA and the City's compliance with the ongoing conditions of the OTA will be coordinated and made by Grantee, in consultation with Foundation and other Foundation Funders. Foundation and Grantee will obtain the other's approval prior to making any public announcement about this grant. Foundation may include information on this grant in its period publications without the need for Grantee approval.

VII. Notices and Foundation Contact Information:

All notices, demands and other communications given or delivered under this Agreement will be given in writing to the address indicated below (or such other address as the recipient specifies in writing) and will be deemed to have been given when delivered personally, three (3) Business Days after mailing by certified or registered mail, return receipt requested and postage prepaid, or when delivery is guaranteed if sent via a nationally recognized overnight carrier, or when receipt is confirmed if sent via facsimile or other electronic transmission to the recipient.

For purposes of this Agreement, and without limiting the Developer's ability to identify and receive approval of a different development partner, the Detroit Regional Convention Facility Authority is deemed by the City an approved development partner. The Development Proposal shall include an application for the brownfield plan necessary for the application for TIF Incentives, and it shall also identify which components of the Development Proposal are eligible for the TIF Incentives, disbursement of which shall be governed by the Economic Incentive Agreements (as defined in Section 5(I)(a) below), and the City shall use its commercially reasonable efforts to cause the State or applicable State related entity to grant any approvals necessary for those TIF Incentives no later than one hundred twenty (120) days after the date of approval of the Development Proposal, subject to the terms hereof. The Development Proposal shall include the terms of the Guaranty (as defined in Section 5(B) below), including the identity of any guarantor thereunder, and also include the terms of any proposed equity investment and financing for the Development; provided, however, (i) the Development Proposal does not need to disclose any additional equity partners, provided that the Developer will not partner with any third party that is prohibited from doing business with the City, (ii) the Development proposal does not need to disclose the holder(s) of the COPs or holders of the beneficial interests in the COPs, and (iii) the Development Proposal does not need to identify a development partner if the rights under the Agreement have been transferred to a developer prior to the date of the Development Proposal Deadline, which transferee has previously been approved by the City, which approval shall not be unreasonably withheld, conditioned or delayed.

(2) The City shall review any Development Proposal submitted to the City by the Developer and within ninety (90) days of receipt by the City of such Development Proposal (the "Development Proposal Review Period") the City shall either (i) approve the Development Proposal or (ii) provide the Developer with the specific reasons why the Development Proposal is not acceptable, which may include unacceptability of the proposed development partner (if required). If the City does not approve the Development Proposal, the Developer may provide a revised Development Proposal(s) to the City for its approval pursuant to the process herein, which shall continue until the earlier of (i) the date on which a Development Proposal is approved, and (ii) the Development Proposal Deadline which shall be automatically extended by the aggregate of all Development Proposal Review Periods. The City and, to the extent applicable related to the TIF Incentives, the State, shall reasonably cooperate with the Developer in

preparation of the Development Proposal, at no incremental cost to the City or, as applicable, the State. The Development Proposal, as approved by the City pursuant to this Section 1(A) shall be hereinafter referred to as the “Approved Development Proposal.”

(3) Upon request of the Developer, the City may approve an extension of the Development Proposal Deadline by up to twenty-four (24) additional months, which approval shall not be unreasonably withheld, delayed or conditioned. The City agrees that it would be unreasonable to withhold its approval of such extension if (i) the Developer requested the extension because development in the immediate vicinity of the Property has materially decreased or the general economic condition of the City has deteriorated to such a level that it would not be economically feasible for the Developer to pursue development of the Property or (ii) it is reasonable given the complexity of the development contemplated by the Developer for the Property.

(B) Option and Diligence Procedure.

(1) The Developer shall have until a date which is one hundred eighty (180) days prior to the Development Proposal Deadline (as may be extended) to give the City written notice of its intent to conduct the Diligence Activities (as hereinafter defined) on the Property (the “Diligence Notice”). Following receipt of the Diligence Notice, the City shall use its commercially reasonable efforts during the Diligence Period (as defined below) to provide the Developer and its contractors, consultants and their respective agents with such access to the Property as may be reasonably requested by the Developer from time to time, subject to any access limitation of that certain Sublease of Riverfront Arena between the City, Olympia Entertainment, Inc. and the Detroit Red Wings, Inc., dated June 15, 2014, and the related Parking Agreement (as may be amended, restated or modified, the “JLA Lease”). For purposes of this Agreement, “Diligence Activities” include but are not limited to the following:

(a) such physical inspections, surveys, soil borings and bearing tests and possible relocation of utilities, all as Developer deems necessary in its sole discretion, all of which shall be completed at Developer’s expense;

(b) subject to the terms and provisions of Section 2 below, including giving of such Investigation Notices and obtaining City approval as may be required thereunder, investigations, environmental studies, environmental site assessments (including Phase I and Phase II site assessments, and/or sampling and invasive testing of soil, groundwater, surface water, soil vapors, indoor air, and building materials (such as Asbestos and lead-based paint)), and such other investigations and assessments as Developer may deem necessary in its sole discretion to determine the condition of the Property and the Property’s compliance with Environmental Laws (as defined below) and any other federal, state and local laws, rules, regulations and orders relating in any way to protection of human health, the environment and natural resources, all of which shall be completed at Developer’s expense; and

(c) a review of available public and private utilities and public accesses necessary for the proposed development of the Property.

(2) Title and Survey. The City shall deliver to Developer a title commitment and ALTA survey for the Property (the "Title Commitment and Survey") promptly following execution of this Agreement. Within twenty (20) business days after the Developer's receipt of the Title Commitment and Survey (in form reasonably acceptable to the Developer) and copies of each of the title exceptions referenced in the Title Commitment and Survey, the Developer shall examine the Title Commitment and Survey and shall make any objections to any items therein that would cause title to the Property not to be good and marketable, free and clear of any items that, in Developer's reasonable discretion, would unreasonably interfere with the construction, use or operation of the Development for its intended purposes or impair the value of the Development to such an extent as to make such Development not commercially feasible (any of the foregoing a "Title Defect") by written notice to the City (the "Title Objection Notice"). For avoidance of doubt, the City shall not be obligated to cure, remove or bond over any objection to the Title Commitment and Survey that fails to qualify as a Title Defect hereunder. The Title Objection Notice shall state with specificity the reasons for Developer's objection(s) and the curative steps requested by the Developer which would remove the basis for the Developer's objection(s). The City shall cure, remove or bond over any Title Defects prior to the Closing Date. If the Developer orders an update to the Title Commitment and Survey prior to Closing (as defined in Section 3(A) below), and such update shows any additional Title Defect not caused by the Developer or its agents, consultants or contractors, the City shall cause each such Title Defect to be cured, removed or bonded over prior to Closing.

(3) City Information. To the extent within the possession of the City and the City Parties (as defined below), as reasonably determined by the City's corporation counsel upon due inquiry, the City shall, promptly upon the written request of the Developer, provide, and shall cause all City Parties to provide, to the Developer (i) copies of all environmental studies, asbestos reports or other environmental reports on the Property, and all material documents, records or non-privileged communications related to the presence, use or release of Hazardous Materials at the Property subject to a pending claim or matter or present at concentrations exceeding those allowed by law, (ii) copies of all title reports and the underlying documents referenced therein, (iii) copies of all surveys of the Property, (iv) copies of any other records, documents, instruments, agreements or files with respect to the use or ownership of the Property, to the extent materially relevant after Closing, (v) to the extent not included in the above, copies of the correspondence to or from the City or any City Parties related to the use or ownership of the Property, to the extent materially relevant after Closing and (vi) such other documentation as is reasonably requested by Developer with respect to the Property. For purposes of this Agreement, "City Parties" shall mean any department, subdivision or agency of the City and/or any governmental authority within the direct or indirect control or supervision of the City.

(4) Insurance. Prior to entering onto the Property for any Diligence Activities, Developer or its contractors shall maintain the insurance coverage and comply

with the insurance requirements specified in the City's Right-of-Entry, a form of which is attached as **Exhibit A** (the "Right-of-Entry").

(5) Indemnity. Developer shall defend, indemnify and hold harmless the City from and against any loss, liability, cost or expense incurred by the City to the extent resulting from Developer's (including its duly authorized employees, agents, engineers or other representatives) negligence or willful acts occurring in connection with the Diligence Activities; provided, however, that the Developer shall not be responsible for any loss, liability, cost, or expense resulting from the City's (or any City Parties') negligence or misconduct.

(6) The Developer shall notify the City in writing, no less than one hundred twenty (120) days following the Diligence Notice (the "Diligence Period"), that either (i) the Developer intends to proceed to Closing on the Property (the "Notice of Option Exercise"), or (ii) the condition of the Property is such that, in Developer's reasonable judgment, the condition adversely affects Developer's ability to timely complete the Development or adversely affects the use, value or marketability of the Property (the "Objection Notice"), which Objection Notice shall state with reasonable specificity the particular diligence matter(s) unacceptable to the Developer, including any Title Defects ("Objections"). The City, in its sole discretion, shall have the option (but not the obligation) to cure, remove or bond over such Objections within sixty (60) days following receipt of the Objection Notice (the "Cure Period"), provided, that the City must cure, remove or bond over such Objections that (a) are encumbrances for the benefit of the City, the City Parties, their lenders or vendors, (b) are Title Defects, or (c) may reasonably be deemed to directly cause a delay in the Developer's ability to complete the Development in accordance with the terms and conditions of this Agreement more than two (2) years after the Completion Deadline; provided, however, in the event any such Objection may reasonably be deemed to directly cause a delay in the Developer's ability complete the Development in accordance with the terms and conditions of this Agreement of two (2) years or less after the Completion Deadline (a "Minor Delay Defect"), then the City shall not be obligated to cure, remove or bond over such Minor Delay Defect; however, the number of days of delay reasonably determined to be caused by such Minor Delay Defect shall be deemed Force Majeure Delay (as hereinafter defined) for the equivalent number of days. Without limiting the generality of the foregoing, the City shall be obligated to cause to be cured, removed or bonded over prior to expiration of the Cure Period: (i) mechanics' liens; (ii) judgment liens against the City or any City Parties; (iii) mortgages, similar loan documents and voluntary liens with respect to indebtedness of the City or any City Party; (iv) delinquent taxes, charges, impositions or assessments; (v) fines issued by any governmental or quasi-governmental authority or other liens encumbering the Property or any portion thereof which are in liquidated amount; and (vi) any other monetary liens against the property. To the extent the Developer desires to proceed to Closing on the Property following delivery of an Objection Notice, the Developer must deliver to the City a Notice of Option Exercise prior to fifteen (15) days following expiration of the Cure Period. Failure of the Developer to timely deliver a Notice of Option Exercise as provided for herein shall result in automatic termination of the Developer's rights under this Agreement and the

Developer shall thereafter have no further interest in the Property. Following delivery by the Developer of a Notice of Option Exercise, the City shall be bound to convey the Property, upon the terms and conditions set forth herein, and the City and the Developer shall proceed to closing on the Property on a mutually agreed upon date which is the later of (i) two (2) years following approval by the City of the Development Proposal, and (ii) six (6) months following completion of Demolition (as defined in Section 5(H)(b) below) by the City (the "Closing Date").

(7) As Is Condition of Property; City Cooperation. The City makes no implied or express representations or warranties of any kind as to any condition that may adversely affect the development, or its fitness for absolutely any purpose whatsoever, other than with respect to the Sufficient Environmental Remediation (as defined in Section 5(H)(b) below). Upon delivery to the City of the Notice of Option Exercise, Developer will be deemed to have acknowledged that it is satisfied with the condition of the applicable Property, subject to the completion of the Sufficient Environmental Remediation, and shall be deemed to have waived any right to object to the status of title or to the condition of the Property, regardless of the result of any Diligence Activities, except as expressly provided for in this Agreement.

(8) Release of City from Liability. Upon Closing and subject to the City's obligation hereunder to perform Sufficient Environmental Remediation, Developer shall release the City and its officials, employees, and agents (but not any third party) from any and all claims or causes of action the Developer may have against the City for any liability, injury or loss as a result of any physical defects in or physical conditions of the Property, including but not limited to any surface, subsurface, latent or patent conditions whether naturally occurring or by action of any party.

(C) Brokerage and Finder's Fees and Commission. Developer will defend and indemnify the City and hold it harmless with respect to any commissions, fees, judgments, or expenses of any nature and kind that the City or Developer may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents claiming by, through or under Developer incident to this Agreement and the transaction contemplated hereby or any litigation or similar proceeding arising therefrom unless the City has a written agreement with a broker, finder or agent providing for such payment in which case the City shall be responsible for such broker, finder or agents' commissions, fees, judgments or expenses. To the maximum extent permitted by applicable law, the City will defend and indemnify the Developer and hold it harmless with respect to any commissions, fees, judgments, or expenses of any nature and kind that the City or Developer may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents claiming by, through or under the City incident to this Agreement and the transaction contemplated hereby or any litigation or similar proceeding arising therefrom unless the Developer has a written agreement with a broker, finder or agent providing for such payment in which case the Developer shall be responsible for such broker, finder or agents' commissions, fees, judgments or expenses. Developer represents and warrants to the City that it has not engaged or otherwise dealt with any brokers entitled to any commissions, fees, judgments, or expenses in connection with this Agreement.

(D) Taxes And Assessments. All taxes and assessments which (i) have become a lien

upon the Property or part thereof prior to the date of Closing, and (ii) have been discovered and specifically identified by Developer prior to the Closing, shall be paid by the City on or prior to the Closing Date; provided, further that all current property taxes shall be paid by the City through the date of Closing. From and after Closing, and subject to any abatement or other tax limitation described in this Agreement, Developer shall be solely responsible for all taxes, liens, and assessments that become due and payable for the period after the Closing against the Property it acquires hereunder or any part thereof, whenever assessed, levied, or due.

Section 2. ENVIRONMENTAL MATTERS

(A) Definitions. The following words and expressions shall, wherever they appear in this Agreement, be construed as follows:

(1) “Asbestos” shall have the meanings provided under the Environmental Laws and shall include, but not be limited to, asbestos fibers, friable asbestos or asbestos-containing materials or presumed asbestos-containing materials, as such terms are defined under the Environmental Laws.

(2) “Environmental Claims” shall mean all claims, demands, suits, proceedings, actions, whether pending or threatened, contingent or non-contingent, known or unknown, including but not limited to investigations and notices by any governmental authority or other person, brought under common law and/or under any of the Environmental Laws which can or do relate to the Property or the operations conducted thereon.

(3) “Environmental Laws” shall mean all applicable federal, state, and local laws, rules, regulations, orders, judicial determinations and decisions or determinations by any judicial, legislative or executive body of any governmental or quasi-governmental entity, or any other legally binding requirement, whether in the past, present or future, with respect to or otherwise related to the environment, natural resources, pollution or contamination and human health and safety, including, but not limited to:

(a) the installation, existence, or removal of, or exposure to, Asbestos at, on or in the Property;

(b) the existence on, discharge from, release of, exposure to, or removal from the Property of Hazardous Materials; and

(c) the effects on the environment of the Property or any activity conducted now, or previously or hereafter conducted, on the Property.

Without limiting the foregoing, Environmental Laws shall include, but not be limited to, the following: (i) the Michigan Natural Resources and Environmental Protection Act, 1994 Public Act 451, as amended (“NREPA”); the Comprehensive Environmental Response, Compensation, and Liability Act, 42 USC Sections 9601, et seq. (“CERCLA”); the Superfund Amendments and

Reauthorization Act, Public Law 99-499, 100 Stat. 1613; the Resource Conservation and Recovery Act, 42 USC Sections 6901, et seq.; the National Environmental Policy Act, 42 USC Section 4321; the Toxic Substances Control Act, 15 USC Section 2601; the Hazardous Materials Transportation Act, 49 USC Section 1801; the Clean Air Act, 42 USC Sections 7401, et seq.; the Occupational Safety and Health Act, 29 USC Sections 651, et seq., as each have been amended and the regulations promulgated in connection therewith; (ii) Environmental Protection Agency regulations pertaining to Asbestos (including 40 CFR Part 61, Subpart M); Occupational Safety and Health Administration Regulations pertaining to Asbestos (including CFR Sections 1901.1001 and 1926.58) as each may now or hereafter be amended; and (iii) any Michigan state and local laws and regulations pertaining to any Hazardous Materials.

(4) “Hazardous Materials” shall include any material, substance or waste classified, regulated, or otherwise characterized as “hazardous,” “toxic,” “radioactive,” a “pollutant,” “contaminant,” or words of similar meaning or is otherwise regulated by Environmental Laws, including, without limitation, polychlorinated biphenyls (PCBs), paint containing lead and urea formaldehyde foam insulation, and sewage.

(B) The City and Developer acknowledge and agree that some of the parcels to be transferred may be “facilities” pursuant to Part 201 of NREPA, whether or not as yet discovered to be such and that the obligations to perform Sufficient Environmental Remediation is the City’s obligation and shall be done at its cost and expense.

(C) The City shall authorize the Developer, through a fully executed Right-of-Entry (in the form attached), to enter upon the Property during the Diligence Period to, subject to the reasonable conditions set forth herein, make soil boring and bearing tests, undertake such surveying and environmental due diligence activities as Developer deems appropriate, including without limitation sampling and testing of soil, soil vapor, surface water, groundwater, indoor air, and the installation of groundwater wells, provided such do not materially and unreasonably interfere with demolition or site improvement activities of the City or the rightful use of the Property by a tenant in possession or other third party, if any, provided the City shall use its commercially reasonable efforts to facilitate such access to tenant spaces. All such testing and remediation shall be done at Developer’s expense; provided, if sampling occurs, the City shall have the right, at its cost and expense, to obtain split samples of any environmental media to the extent reasonably practicable. During the Diligence Period, Developer shall comply with the terms and provisions of the Right-of-Entry. Developer’s right to enter upon the applicable Property is subject to execution of such Right-of-Entry and subject to the prior written authorization by the tenant under the JLA Lease, which the City shall use commercially reasonable efforts to procure promptly upon receipt of the Diligence Notice from the Developer. Upon request from the City, Developer shall promptly provide the City with a copy of each final survey or environmental testing report generated as a result of such activities. Developer shall give prior written notice to the City of Developer’s plan to inspect and/or investigate the environmental condition of the Property during the Diligence Period (each such notice referred to herein as an “Investigation Notice”). The Investigation Notice shall identify any agents or

contractors that the Developer intends to use in conducting the activities covered by the Investigation Notice and the general scope of such activities; provided, the scope of any such investigations, site assessments or testing activities shall be subject to the City's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed; provided, further, Developer shall have sole discretion to determine what analysis any samples will be subjected to. Developer shall use all commercially reasonable efforts to minimize damage to the Property in connection with such entry and shall restore the Property to the condition existing prior to such entry. Developer shall indemnify, defend and hold the City harmless from and against any and all out-of-pocket loss, cost, liability and expense, including reasonable attorney fees and litigation costs, suffered or incurred by the City as a result of the Developer's (including any of its duly authorized employees, agents, engineers or other representatives) negligent acts or omissions or willful misconduct occurring in connection with the activities conducted in accordance with the Right-of-Entry.

(D) In the event Developer elects to proceed to take title to the Property, upon the Closing and subject to the Sufficient Environmental Remediation, Developer takes such Property as it finds it, "AS IS", and the City makes no express or implied representations or warranties as to its fitness for absolutely any purpose whatsoever, including but not limited to any warranty that the Property is fit for the Developer's purpose or regarding the presence or absence of Hazardous Materials at, on, in, under, at, or from the Property and compliance with the Property with Environmental Laws, other than with respect to Sufficient Environmental Remediation. Except with respect to Sufficient Environmental Remediation, Developer acknowledges that neither the City nor any agent or employee of the City has made any representation, warranty or agreement, either express or implied, and Developer has not relied on any representation, warranty or agreement of any kind made by the City or any agent or employee of the City, concerning (a) the physical or environmental condition of the Property, or (b) the presence or absence of any condition, substance or material, including but not limited to any waste material, equipment or device at, on, in, under, about, or from the Property. Developer agrees that the disclosures of the City concerning the Property and its condition are intended to satisfy any duties the City may have under the law, including but not limited to the statutes, Environmental Laws, and common law. By executing this Agreement, Developer acknowledges that it is entitled to receive from the City Sufficient Environmental Remediation and is entitled to conduct its Diligence Activities, including but not limited to inspection of the Property, review of title, and the results of the tests, investigations and surveys permitted under this Agreement. If, prior to Closing, Developer fails to undertake such investigations and/or obtain such test results and surveys, or fails to object to the condition of the Property based on the results of its Diligence Activities, and Developer thereafter elects to proceed to Closing, Developer shall thereupon be deemed to have waived any right to object to the condition of the Property and shall be deemed to have declared its full satisfaction therewith, subject to Sufficient Environmental Remediation.

(E) Upon Closing, Developer, for itself and its successors and assigns, expressly waives and releases all Environmental Claims (whether for personal injury, property damage or otherwise) that Developer may have against the City and its officials, employees and agents in connection with or related to such Property or any aspect thereof, except with respect to Sufficient Environmental Remediation.

(F) After the Closing, the City shall have no obligation or liability to Developer whatsoever to undertake any cleanup or other remedial action that may be required in connection with the Property under any Environmental Law, or to comply with any other federal, state or local requirement to attend to the physical condition of the Property, subject to the City's obligations hereunder related to Sufficient Environmental Remediation.

(G) At its sole cost and expense, with respect to the Property for the period commencing on the Closing and ending on Commencement of Construction (as defined in Section 5(C) below), Developer shall: (a) comply with all Environmental Laws; (b) pay when due the cost of Developer's compliance with the Environmental Laws resulting out of environmental conditions caused or permitted by Developer during its period of ownership, use, possession or development of the Property; and (c) keep the Property free of any lien imposed pursuant to the Environmental Laws resulting out of Developer's ownership, use, possession, or development of the Property.

(H) Notwithstanding anything to the contrary which may be contained in this Agreement, Developer represents and warrants and covenants to the City for the period after Developer's commencement of ownership, use, possession or development of the Property through and including Commencement of Construction, as follows:

(a) Developer shall not use or allow the use of the Property for the purpose of storing any Hazardous Materials Developer brings into the Property, nor shall Developer use the Property in a manner which will cause or increase the likelihood of causing the release of such Hazardous Materials onto or from the Property, in each case other than those Hazardous Materials which are necessary and commercially reasonable for the conduct of Developer's development activities or the business operated on the Property and which Hazardous Materials shall be handled and disposed of in compliance with all Environmental Laws and industry standards and in a commercially reasonable manner.

(b) Developer shall promptly notify the City of any claims or litigation against the Developer by any person (including any governmental authority), concerning the presence or possible presence of Hazardous Materials contamination at the Property or concerning any violation or alleged violation of the Environmental Laws by the Developer respecting the Property, and shall furnish the City with a copy of any such communication received by Developer.

(c) Developer shall notify the City promptly and in reasonable detail in the event that Developer becomes aware of or suspects the presence of Hazardous Materials at levels exceeding those allowed by the Environmental Laws or contamination or a material violation of the Environmental Laws at the Property.

(d) If Developer's operations at the Property violate the Environmental Laws so as to subject Developer or the City to a formal notice of violation by a governmental agency alleging a violation of the Environmental Laws, Developer shall promptly notify the City of the Developer's receipt of such formal notice of

violation and shall promptly investigate the underlying circumstances and notify the City within five (5) days after the completion of its investigation of the results of its investigation. If Developer determines that an ongoing material violation by Developer is occurring or did occur, Developer shall, to the extent required by Environmental Laws, cease or cause a cessation of or take other actions to address those aspects of the use or operations causing the violation and shall remedy and cure in compliance with the Environmental Laws any conditions arising therefrom to the extent required by Environmental Laws at its own cost and expense. If Developer disputes that its activities are violating Environmental Laws, it shall expeditiously appeal and prosecute an appeal of the notice of violation or take other commercially reasonable actions to dispute such notice.

Section 3. CLOSING

(A) On the Closing Date, the City shall, subject to Developer's satisfaction of the conditions precedent set forth in Section 3(B) below, convey the Property to the Developer (the "Closing") by quit-claim deed substantially in the form of the deed set forth in **Exhibit B** (the "Deed") using legal descriptions approved by Developer and the City. The Parties agree and acknowledge that the sole and exclusive consideration for conveyance of the Property hereunder is deemed to be the Arrangement, the sufficiency of which is hereby acknowledged.

(B) Conditions to Closing. The City's obligation to proceed with a Closing is conditioned on the fulfillment by Developer of each of the following conditions precedent:

a. Resolution of Developer's Authority. Developer shall furnish to the City a certified copy of a resolution in form and substance reasonably acceptable to the City and the title company insuring title to the Property, duly authorizing the execution, delivery and performance of this Agreement and all other documents and actions contemplated hereunder.

b. Payment of Closing Costs. Developer shall have tendered payment of the closing costs payable by Developer, which shall include all title charges, escrow, closing and recording fees associated with any conveyance hereunder except those costs expressly allocated to the City hereunder. The City shall pay all closing costs in connection with transfer of the Property at Closing to the extent such costs are expressly allocated to sellers of real property in Detroit, Michigan pursuant to applicable law. Each Party shall bear the cost of its own legal fees and expenses in connection with this Agreement.

(C) Delivery of Deeds and Possession. The City will deliver to Developer at Closing the Deed with respect to the Property and possession thereof.

(D) Recording. Provided that Developer has complied with all conditions precedent as specified in Section 3(B) above, the Deed shall be delivered at the Closing for prompt recordation with the Register of Deeds of Wayne County, Michigan. Developer shall pay at Closing all costs for recording the Deed. Possession of the Property shall be delivered to Developer at the Closing.

Section 4: NOTICES

All notices, demands, requests, consents, approvals or other communications (any of the foregoing, a “Notice”) required, permitted, or desired to be given hereunder to any Party shall be in writing and either (a) hand delivered, (b) sent by registered or certified mail, postage prepaid, return receipt requested, (c) sent by facsimile transmission (with confirmation), or (d) sent by reputable overnight prepaid courier, addressed to the Party to be so notified at its address set forth below, or to such other address as such Party may hereafter specify in accordance with the provisions of this Section. Section 5: COVENANTS

(A) Developer covenants for itself and its successors and assigns and every successor in interest to the Property, that from and after Closing on the Property, Developer and its successors and assigns shall develop such Property only to and in accordance with the Approved Development Proposal and otherwise pursuant to the terms and conditions of this Agreement, unless otherwise agreed in writing by the City. Subject to Force Majeure Delays (as defined below), within twelve (12) months following the Closing Date (the “Commencement Deadline”), the Developer shall achieve Commencement of Construction with respect to such Property. Following Commencement of Construction, the Developer shall diligently prosecute the Development on the Property to substantial completion in material conformance with the Approved Development Proposal (which shall mean substantial completion of the Development and all improvements related thereto, exclusive of landscaping, punch list items and any tenant work for commercial or other space for which there are no tenants or for which the work is to be done by a tenant and any onsite or offsite work that is not commercially necessary for occupancy in material conformance with the Approved Development Proposal) (the date upon which such substantial completion occurs referred to herein as the “Completion Date”). Subject to Force Majeure Delays, the Completion Date shall occur within thirty-six (36) months following the Closing Date (the “Completion Deadline”). For purposes of this Agreement, “Force Majeure Delays” shall mean an event, casualty, occurrence, condition, or circumstance of any kind or nature reasonably beyond the control of the applicable party hereto which renders such party unable to perform any of its obligations contemplated hereunder, in full or in part, including, without limitation, (i) acts of declared or undeclared war by a foreign enemy; (ii) civil commotion, insurrection or riots; (iii) fire or casualty or condemnation; (iv) floods, hurricanes or other materially adverse weather conditions; (v) earthquakes; (vi) acts of God; (vii) governmental preemption in the case of emergency; (viii) unavailability of materials to the extent not within the reasonable control of the applicable party (other than shortage of funds); (ix) strikes, lockouts or other labor trouble; (x) inability to secure labor or access to the Property including, without limitation, holdover of the tenant under the JLA Lease (as defined below) beyond any stated expiration date (inclusive of all renewal options thereunder); (xi) acts of terrorism; (xii) the suspension of government operations; (xiii) any act, omission, rule, order or regulation of any governmental authority or any department or subdivision thereof (other than, with respect to the City, the City, any department, subdivision or agency of the City or any governmental authority within the direct or indirect control or supervision of the City and other than, with respect to the Developer, the failure of the Developer to secure the Required Approvals if the Developer does not apply for and diligently prosecute the applications for such Required Approvals); (ix) the presence of hazardous materials on the Property and any related remedial action; and (x) any other cause, event or circumstance not within the reasonable control of the applicable party (other than shortage of funds).

(B) The Commencement Deadline and Completion Deadline shall be extended for a period of time equal to the number of days during which Developer is prevented from proceeding with the construction of the development at the Property by reason of Force Majeure

Delays, provided that (i) Developer is otherwise in compliance with the terms and provisions of this Agreement, and (ii) Developer notifies the City of the events constituting such Force Majeure Delays no later than sixty (60) days after Developer has actual knowledge of their occurrence. At Closing, Developer shall cause the City to be provided with a commercially reasonable completion guarantee, or other assurance of completion (which other assurance of completion shall be reasonably acceptable to the City), given by an entity reasonably acceptable to the City, which guarantees for the benefit of the City substantial completion of the Development on or before the Completion Deadline (the “Guaranty”).

(C) For purposes of this Agreement, “Commencement of Construction” on the Property shall be deemed to have occurred when the Developer shall have commenced site preparation work on the Property, which site preparation work may include renovation or demolition of existing structures located on the Property by the Developer, as applicable.

(D) Developer covenants and agrees that from and after Closing, through and including the Commencement of Construction, it will: (i) comply with all applicable zoning requirements, and all other applicable state and federal statutes and regulations and local laws and ordinances applicable to the ownership, use and/or occupancy of the Property; and (ii) except as abated in accordance with the terms hereof, pay and discharge when due without penalty, and in all events before penalty for nonpayment attaches thereto, all taxes, assessments and governmental charges, including but not limited to real estate taxes or assessments on the Property or any part thereof, except where the same may be contested in good faith.

(E) Developer covenants and agrees to permit the City or its designee to encumber that portion of the Property depicted in the attached **Exhibit C** with an easement upon terms and conditions determined by the City in its reasonable discretion, for the purpose of constructing certain riverwalk improvements. In the event the easement contemplated above is not placed of record prior to Closing, the Developer (including any successors or assigns thereof) shall permit such easement to be placed of record following Closing free of charge. Notwithstanding any provision hereof to the contrary, no such easement described in this paragraph, to the extent recorded prior to Closing, shall form the basis for a Title Defect or any Objection hereunder, and the City shall not be required for any reason to cure, remove or bond over such encumbrance.

(F) Developer covenants and agrees to permit the City or its designee to maintain on the Property those certain public transportation assets of the City commonly referred to as the “people mover” and all ancillary assets related thereto free of charge (the “People Mover”). Developer further covenants and agrees to permit the City or its designee to encumber the Property with an easement upon terms and conditions determined by the City in its reasonable discretion, for the purpose of maintaining, renewing and replacing, as necessary in the City’s sole discretion, the People Mover in the location on the Property in which the People Mover is situated as of the date of this Agreement. In the event the easement contemplated above is not placed of record prior to Closing, the Developer (including any successors or assigns thereof) shall permit such easement to be placed of record following Closing free of charge. Notwithstanding any provision hereof to the contrary, no such easement described in this paragraph, to the extent recorded prior to Closing, shall form the basis for a Title Defect or any

Objection hereunder, and the City shall not be required for any reason to cure, remove or bond over such encumbrance.

(G) Estate Conveyed. Notwithstanding anything contained in this Agreement to the contrary, the estate conveyed hereby shall be deemed to be a determinable fee and only upon Commencement of Construction hereunder will the possibility of reverter retained by the City automatically expire as to that part of the applicable Property.

(H) City Covenants.

(a) Prior to Closing, the City shall (1) subject to Demolition, maintain the Property in at least the same condition and repair (except for environmental condition and repair thereof, which is addressed in sub-clause (2) below) as such exists on the Effective Date, (2) not, through its own action, alter the environmental condition of the Property, as such exists on the Effective Date, in a material and adverse manner, (3) not take zoning or land use action on the Property without Developer's prior written consent, and (4) not execute or grant any lease, contract, agreement, lien, security interest, encumbrance, easement, or restriction with respect to such Property, or amend, modify, renew or extend any of the foregoing, without prior written consent of the Developer, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, without the consent of the Developer, the City shall be permitted to (i) enter into, amend, modify or renew any contract, agreement or lease with respect to the Property to the extent that such instrument is terminable at will by the City and is terminated by the City prior to the Closing or the term of such instrument does not extend beyond Closing, and (ii) amend or modify the JLA Lease in any manner which would not materially, adversely alter the rights of the Developer hereunder (for avoidance of doubt, the City shall be permitted to terminate the JLA Lease without the Developer's prior consent); provided, however, in no event shall the City renew or otherwise extend the JLA Lease, subject to the right of the existing tenant thereunder to so extend the JLA Lease. The City shall pass no charter, ordinance or other provision that solely affects or primarily targets the Developer or its rights under this Agreement which charter, ordinance or other provision has a material adverse impact on the Developer or its rights under this Agreement (it being understood that a "material adverse impact" shall include any adverse financial impact on or any contradiction, or adverse impact on the enforceability of, the terms of this Agreement or the Economic Incentive Agreements). To the extent any COBO Interests are intended to benefit the owner of the Property, but are not otherwise in the name of, or held by, the City, upon written request of the Developer given to the City not less than ninety (90) days prior to Closing, the City shall use reasonable efforts to cause such COBO Interests to be conveyed to the Developer at Closing.

(b) Promptly upon expiration of the JLA Lease, but in no event more than ninety (90) days after expiration of the JLA Lease (the "Demolition Commencement Date"), the City shall commence or cause to be commenced the demolition of all improvements on the Property (except for those certain improvements commonly referred to as the Joe Louis Arena Garage) (the "Demolition Property"), which demolition shall include (i) removal and disposal of all building improvements and materials located thereon and (ii) certain excavation work to be completed at the Demolition Property, which excavation work shall include, without limitation, clearing and grubbing, soil erosion and control, and site excavation and embankment on the

Demolition Property, all in accordance with plans and specifications reasonably acceptable to the Developer and all applicable laws, including, but not limited to Environmental Laws (“Demolition”). For the avoidance of doubt, if the City commences staging for the Demolition by the Demolition Commencement Date, the City will be deemed to have timely commenced Demolition. Notwithstanding the foregoing, Demolition shall also include (i) remediation or removal of Hazardous Materials (including, but not limited to, asbestos-containing materials, PCB-containing light fixtures, mercury-containing switches) related to the removal and disposal of materials from the Demolition Property to the extent required by or necessary to comply with applicable laws or as is customary for demolition projects of a similar scope and nature and (ii) the investigation, control or removal of any Hazardous Materials at, on or below the surface of the Property that is sufficient under and otherwise causes the Property to comply with applicable law for Developer to develop and use the Property consistent with the Development Proposal for its intended purposes as a multiuse hotel, residential condominium, office or retail development (“Sufficient Environmental Remediation”). Sufficient Environmental Remediation may, at the City’s election, include controls that do not unreasonably interfere with the Development Proposal; provided such are acceptable to the governmental authorities with jurisdiction over the Property. Developer agrees that, in conjunction with Developer, the City may have prepared and submitted to the Michigan Department of Environmental Quality a Baseline Environmental Assessment (Phase II) and associated Due Care Plans approved by and for the benefit of Developer, which approval shall not be unreasonably withheld, delayed or conditioned; however, the submission of such shall not alleviate the City’s obligation to undertake such other actions necessary to perform Sufficient Environmental Remediation to allow for the implementation of the Development Proposal. The Developer agrees that in conducting Sufficient Environmental Remediation, the City may rely on protective barriers to prevent contact with affected soil and deed restrictions to limit groundwater use and other due care requirements approved by the governmental authorities and reasonably acceptable to Developer. Sufficient Environmental Remediation shall not include the construction of measures adopted as controls to the extent that they are otherwise specifically part of the Development Proposal, in which case Developer shall construct them as part of the Development; however, if the costs to do so are increased as a result of government approved controls, the City shall reimburse Developer for the increased costs to satisfy any government imposed controls. Developer or any future owner will be responsible for maintaining any reasonable controls or due care measures adopted as part of the Sufficient Environmental Remediation. The Demolition Commencement Date is expected to occur on or before September 15, 2017. Demolition shall be completed within one (1) year following the Demolition Commencement Date. The State shall make available to the City and/or the City Parties certain CRP Incentives set forth below, of which up to \$6,000,000 will be for the purpose of reimbursing the City for the costs and expenses incurred in connection with the Demolition (the “Demolition CRP Incentives”). For purposes of this Agreement, “CRP Incentives” shall mean incentives available from the Michigan Strategic Fund, in cooperation with the Michigan Economic Development Corporation (“MEDC”), through the Community Revitalization Program under Public Act 252 of 2011. If there are any remaining Demolition CRP Incentives following the Demolition and the Sufficient Environmental Remediation, such funds shall be made available to reimburse the Developer for other eligible costs for the Development, to the extent the Developer otherwise meets the eligibility requirements for CRP Incentives and enters into the Economic Incentive Agreements applicable to such CRP Incentives.

(c) Until the earlier of Closing or termination of the Developer's rights under this Agreement, the City shall fund or cause to be funded all costs and expenses for the repairs specified on page 15 "Opinion of Expected Construction Costs – July 2014" in the Physical Conditions Due Diligence Review and Evaluation dated September 2014 prepared by Desman Associates, except for Item #3 identified therein.

(d) The City represents to Developer that, as of the Closing Date, the City or an instrumentality of the City will have the right, power and authority to convey the Property in the manner provided for in this Agreement.

(I) Economic Incentive Covenants.

(a) In order to facilitate construction of the Development pursuant to the Approved Development Proposal on the Property, the State has agreed to reimburse the Developer for certain eligible project costs through TIF Incentives, as more particularly set forth herein. To the extent that the Approved Development Proposal meets the eligibility requirements for TIF Incentives, the Developer shall be provided up to \$18,000,000 in TIF Incentives, which TIF Incentives will accrue interest at three percent (3%) per annum on any outstanding balance thereof, pursuant to one or more subsequent final written grants or loans (forgivable or otherwise), as applicable, and a development agreement or other economic assistance agreements, as applicable, which shall be entered into by the Developer and the State no later than one hundred twenty (120) following the City's approval of the Approved Development Proposal (which date may be extended by up to sixty (60) days in the event that the TIF Incentives require review by the Michigan Department of Environmental Quality) (the "Economic Incentive Agreements"). The Economic Incentive Agreements shall include (i) a schedule of performance- based project milestones for construction of the Development, and (ii) a pro-forma budget for the Development, as agreed upon by the City, the State and the Developer. The Economic Incentive Agreements will be executed in accordance with the standard process, including the filing of any necessary applications. The Economic Incentive Agreements shall govern disbursement of the TIF Incentives, including those project costs related to the Development that are eligible for TIF Incentives, as well as conditions precedent, milestones and timing for such disbursement, and shall include customary periodic reporting requirements of the Developer for data related to the Development both during and after construction. For purposes of this Agreement, "TIF Incentives" shall mean certain redevelopment incentives awarded by the Michigan Strategic Fund (MSF) under the Brownfield Tax Increment Financing Program (Act 381 of 1996), as administered by MEDC.

(b) To the extent the Development includes residential uses, the Economic Incentive Agreements shall also provide for designation of the Development as a Neighborhood Enterprise Zone ("NEZ"), and the City and each of the City Parties shall cooperate with and assist the Developer in applying for the NEZ certificate. The City and each of the City Parties shall establish either a Commercial Redevelopment Zone (as defined in the Commercial Redevelopment Act, defined below) or a Commercial Rehabilitation Zone (as defined in the Commercial Rehabilitation Act, defined below), as requested by the Developer, such that the Property will be eligible for the property tax abatements available for properties in the applicable zone. The City and each of the City Parties shall cooperate with and assist the Developer in

applying for and obtaining the tax abatements for which the Property and any development thereon is eligible under the Commercial Rehabilitation Act or the Commercial Redevelopment Act. For purposes hereof, “Commercial Redevelopment Act” means the Public Act 255 of 1978, MCL § 207.651 *et seq.*, and “Commercial Rehabilitation Act” means the Public Act 210 of 2005, MCL § 207.841 *et seq.*

(c) The City shall use its commercially reasonable efforts to assist the Developer in obtaining any additional sources of developer financings and grants not already expressly provided for in this Agreement that are identified in writing to the City by the Developer.

(J) Land Use Covenants.

(a) The City shall change the zoning requirement for the Property to be designated “B-5”, which will permit the Developer to develop the Property as a mixed-use development, provided that the City administratively approves the site plans, which approval will not be unreasonably withheld, delayed or conditioned. Approval by the City of the Development Proposal shall not be deemed approval with respect to any site plan, elevation, special land use, environmental, conditional use or other municipal approvals or permits, or variances therefrom, required for the Development (the “Required Approvals”); provided, however, upon approval by the City of the Development Proposal and prior to Closing, the Developer may proceed with securing the Required Approvals at its sole cost and expense.

(b) With respect to any formal requests made by Developer or its designee to the City or State for any Required Approvals, the City or State, as applicable: (a) agrees to process such requests promptly and to use commercially reasonable efforts to process them within thirty (30) days of submission by the Developer, (b) shall not unreasonably withhold, condition or delay approvals of the applicable requests, provided that the City or State have the legal authority to grant such approval and that such approval does not violate any applicable law, rule or regulation of general application, (c) shall not unreasonably impede or interfere with the Development, (d) shall not discriminate against Developer in the consideration or approval of such Required Approvals on account of the circumstances surrounding the Arrangement and this Agreement and the events leading up thereto, and (e) shall use reasonable efforts to facilitate such requests, taking into consideration other similar requests for approvals or inducements, as applicable, of third parties granted thereby for similarly situated developments and uses as those contemplated for the Development; provided, however, the City or State, as applicable, shall process such requests for all Required Approvals pursuant to all then applicable rules, regulations, statutes and similar requirements.

Section 6: REMEDIES

(A) City’s Remedies Prior to Conveyance. In the event that, prior to the Closing on the Property, Developer assigns or otherwise transfers this Agreement or any right therein or in the Property to any entity prohibited from doing business with the City, this Agreement and any rights of Developer in this Agreement, may, at the option of the City, be terminated by the City after thirty (30) days written notice and opportunity to cure provided by the City to Developer. In any case, the Developer shall provide written notice to the City of such assignment.

(B) City's Remedies Subsequent to Conveyance.

(1) Event of Default. If, prior to the Developer achieving substantial completion of the Development, the Developer breaches any covenant set forth in this Agreement and fails to cure such breach within thirty (30) days after written demand by the City, such an event shall be deemed to constitute an "Event of Default", provided, however, that if the nature of Developer's default is such that more than the cure period provided is reasonably required for its cure, then Developer shall not be deemed to be in default if Developer commences such cure within said period and thereafter diligently pursues such cure to completion within one hundred eighty (180) days of City's initial written demand hereunder. Notwithstanding the foregoing, Developer shall have the right to dispute that an Event of Default has occurred or that an Event of Default has not been timely cured by written notice of dispute sent to the City ("Notice of Dispute"). In the event a Notice of Dispute is sent, such Parties shall meet and in good faith work to resolve their differences. In the event the City and Developer cannot resolve their differences as to whether an Event of Default has occurred or has been cured, then the City shall not take any action with respect to such uncured and disputed Event of Default as described in Sections 6(B)(2) or 6(B)(3) below without first bringing an action in a court of competent jurisdiction for a final judicial determination that an Event of Default occurred and was uncured. Notwithstanding the foregoing, the Developer shall not be entitled to give a Notice of Dispute and the City shall not be required to first meet in good faith with the Developer as provided for above, and may proceed directly to seek judicial relief in a court of competent jurisdiction to the extent such Event of Default arises from or relates to the imminent risk of harm to property or persons. The City may, in its sole discretion, waive in writing any default or Event of Default by Developer.

(2) City's Remedies. Upon the occurrence of an Event of Default by the Developer, then after a judicial determination as required by Section 6(B)(1) above, the City shall have the right (as its sole remedy except as set forth in Section 6(B)(3) below with respect to the failure of the Developer to achieve Commencement of Construction prior to the Commencement Deadline as the same may be extended as provided herein), to seek injunctive relief, specific performance or other equitable remedies (other than the forfeiture of Developer's title to or interest in the Property) for the Developer's breach of this Agreement,. In no event shall the City be entitled to monetary damages as a result of the Developer's breach of this Agreement.

(3) Right of Reverter. It is expressly understood and agreed between the Parties hereto that until Commencement of Construction, the conveyance of such Property to Developer shall be construed and interpreted as the conveyance of a fee simple determinable, and that in the event of an uncured and undisputed Event of Default caused solely by the failure of the Developer to achieve Commencement of Construction prior to the Commencement Deadline as the same may be extended as provided herein, then after a judicial determination as required by Section 6(B)(1) above, title to the Property shall automatically revert in the City. Upon such reversion of title, the City shall have the right to re-enter and take immediate possession of the Property. While the right of reversion as to the Property automatically terminates upon Commencement of Construction, the City agrees to provide Developer with a written acknowledgement, in recordable form, that Commencement of Construction has occurred

and the City's right of reversion has terminated hereunder and to take such further action as may reasonably be requested by the Developer, at no incremental cost to the City, to extinguish the right of reversion of record.

(C) Rights and Remedies Cumulative. The rights and remedies of the City and the Developer, whether provided by law or by this Agreement, shall be cumulative, and the exercise by the City or the Developer of any one or more remedies shall not preclude the exercise by it, at the same or different times, of any other remedy for the same default or breach or any other default or breach by the Developer or the City. No waiver made by any Party shall apply to obligations beyond those expressly waived in writing.

(D) Developer's Remedies. If the City breaches its obligations under this Agreement after reasonable notice and opportunity to cure, Developer shall have the right to seek injunctive relief, specific performance or other equitable remedies for the City's breach of this Agreement. In no event shall the Developer be entitled to monetary damages as a result of the City's breach of this Agreement.

(E) Representatives Not Individually Liable. No official or employee of the City shall be personally liable to Developer or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to Developer or successor or on any obligations under the terms of this Agreement. No director, officer or employee of the Developer or any successor in interest shall be personally liable to the City, in the event of any default or breach by the Developer or any successor in interest for any amount which may become due to the City or on any obligations under the terms of this Agreement.

Section 7: PROVISIONS NOT MERGED WITH DEEDS

No provision of this Agreement is intended to or shall be merged into the Deed transferring title to the Property from the City to Developer or any successor in interest, and any such Deed shall not be deemed to affect or impair the provisions and covenants of this Agreement.

Section 8: ENTIRE AGREEMENT; AMENDMENT

This Agreement (including all exhibits, schedules or other attachments hereto) constitutes the complete and exclusive statement of the terms of the agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, promises, and arrangements, oral or written, between or among the Parties with respect to the subject matter hereof. This Agreement may be amended or modified only by an instrument in writing signed by all of the Parties.

Section 9: GOVERNING LAW; JURISDICTION

This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan without regard to conflicts-of-law principles that would require the application of any other law. Any dispute between the Parties under this Agreement which cannot be resolved by informal dispute resolution by the Parties within sixty (60) days of notice to the other

Party shall be brought in the United States Bankruptcy Court for the Eastern District of Michigan (the “Bankruptcy Court”) for so long as it has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan (the “District Court”); provided, that if the District Court does not have jurisdiction, then such legal action, suit or proceeding shall be brought in such other court of competent jurisdiction located in Wayne County, Michigan; provided, further, by execution and delivery of this Agreement, each of the Parties irrevocably accepts and submits to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding and specifically consents to the jurisdiction and authority of the Bankruptcy Court to hear and determine all such actions, suits, and proceedings under 28 U.S.C. §157(b) or (c), whichever applies.

Section 10: COUNTERPARTS

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, but together such counterparts shall constitute one and the same instrument.

Section 11: AUTHORITY OF CITY.

Notwithstanding anything in this Agreement, in law or in equity, or otherwise to the contrary, this Agreement shall be of no force or effect and may not in any way be enforced against the City unless or until this Agreement and the transaction contemplated hereby have been: (i) approved in writing by the Emergency Manager for the City of Detroit, in accordance with Emergency Manager Order No. 5 (as modified by Order No. 42), (ii) either included in the Emergency Manager’s financial and operating plan or approved in writing by the Governor of the State of Michigan or his or her designee, in accordance with Section 12(1)(k) of Public Act 436 of 2012; and (iii) either included in the Emergency Manager’s financial and operating plan or approved in writing by the State Treasurer, in accordance with Section 15(1) of Public Act 436 of 2012. The City shall provide written notice to Developer of the satisfaction of the foregoing conditions, within five (5) business days after satisfaction thereof.

Section 12: CITY AGENCIES AND DEPARTMENTS. Whenever this Agreement requires an action or creates an obligation on behalf of the City, the City shall also be required, as applicable, to cause all of the City Parties to take such actions and perform such obligations.

Section 13: TRANSFERABILITY.

(A) Developer shall be entitled to freely transfer or assign its rights and obligations hereunder at any time, as long as it provides the City written notice thereof and it does not transfer its rights hereunder to a party that is prohibited from doing business with the City, and upon such assignment and an assumption of the obligations and liabilities of the Developer by any such transferee, the Developer shall be automatically released from any of its obligations or liabilities hereunder.

(B) Notwithstanding anything to the contrary contained herein, the COPs and any beneficial interests in COPs shall be freely transferable without restriction of any kind or notice to the City or any City Parties.

The Plan will provide in the event the City intends to redeem all or a portion of principal amount of New B Notes during any time that the Insured Prior LTGO Bonds are outstanding pursuant to Section 2.1(b)(ii) then:

(i) at least 35 days prior to the redemption date, the Distribution Agent will direct the paying agent for the Reserve B Notes to send a redemption notice to the New B Note Holders

(ii) at least 34 days prior to the redemption date, the Distribution Agent will direct the paying agent for the Insured Prior LTGO Bonds to send a redemption notice to Insured Prior LTGO Bondholders providing for a pro rata redemption of Insured Prior LTGO Bonds in an aggregate principal amount equal to the proportion that the principal amount of the New B Notes held by the Distribution Agent which are to be redeemed bears to the total principal amount of Insured Prior LTGO Bonds then outstanding pursuant to Section 2.1(b)(ii), in accordance with the procedures for redemption in the Prior LTGO Bonds documents;

(iii) no later than noon, Eastern Time, on the business day prior to the redemption date the City will pay the redemption price of the New B Notes to the paying agent for the New B Notes, and upon receipt of the redemption price of the portion of the New B Notes of which it is the beneficial owner, but no later than 10:00 a.m. Eastern Time, on the redemption date the Distribution Agent shall promptly transfer the redemption price for the portion of the Insured Prior LTGO Bonds to be redeemed to the paying agent for the Insured Prior LTGO Bonds to effectuate the redemption of the Insured Prior LTGO Bonds on the same day;

(iv) if Ambac issues endorsements to its bond Insurance Policies decreasing such Policies by the redemption principal amount, the holders of Insured Prior LTGO Bonds will be deemed to consent to such endorsements and such

Bond Insurance Policies will be so reduced; and

(v) the City understands that the paying agent for the Insured Prior LTGO Bonds will apply the amount received to reduce the principal amount, pro rata, of the Insured Prior LTGO Bonds which then remain outstanding as provided in Section 2.1(b) and such reduction in principal shall be deemed a redemption in part, of such Insured Prior LTGO Bonds.

(c) The Plan will provide that, from and after the Effective Date:

(i) The City will remain a named plaintiff and defendant in the COP Litigation but will transfer all of its rights and interests in the COP Litigation to a Litigation Trust whose beneficiaries, for the purpose of the COP Litigation, shall be the Litigation Parties and the Holders of Allowed Class 14 Claims. The Litigation Trustee will be selected by the LTGO Representative and the Retiree Committee and must be acceptable to the City. The document creating the Litigation Trust shall include indemnification of the Litigation Trustee by the City and will contain such other terms satisfactory to the Retiree Committee, the LTGO Representative and the City.

(ii) The Litigation Trustee will follow the day to day direction of the VEBA Trust Representatives in prosecuting and defending the COP Litigation, including defending any counterclaims and third-party claims therein. The Litigation Trustee and VEBA Trust Representatives will meet, in person or by phone at reasonable times and with reasonable advance notice, with all or any of the LTGO Representative, the VEBA Trust Representatives and the City (the “**Litigation Parties**”) as requested to discuss the status, progress and prosecution of the COP Litigation. The Litigation Trustee will provide copies of all court filings by any party in the COP Litigation and such other documents relating to the COP Litigation as may be reasonably requested by the Litigation Parties. Upon request from a Litigation Party, the Litigation Trustee will provide to such Litigation Party drafts of court papers that will be filed by the Litigation Trustee as early as practicable under the circumstances to allow for comments, which may be accepted or rejected.

(iii) The cost of all fees and expenses incurred in connection with the COP Litigation will be borne by the Disputed COP Claims Reserve, subject to the funding of the Disputed COP Claims Reserve pursuant to Section II.B.3.p.iii of the Plan. The City will advance payment of all such fees and expenses within 30 days of receipt of the statements for the same pending reimbursement from the Disputed COP Claims Reserve. Reimbursement of the City will be effected by an offset in the amount of fees and expenses paid to the date of such reimbursement against the amount to be paid by the City to the Disputed COP Claims Reserve on that date. In the event that the COP Litigation is unsuccessful and a final, nonappealable judgment is entered against the City or the Litigation Trust as successor in interest to the City, such that the notes in the Disputed COP Claims Reserve are subject to release and distribution in full to the holders of Allowed Class 9 Claims in accordance with the Plan, the City will reimburse the

Disputed COP Claims Reserve for any amounts withdrawn prior to the date of such adverse judgment.

(iv) The Litigation Trustee will submit invoices for the fees and expenses incurred in connection with the COP Litigation, including for the Litigation Trustee's professional fees to the City on a monthly basis, and the City will pay such invoice within 30 days after receipt, subject to reimbursement as provided in paragraph (c)(iii) above. The Litigation Trustee fees will be fixed and consented to by the LTGO Representative and the VEBA Trustee Representatives.

(v) The Litigation Trustee will consult with the Litigation Parties in connection with any potential settlement of the COP Litigation. The Litigation Trustee will provide the Litigation Parties advance notice as early as practicable under the circumstances of any settlement negotiations, and the Litigation Parties and their counsel will have the right to participate in such negotiations. Any potential settlement must resolve the settled claims in their entirety, including the release by the settling party of all counterclaims and third party claims relating to the settled claims that it made or could have made against anyone. The Litigation Trustee will not take action on the matters set forth below unless all of the Litigation Parties agree with the decision relating to (B), (C) and (D) below, and the LTGO Representative agrees with the settlement described in (A) below:

(A) Any settlement that releases from the Disputed COP Claims Reserve to any of the COP Holders a pro rata share of the B Notes (or equivalent currency) based on 40% or more of the face amount of their claim.

(B) Any change of COP Litigation counsel.

(C) Any decision not to appeal an adverse decision on any claim or defense related to the COP Litigation.

(D) Any decision to voluntarily dismiss a substantive claim or counterclaim or to end the COP Litigation

To the extent the Litigation Parties are unable to reach agreement on the above matters, the Litigation Trustee or any Litigation Party may refer the matter to the Independent Party for mediation. Subject to such mediation, the Litigation Trustee shall have the authority to take whatever action may be required to avoid potentially adverse or prejudicial consequences of inaction. If a consensual resolution cannot be reached, the Independent Party will decide a substantive resolution of the issue or issues based upon the Independent Party's assessment of the merits of the legal claims, counterclaims and legal liabilities in the COP Litigation, which decision will be binding on the Litigation Parties and Litigation Trustee.

The City, the COP Litigation counsel, the VEBA Trust Representatives and the LTGO Representative will take any steps that may be required to preserve applicable privileges of the City and the COP Litigation counsel.

(d) In the event any Holder of a Disputed COP Claim enters into a settlement of such claim with the City prior to the Effective Date, including pursuant to the Plan, the portion of the New B Notes allocable to such Disputed COP Claim if such Disputed COP Claim had been allowed in full that is not used to satisfy the Disputed COP Claim pursuant to the terms of such settlement shall be deposited into the Disputed COP Claims Reserve and then distributed from the Disputed COP Claims Reserve pursuant to Section 2.2(e).

(e) Following the occurrence of the Effective Date, upon a settlement, or the entry of an order by the trial court having jurisdiction over the objections to the Disputed COP Claims, resolving any objection to any disputed COP Claim (“**Resolved COP Claims**”) and after all distributions on account of Allowed Claims respecting such Resolved COP Claim have been made or provided for, any and all New B Notes and distributions thereon remaining in the Disputed COP Claims Reserve with respect to such Resolved COP Claim shall be distributed as follows, and valued at face value for the purposes of the distribution: (I) an amount of New B Notes and/or distributions thereon in an amount equal to the costs, fees and expenses related to the COP Litigation incurred from and after the Effective Date shall be distributed to the City to reimburse it for attorneys’ fees relating to the COP Litigation, subject to and in accordance with the provisions of Section 2.2(c)(iii) above; (II) following such distribution, the balance of the New B Notes and any distributions thereon remaining in the Disputed COP Claims Reserve allocated to or with respect to such Resolved COP Claim shall be distributed as follows: (i) 65% to the Detroit General VEBA and the Detroit Police and Fire VEBA in proportion with the New B Notes allocated to each pursuant to Sections II.B.3.s.ii.A and II.B.3.s.ii.B of the Plan; and (ii) 20% to the LTGO Claim Holders (the “**Reserve B Notes**”) to be allocated Pro Rata; and (iii) 15% is to be allocated as determined by the City.

Section 2.5 Stay of Litigation, Proofs of Claim.

(a) The Ambac Action, as it pertains to the Prior LTGO Bonds, shall be stayed pending the issuance of an Approval Order or Plan Confirmation Order and the occurrence of the Effective Date, whereupon Ambac and the City shall ask the Bankruptcy Court to dismiss the Ambac Action as it pertains to the Prior LTGO Bonds without prejudice until the Approval Order or the Plan Confirmation Order, as applicable, is a Final Order, when such dismissal shall be deemed to be with prejudice. If the Ambac Action is dismissed without prejudice and subsequently refiled pursuant to this Agreement, then the statute of limitations for the causes of action asserted in the Ambac Action, and all other defenses based on the passage of time, shall be tolled for 60 days after the date of the event that would permit a refiling.

(b) As soon as practicable subsequent to the execution and delivery of this Agreement by each of the Parties, but in no event later than five (5) business days subsequent thereto, Ambac and the City shall take any and all action as is appropriate to (i) stay the Ambac Action as provided in subsection (a) above, (ii) maintain the status quo in the Ambac Action as it pertains to the Prior LTGO Bonds as of the execution of this Agreement, and (iii) ensure that no action (including separate litigation and any objection to proofs of claim filed by the LTGO Parties relating to the Prior LTGO Bonds) is undertaken or commenced inconsistent with seeking a stay of and maintaining the status quo of the Ambac Action as it pertains to the Prior LTGO Bonds; provided, however, that any such stay shall terminate on the first (1st) business day following termination of this Agreement.

(c) In the event (i) an Approval Motion is made by the City and denied by the Bankruptcy Court, (ii) an Approval Order is issued but is not consistent with this Agreement in any material respect or is overturned on appeal, (iii) a Plan consistent with this Agreement in all material respects is not confirmed by the Bankruptcy Court, or (iv) a Plan Confirmation Order is entered by the Bankruptcy Court but is not consistent in all material respects with this Agreement, or is overturned on appeal, then Ambac may resume the Ambac Action and terminate this Agreement by written notice to the other Parties.

(d) The LTGO Parties agree that all proofs of claims filed by any of them with respect to Prior LTGO Bonds shall be deemed resolved and fully satisfied by approval of this Agreement in the Confirmation Order or an Approval Order, as applicable, which is a Final Order.

Section 2.6 Additional Covenants

The City shall pay the reasonable and customary fees and expenses (including reasonable attorneys' fees) of (i) the paying agent with respect to the Prior LTGO Bonds, (ii) the paying agent in respect of all transactions contemplated by this Agreement, and (iii) the Distribution Agent pursuant to the Distribution Agreement.

(b) Further Action. To the extent that the City has not taken all necessary action to authorize the execution, delivery and performance of this Agreement, it will do so.

ARTICLE III PLAN OF ADJUSTMENT AND PLAN SUPPORT

From and after the date hereof, and so long as the City has complied, and is complying, with its covenants and obligations under this Agreement, each LTGO Party shall withdraw its objections to the Plan regarding the treatment of the Prior LTGO Bonds no later than August 1, 2014. The Plan shall provide that such treatment, consistent with this Agreement, is the treatment for all LTGO Claim Holders. The Uninsured Bondholder will vote its Prior LTGO Bonds and Ambac will vote its Prior LTGO Bonds and reimbursement claims in support of such Plan treatment promptly following the execution of this Agreement or as otherwise agreed by the City. Upon the finalization of the terms of this Agreement, the Parties will file a stipulation and proposed order with the Bankruptcy Court that will permit each LTGO Party to modify its previous vote(s) and submit a vote in support of the Plan, pursuant to Federal Rule of Bankruptcy Procedure 3018. For the absence of doubt, nothing contained in this Agreement shall require any LTGO Party to vote for the treatment of any class of claims under the Plan other than the LTGO Bonds, or refrain from objecting to the Plan with respect to issues other than the treatment of the LTGO Bonds.

Section 3.2 Solicitation Required in Connection with Plan. Notwithstanding anything contained in this Article III or elsewhere in this Agreement to the contrary, this Agreement is not, and shall not be deemed to be, a solicitation of acceptances of the Plan.

Section 3.3 Plan Document Provisions. All Plan Documents, as they relate to the settlement embodied in this Agreement must (i) be in form and substance reasonably satisfactory to the LTGO Parties and to the City and be consistent with this Agreement, (ii) provide that the Plan treatment for Prior LTGO Bonds is part of a settlement of the pending Ambac Action as it pertains to the Prior LTGO Bonds.

ARTICLE IV DEFAULTS AND REMEDIES

Section 4.1 Events of Default. The breach by any Party of any material agreement or covenant set forth in this Agreement will be an event of default ("**Event of Default**") under this Agreement.

Section 4.2 Remedies. The Parties acknowledge and agree that a breach of the provisions of this Agreement by any Party would cause irreparable damage to the other Parties and that such other Parties would not have an adequate remedy at law for such damage. Therefore, the obligations of the Parties set forth in this Agreement shall be enforceable by an order compelling specific performance issued by the

Bankruptcy Court, and appropriate injunctive relief may be applied for and granted in connection therewith. Such remedies shall be cumulative and not exclusive and shall be in addition to any other remedies that the Parties may have under this Agreement or otherwise. Any LTGO Party may exercise its rights hereunder on its own. Consistent with Section 904 of the Bankruptcy Code, the City hereby consents to the Bankruptcy Court enforcing the terms of this Agreement.

Section 4.3 Termination.

(a) This Agreement may be terminated by the mutual agreement of all of the LTGO Parties upon an Event of Default caused by the City. This Agreement may be terminated by less than all of the LTGO Parties as to such LTGO Party or LTGO Parties upon an Event of Default caused by the City if (i) an action or proceeding seeking to enforce the material agreement or covenant purported to be breached is brought by one or more LTGO Parties before the Bankruptcy Court, (ii) the Bankruptcy Court, after notice and a hearing, finds that an Event of Default caused by the City has occurred and (iii) either (A) the Bankruptcy Court declines to issue an order compelling specific performance by the City of the applicable agreement or covenant purported to be breached or (B) the Bankruptcy Court issues such an order compelling specific performance but the City fails to comply with the order.

(b) This Agreement may be terminated by the City if (i) any of the LTGO Parties fails to withdraw its objections to the Plan regarding the treatment of the Prior LTGO Bonds on or before August 1, 2014, or (ii) any of the LTGO Parties fails to submit a ballot to vote its Class 7 Claims to accept the Plan promptly following the execution of this Agreement or as otherwise agreed by the City. This Agreement may be terminated by the City upon an Event of Default caused by the LTGO Parties, or any of them, if (i) an action or proceeding seeking to enforce the material agreement or covenant purported to be breached is brought by the City before the Bankruptcy Court, (ii) the Bankruptcy Court finds, after notice and a hearing, that an Event of Default caused by the applicable LTGO Party has occurred and (iii) either (A) the Bankruptcy Court declines to issue an order compelling specific performance by the applicable LTGO Party of this Agreement or the applicable covenant purported to be breached or (B) the Bankruptcy Court issues such an order compelling specific performance but the applicable LTGO Party fails to comply with the order.

(c) Upon any such termination, Ambac may resume the Ambac Action unless it has been previously dismissed with prejudice or has been previously deemed dismissed with prejudice.

ARTICLE V REPRESENTATIONS AND WARRANTIES

Section 5.1 Representations and Warranties of the City. The City represents and warrants to the LTGO Parties that:

(a) It is a municipal corporation of the State of Michigan.

(b) It has the power to execute and deliver this Agreement and to perform its obligations hereunder and it has taken or will take all necessary action to authorize such execution, delivery and performance.

(c) Such execution, delivery and performance do not violate or conflict with any law applicable to it, any order or judgment of any court or other agency of government applicable to it, or any material agreements specifically applicable to it or any of its assets.

(d) Other than (i) approvals of the State Treasurer, the Emergency Loan Board and the City Council to be obtained prior to delivery of the New LTGO Bonds, which the City reasonably expects to be obtained prior to the Effective Date, and (ii) the approval of the Bankruptcy Court, all governmental and Emergency Manager consents and approvals that are required to have been obtained by it as of the date of execution of this Agreement with respect to the execution, delivery and performance of this Agreement have been obtained and are in full force and effect and all conditions of any such consents and approvals have been complied with.

Section 5.2 Representations and Warranties of the LTGO Parties. Each of the LTGO Parties represents to the City that:

(a) It is duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation.

(b) It has the power to execute and deliver this Agreement and to perform its obligations under this Agreement and it has taken all necessary corporate action to authorize such execution, delivery and performance.

(c) Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it, or any agreements specifically applicable to it or any of its assets.

(d) All corporate or governmental consents and approvals that are required to have been obtained by it with respect to this Agreement have been obtained and are in full force and effect and all conditions of any such consents and approvals have been complied with.

Section 5.3 Representations and Warranties of Ambac. Ambac had and has standing to bring and resolve the Ambac Action as it pertains to the Prior LTGO Bonds that it insures.

Section 5.4 Mutual Representations and Warranties. Unless otherwise noted, each Party makes the following representations, warranties and covenants (on a several basis, with respect to such Party only) to each of the other Parties:

(a) Each person signing this Agreement warrants that he or she is legally competent and authorized to execute this Agreement on behalf of the Party whose name is subscribed at or above such person's signature.

(b) The Parties have not made any statement or representation to each other regarding any facts relied upon by them in entering into this Agreement, and each of them specifically does not rely upon any statement, representation or promise of the other Parties hereto or any other person in entering into this Agreement, except as expressly stated herein or in the exhibits hereto. Each party has relied upon its own investigation and analysis of the facts and not on any statement or representation made by any other party in choosing to enter into this Agreement and the transactions contemplated herein.

(c) The Parties and their respective attorneys have made such investigation of the facts pertaining to this Agreement and all of the matters pertaining thereto as they deem necessary.

ARTICLE VI EXCULPATION

Section 6.1 Exculpation. The Plan will include the LTGO Excipated Parties as excuplated parties for acts and omissions (other than those constituting gross negligence or willful misconduct) in connection with the Plan as it relates to this Agreement and this Agreement.

Section 6.2 Releases. Upon the dismissal with prejudice or deemed dismissal with prejudice of the Ambac Action as it pertains to the Prior LTGO Bonds, Ambac and the City shall be deemed to have released each other, and each of their respective officials, officers, directors, employees and representatives, of and from any and all claims and causes of action related to the Prior LTGO Bonds and the Ambac Action.

ARTICLE VII DISMISSAL OF CASE AND TERMINATION

Section 7.1 Effect of Dismissal of the Bankruptcy Case. In the event the Bankruptcy Case is dismissed, any Party may at any time within 60 days after such dismissal immediately terminate this Agreement by written notice to the other Parties.

Section 7.2 Effect of Termination. In the event of the termination of this Agreement by any Party pursuant to any provisions of this Agreement, this Agreement shall become null and void and be deemed of no force and effect, with no liability on the part of any Party hereto (or of any of its elected or appointed officials, directors, officers, employees, consultants, contractors, agents, legal and financial advisors or other representatives) arising from such termination, and no Party shall have any obligations to any other Party arising out of this Agreement. Upon termination, neither this Agreement nor any terms or provisions set forth herein shall be admissible in any dispute, litigation, proceeding or controversy among the Parties and nothing

contained herein shall constitute or be deemed to be an admission by any Party as to any matter, it being understood that the statements and resolutions reached herein were as a result of negotiations and compromises of the respective positions of the Parties. If the Ambac Action is reinstated, and this Agreement is terminated, then no Party hereto may (i) use this Agreement, any of its terms or any discussions or negotiations conducted in respect of this Agreement, or any part of the foregoing, in the Ambac Action; (ii) seek discovery with respect to any of the matters described in subsection (i) in the Ambac Action; or (iii) seek to admit any of the matters described in subsection (i) into evidence in the Ambac Action.

ARTICLE VIII MISCELLANEOUS

Section 8.1 Amendments. This Agreement may not be modified, amended or supplemented except by a written agreement executed by each Party to be affected by such modification, amendment or supplement.

Section 8.2 No Admission of Liability.

(a) The execution of this Agreement is not intended to be, nor shall it be construed as, an admission or evidence in any pending or subsequent suit, action, proceeding or dispute of any liability, wrongdoing, or obligation whatsoever (including as to the merits of any claim or defense) by any Party to any other Party or any other person with respect to any of the matters addressed in this Agreement.

(b) None of this Agreement (including, without limitation, the recitals and exhibits hereto), the settlement or any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement: (i) is or may be deemed to be or may be used as an admission or evidence of the validity of any claim or of any wrongdoing or liability of any Party; or (ii) is or may be deemed to be or may be used as an admission or evidence of any liability, fault or omission of any Party in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. None of this Agreement, the settlement, or any act performed or document executed pursuant to or in furtherance of this Agreement or the settlement shall be admissible in any proceeding for any purposes, except to enforce the terms of the Agreement, and except that any Party may file this Agreement in any action for any purpose, including, but not limited to, in order to support a defense or counterclaim based on the principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense of counterclaim.

Section 8.3 Good Faith Negotiations. The Parties recognize and acknowledge that each of the Parties hereto is represented by counsel, and such Party received independent legal advice with respect to the advisability of entering into this Agreement. Each of the Parties acknowledges that the negotiations leading up to this Agreement were conducted regularly and at arm's length; this Agreement is made and executed by and of each Party's own free will; that each knows all of the relevant facts

and his or its rights in connection therewith, and that it has not been improperly influenced or induced to make this settlement as a result of any act or action on the part of any party or employee, agent, attorney or representative of any party to this Agreement. The Parties further acknowledge that they entered into this Agreement because of their desire to avoid the further expense and inconvenience of litigation and other disputes, and to compromise permanently and settle the claims between the Parties settled by the execution of this Agreement.

Section 8.4 Rights and Remedies. Nothing in this Agreement is intended to augment, impair any rights, remedies and interests, including without limitation, liens, of any of the Parties hereto other than with respect to the Prior LTGO Bonds.

Section 8.5 Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended or shall be construed to confer upon, or to give to, any Person other than the Parties hereto and their respective successors and assigns, any right, remedy or claim under or by reason of this Agreement or any covenant, condition or stipulation thereof; and the covenants, stipulations and agreements contained in this Agreement are and shall be for the sole and exclusive benefit of the Parties hereto and their respective successors and assigns.

Section 8.6 Governing Law; Retention of Jurisdiction; Service of Process. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Michigan, without giving effect to any principles of conflicts of law and applicable federal law. By its execution and delivery of this Agreement, each of the Parties hereby irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding between any or all of the foregoing with respect to any matter under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, shall be brought in the Bankruptcy Court for that purpose only, and, by execution and delivery of this Agreement, each hereby irrevocably accepts and submits itself to the jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding. In the event any such action, suit or proceeding is commenced, the Parties hereby agree and consent that service of process may be made, and personal jurisdiction over any Party hereto in any such action, suit or proceeding may be obtained, by service of a copy of the summons, complaint and other pleadings required to commence such action, suit or proceeding upon the Party at the address of such Party set forth in Section 8.11 hereof, unless another address has been designated by such Party in a notice given to the other Parties in accordance with Section 8.11 hereof. The City agrees that the Bankruptcy Court will have exclusive post-confirmation authority and power to enforce this Agreement and all Settlement-Related Documents and to hear and adjudicate any challenge, action, suit or proceeding brought by any third party challenging the validity or enforceability of any provision of this Agreement, until all New LTGO Bonds have been paid in full and all Plan Instruments are no longer outstanding. Pursuant to Section 904 of the Bankruptcy Code, the City hereby consents to the Bankruptcy Court enforcing the terms of this Agreement.

Section 8.7 Headings. The headings of the Articles and Sections of this Agreement are inserted for convenience only and are not part of this Agreement and do not in any way limit or modify the terms or provisions of this Agreement and shall not affect the interpretation hereof.

Section 8.8 Binding Agreement Successors and Assigns; Joint and Several Obligations. This Agreement shall be binding upon the execution and delivery of this Agreement by the Parties listed on the signature pages hereto. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, assigns, administrators, constituents and representatives. The agreements, representations, covenants and obligations of the Parties under this Agreement are several only and not joint in any respect and none shall be responsible for the performance or breach of this Agreement by another.

Section 8.9 Entire Agreement. This Agreement shall constitute the full and entire agreement among the Parties with regard to the subject matter hereof, and supersedes all prior negotiations, representations, promises or warranties (oral or otherwise) made by any Party with respect to the subject matter hereof. No Party has entered into this Agreement in reliance on any other Party's prior representation, promise or warranty (oral or otherwise) except for those that may be expressly set forth in this Agreement.

Section 8.10 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original copy of this Agreement and all of which, when taken together, shall constitute one and the same Agreement. Copies of executed counterparts transmitted by telecopy or other electronic transmission service shall be considered original executed counterparts, provided receipt of copies of such counterparts is confirmed.

All demands, notices, requests, consents, and other communications hereunder shall be in writing and shall be deemed to have been duly given (a) when personally delivered by courier service or messenger, (b) upon actual receipt (as established by confirmation of receipt or otherwise) during normal business hours, otherwise on the first business day thereafter if transmitted electronically (by e-mail transmission), by facsimile or telecopier, with confirmation of receipt, or (c) three (3) business days after being duly deposited in the mail, by certified or registered mail, postage prepaid-return receipt requested, to the following addresses, or such other addresses as may be furnished hereafter by notice in writing, to the following Parties:

The Maximum Aggregate Principal Amount shall not include the accretion of principal at the Accretion Rate as provided in this Order.

ARTICLE III

AUTHORIZATION, REDEMPTION AND ASSIGNMENT OF THE BONDS

Section 301. Authorization of Bonds to Satisfy the Claims and Pledge. The City hereby authorizes the issuance of the Bonds as hereinafter defined in such principal amount as shall be confirmed in the Supplemental Order to satisfy the LTGO Claims. The principal of and interest on the Bonds shall hereby be secured by the limited tax full faith and credit pledge of the City. The City pledges to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property of the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Section 302. Designations, Date, Interest, Maturity and Other Terms of the Bonds to Satisfy the Claims. (a) The Bonds shall be designated “FINANCIAL RECOVERY BONDS (LIMITED TAX GENERAL OBLIGATION), SERIES 2014” and may bear such later or earlier dates and additional or alternative designations, series or subseries as the Authorized Officer may determine in the Supplemental Order, shall be issued in fully registered form and shall be consecutively numbered from “R-1” upwards, unless otherwise provided by the Authorized Officer in the Supplemental Order. The Bonds shall be dated and issued in such denominations all as determined by the Authorized Officer and confirmed by the Authorized Officer in the Supplemental Order.

(b) The Bonds of each series shall mature on the April 1, 2037 or such other April 1 which is not in excess of 23 years from the Date of Original Issue and shall accrete in principal amount, bear interest at the Interest Rate on a taxable or tax exempt basis, payable on the Interest

Payment Dates, all as shall be determined and confirmed by the Authorized Officer in the Supplemental Order. The Bonds shall be subject to mandatory sinking fund redemption on April 1 in the years and in the Accretion Values set forth in the form of Bond provided in Section 307 hereof. Unless otherwise provided by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be calculated on the basis of the actual number of days elapsed in a 360 day year. The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

(c) The Bonds shall also accrete in principal amount at the Accretion Rate starting from the Date of Original Issue and compounded semiannually on each Accretion Date until the Conversion Date. Thereafter, the Bonds at their Accretion Value shall bear interest at the Interest Rate on a taxable or tax exempt basis, payable on a current basis on the Interest Payment Dates, all as shall be determined and confirmed by the Authorized Officer in the Supplemental Order.

(d) Except as may be otherwise determined by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be payable to the Registered Owner as of the 15th day of the month, whether or not a Business Day (a "Regular Record Date"), prior to each Interest Payment Date. Interest on the Bonds shall be payable to such Registered Owners by check or draft drawn on the Paying Agent on each Interest Payment Date and mailed by first class mail or, upon the written request of the Owner of \$1,000,000 or more in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Owner. Such a request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent.

(e) Interest on Bonds not punctually paid or duly provided for on an Interest Payment Date shall forthwith cease to be payable to the Registered Owners on the Regular Record Date established for such Interest Payment Date, and may be paid to the Registered Owners as of the close of business on a date fixed by the Paying Agent (a "Special Record Date") with respect to the payment of such defaulted interest to be fixed by the Paying Agent, or may be paid at any time in any other lawful manner. The Paying Agent shall give notice to the Registered Owners at least seven days before any such Special Record Date.

(f) The principal of the Bonds shall be payable to the Registered Owners of the Bonds upon the presentation of the Bonds to the Paying Agent at the principal corporate trust office of the Paying Agent.

(g) The Bonds shall be subject to redemption prior to maturity or shall not be subject thereto, upon such terms and conditions as shall be determined by the Authorized Officer and confirmed in the Supplemental Order, provided, however, that redemption at the option of the City prior to maturity may occur on any Interest Payment Date for which notice is given as provided herein and such redemption shall be in whole.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Paying Agent on behalf of the City. Such notice shall be dated

and shall contain at a minimum the following information: original issue date; maturity dates; interest rates, CUSIP numbers, if any; certificate numbers, and in the case of partial redemption, the called amounts of each certificate; the redemption date; the redemption price or premium; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Paying Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Emergency Manager and the Finance Director of the City and authenticated by the manual signature of the Finance Director or an authorized representative of the Paying Agent, as the case may be, and a facsimile of the seal of the City shall be imprinted on the Bonds. Additional Bonds bearing the manual or facsimile signatures of the Emergency Manager or Mayor of the City and the Finance Director, and upon which the facsimile of the seal of the City is imprinted may be delivered to the Paying Agent for authentication and delivery in connection with the exchange or transfer of Bonds. The Paying Agent shall indicate on each Bond the date of its authentication.

Section 304. Authentication of the Bonds. (a) No Bond shall be entitled to any benefit under this Order or be valid or obligatory for any purpose unless there appears on such Bond a Certificate of Authentication substantially in the form provided for in Section 307 of this Order, executed by the manual or facsimile signature of the Finance Director or by an authorized signatory of the Paying Agent by manual signature, and such certificate upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly authenticated and delivered hereunder.

(b) The Paying Agent shall manually execute the Certificate of Authentication on each Bond upon receipt of a written direction of the Authorized Officer of the City to authenticate such Bond.

Section 305. Transfer of Registration and Exchanges on the Bonds. (a) The registration of each Bond is transferable only upon the Bond Registry by the Registered Owner thereof, or by his attorney duly authorized in writing, upon the presentation and surrender thereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor.

(b) Each Bond may be exchanged for one or more Bonds in equal aggregate principal amount of like maturity and tenor in one or more authorized denominations, upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent

together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing.

Section 306. Regulations with Respect to Exchanges and Transfers. (a) In all cases in which the privilege of exchanging Bonds or transferring the registration of Bonds is exercised, the City shall execute and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Order. All Bonds surrendered in any such exchanges or transfers shall be forthwith canceled by the Paying Agent.

(b) For every exchange or transfer of Bonds, the City or the Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and, except as otherwise provided in this Order, may charge a sum sufficient to pay the costs of preparing each new Bond issued upon such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Paying Agent shall not be required (i) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Bonds contained in Section 307 of this Order and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The City shall give the Paying Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

Section 307. Form of the Bonds. The Bonds shall be in substantially the following form with such insertions, omissions, substitutions and other variations as shall not be inconsistent with this Order or as approved by an Authorized Officer in the Supplemental Order:

[Forms of Bonds]

[Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC") to the City (as hereinafter defined), or its agent for registration of transfer, exchange, or payment and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.]

Section 308. Registration. The City and the Paying Agent may treat and consider the Registered Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

Whenever the Security Depository requests the City and the Paying Agent to do so, the Authorized Officer on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after

reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of the Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

DETERMINATIONS

Section 201. Finding, and Declaration of Need to Issue Bonds. The Emergency Manager hereby finds and declares that it is necessary for the City to issue the Bonds hereunder in such sum as shall be determined and approved by the Emergency Manager, not in excess of \$632,000,000 (the “Maximum Aggregate Principal Amount”), and to evidence such debt by the issuance of the Bonds in one or more series not in excess of the Maximum Aggregate Principal Amount, in Authorized Denominations, pursuant to and in accordance with the provisions of Section 36a of Act 279, for the purpose of satisfying the Claims.

ARTICLE III

AUTHORIZATION, REDEMPTION AND ASSIGNMENT OF THE BONDS

Section 301. Authorization of Bonds to Satisfy the Claims and Pledge. The City hereby authorizes the issuance of the Bonds as hereinafter defined in such principal amount as shall be confirmed in the Supplemental Order to satisfy the Claims as determined by the Authorized Officer in the Supplemental Order or subsequently confirmed by the Authorized Officer to Bond Counsel. The principal of and interest on the Bonds shall hereby be secured by the limited tax full faith and credit pledge of the City.

The City pledges to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property of the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Section 302. Designations, Date, Interest, Maturity and Other Terms of the Bonds to Satisfy the Claims. (a) The Bonds shall be designated “FINANCIAL RECOVERY BONDS,

SERIES 2014B” and may bear such later or earlier dates and additional or alternative designations, series or subseries as the Authorized Officer may determine in the Supplemental Order, shall be issued in fully registered form and shall be consecutively numbered from “R-1” upwards, unless otherwise provided by the Authorized Officer in the Supplemental Order. The Bonds shall be dated and issued in such denominations all as determined by the Authorized Officer and confirmed by the Authorized Officer in the Supplemental Order.

(b) The Bonds of each series shall mature on such Maturity Dates not in excess of 30 years from the Date of Original Issue and shall bear interest at the Interest Rate on a taxable basis, payable on the Interest Payment Dates, all as shall be determined and confirmed by the Authorized Officer in the Supplemental Order. Unless otherwise provided by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be calculated on the basis of the actual number of days elapsed in a 360 day year. The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

(c) Except as may be otherwise determined by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be payable to the Registered Owner as of the 15th day of the month, whether or not a Business Day (a “Regular Record Date”), prior to each Interest Payment Date. Interest on the Bonds shall be payable to such Registered Owners by check or draft drawn on the Paying Agent on each Interest Payment Date and mailed by first class mail or, upon the written request of the Owner of \$1,000,000 or more in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Owner. Such a request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent.

(d) Interest on Bonds not punctually paid or duly provided for on an Interest Payment Date shall forthwith cease to be payable to the Registered Owners on the Regular Record Date established for such Interest Payment Date, and may be paid to the Registered Owners as of the close of business on a date fixed by the Paying Agent (a “Special Record Date”) with respect to the payment of such defaulted interest to be fixed by the Paying Agent, or may be paid at any time in any other lawful manner. The Paying Agent shall give notice to the Registered Owners at least seven days before any such Special Record Date.

(e) The principal of the Bonds shall be payable to the Registered Owners of the Bonds upon the presentation of the Bonds to the Paying Agent at the principal corporate trust office of the Paying Agent.

(f) The Bonds shall be subject to redemption and/or tender for purchase prior to maturity or shall not be subject thereto, upon such terms and conditions as shall be determined by the Authorized Officer and confirmed in the Supplemental Order.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Paying Agent on behalf of the City. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates, CUSIP numbers, if any; certificate numbers, and in the case of partial redemption,

the called amounts of each certificate; the redemption date; the redemption price or premium; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Paying Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Emergency Manager and the Finance Director of the City and authenticated by the manual signature of the Finance Director or an authorized representative of the Paying Agent, as the case may be, and a facsimile of the seal of the City shall be imprinted on the Bonds. Additional Bonds bearing the manual or facsimile signatures of the Emergency Manager or Mayor of the City and the Finance Director, and upon which the facsimile of the seal of the City is imprinted may be delivered to the Paying Agent for authentication and delivery in connection with the exchange or transfer of Bonds. The Paying Agent shall indicate on each Bond the date of its authentication.

Section 304. Authentication of the Bonds. (a) No Bond shall be entitled to any benefit under this Order or be valid or obligatory for any purpose unless there appears on such Bond a Certificate of Authentication substantially in the form provided for in Section 307 of this Order, executed by the manual or facsimile signature of the Finance Director or by an authorized signatory of the Paying Agent by manual signature, and such certificate upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly authenticated and delivered hereunder.

(b) The Paying Agent shall manually execute the Certificate of Authentication on each Bond upon receipt of a written direction of the Authorized Officer of the City to authenticate such Bond.

Section 305. Transfer of Registration and Exchanges on the Bonds. (a) The registration of each Bond is transferable only upon the Bond Registry by the Registered Owner thereof, or by his attorney duly authorized in writing, upon the presentation and surrender thereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor.

(b) Each Bond may be exchanged for one or more Bonds in equal aggregate principal amount of like maturity and tenor in one or more authorized denominations, upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing.

Section 306. Regulations with Respect to Exchanges and Transfers. (a) In all cases in which the privilege of exchanging Bonds or transferring the registration of Bonds is exercised, the City shall execute and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Order. All Bonds surrendered in any such exchanges or transfers shall be forthwith canceled by the Paying Agent.

(b) For every exchange or transfer of Bonds, the City or the Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and, except as otherwise provided in this Order, may charge a sum sufficient to pay the costs of preparing each new Bond issued upon such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Paying Agent shall not be required (i) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Bonds contained in Section 307 of this Order and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The City shall give the Paying Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

Section 307. Form of the Bonds. The Bonds shall be in substantially the following form with such insertions, omissions, substitutions and other variations as shall not be inconsistent with this Order or as approved by an Authorized Officer in the Supplemental Order:

[Forms of Bonds]

[Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC") to the City (as hereinafter defined), or its agent for registration of transfer, exchange, or payment and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.]

or may be paid at any time in any other lawful manner. Capitalized terms used herein but not defined herein, shall have the meanings ascribed to them in the Order.

The principal of this Bond is payable in lawful money of the United States of America upon presentation and surrender of this Bond at the designated corporate trust office of _____, _____, _____, as registrar, transfer agent and paying agent under the Order (such bank and any successor as paying agent, the "Paying Agent"). Interest shall be computed on the basis of a 360-day year consisting of twelve 30 day months. For prompt payment of this Bond, both principal and interest, the full faith, credit and resources of the City are hereby irrevocably pledged.

This bond is one of a series of bonds aggregating the principal sum of \$_____, issued under and in full compliance with the Constitution and statutes of the State of Michigan, and particularly Section 36a of Act No. 279, Public Acts of Michigan, 1909, as amended ("Act 279"), for the purpose of satisfying certain Claims, as defined in the Order. Pursuant to the Order, the bonds of this series (the "Bonds") are limited tax general obligations of the City, and the City is obligated to levy annually ad valorem taxes on all taxable property in the Issuer, subject to applicable constitutional, statutory and charter tax rate limitations.

The "Order" is an Order of the Emergency Manager issued on _____, 2014, supplemented by a Supplemental Order of an Authorized Officer of the City issued on _____, 2014, authorizing the issuance of the Bonds.

The bonds of this series shall be subject to redemption prior to maturity as follows:

(b) *Mandatory Redemption.* [TO BE DETERMINED]

General Redemption Provisions. In case less than the full amount of an outstanding bond is called for redemption, the Paying Agent, upon presentation of the bond called for redemption, shall register, authenticate and deliver to the registered owner of record a new bond in the principal amount of the portion of the original bond not called for redemption.

Notice of redemption shall be given to the registered owners of Bonds or portions thereof called for redemption by mailing of such notice not less than thirty (30) days but not more than

sixty (60) days prior to the date fixed for redemption to the registered address of the registered owner of record. Bonds or portions thereof so called for redemption shall not bear interest after the date fixed for redemption, whether presented for redemption or not, provided funds are on hand with the Paying Agent to redeem such Bonds.

Reference is hereby made to the Order for the provisions with respect to the nature and extent of the security for the Bonds, the manner and enforcement of such security, the rights, duties and obligations of the City, and the rights of the Paying Agent and the Registered Owners of the Bonds. As therein provided, the Order may be amended in certain respects without the consent of the Registered Owners of the Bonds. A copy of the Order is on file and available for inspection at the office of the Finance Director and at the principal corporate trust office of the Paying Agent.

The City and the Paying Agent may treat and consider the person in whose name this Bond is registered on the Bond Registry as the absolute owner hereof, whether this Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal hereof and interest hereon and for all other purposes whatsoever, and all such payments so made to such person or upon his order shall be valid and effectual to satisfy and discharge the liability hereon to the extent of the sum or sums so paid.

The registration of this Bond is transferable only upon the Bond Registry by the Registered Owner hereof or by his attorney duly authorized in writing upon the presentation and surrender hereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Resolution upon the payment of the charges, if any, therein prescribed.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and to be performed, precedent to and in the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of Michigan, and that the total indebtedness of the City, including the Bonds does not exceed any constitutional, statutory or charter limitation.

This Bond is not valid or obligatory for any purpose until the Paying Agent's Certificate of Authentication on this Bond has been executed by the Paying Agent.

Section 308. Registration. The City and the Paying Agent may treat and consider the Registered Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

(c) Any new Bond issued pursuant to this Section in substitution for a Bond alleged to be mutilated, destroyed, stolen or lost shall constitute an original additional contractual obligation on the part of the City, and shall be equally secured by and entitled to equal proportionate benefits with all other Bonds issued under this Order.

Section 310. Book-Entry-Only System Permitted. (a) If determined by the Authorized Officer in the Supplemental Order, the Bonds or portions of the Bonds shall be issued to a securities depository selected by the Authorized Officer (the "Security Depository") to be held pursuant to the book-entry-only system maintained by the Security Depository and registered in the name of the Security Depository or its nominee. Ownership interests in Bonds held under such book-entry-only system shall be determined pursuant to the procedures of the Security Depository and Article 8 of the applicable Uniform Commercial Code (such persons having such interests, "Beneficial Owners").

(b) If (i) the City and the Paying Agent receive written notice from the Security Depository to the effect that the Security Depository is unable or unwilling to discharge its responsibilities with respect to the Bonds under the book-entry-only system maintained by it or (ii) the Authorized Officer determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds in certificated form, then the City may so notify the Security Depository and the Paying Agent, and, in either event, the City and the Paying Agent shall take appropriate steps to provide the Beneficial Owners with Bonds in certificated form to evidence their respective ownership interests in the Bonds. Whenever the Security Depository requests the City and the Paying Agent to do so, the Authorized Officer on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after

reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of the Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

(c) Except as may be otherwise determined by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be payable to the Registered Owner as of the 15th day of the month, whether or not a Business Day (a “Regular Record Date”), prior to each Interest Payment Date. Interest on the Bonds shall be payable to such Registered Owners by check or draft drawn on the Paying Agent on each Interest Payment Date and mailed by first class mail or, upon the written request of the Owner of \$1,000,000 or more in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Owner. Such a request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent.

(d) Interest on Bonds not punctually paid or duly provided for on an Interest Payment Date shall forthwith cease to be payable to the Registered Owners on the Regular Record Date established for such Interest Payment Date, and may be paid to the Registered Owners as of the close of business on a date fixed by the Paying Agent (a "Special Record Date") with respect to the payment of such defaulted interest to be fixed by the Paying Agent, or may be paid at any time in any other lawful manner. The Paying Agent shall give notice to the Registered Owners at least seven days before any such Special Record Date.

(e) The principal of the Bonds shall be payable to the Registered Owners of the Bonds upon the presentation of the Bonds to the Paying Agent at the principal corporate trust office of the Paying Agent.

(f) The Bonds shall be subject to optional, mandatory sinking fund and mandatory redemption prior to maturity or shall not be subject thereto, upon such terms and conditions as shall be determined by the Authorized Officer and confirmed in the Supplemental Order.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Paying Agent on behalf of the City. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates, CUSIP numbers, if any; certificate numbers, and in the case of partial redemption, the called amounts of each certificate; the redemption date; the redemption price or premium; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Paying Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Mayor and the Finance Director of the City and authenticated by the manual signature of the Finance Director or an authorized representative of the Paying Agent, as the case may be, and a facsimile of the seal of the City shall be imprinted on the Bonds. The Bonds shall be delivered to the Litigation Trust for the Benefit of the Settling COP Claimants as described in the Plan of Adjustment. Additional Bonds bearing the manual or facsimile signatures of the Mayor of the City and the Finance Director, and upon which the facsimile of the seal of the City is imprinted may be delivered to the Paying Agent for authentication and delivery in connection with the exchange or transfer of Bonds. The Paying Agent shall indicate on each Bond the date of its authentication.

Section 304. Authentication of the Bonds. (a) No Bond shall be entitled to any benefit under this Order or be valid or obligatory for any purpose unless there appears on such Bond a Certificate of Authentication substantially in the form provided for in Section 307 of this Order, executed by the manual or facsimile signature of the Finance Director or by an authorized signatory of the Paying Agent by manual signature, and such certificate upon any Bond shall be

conclusive evidence, and the only evidence, that such Bond has been duly authenticated and delivered hereunder.

(b) The Paying Agent shall manually execute the Certificate of Authentication on each Bond upon receipt of a written direction of the Authorized Officer of the City to authenticate such Bond.

Section 305. Transfer of Registration and Exchanges on the Bonds. (a) The registration of each Bond is transferable only upon the Bond Registry by the Registered Owner thereof, or by his attorney duly authorized in writing, upon the presentation and surrender thereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor.

(b) Each Bond may be exchanged for one or more Bonds in equal aggregate principal amount of like maturity and tenor in one or more authorized denominations, upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing.

Section 306. Regulations with Respect to Exchanges and Transfers. (a) In all cases in which the privilege of exchanging Bonds or transferring the registration of Bonds is exercised, the City shall execute and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Order. All Bonds surrendered in any such exchanges or transfers shall be forthwith canceled by the Paying Agent.

(b) For every exchange or transfer of Bonds, the City or the Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and, except as otherwise provided in this Order, may charge a sum sufficient to pay the costs of preparing each new Bond issued upon such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Paying Agent shall not be required (i) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Bonds contained in Section 307 of this Order and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The City shall give the Paying Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

Section 307. Form of the Bonds. The Bonds shall be in substantially the following form with such insertions, omissions, substitutions and other variations as shall not be inconsistent with this Order or as approved by an Authorized Officer in the Supplemental Order:

[Form of Bonds]

[Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation (“DTC”) to the City (as hereinafter defined), or its agent for registration of transfer, exchange, or payment and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.]

Section 308. Registration. The City and the Paying Agent may treat and consider the Registered Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

(b) If (i) the City and the Paying Agent receive written notice from the Security Depository to the effect that the Security Depository is unable or unwilling to discharge its responsibilities with respect to the Bonds under the book-entry-only system maintained by it or (ii) the Authorized Officer determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds in certificated form, then the City may so notify the Security Depository and the Paying Agent, and, in either event, the City and the Paying Agent shall take appropriate steps to provide the Beneficial Owners with Bonds in certificated form to evidence their respective ownership interests in the Bonds. Whenever the Security Depository requests the City and the Paying Agent to do so, the Authorized Officer on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after

reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of the Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

COMPONENT I

ARTICLE 1. GENERAL PROVISIONS

Sec. 1.1. General Retirement System Established; Adoption of 2014 Combined Plan Document; Amendment and Restatement of 2014 Combined Plan Document

Effective July 1, 1938, a General Retirement System for the employees of the City of Detroit was established for the purpose of providing retirement and survivor benefits for eligible City employees and their beneficiaries. The provisions of the Detroit General Retirement System, as in effect July 1, 2014, were set forth in a Combined Plan Document. As provided in Ordinance 19-14 and Ordinance 20-14 and Section 47-1-1 of the Detroit City Code, this Combined Plan Document replaced in its entirety Chapter 47 of the Detroit City Code as in effect on June 30, 2014 and any conflicting provisions in any collective bargaining agreements covering Members (including, without limitation, the City Employment Terms that applied to Members effective July 18, 2012). All resolutions and policies of the Retirement Board previously adopted which were inconsistent with the provisions of the Combined Plan Document were also repealed to the extent of such inconsistency.

The Combined Plan Document is hereby amended and restated effective July 1, 2014, in the form of this instrument. Component I of the Combined Plan Document applies to benefits accrued by Members on and after July 1, 2014 and to operation of the Detroit General Retirement System on and after July 1, 2014. Component II of the Combined Plan Document applies to benefits accrued by Members prior to July 1, 2014. Except as specifically provided in Component II, benefits provided under Component II of the Combined Plan Document are frozen effective June 30, 2014.

Sec. 1.2. Retirement System Intended to be Tax-Qualified

The Retirement System is a governmental plan under Section 414(d) of the Internal Revenue Code which is intended to be a qualified plan and trust pursuant to applicable provisions of the Internal Revenue Code. The Board shall construe and administer the provisions of the Retirement System in a manner that gives effect to the tax-qualified status of the Retirement System.

Sec. 1.3. Compliance With Plan of Adjustment

The Retirement System is intended to comply with all relevant provisions (including Exhibits) of the Plan for the Adjustment of Debts of the City of Detroit, as approved by the United States Bankruptcy Court in *In re City of Detroit, Michigan, Case No. 13-53846* ("Plan of Adjustment"). Component I and Component II of the Combined Plan shall be interpreted and construed by the City, the Board of Trustees and the Retirement System to give full effect to the Plan of Adjustment. To the extent that a conflict arises between the Combined Plan Document and the Plan of Adjustment, the City, the Board of Trustees, the Investment Committee and the Retirement System are directed to interpret any inconsistency or ambiguity to give full effect to the Plan of Adjustment.

Sec. 1.4. Board of Trustees

Effective July 1, 1938, a Board of Trustees of the Detroit General Retirement System was created. The Board is vested with responsibility for the general administration, management and operation of the Detroit General Retirement System and with the trust and investment powers conferred in this Combined Plan Document.

Sec. 1.5. Board of Trustees – Membership; Appointment

The Board of Trustees of the Detroit General Retirement System shall consist of ten Trustees, as follows:

- (1) The Mayor, *ex officio*, or the Mayor's designee;
- (2) One City Council member, *ex officio*, who is selected by the City Council;
- (3) The City Treasurer, *ex officio*;
- (4) Five active employee Members of the Retirement System to be elected by the Members in accordance with such rules and regulations as may be adopted by the Board. No more than one Trustee shall be elected from any one City Department;
- (5) One individual, appointed by the Mayor subject to the approval of the Board, who is neither an employee of the City nor is eligible to receive benefits under the Retirement System; and
- (6) One retiree who is receiving benefits under the Retirement System and who is elected by Retirees in accordance with procedures described in Section 1.6.

Sec. 1.6. Board of Trustees; Retiree Member Election

The procedures for the election of the Retiree member of the Board of Trustees shall be as follows:

- (1) *Notice.* Notice of a primary election shall be sent to each Retiree by United States Mail.
- (2) *Nominating petitions.* No candidate's name shall be placed on the primary election ballot unless a nominating petition containing the signatures of at least one hundred and twenty-five Retirees is filed with the executive director of the Retirement System. The form of the nominating petition, the filing of the petition, and the procedure for verification of signatures shall be in accordance with rules and regulations adopted by the Board. Notwithstanding the foregoing, an incumbent Retiree Trustee shall not be required to submit a nominating petition but instead shall submit a written communication indicating his or her intention to seek an additional term.

- (3) *Ballot.* Each candidate whose name appears on the ballot at any election held for the office of Retiree Trustee shall be identified by the title of the position held by the Retiree at the time of retirement and by the word “incumbent” if the candidate is a current trustee seeking re-election. No ballot shall contain any organizational or political designation or mark. Rotation and arrangement of names on the ballot shall be in accordance with the rules and regulations of the Board.
- (4) *Voting.* Procedures regarding mailing of ballots, poll lists, custody of ballots, marking of ballots, return of ballots, handling of return envelopes received, and sealed ballot boxes shall be the same as those adopted and followed by the Board in the immediately preceding election of an active employee Trustee.
- (5) *Procedures.* Procedures regarding the selection and certification of successful candidates for nomination, the selection of Trustees from nominees, tie votes, and the destruction of ballots shall be the same as those adopted and followed by the Board in the immediately preceding election of an active employee Trustee.
- (6) *Board Rules.* Any matters relative to the election of the Retiree member of the Board not covered by this Section 1.6 shall be handled in accordance with such rules and regulations as the Board may adopt.

Sec. 1.7. Board of Trustees; Oath; Term; Vacancies

Within ten days after appointment or election, each Trustee shall take an oath of office to be administered by the Detroit City Clerk.

The regular term of office for the elected Member Trustees and the Trustee appointed by the Mayor under Section 1.5(5) shall be for a period of six years, one such Trustee to be elected or appointed, as the case may be, each year. The term of office for the Retiree Trustee shall be two years.

If an active employee Trustee leaves the employ of the City, or if an elected or appointed Trustee fails to attend four consecutive scheduled Board meetings without being excused for cause by the Trustees attending such meetings, the Trustee shall be considered to have resigned from the Board. By resolution, the Board shall declare the office vacated as of the date of adoption of such resolution. If a vacancy occurs in the office of Trustee, the vacancy shall be filled at the next regular election held by the Board, or at any special election ordered by resolution adopted by the Board.

Sec. 1.8. Board of Trustees; Officers and Employees

The Board shall elect a chair and vice-chair from its members. The executive director of the Retirement System or its designee shall serve as secretary of the Board. Sec. 1.9. Board of Trustees; Meetings; Rules of Procedure; Votes; Quorum

- (1) The Board shall hold regular meetings, at least one in each month, and shall hold special meetings as necessary. The Board shall designate the time and place thereof in advance. The Board shall adopt its own rules of procedure, including provisions for special meetings and notice thereof, and shall keep a record of proceedings. All meetings of the Board shall be public and are subject to the *Michigan Open Meetings Act, MCL 15.261 et seq.* All Board meetings shall be held within the City of Detroit.
- (2) Each Trustee shall be entitled to one vote on each question before the Board. A majority vote of the Trustees present shall be necessary for a decision by the Trustees at any meeting of the Board.
- (3) Five Trustees shall constitute a quorum.

Sec. 1.10. Board of Trustees; Compensation; Expenses

Members of the Board of Trustees shall serve without additional compensation from the Employer, but they shall be compensated by the Retirement System as follows:

- (1) *Stipend.* Trustees are eligible for a meeting stipend, provided the Trustee attends one or more regular or special Board meetings during a month. The stipend amount shall be a minimum of sixty-seven dollars (\$67.00) per week multiplied by the Trustee's years of service. Eligibility rules and the amount of the stipend shall be set by Board resolution. However, the amount of the weekly meeting stipend shall not exceed two hundred dollars (\$200.00).
- (2) *Ex Officio Trustees.* Ex Officio Trustees are not eligible for a stipend payment.
- (3) *Attendance.* For purposes of this Section 1.10, attendance at a Board meeting shall include actual attendance at a meeting or being otherwise available to attend a Board meeting canceled for lack of a quorum.

Trustees shall be reimbursed from the Expense Fund for all actual, reasonable and necessary expenses incurred in the performance of their duties as Trustees.

Sec. 1.11. Rules for Administration of Funds

Subject to the limitations contained in this Combined Plan Document, the Board of Trustees shall, from time to time, establish rules and regulations for the administration of the funds created by this Plan document and for the transaction of its business.

Sec. 1.12. Board of Trustees; Certain Data to be Kept

The Board shall keep or cause to be kept, in convenient form, such data as shall be necessary for an actuarial valuation of the Retirement System and for checking and compiling

Sec. 1.14. Board of Trustees; Legal Advisors

- (1) The Board shall appoint legal advisors (including a general counsel) who shall be directly responsible to and shall hold office at the pleasure of the Board of Trustees. Any legal advisor to the Board of Trustees shall be an attorney licensed to practice law in the State of Michigan and shall be experienced in matters relating to pension systems. The qualifications of legal counsel shall be approved by the Board of Trustees.
- (2) Legal advisors to the Board of Trustees shall have such duties relative to pension matters as shall be assigned by the Board of Trustees.
- (3) Costs and expenses relative to the position of legal advisors to the Board shall be payable out of the assets of the Retirement System, subject to the provisions of the *Public Employee Retirement System Investment Act, as amended, MCL 38.1132 et seq.*

Sec. 1.15. Designation of Actuary; Authority to Engage Additional Actuaries

The Retirement System actuary as of July 1, 2014 shall continue to serve as such until resignation or removal by the Board. In the event the Board desires to retain a new actuary, the Board and the Investment Committee shall collectively participate in the evaluation and selection of a qualified actuary. The Retirement System actuary shall be responsible for assisting the Board and the Investment Committee in performing their actuarial duties and shall comply with all requests for information or modeling requested by the Board or the Investment Committee, and shall attend meetings of the Board and Investment Committee as requested, so as to allow the Board and Investment Committee to perform satisfactorily the rights and duties set forth in the Combined Plan, the term sheet regarding Investment Committee Governance for General Retirement System, attached to that certain agreement by and between the Michigan Settlement Administration Authority, a Michigan body public corporation (the "Authority"), the Retirement System, the Police and Fire Retirement System for the City of Detroit, Michigan ("PFRS") and the City (the "State Contribution Agreement") as Exhibit A (the "Governance Term Sheet") and the Plan of Adjustment. Furthermore, the Board shall not act on any recommendation made by the Retirement System's actuary based on any calculation, assumption or assessment rejected by the Investment Committee.

Nothing herein shall be interpreted as limiting the Investment Committee's authority to engage an actuarial consulting firm other than the Retirement System's actuary to perform actuarial services deemed necessary to fulfill its fiduciary and other duties to the Retirement System as set forth in the Governance Term Sheet and the Plan of Adjustment.

Sec. 1.16. Board of Trustees; Adoption of Mortality and Other Tables of Experience and Rates of Interest; Limitations on Payments by the Retirement System

- (1) Subject to Section 15.1, the Board shall adopt such mortality and other tables of experience, and a rate or rates of interest, as shall be necessary for the operation of the System on an actuarial basis, provided, that the authority granted by this section shall not permit or be used to provide for an interest rate which would violate the prohibitions of subsection (2) or (3) of this section.
- (2) The Retirement System and the Trustees charged with management of the System shall not make any payment to active or retired Members other than payments that are required by the governing documents of the Retirement System. This prohibition applies to all payments that are not authorized by this Combined Plan, whether such payments are those commonly referred to as a "thirteenth check" or by any other name.
- (3) Anything in this Combined Plan Document or any other document to the contrary notwithstanding, the annual actuarial interest rate assumption for the period commencing July 1, 2014 and ending June 30, 2023 shall be six and three-quarters percent (6.75%).

Sec. 1.18. Board of Trustees; Powers and Duties; Fiduciary Status; Fiduciary Duties

The Board of Trustees shall have such powers and duties as are necessary for the proper administration of the Retirement System and the custody and investment of Retirement System assets, other than those powers and duties reserved to the Investment Committee. To the extent the Board exercises discretion with respect to investment of Retirement System assets, each member of the Board of Trustees shall be an investment fiduciary as defined in the *Public Employee Retirement System Investment Act, as amended, MCL 38.1132 et seq.*, and shall discharge his or her duties with respect to the Retirement System in compliance with the provisions of the *Public Employee Retirement System Investment Act, as amended, MCL 38.1132 et seq.* A member of the Board of Trustees shall discharge his or her duties with the care, skill and caution under the circumstances then prevailing that a prudent person, acting in a like capacity and familiar with such matters, would use in the conduct of an activity of like character and purpose. Sec. 1.19. Investment Committee; Establishment; Purpose; Fiduciary Status; Fiduciary Duties

As of the effective date of the Plan of Adjustment, but subject to consummation of the State Contribution Agreement, an Investment Committee is hereby created for the purpose of making recommendations to the Board of Trustees with respect to certain investment management matters relating to the Retirement System. - (1) Five independent members, two of whom must be residents of the State of Michigan, and none of whom may be a party-in-interest with respect to the Retirement System, as defined in Section 38.1132d(4) of the *Public Employee Retirement System Investment Act, as amended, MCL 38.1132 et seq.* Each independent Investment Committee member shall have expert knowledge or extensive experience with respect to either (a) economics, finance, or institutional investments, or (b) administration of public or private retirement plans, executive management, benefits administration or actuarial science. The initial independent Investment Committee members shall be selected by mutual agreement of the appropriate representatives of the State of Michigan, the City and the Board, in consultation with the Foundation for Detroit's Future (the "Foundation"), and shall be named in the Plan of Adjustment. An Investment Committee member may have his or her voting privileges temporarily suspended by a 70% or higher vote of the other members if the member is indicted or sued by a

State or federal government for an alleged violation of the law that relates to his or her service on the Investment Committee, or for other alleged financial crimes, including fraud.

Sec. 1.23. Investment Committee; Compensation; Expenses; Employment of Advisors

Any Member who becomes Disabled prior to his Normal Retirement Date shall be entitled to receive an unreduced Retirement Allowance commencing at any time following the Member's attainment of Age sixty-two. Disability retirement benefits shall be payable in accordance with a form of payment selected by the Member pursuant to Section 8.1.

Sec. 5.5. Return of Accumulated Mandatory Contributions to Non-Vested Member

If a Member ceases to be an Employee before becoming eligible for a deferred vested Retirement Allowance under Section 5.3, the Member may elect to receive distribution of the Accumulated Mandatory Employee Contributions made to the Retirement System by such Member. If a Member elects to receive his Accumulated Mandatory Employee Contributions, such amounts shall be paid to the Member in a lump sum payment or in equal monthly

installments for a period not to exceed three years, according to such rules and regulations as the Board may adopt from time to time.

ARTICLE 6. RETIREMENT ALLOWANCE; VARIABLE PENSION IMPROVEMENT FACTOR (ESCALATOR)

Sec. 6.1. Retirement Allowance

The Retirement Allowance payable to a Member commencing at the later of his Normal Retirement Date or his actual retirement from employment with the Employer in the form of a Straight Life Retirement Allowance shall be equal to one and one-half percent (1.5%) of the Member's Average Final Compensation multiplied by the Member's years (computed to the nearest one-twelfth (1/12th) year) of Credited Service earned after June 30, 2014.

Sec. 6.2. Variable Pension Improvement Factor (Escalator)

Except as provided in Section 9.5, beginning July 1, 2018 and effective the first day of each Plan Year thereafter, the Board may determine that a Retiree's annual Retirement Allowance shall be increased by a factor of two percent (2.0%), computed each year on the basis of the amount of the original Retirement Allowance received at the time of Retirement; provided, that the recipient of said Retirement Allowance shall have attained Age sixty-two and shall have been receiving a Retirement Allowance for a period of not less than twelve months prior to the first day of such Plan Year. The Pension Improvement Factor (Escalator) shall not be compounded.

ARTICLE 7. DEATH BENEFITS

Sec. 7.1. Accidental Death Benefit; Performance of Duty

- (1) If a Member is killed in the performance of duty in the service of the Employer, or dies as the result of illness contracted or injuries received while in the performance of duty in the service of the Employer, and such death, illness or injury resulting in death, is found by the Board to have resulted from the actual performance of duty in the service of the Employer, the Member's surviving Spouse shall be entitled to a monthly annuity benefit equal to the Member's Retirement Allowance at the time of his death, unreduced for early payment. Such benefit shall be payable until the surviving Spouse's death.
- (2) The minimum annual Retirement Allowance payable to a surviving Spouse under this Section 7.1 shall be equal to ten percent (10%) of the Member's Average Final Compensation determined as of the date of the Member's death.

Sec. 7.2. Death Benefits for Surviving Spouses Generally

If any Member dies while in the employ of the Employer (other than in the performance of duty) after the date such Member has earned ten or more years of Credited Service, the Member's surviving Spouse shall receive a Retirement Allowance. The Retirement Allowance payable to the Spouse shall be computed in the same manner in all respects as if said Member had (i) retired effective the day preceding the Member's death, notwithstanding that the Member had not attained his or her Normal Retirement Date, (ii) elected a Joint and One Hundred Percent Survivor Allowance as described in Section 8.1, and (iii) nominated the surviving Spouse as Beneficiary.

Sec. 7.3. Refund of Accumulated Mandatory Contributions Upon Death of Member

If a Member dies while employed by the City or following termination of employment and the Member is not eligible for a benefit under Section 7.1 or 7.2, the Member's Accumulated Mandatory Employee Contributions to the Retirement System at the time of death shall be paid to the Beneficiary nominated in a written designation duly executed by the Member and filed with the Board. In the event there is no such designated Beneficiary surviving, the Member's Accumulated Mandatory Employee Contributions shall be paid to the Member's estate. If a Member who dies without a legal will has not nominated a Beneficiary, the Member's Accumulated Mandatory Employee Contributions at the time of death may be used to pay burial expenses if the Member leaves no other estate sufficient for such purpose. Such expenses shall not exceed a reasonable amount as determined by the Board.

Sec. 7.4. Benefits Offset by Compensation Benefits; Subrogation

- (1) Any amounts which may be paid or payable to a Beneficiary on account of a Member's death under the provisions of any Workers' Compensation, pension, or similar law, except federal Social Security old-age and survivors' benefits, shall be an offset against any amounts payable from funds of the Retirement System on account of the Member's death. If the present value of the benefits payable under said Workers' Compensation, pension, or similar law, is less than the Pension Reserve for the Retirement Allowance

payable by the Retirement System, the present value of the said Workers' Compensation, pension, or similar legal benefit shall be deducted from the amounts payable by the Retirement System, and such amounts as may be provided by the Retirement System, so reduced, shall be payable as provided in this Combined Plan Document.

- (2) In the event a person becomes entitled to a pension payable by the Retirement System because of an accident or injury caused by the act of a third party, the Retirement System shall be subrogated to the rights of said person against such third party to the extent of the benefit which the Retirement System pays or becomes liable to pay.

ARTICLE 8. FORMS OF PAYMENT

Sec. 8.1. Retirement Allowance Options

- (1) Until the date the first Retirement Allowance payment check is issued, any Member may elect to receive a Straight Life Retirement Allowance payable throughout life, or the Member may elect to receive the Actuarial Equivalent of the Straight Life Retirement Allowance computed as of the effective date of retirement, in a reduced Retirement Allowance payable throughout life, and nominate a Beneficiary to receive benefit payments following the Member's death, in accordance with the options set forth below:
 - (a) *Option One. Cash Refund Annuity.* If a Retiree who elected a Cash Refund Annuity dies before payment of the Accumulated Contributions made to the Retirement System on and after July 1, 2014 has been received in an aggregate amount equal to, but not exceeding the Retiree's Accumulated Mandatory Employee Contributions at the time of retirement, the difference between said Accumulated Mandatory Employee Contributions and the aggregate amount of annuity payments already received, shall be paid in a single lump sum to a Beneficiary nominated by written designation duly executed by the Member and filed with the Board. If there are no such designated Beneficiaries surviving said Retiree, any such difference shall be paid to the Retiree's estate.
 - (b) *Option Two. Joint and One Hundred Percent Survivor Allowance.* Upon the death of a Retiree who elected a Joint and One Hundred Percent Survivor Allowance, one hundred percent of the reduced Retirement Allowance shall be paid to and continued throughout the life of the Beneficiary nominated by written designation duly executed and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.
 - (c) *Option "A". Joint and Seventy-Five Percent Survivor Allowance.* Upon the death of a Retiree who elected a Joint and Seventy-Five Percent Survivor Allowance, seventy-five percent of the reduced Retirement Allowance shall be continued throughout the life of and paid to the Beneficiary nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.
 - (d) *Option Three. Joint and Fifty Percent Survivor Allowance.* Upon the death of a Retiree who elected a Joint and Fifty Percent Survivor Allowance, fifty percent of the reduced Retirement Allowance shall be continued throughout the life of and paid to the Beneficiary nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.
 - (e) *Option "B". Joint and Twenty-Five Percent Survivor Allowance.* Upon the death of a Retiree who elected a Joint and Twenty-Five Percent Survivor Allowance, twenty-five percent of the reduced Retirement Allowance shall be paid throughout the life of the Beneficiary nominated by written designation duly executed and

filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.

- (2) *Joint and Survivor Optional Forms of Payment.* The Joint and Survivor Optional Forms of Payment provided under the Retirement System shall be made available in either the standard form or the pop-up form, as follows:
 - (a) *Standard Form.* Under the Standard Form, the reduced Retirement Allowance shall be paid throughout the lifetime of the Retiree.
 - (b) *Pop-up Form.* Under the Pop-up Form, the reduced Retirement Allowance shall be paid throughout the lifetime of the Retiree and the designated Beneficiary. In the event of the death of the designated Beneficiary during the lifetime of the Retiree, the amount of the Retirement Allowance shall be changed to the amount that would have been payable had the Retiree elected the Straight Life Retirement Allowance Form of Payment.
- (3) *Coordination of Benefits.* According to such rules and regulations as the Board shall adopt, until the first payment of a Retirement Allowance becomes due, but not thereafter, a Member under Age sixty-five may elect to have the Member's Straight Life Retirement Allowance provided for under Component I equated on an Actuarial Equivalent basis to provide an increased Retirement Allowance payable to Age sixty-two or Age sixty-five, and to provide a decreased Retirement Allowance thereafter. The increased Retirement Allowance payable to such Age shall approximate the total of the decreased Retirement Allowance payable thereafter and the estimated social security benefit. If a Member elects to receive increased and then decreased Retirement Allowance payments provided for in this paragraph, he or she may also elect to have such payments reduced by electing one of the optional forms of payment provided for in paragraph (1) of this Section 8.1. This coordination of benefits option shall not create any additional actuarial costs to the City.

Sec. 8.2. Disposition of Surplus Benefits upon Death of Retiree and Beneficiary

If under a Joint and One Hundred Percent Survivor allowance, a Joint and Seventy-Five Percent Survivor allowance, a Joint and Fifty Percent Survivor allowance, or a Joint and Twenty-Five Percent Survivor allowance as provided for under Section 8.1(1), both a Retiree and his Beneficiary die before they have received in Retirement Allowance payments an aggregate amount equal to the Retiree's Accumulated Mandatory Employee Contributions at the time of retirement, the difference between the said Accumulated Mandatory Employee Contributions and the aggregate amount of Retirement Allowances paid to the Retiree and Beneficiary, shall be paid in a single lump sum to such person or persons nominated by written designation of the Retiree duly executed and filed with the Board. If there are no such person or persons surviving the Retiree and the Beneficiary, any such difference shall be paid to the estate of the second to die of the Retiree or Beneficiary.

ARTICLE 9. FUNDING AND RESERVES

Sec. 9.1. Funding Objective of the Retirement System

The funding objective of Component I of the Retirement System is to establish and receive Employer and Member contributions during each Plan Year that are sufficient to fully cover the actuarial cost of benefits anticipated to be paid on account of Credited Service rendered by Members during the Plan Year (the normal cost requirements of the Retirement System), and to amortize the unfunded actuarial costs of benefits likely to be paid on account of Credited Service rendered on or after July 1, 2014 and before the first day of the Plan Year (the unfunded actuarial accrued liability of Component I of the Retirement System).

Sec. 9.2. Funds

Component I of the Retirement System shall consist of the Accumulated Mandatory Employee Contribution Fund, the Accumulated Voluntary Employee Contribution Fund, the Pension Accumulation Fund, the Rate Stabilization Fund, the Medical Benefit Fund, the Expense Fund, and the Income Fund, as follows:

- (1) The Accumulated Mandatory Employee Contribution Fund shall be the Fund in which shall be accumulated the contributions of Members to provide their Retirement Allowances. Upon the Retirement, termination, or death of a Member with a vested Retirement Allowance, the Member's Accumulated Mandatory Employee Contributions shall be deemed to be part of the Pension Reserve which shall be used to pay the Member's Retirement Allowance.
- (2) The Accumulated Voluntary Employee Contribution Fund shall be the Fund in which shall be accumulated the voluntary after-tax contributions of Members together with earnings thereon.
- (3) The Pension Accumulation Fund shall be the fund in which shall be accumulated reserves for the Retirement Allowances and other benefits payable from that portion of the Employer's annual contribution that is not credited to the Rate Stabilization Fund and amounts transferred to Component I as provided in Section E-16(c) of Component II, and from which shall be paid Retirement Allowances and other benefits on account of Members.
- (4) The Rate Stabilization Fund shall be the Fund to which shall be credited Employer annual contributions in excess of the amount of the Employer's contribution which is credited to the Pension Accumulation Fund and amounts transferred to Component I as provided in Section E-16(c) of Component II.
- (5) The Medical Benefit Fund shall be the Fund to which shall be credited contributions made for the purpose of funding Medical Benefits.
- (6) The Expense Fund shall be the fund to which shall be credited any money provided by the Employers to pay the administrative expenses of the Retirement System, and from

which shall be paid certain expenses incurred in connection with the administration and operation of the Retirement System.

- (7) The Income Fund shall be the Fund to which shall be credited all interest, dividends, and other income derived from the investments of Component I of the Retirement System and any earnings thereon, all gifts and bequests received by Component I of the Retirement System, and all other moneys credited to Component I of the Retirement System, the disposition of which is not specifically provided for in this Article 9. There shall be paid or transferred from the Income Fund, all amounts required to credit earnings and losses to the various Funds of the Retirement System in accordance with the provisions of Component I of this Combined Plan Document. Amounts credited to the Income Fund in excess of amounts needed to credit earnings and losses of the Retirement System as provided in this Component I for any Plan Year shall be transferred to the Pension Accumulation Fund and used to pay Retirement Allowances and other benefits on account of Members.

Sec. 9.3. Method of Financing Retirement System Benefits

- (1) The pension liabilities for Members shall be determined by the Plan's Actuary using the entry-age normal cost method of actuarial valuation.
- (2) The Employer's annual contribution to finance the prospective pension liabilities for the nine Plan Year period commencing July 1, 2014 and ending June 30, 2023 shall be five percent (5%) of the base Compensation of active Members for the applicable Plan Year. A portion of the Employer's annual contribution for each Plan Year as determined by the City shall be credited to the Rate Stabilization Fund. The remainder of the City's annual contribution shall be allocated to the Pension Accumulation Fund.
- (3) Except as provided in Section 9.5, for each Plan Year, a Member shall contribute to the Retirement System an amount equal to four percent (4%) of his or her base Compensation for such Plan Year. A Member's Mandatory Employee Contributions for the Plan Year beginning July 1, 2014 and ending June 30, 2015 shall commence as of the Member's first payroll date occurring in August 2014. The officer or officers responsible for processing the payroll shall cause a Member's Mandatory Employee Contributions to be deducted from the Member's Compensation on each and every payroll, for each and every payroll period, from the later of (i) the Member's first payroll date occurring in August 2014, and (ii) the Member's date of hire to the date he ceases to be an Employee. The contribution shall be deducted from a Member's Compensation, notwithstanding that the minimum compensation provided by law for the Member shall be reduced thereby. Payment of compensation, less said Mandatory Employee Contributions, shall be a complete discharge of all claims and demands whatsoever for the services rendered by the said Member during the period covered by such payment. Member Mandatory Employee Contributions will be used for the purpose of funding the normal cost of the Retirement System.

Sec. 9.4. Member Contributions Picked-Up

- (1) The Employer shall pick up Member Mandatory Employee Contributions required pursuant to Sections 9.3(3) and 9.5 in accordance with Code Section 414(h).
- (2) The picked-up contributions, although designated as employee contributions shall be treated as City contributions for the purpose of determining a Member's tax treatment under the Internal Revenue Code. The City shall pay the contributions picked-up on behalf of a Member from the same source of funds that are used for paying compensation to the Member.
- (3) The Employer shall pick up Member Mandatory Employee Contributions by a reduction in the Member's cash salary or an offset against a future salary increase, or both. The Employer shall designate Mandatory Employee Contributions that are picked-up and paid to the Retirement System as employer contributions and not as employee contributions. No Member who participates in the Retirement System shall have the option of choosing to receive the contributed amounts directly instead of having those amounts paid by the City to the Retirement System.

Sec. 9.5. Fiscal Responsibility: Increased Funding Obligations and Benefit Reductions

- (1) To safeguard the long-term actuarial and financial integrity of the Retirement System, in the event the funding level of Component I of the Retirement System projected over a five year period falls below one hundred percent (100%), the following remedial action shall be required in the order set forth below, beginning with the Plan Year following the Plan Year in which such determination is made and continuing until the funding level is restored to not less than one hundred percent (100%):
 - (a) the Trustee may not award the variable pension improvement factor (escalator) described in Section 6.2 to any Retiree;
 - (b) all amounts credited to the Rate Stabilization Fund shall be transferred to the Pension Accumulation Fund for the purposes of funding benefits payable under Component I of the Retirement System; and
 - (c) Member Mandatory Employee Contributions shall be increased from four percent (4%) of Compensation to five percent (5%) of Compensation for up to the next following five Plan Years.
- (2) In the event the funding level of Component I of the Retirement System determined as provided in Section 9.5(1) is projected to fall below eighty percent (80%), the following remedial action shall be required in the order set forth below, beginning with the Plan Year following the Plan Year in which such determination is made and continuing until the funding level is restored to not less than eighty percent (80%):
 - (a) the remedial action required in Section 9.5(1) shall be implemented or continued;

- (b) the Retirement Allowance payable to a Retiree shall not include the variable pension improvement factor (escalator) that was most recently added to the Retiree's Retirement Allowance for a Plan Year;
- (c) Member Mandatory Employee Contributions shall be increased from five percent (5%) of Compensation to six percent (6%) of Compensation for up to the next following five Plan Years;
- (d) the Retirement Allowance payable to a Retiree shall not include the variable pension improvement factor (escalator) that was most recently added to the Retiree's Retirement Allowance for the Plan Year preceding the Plan Year referenced in paragraph (b) above; and
- (e) the Retirement Allowance accrued by Members for up to the next five Plan-Year-period shall be determined as provided in Section 6.1, except that one percent (1%) shall be substituted for one and one-half percent (1.5%) wherever it appears in said Section 6.1.

In determining whether the eighty percent (80%) funding level under this Section 9.5(2) has been achieved, the Plan's Actuary shall calculate the funding percentage of the Retirement System after taking into account the elimination of the variable pension improvement factor (escalator) pursuant to Section 9.5(1)(a) but prior to taking into account the remedial steps provided in Sections 9.5(1)(b) and (c).

- (3) For purposes of this Section 9.5, the "funding level" of Component I of the Retirement System shall mean the ratio of the market value of the assets of Component I of the Retirement System to the actuarial accrued liability of Component I of the Retirement System. The actuarial accrued liability shall be calculated by the Plan's Actuary utilizing an interest rate assumption of six and three-quarters percent (6.75%) and other reasonable assumptions as directed by the Board upon the recommendation of the Investment Committee. The market value of assets shall be determined on the basis of a three-year look back period of smoothed investment returns.

ARTICLE 10. VOLUNTARY EMPLOYEE CONTRIBUTIONS

Sec. 10.1. Voluntary Employee Contributions; Amount; Vesting

Subject to procedures established by the Board, a Member may elect to reduce his Compensation for any Plan Year by a whole percentage equal to three percent (3%), five percent (5%) or seven percent (7%) and have such amount contributed by the Employer to a Voluntary Employee Contribution Account maintained on his behalf under Component I of the Retirement System. Voluntary Employee Contributions shall be made to the Retirement System on an after-tax basis. Amounts credited to a Member's Voluntary Employee Contribution Account shall be one hundred percent (100%) vested at all times.

Sec. 10.2. Changing an Election to Contribute

A Member may change or revoke an election to make Voluntary Employee Contributions to the Retirement System pursuant to this Article 10 in such manner and with such advance notice as the City shall determine. Notwithstanding the foregoing, a Member shall be permitted to change such election not less frequently than annually.

Sec. 10.3. Individual Member Accounting; Crediting of Earnings

The Board shall maintain a Voluntary Employee Contribution Account on behalf of each Member who elects to make Voluntary Employee Contributions to the Retirement System. Each Plan Year, a Member's Voluntary Employee Contribution Account shall be credited with earnings at a rate equal to the actual net investment rate of return on the assets of the Retirement System for the second Plan Year immediately preceding the Plan Year in which the earnings are credited; in no event, however, shall the earnings rate credited to a Member's Voluntary Employee Contribution Account for any Plan Year be less than zero percent (0%) nor greater than five and one-quarter percent (5.25%).

Sec. 10.4. Distribution of Accumulated Voluntary Employee Contributions

- (1) If a Member ceases to be an Employee other than by reason of death, the Member may elect to receive distribution of the Accumulated Voluntary Employee Contributions made to the Retirement System by such Member. If a Member elects to receive his Accumulated Voluntary Employee Contributions, such amounts shall be paid to the Member in a lump sum payment or in equal monthly installments for a period not to exceed three years, according to such rules and regulations as the Board may adopt from time to time.
- (2) In lieu of receiving distribution of his Accumulated Voluntary Employee Contributions as provided in Section 10.4(1), a Member may elect to have the actuarial equivalent value of his Accumulated Voluntary Employee Contributions added to his Retirement Allowance and paid in the form of an annuity described in Section 8.1.
- (3) If a Member dies while employed by the Employer or following termination of employment but prior to receiving distribution of the Member's Accumulated Voluntary Employee Contributions, the amounts credited to the Member's Voluntary Employee

Contribution Account at the time of death shall be paid to the Beneficiary nominated in a written designation duly executed by the Member and filed with the Board. In the event there is no such designated Beneficiary surviving the Member, the Member's Accumulated Voluntary Employee Contributions shall be paid to the Member's estate. If a Member who dies without a legal will has not nominated a Beneficiary, the Member's Accumulated Voluntary Employee Contributions at the time of death may be used to pay burial expenses if the Member leaves no other estate sufficient for such purpose. Such expenses shall not exceed a reasonable amount as determined by the Board.

ARTICLE 11. LOAN PROGRAM FOR VOLUNTARY EMPLOYEE CONTRIBUTIONS

Sec. 11.1. The Loan Program

A loan program shall be available to Members who have amounts credited to a Voluntary Employee Contributions Account under Component I of the Retirement System. The Board is authorized to adopt rules and regulations, from time to time, to govern the administration and the operation of the loan program. Copies of the rules shall be made available to eligible Members in the offices of the Retirement System. Any loans granted or renewed under the Retirement System shall be made and administered pursuant to and in compliance with Section 72(p) of the Internal Revenue Code and regulations thereunder.

Sec. 11.2. Eligibility for Loan

Subject to the rules and procedures established by the Board, loans may be made to eligible Members from such Member's Voluntary Employee Contribution Account. An eligible Member is any Member who has participated in the Retirement System for twelve months or more. Former Members, Spouses and Beneficiaries are not eligible to receive any loans from the Retirement System. No Member shall have more than two outstanding loans from the Retirement System (Component I and/or Component II) at any time. A Member who has previously defaulted on a loan (under either Component I or Component II) shall not be eligible for a loan from the Retirement System.

Sec. 11.3. Amount of Loan

An eligible Member who has satisfied applicable rules and procedures established by the Board may borrow from his Voluntary Employee Contribution Account an amount which does not exceed the lesser of (i) fifty percent (50%) of the Member's Voluntary Employee Contribution Account balance, and (ii) Ten Thousand Dollars (\$10,000.00), in each case reduced by the excess, if any, of: (1) the Member's highest outstanding loan balance under the Retirement System (both Component I and Component II) during the one (1) year period ending on the day before the date on which the loan is made, or (2) the outstanding loan balance under the Retirement System (both Component I and Component II) on the date on which the loan is made, whichever is less. The minimum loan amount shall be One Thousand Dollars (\$1,000.00).

Sec. 11.4. Terms and Conditions

In addition to such rules and procedures that are established by the Board, all loans shall comply with the following terms and conditions:

- (a) Each loan application shall be made in writing.
- (b) All loans shall be memorialized by a collateral promissory note for the amount of the loan, including interest, payable to the order of the Retirement System and properly executed by the Member.

- (c) Each loan shall be repaid by substantially equal payroll deductions over a period not to exceed five years, or, where the loan is for the purpose of buying a principal residence, a period not to exceed fifteen years. In no case shall the amount of the payroll deduction be less than Twenty Dollars (\$20.00) for any two-week pay period. A Member receiving a loan will be required to authorize payroll deductions from his compensation in an amount sufficient to repay the loan over its term.
- (d) An amount equal to the principal amount of the loan to a Member (but not more than one half of the Member's vested interest in the Defined Contribution Plans of the Retirement System) will be designated as collateral for guaranteeing the loan.
- (e) Each loan shall bear interest at a rate determined by the Board. The Board shall not discriminate among Members in its determination of interest rates on loans. However, loans initiated at different times may bear different interest rates, where, in the opinion of the Board, the difference in rates is supported by a change in market interest rates or a change in the Retirement System's current assumed rate of return. The loan interest rate shall bear a reasonable relationship to market rates for secured loans of a similar duration and shall bear a reasonable relationship to the costs to the Retirement System of administering the loan. The loan interest rate shall be calculated in a manner that will not negatively affect either the Employers' costs with respect to the Retirement System or the investment return allocated to Members.
- (f) Loan repayments shall be suspended during a period of military service, as permitted by Section 414(u)(4) of the Internal Revenue Code. A Member who has an outstanding loan balance from the Retirement System who is absent from employment with the City, and who has satisfied the requirements of Section 414(u) of the Internal Revenue Code shall not be required to make loan repayments to the Retirement System during said periods of absence.

Sec. 11.5. Loan Balance

A Member's outstanding loan balance shall be considered a directed investment by the Member and interest payments shall be credited to the Member's Voluntary Employee Contribution Account (provided that the interest credited to the Member's Voluntary Employee Contribution Account shall be reduced appropriately to cover the administrative costs of the loan program and avoid negatively affecting the Employers' costs or the Retirement System's investment returns), and shall not be part of the Retirement System's net investment income or part of the Member's Voluntary Employee Contribution Account balance for the purpose of allocation of net investment income under the Retirement System.

Sec. 11.6. Default

In the event a Member defaults on a loan before the loan is repaid in full, the unpaid balance thereof will become due and payable and, to the extent that the outstanding amount is not repaid by the end of the calendar quarter which follows the calendar quarter in which the last

payment was received, such amount shall be deemed to have been distributed to the Member for tax purposes, consistent with Section 72(p) of the Internal Revenue Code.

Sec. 11.7. Distribution

No distribution shall be made to a Member, former Member, Spouse or Beneficiary from the Retirement System until all outstanding loan balances and applicable accrued interest have been repaid or offset against amounts distributable to the individual from the Retirement System.

Sec. 11.8. Annual Report

The Retirement System shall include, in its annual report to all Members, an accounting of the Loan Program established by this Article 11, which contains the number and amount of loans made, the costs of administering the Loan Program maintained under this Component I, the amount of payments made including interest received by Component I of the Retirement System, the amount of loans outstanding, including any defaults or delinquencies, and an evaluation as to whether the interest charged in that Fiscal Year covered the costs of administering the Loan Program under Component I.

ARTICLE 12. LIMITATION ON BENEFITS AND CONTRIBUTIONS

Sec. 12.1. Compliance With Code Section 415(b) And Regulations

- (1) Notwithstanding any other provision of this Combined Plan Document, the defined benefit component of the Retirement System shall be administered in compliance with the provisions of Code Section 415(b) and regulations thereunder that are applicable to governmental plans.
- (2) The maximum annual benefit accrued by a Member during a "limitation year" (which shall be the Plan Year) and the maximum annual benefit payable under the Retirement System to a Member at any time within a Plan Year, when expressed as an annual benefit in the form of a straight life annuity (with no ancillary benefits), shall be equal to \$160,000 (as such amount is adjusted pursuant to Code Section 415(d) for such Plan Year).
- (3) Notwithstanding the foregoing:
 - (a) if the benefit under the Retirement System is payable in any form other than a straight life annuity, the determination as to whether the limitation described in Section 12.1(2) has been satisfied shall be made, in accordance with the regulations prescribed by the Secretary of the Treasury, by adjusting such benefit to the Actuarially Equivalent straight life annuity beginning at the same time, in accordance with Section 12.1(8) or (9);
 - (b) if the benefit under the Retirement System commences before Age sixty-two, the determination of whether the limitation set forth in Section 12.1(2) (the "Dollar Limit") has been satisfied shall be made, in accordance with regulations prescribed by the Secretary of the Treasury, by reducing the Dollar Limit so that the Dollar Limit (as so reduced) is equal to an annual benefit payable in the form of a straight life annuity, commencing when such benefit under the Retirement System commences, which is Actuarially Equivalent to a benefit in the amount of the Dollar Limit commencing at Age sixty-two; provided, however, if the Retirement System has an immediately commencing straight life annuity commencing both at Age sixty-two and the age of benefit commencement, then the Dollar Limit (as so reduced) shall equal the lesser of (i) the amount determined under this Section 12.1(3)(b) without regard to this proviso, or (ii) the Dollar Limit multiplied by a fraction the numerator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System and the denominator of which is the annual amount of the straight life annuity under the Retirement System, commencing at Age sixty-two; and
 - (c) if the benefit under the Retirement System commences after Age sixty-five, the determination of whether the Dollar Limit has been satisfied shall be made, in accordance with regulations prescribed by the Secretary of the Treasury, by increasing the Dollar Limit so that the Dollar Limit (as so increased) is equal to an annual benefit payable in the form of a straight life annuity, commencing when

the benefit under the Retirement System commences, which is Actuarially Equivalent to a benefit in the amount of the Dollar Limit commencing at Age sixty-five; provided, however, if the Retirement System has an immediately commencing straight life annuity commencing both at Age sixty-five and the Age of benefit commencement, the Dollar Limit (as so increased) shall equal the lesser of (i) the amount determined under this Section 12.1(3)(c) without regard to this proviso, or (ii) the Dollar Limit multiplied by a fraction the numerator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System and the denominator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System, commencing at Age sixty-five.

- (4) Notwithstanding the foregoing provisions of this Section 12.1, except as provided in Section 12.1(5), the maximum annual benefit specified in Section 12.1(2) above shall not apply to a particular Retirement System benefit if (a) the annual amount of such Retirement System benefit, together with the aggregate annual amount of any other pensions payable with respect to such Member under all other defined benefit plans maintained by an Employer, does not exceed \$10,000 for the Plan Year or any prior Plan Year and (b) the Member was not at any time a participant in a defined contribution plan maintained by an Employer.
- (5) In the case of a Member who has less than ten years of participation in the Retirement System, the limitation set forth in Section 12.1(2) shall be such limitation (without regard to this Section 12.1(5)), multiplied by a fraction, the numerator of which is the number of years of participation in the Retirement System (or parts thereof) credited to the Member and the denominator of which is ten. In the case of a Member who has less than ten years of Vesting Service, the limitations set forth in Paragraph (b) of Section 12.1(2) and in Section 12.1(4) shall be such limitations (determined without regard to this Section 12.1(5)) multiplied by a fraction, the numerator of which is the number of years of Vesting Service, or parts thereof, credited to the Member and the denominator of which is ten.
- (6) Notwithstanding anything in this Section 12.1 to the contrary, if the annual benefit of a Member who has terminated employment with the Employer is limited pursuant to the limitations set forth in Section 12.1(2), such annual benefit shall be increased in accordance with the cost-of-living adjustments of Code Section 415(d).
- (7) For purposes of determining actuarial equivalence under Paragraph (b) or (c) of Section 12.1(3), the interest rate assumption shall be five percent (5%) and the mortality table used shall be the applicable mortality table specified by the Board.

ARTICLE 16. RETIREE MEDICAL ACCOUNT

Sec. 16.1. Establishment of Account

A Medical Benefits Account shall be established and maintained under the Retirement System out of which the Board shall pay the cost, which would otherwise be borne by the Employers, for certain medical and related benefits provided under the plans or programs maintained by the Employers to provide Medical Benefits (the "Medical Plans") for the benefit of the Medical Beneficiaries. The provisions of this Article 16 are intended to comply with Section 401(h) of the Code and shall be construed to comply therewith.

Sec. 16.2. Effective Date of Retiree Medical Account

Medical Benefits may be paid from the Medical Benefits Account beginning October ____, 2014, or such other date recommended by an enrolled actuary (within the meaning of Section 7701(a)(35) of the Code) and approved by the Board and Investment Committee.

Sec. 16.3. Funding of Benefits

Subject to the Plan of Adjustment and the right reserved to the City to amend or terminate the provision of Medical Benefits under its general power to amend the Plan under Section 17.5, the City expects and intends to make actuarially determined contributions under the Retirement System from time to time to fund the Medical Benefits Account. The assets of the Medical Benefits Account may be invested together with the other assets of the Retirement System, in which case earnings of the Retirement System shall be allocated to the Medical Benefits Account on a reasonable basis, or such assets may be invested separately. In any event, no part of the Retirement System, other than the assets of the Medical Benefits Account, shall be available to pay for any part of the cost of Medical Benefits.

The amount determined by the City to be contributed for any Plan Year by the Employers pursuant to the paragraph above shall be reasonable and ascertainable and shall not exceed the total cost for such Plan Year of providing Medical Benefits to the Medical Beneficiaries, determined in accordance with generally accepted actuarial methods and assumptions that are reasonable in view of the provisions and coverage of the medical and other welfare plans providing such benefits, the funding medium and any other applicable considerations. At the time any Employer makes a contribution to the Trustee, the Employer shall designate the portion thereof that is allocable to the Medical Benefits Account.

Sec. 16.4. Limitation on Contributions

At all times the aggregate of the contributions made by the Employers to provide Medical Benefits shall not exceed twenty-five percent (25%) of the sum of the aggregate contributions made by the Employers to the Plan under Sections 9.3, 9.4 and 9.5 other than the contributions to fund past service credits, plus the aggregate contributions to the Medical Benefits Account. In the event that a contribution under Section 16.3 shall exceed the amount described in the preceding sentence, such contribution shall be reduced by the excess amount.

Sec. 16.5. Impossibility of Diversion

In no event, prior to the satisfaction of all liabilities to provide Medical Benefits, shall the Medical Benefits Account be used for, or diverted to, any purpose other than the payment of such benefits and any necessary or appropriate expenses of administration associated therewith. Any amounts credited to the Medical Benefits Account following the satisfaction of all such liabilities shall be returned to the Employers.

Sec. 16.6. Administration

The Medical Plans shall continue to be administered, and claims processed, under their respective terms. The interpretation and administration of the terms of this Article 16 shall be subject to the provisions of the Combined Plan Document.

Sec. 16.7. Right to Amend or Terminate Medical Plans

The Employers expressly reserve the exclusive right, retroactively to the extent permitted by law, to amend, modify, change, terminate or revoke any medical or other welfare plan or policy maintained by any such Employer that provides medical or other welfare benefits, including but not limited to Medical Benefits, and to require Members, former Members, their eligible Spouses and dependents to pay all or any portion of the cost of such medical benefits.

Sec. 16.8. Reversion

At no time prior to the satisfaction of all liabilities under the Retirement System to provide Medical Benefits, shall any part of the Medical Benefits Account be used for any purpose other than providing Medical Benefits, and any necessary or appropriate expenses attributable to the administration of the Medical Benefits Account. If any residual assets remain in the Medical Benefits Account after the satisfaction of all obligations of the Employers to provide Medical Benefits to the Medical Beneficiaries, such assets shall be returned to the Employers. In the event a Medical Beneficiary's interest in the Medical Benefits Account is forfeited prior to the termination of the Retirement System, an amount equal to such forfeiture shall be applied as soon as possible to reduce the Employers' contributions to the Medical Benefits Account.

Sec. 16.9. Limitation of Rights

A Medical Beneficiary shall have no right, title or claim in any specific asset of the Medical Benefits Account, but shall have the right only to the Medical Benefits provided from time to time under the Medical Benefits Account.

ARTICLE 17. MISCELLANEOUS

Sec. 17.1. Nonduplication of Benefits

If any Member is a participant in another defined benefit pension plan, retirement system or annuity plan sponsored by an Employer (including Component II of this Retirement System) and the Member is or becomes entitled to accrue pension benefits under such plan or retirement system (including Component II of this Retirement System) with respect to any period of service for which he is entitled to accrue a benefit under Component I of this Retirement System, such Member shall not be eligible to accrue or receive payment of a benefit under Component I with respect to such period of service.

Sec. 17.2. Assignments Prohibited

The right of a person to a pension, annuity, the return of Accumulated Voluntary Employee Contributions and/or the return of Accumulated Mandatory Employee Contributions, the Retirement Allowance itself, to any optional form of payment, to any other right accrued or accruing to any person under the provisions of this Retirement System, and the monies in the various funds of the Retirement System shall not be assignable and shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency law, or any other process of law whatsoever, except as specifically provided in this Combined Plan Document or by an eligible domestic relations order of a lawful court.

Sec. 17.3. Protection Against Fraud

A person who, with intent to deceive, makes any statements or reports required under this Retirement System that are untrue, or who falsifies or permits to be falsified any record or records of this Retirement System, or who otherwise violates, with intent to deceive, any terms or provisions of the Retirement System, shall be subject to prosecution under applicable law.

Sec. 17.4. Errors

If any change or error in the records results in any person receiving from the Retirement System more or less than the person would have been entitled to receive from the Retirement System had the records been correct, the Board shall correct such error and, as far as practicable, shall adjust the payment in such a manner that the actuarial equivalent of the benefit to which such person was correctly entitled shall be paid.

Sec. 17.5. Amendment; Termination; Exclusive Benefit

The City reserves the right to amend the Combined Plan Document created hereunder at any time; such amendments may include termination of the Retirement System; provided, however, that following the effective date of the Plan of Adjustment, no amendment other than amendments permitted under the terms of the Plan of Adjustment (including amendments contemplated in Section G-4(5) of Component II) may be made to the terms, conditions and rules of operation of the Retirement System, or any successor plan or trust, that govern the calculation of pension benefits during the period ending June 30, 2023, nor may any amendment or termination deprive any Member, former Member or Beneficiary of any then vested benefit

under the Retirement System, except as provided in the Plan of Adjustment. Notwithstanding the foregoing, the City and the Board have the authority to amend the Combined Plan Document as necessary to retain the tax qualified status of the Retirement System under the Internal Revenue Code. The City shall make no amendment or amendments to the Retirement System which causes any part of the assets of the Retirement System to be used for, or diverted to, any purpose other than the exclusive benefit of Members, former Members or their Beneficiaries; provided, that the City may make any amendment necessary, with or without retroactive effect, to comply with applicable federal law. Any amendment of the Retirement System by the City must be approved by the Council or person standing in the stead of the Council.

Upon termination of the Retirement System or upon complete discontinuance of contributions to the Retirement System, the rights of all Members to benefits accrued to the date of such termination or discontinuance, to the extent then funded, shall be nonforfeitable.

Sec. 17.6. Forfeitures Not to Increase Benefits

Any forfeitures arising under the Retirement System due to a Member's termination of employment or death, or for any other reason, shall be used to pay expenses of the Retirement System and shall not be applied to increase the benefits any Member would otherwise receive under the Retirement System at any time prior to termination of the Retirement System.

The Retirement System will apply the minimum distribution requirements of Code Section 401(a)(9) in accordance with the final regulations issued thereunder, notwithstanding any provision in the Combined Plan Document to the contrary. Pursuant to Code Section 401(a)(9)(A)(ii), a Member's interest must begin to be distributed by the later of (i) the April 1 of the calendar year following the calendar year in which he attains the Age of seventy and one-half (70-1/2), or (ii) April 1 of the calendar year following the year in which he retires. Distributions will be made in accordance with Regulations Sections 1.401(a)(9)-2 through 1.401(a)(9)-9. The provisions of this Section 17.7 and the regulations cited herein and incorporated by reference override any inconsistent plan distribution options.

Sec. 17.8. Direct Rollovers

- (1) For purposes of compliance with Code Section 401(a)(31), a distributee may elect, at the time and in the manner prescribed by the Board, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.
- (2) For purposes of this Section 17.8, the following terms shall have the following meanings:
 - (a) "Direct rollover" means a payment by the retirement system to an eligible retirement plan specified by a distributee.
 - (b) "Distributee" means a Member or former Member. It also includes the Member's or former Member's surviving Spouse, a Spouse or former spouse who is the

alternate payee under an eligible domestic relations order, or a nonspouse beneficiary who is a designated beneficiary as defined by Code Section 401(a)(9)(E). However, a nonspouse beneficiary may only make a direct rollover to an individual retirement account or individual retirement annuity established for the purpose of receiving the distribution, and the account or annuity will be treated as an “inherited” individual retirement account or annuity.

- (c) “Eligible retirement plan” means any of the following that accepts a distributee’s eligible rollover distribution:
 - (i) a qualified trust described in Code Section 401(a);
 - (ii) an annuity plan described in Code Section 403(a);
 - (iii) an annuity contract described in Code Section 403(b);
 - (iv) an individual retirement account described in Code Section 408(a);
 - (v) an individual retirement annuity described in Code Section 408(b);
 - (vi) a Roth IRA described in Code Section 408A; or
 - (vii) a plan eligible under Code Section 457(b) that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or a political subdivision of a state that agrees to separately account for amounts transferred into that plan from the Retirement System.
- (d) “Eligible rollover distribution” means any distribution of all or any portion of the balance to the credit of a distributee under the Retirement System, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or the life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee’s designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under Code Section 401(a)(9); the portion of any distribution that is not includible in gross income; and any other distribution which the Internal Revenue Service does not consider eligible for rollover treatment, such as any distribution that is reasonably expected to total less than \$200 during the year. Notwithstanding the foregoing, a portion of a distribution will not fail to be an “eligible rollover distribution” merely because the portion consists of after-tax contributions that are not includible in Member’s gross income upon distribution from the Retirement System. However, such portion may be transferred only (i) to an individual retirement account or annuity described in Code Section 408(a) or (b) or to a qualified defined contribution plan described in Code Section 401(a) that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion of the distribution that is includible in gross income and the portion of the distribution that is not so includible; (ii) to a qualified defined benefit plan

described in Code Section 401(a) or to an annuity contract described in Code Section 403(b) that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion of the distribution that is includible in gross income and the portion of the distribution that is not so includible; or (iii) to a Roth IRA described in Code Section 408A.

PRINCIPAL TERMS OF NEW GRS ACTIVE PENSION PLAN

NEW GRS ACTIVE PENSION PLAN -- MATERIAL TERMS

1. Benefit Formula: FAC (average base compensation over last 10 consecutive years of employment) \times Years of Service \times 1.5%. If an employee had leave of not less than 2 months without pay under the Family and Medical Leave Act in the last 2 years of employment, such employee's FAC will be determined using the highest 10 consecutive years of base compensation over the last 12 consecutive years of employment. Average base compensation means no overtime, no unused sick leave, no longevity or any other form of bonus.
2. Actual time for accrual is actual time served. For vesting and eligibility, 1,000 hours for a year of service.
3. Normal Retirement Age – age 62 with a transition period for active employees as of June 30, 2014 as follows:

<u>Age as of July 1, 2014</u>	<u>Normal Retirement Age</u>
61years	60 years
60 years	60 years
59 years	60.3 years
58 years	60.6 years
57 years	60.9 years
56 years	61.0 years
55 years	61.3 years
54 years	61.6 years
53 years	61.9 years
52 years	62 years

4. 10 Years of Service for vesting.
5. Early retirement -- Eligible at 55 & 30 years of service, with true actuarial reduction. No pension payments allowed below age 55; terminated employees must wait until 62.
6. Deferred Vested -- 10 Years payable at 62.
7. Disability -- to be provided by commercial insurance until normal retirement age. In applying the formula for an age 62 pension, a disabled employee will be credited with service for the period of long-term disability leave.
8. Annuity Savings Fund - voluntary Annuity Savings Fund contributions equal to 3%, 5% or 7% of after-tax pay. Interest will be credited at the actual net investment rate of return for GRS, but will in no event be lower than 0% or higher than 5.25%. No in-service withdrawals permitted.

9. Investment Return/Discount Rate – 6.75%
10. COLA - Variable COLA benefit payable after the hybrid plan has been in effect for 4 full plan years, provided that the funding level is above 100%. A simple 2% COLA on hybrid benefit. Retirees become eligible for a COLA only for plan years after the retiree reaches age 62 and has been retired for a minimum of 12 months.
11. Contributions - Employer contribution of 5% of the base compensation of eligible employees. A portion of such contribution is used to fund normal cost and a portion is credited to a rate stabilization fund. Employees contribute 4% of base compensation toward normal cost.
12. If the funding level is below 100% (based on 3 year look back of smoothed returns), the plan's risk-shifting levers listed below will be applied in the listed order, until the actuary can state that by virtue of the use of levers, and a 6.75% discount rate and return assumption, the funding level is projected to be 100% on a market value basis within the next 5 years.
 - (a) No COLAs will be paid;
 - (b) Amounts credited to the rate stabilization fund will be used to fund accrued benefits; and
 - (c) Employee contributions to the hybrid will increase by 1% to 5% of base compensation for up to a 5 year period.

If the funding level is below 80% (without taking into account the use of rate stabilization funds and the 1% increase in employee contributions):

- (d) The steps taken in (a), (b) and (c) above will be continued;
- (e) The most recently awarded COLA is rescinded (i.e., Members' future benefit payments will be not include that COLA);
- (f) Employee contributions to the hybrid will increase to 6% of base compensation for up to a 5 year period;
- (g) The second most recently awarded COLA is rescinded; and
- (h) The benefit accrual rate is decreased from 1.5% to 1% for up to 5 years.

COMPONENT I

ARTICLE 1. GENERAL PROVISIONS

Sec 1.1. Police and Fire Retirement System Established; Adoption of 2014 Plan Document

Effective July 1, 1941, a Pension System for Policemen and Firemen of the City of Detroit was established for the purpose of providing retirement allowances and death benefits for Policemen and Firemen and their beneficiaries by amendment to the Charter of the City of Detroit. That Pension System was amended on numerous occasions after July 1, 1941, including an amendment renaming the Retirement System as the "Police and Fire Retirement System of the City of Detroit." The provisions of the Police and Fire Retirement System of the City of Detroit, as in effect July 1, 2014, are set forth in this Plan Document (including Appendix A attached hereto). Component I of the Plan Document applies to benefits accrued by Members on and after July 1, 2014 and to operation of the Police and Fire Retirement System of the City of Detroit on and after July 1, 2014. Component II of the Plan Document generally applies to benefits accrued by Members prior to July 1, 2014. Except as specifically provided in Component II, benefits provided under Component II of the Plan Document are frozen effective June 30, 2014.

Pursuant to Section 47-1-2 of the Detroit City Code, this Combined Plan Document shall replace the provisions of the Police and Fire Retirement System of the City of Detroit as set forth in the City of Detroit Charter, the Detroit City Code and any conflicting provisions in any collective bargaining agreements, rulings or opinions covering Members (including, without limitation, City Employment Terms). All resolutions and policies of the Board previously enacted which are inconsistent with the provisions of this Plan Document are also hereby repealed to the extent of such inconsistency.

Sec 1.2. Retirement System Intended to be Tax-Qualified; Governmental Plan

The Retirement System is a governmental plan under Section 414(d) of the Internal Revenue Code which is intended to be a qualified plan and trust pursuant to applicable provisions of the Internal Revenue Code. The Board shall construe and administer the provisions of the Retirement System in a manner that gives effect to the tax-qualified status of the Retirement System.

Sec 1.3. Compliance With Plan of Adjustment

The Retirement System is intended to comply with all relevant provisions (including Exhibits) of the Plan for the Adjustment of Debts of the City of Detroit, as approved by the United States Bankruptcy Court in *In re City of Detroit, Michigan, Case No. 13-53846* ("Plan of Adjustment"). Component I and Component II of the Combined Plan shall be interpreted and construed by the City, the Board of Trustees and the Retirement System to give full effect to the Plan of Adjustment. To the extent that a conflict arises between the Combined Plan Document and the Plan of Adjustment, the City, the Board of Trustees, the Investment Committee and the Retirement System are directed to interpret any inconsistency or ambiguity to give full effect to the Plan of Adjustment.

Sec 1.4. Board of Trustees

An eligible Employee's membership in the Retirement System shall be automatic; no eligible Employee shall have the option to elect to become a Member of the Retirement System.
- (2) Any appointive official of the Police Department or Fire Department appointed from the membership thereof shall be permitted to remain a Member, paying contributions and entitled to benefits as though he had remained in the rank, grade or position held at the date of his appointment.
- (3) Any Police Officer or Fire Fighter who, prior to being confirmed, shall be killed or Totally Disabled as the result of the performance of active duty, shall be deemed to have been a Member as of his or her date of death.

Sec 3.2. Cessation of Membership; Re-Employment

- (1) If a Member dies, or is separated from service with the City by resignation, dismissal, retirement or disability, he shall cease to be a Member. A Member who elects to participate in the DROP Program under Component I, Component II or both shall be considered to have separated from service with the City by reason of retirement and shall neither accrue a benefit under the Retirement System nor be required to make Mandatory Employee Contributions to the Retirement System pursuant to Section 9.3(3) or 9.5 or permitted to make Voluntary Employee Contributions pursuant to Section 10.1.
- (2) If a Member ceases to be a Member under paragraph (1) other than by reason of participation in the DROP Program and later becomes a Police Officer or Fire Fighter other than in the position of Police Assistant, he shall again become a Member, subject to the obligations of a Member.
- (3) If a Member ceases to be a Member under paragraph (1) and later becomes employed as a Police Assistant, such Member shall not become a Member upon reemployment. If such Member was receiving a Retirement Allowance from the Retirement System prior to his or her date of rehire, such Retirement Allowance shall not be suspended during the period of the Member's reemployment as a Police Assistant.
- (4) Retirement benefits for a Retiree who returns to active full time employment other than as a Police Assistant shall be subject to the following:

- (b) A Retiree who returns to work will be entitled to receive a second Retirement Allowance in accordance with the provisions of the Retirement System in effect during his re-employment period.
- (c) A Retiree's Average Final Compensation and Credited Service for purposes of determining the Retiree's second Retirement Allowance will be based upon the Compensation and Credited Service earned by the Retiree after he returns to work.
- (d) An individual who retires for a second time will not be allowed to change the payment option selected by the Member with respect to the original Retirement Allowance. However, the individual may select a separate payment option with respect to his second Retirement Allowance.

Sec 3.3. Report From City

It shall be the duty of the City to submit to the Board of Trustees a statement showing the name, title, compensation, duties, date of birth, date of hire, and length of service of each Member, and such other information as the Board of Trustees may require or reasonably request for proper administration of the Retirement System.

ARTICLE 4. SERVICE CREDIT

Sec 4.1. Credited Service

- (1) The Board shall keep an accurate record of each Member's accumulated Service credit from the date of commencement of employment with the City to the date of termination of employment with the City.
- (2) A Member shall be credited with one month of Credited Service for each calendar month during which he performs one hundred forty (140) or more Hours of Service for the City as a Police Officer or Fire Fighter beginning on the later of (i) July 1, 2014 or (ii) his date of hire with the City as a Police Officer or Fire Fighter and ending on the date his employment with the City as a Police Officer or Fire Fighter is terminated. Service shall be credited in years and twelfths ($1/12^{\text{th}}$) of a year. Not more than one-twelfth ($1/12^{\text{th}}$) of a year of Credited Service shall be credited to a Member on account of all Service rendered to the City in a calendar month. Not more than one year of Credited Service shall be credited to a Member on account of all Service rendered to the City in any period of 12 consecutive months.
- (3) Not more than one month of Credited Service shall be granted for any period of more than one month during which the Member is absent without pay; notwithstanding the foregoing, any Member who shall be suspended from duty and subsequently reinstated to duty without further disciplinary action shall receive credit for the time of such period of suspension.
- (4) Solely for purposes of determining eligibility for a retirement benefit under Sections 5.1 and 5.4, a Member shall be credited with the sum of his Prior Service as determined by the Board and his Credited Service on and after July 1, 2014 determined under Section 4.1(2). The period of time during which a Member is on layoff from the service of the City shall be included in the Member's Credited Service solely for the purposes of determining whether the Member has attained his Normal Retirement Age for purposes of Section 5.1.

Sec 4.2. Vesting Service

- (1) A Member shall be credited with a year of Vesting Service for each Plan Year commencing on or after July 1, 2014 during which the Member performs 1,000 or more Hours of Service for the City.
- (2) A Member's total Vesting Service shall be the sum of his Prior Service and his Service determined under Section 4.2(1).

Sec 4.3. Service Credit; Military Service

A Member who enters the military service of the United States while employed with the City shall have the period of such military service credited as City Service in the same manner as if the Member had served the City without interruption, provided that (1) the Member's entry into such military service and re-employment thereafter shall be in accordance with applicable

laws, ordinances, and regulations of the State of Michigan and the City, (2) he or she is re-employed by the City upon completion of such military service, and (3) the Member contributes to the Retirement System the Mandatory Employee Contributions that would have been made by the Member but for the Member's military service. The Member shall be permitted to make such contributions in accordance with Code Section 414(u) and regulations thereunder. During the period of military service and until return to City employment, the Member's Mandatory Employee Contributions to the Retirement System shall be suspended.

Sec 4.4. Service Credit; Qualified Military Service

Notwithstanding any provision of this Combined Plan Document to the contrary, contributions, benefits, and service credit with respect to qualified military service under Component I, shall be provided in accordance with Code Section 414(u). Notwithstanding anything to the contrary herein, if a Member dies while performing qualified military service (as defined in Code Section 414(u)), to the extent required by Code Section 401(a)(37), the survivors of the Member are entitled to any additional benefits (if any, and other than benefit accruals relating to the period of qualified military service) provided under the Retirement System as if the Member had resumed and then terminated employment on account of death.

Notwithstanding anything to the contrary herein, if the City decides to provide Differential Wage Payments to individuals who are performing service in the uniformed services (as defined in Chapter 43 of Title 238, United States Code) while on active duty for a period of more than thirty days, such Differential Wage Payment will be treated as compensation under the Code Section 415(c)(3) limits, but not for purposes of benefit accruals under the Retirement System. For these purposes the term "Differential Wage Payment" means a payment defined in Code Section 3401(h)(2) that is made by the City to an individual who is performing service in the uniformed services while on active duty for a period of more than thirty days.

ARTICLE 5. ELIGIBILITY FOR RETIREMENT

Sec 5.1. Eligibility for Unreduced Normal Retirement Benefit

Any Member who attains his Normal Retirement Age while employed by the City may retire upon written application filed with the Board setting forth the date on which the Member desires to be retired. The date of retirement shall be effective as of the first day following the later of (i) the Member's last day on the City payroll, or (ii) the date the Member executes and files an application for retirement, notwithstanding that the Member may have separated from Service during the notification period. Such a Member shall be entitled to receive an unreduced Retirement Allowance calculated as provided in Section 6.1 and payable in a form of payment selected by the Member pursuant to Section 8.1.

Sec 5.2. Eligibility for Deferred Vested Retirement Benefit

Any Member who terminates employment with the City prior to satisfying the requirements for receipt of a retirement benefit under Section 5.1 and who is credited with ten (10) or more years of Vesting Service upon his or her termination of employment (regardless of Age) shall be entitled to receive an unreduced Retirement Allowance commencing at any time following his Attainment of Age sixty-two. At a Member's election, the Member may begin receiving a Retirement Allowance following his Attainment of Age fifty-five, actuarially reduced for early commencement, in lieu of an unreduced Retirement Allowance beginning at age sixty-two. Deferred vested retirement benefits shall be payable in accordance with a form of payment selected by the Member pursuant to Section 8.1.

Sec 5.3. Eligibility for Disability Retirement Benefit – Duty Disability

- (1) If, prior to attainment of his Normal Retirement Date, a Member shall become Totally Disabled for duty by reason of injury, illness or disease resulting from performance of duty and if, pursuant to Section 5.6, the Board shall find such injury, illness or disease to have resulted from the performance of duty, on written application to the Board by or on behalf of such Member or by the head of his Department such Member shall be retired; notwithstanding that during such period of notification he or she may have separated from service and provided further that the Medical Director, after examination of such Member shall certify to the Board the Member's Total Disability. A Member who retires as a result of duty disability shall receive for a period of twenty-four months the sum of:
 - (a) a basic benefit equal to fifty percent (50%) of his Final Compensation at the time his duty disability retirement begins, and
 - (b) a supplemental benefit equal to sixteen and two-thirds percent (16-2/3%) of his Final Compensation at the time his duty disability retirement begins.

Subject to Section 9.5, on the first day of each Plan Year, a Member's duty disability benefit will be increased as provided in Section 6.2.

- (2) After a Member receives benefits hereunder for a period of twenty-four months, the Board will determine whether the Member is disabled from any occupation. If the

Member is disabled from any occupation, the Member shall continue to receive the benefit provided in paragraphs (1)(a) and (1)(b) until such time as the Member would have attained twenty-five years of Credited Service had he continued in active Service with the City. At that time, the Member shall continue to receive the benefit described in paragraph 1(a) above; however, benefits described in paragraph (1)(b) above will cease. If the Member is not disabled from any occupation, he shall continue to receive the benefit described in paragraph (1)(a) above; benefits described in paragraph 1(b) will cease.

- (3) In the event a Member receiving duty disability benefits has attained twenty-five years of Credited Service, duty disability benefits shall continue to be paid to the Member until the earlier of (i) the Member's Attainment of Age sixty-five, or (ii) the date the Member ceases to be Totally Disabled as determined by the Board. Upon termination of disability or Attainment of Age sixty-five, a Member with twenty-five years of Credited Service shall be eligible to receive a Retirement Allowance as provided in Section 6.1. The amount of such Retirement Allowance shall be equal to the amount which would have been payable to the Member if the Member's conversion from duty disability retirement to a Retirement Allowance had occurred on the date the Member attained twenty-five years of Credited Service.
- (4) If a Member on duty disability retirement returns to active Service with the City and shall re-qualify for duty disability retirement for the same or related reasons within twenty-four months of his return to active Service, then the disability shall be deemed a continuation of the prior Total Disability and the period of the Member's active Service following the return to work will not qualify the Member to be entitled to a new initial determination of disability for purposes of determining the benefit payable to the Member. Instead, such Member will return to duty disability retirement benefits based on the number of months of disability with which the Member was credited at the time of his return to active Service, as if there had not been a break in his period of duty disability retirement.
- (5) During the period a Member is eligible to receive duty disability benefits under this Section 5.3, the Member shall continue to be credited with Credited Service until the Member accrues twenty-five years of Credited Service, at which time accrual of Credited Service shall cease.
- (6) In the event that a recipient of a duty disability retirement benefit receives earned income from gainful employment during a calendar year, the amount of the Member's disability benefit payable during the next subsequent Plan Year will be adjusted so it does not exceed the difference between (i) the Member's base salary at the date of duty disability, increased by the variable Pension Improvement Factor (Escalator) (if any) applicable to such benefit pursuant to Section 6.2 multiplied by the number of full Plan Years from the date of the Member's duty disability to the year in which the earnings offset is applied, and (ii) the amount of the Member's remuneration from gainful employment during the prior calendar year. The amount of income received by a Member shall be determined by the Board based upon information received from the Member or based upon information secured from other reliable sources. Furnishing such information to the Board at such

times as the Board shall require shall be a condition for the Member's continued eligibility for duty disability benefits.

Sec 5.4. Eligibility for Disability Retirement Benefit – Non-Duty Disability

- (1) Upon the application of a Member or the Member's Department head, a Member who becomes totally and permanently disabled prior to his or her Normal Retirement Date in the employ of the City not resulting from the performance of duty shall be retired by the Board; provided that the Medical Director shall certify to the Board after a medical examination, that such Member is mentally or physically totally and permanently disabled for the further performance of duty to the City. Such a Member shall receive the following applicable benefits:
 - (a) If such Member has less than five years of Credited Service at the time of his disability retirement, his Accumulated Mandatory Employee Contributions standing to his credit in the Accumulated Mandatory Employee Contributions Fund shall be returned to him, or at his option he shall receive a cash refund annuity which shall be the actuarial equivalent of his Accumulated Mandatory Employee Contributions.
 - (b) If such Member has five or more years of Credited Service at the time of his disability retirement, he shall receive a disability Retirement Allowance computed in accordance with the provisions of Section 6.1 payable in any of the optional forms provided in Section 8.1 hereof. His annual Straight Life Retirement Allowance shall not be less than twenty per cent (20%) of his Average Final Compensation.
- (2) If a Member receiving non-duty disability retirement benefits is or becomes engaged in a gainful occupation, business, or employment paying more than the difference between the disabled Member's Retirement Allowance and Average Final Compensation, the Member's Retirement Allowance shall be reduced by the amount of such difference. If the amount of the Retiree's earnings changes, the Retirement Allowance may be adjusted accordingly. The amount of income received by a Member shall be determined by the Board based upon information received from the Member or based upon information secured from other reliable sources. Furnishing such information to the Board at such times as the Board shall require shall be a condition for the Member's continued eligibility for non-duty disability benefits.

Sec 5.5. Disability Retirees; Reexamination

- (1) At least once each year during each year following the retirement of a Member under Section 5.3 or Section 5.4, the Board shall require that such disability Retiree who has not attained his Normal Retirement Age undergo a medical examination, to be made by, or under the direction of the Medical Director; provided, however, that medical examinations shall not be required if the Medical Director determines that the Retiree's condition is permanent and there is no need for further reexamination. Retirees shall be reimbursed for reasonable costs actually incurred by the Retirees in connection with such

examinations. Should any such Retiree who has not attained Normal Retirement Age fail to submit to a required medical examination, the Retiree's Retirement Allowance may be suspended by the Board until the examination is completed. Should such failure continue for one year, all of the disability Retiree's rights in and to the duty or non-duty disability Retirement Allowance may be revoked by the Board. If upon such examination of a Retiree, the examiner reports that the Retiree is no longer Totally Disabled, and such report is concurred in by the Board, the Retiree shall be restored to active service with the City and the Retirement Allowance paid pursuant to Section 5.3 or Section 5.4 shall be suspended until the Retiree terminates active Service with the City.

- (2) A disabled Retiree who has been, or shall be, reinstated to active Service in the employ of the City shall again become a Member. All Credited Service at the time of the disability retirement shall be restored to the Member.

Sec 5.6. Disability Benefits; Procedures for Determination of Disability

- (1) The Board shall establish procedures for determining whether a Member is Totally Disabled. Such procedures shall be consistent with any collective bargaining agreements between the City and the unions covering Police Employees and Fire Employees.
- (2) If a Member is determined to be Totally Disabled under Section 5.3(1) or 5.4(1), the Board or its designee will examine the pension file, including the submissions of the Member and the Police or Fire Department, to determine if there is any dispute as to whether the disability "resulted from the performance of duty" within the meaning of the Combined Plan. If it is undisputed that the disability did result from the performance of duty, the Board will grant duty disability retirement benefits. If it is undisputed that the disability did not result from the performance of duty, the Board will grant non-duty disability retirement benefits, provided the Member meets the other conditions of eligibility. If the performance of duty issue is in dispute, the Board will refer the matter to arbitration by a member of the Disability Retirement Review Board ("DRRB"). The decision of the DRRB member as to whether the disability resulted from the performance of duty shall be final and binding upon the Member, the Department and the Board. The DRRB shall consist of three qualified arbitrators who will be individually assigned in rotating order to decide the matters referred to arbitration by the Board. The three members of the DRRB shall be disinterested persons qualified as labor arbitrators and shall be selected in accordance with agreements between the City and the unions representing Members. The procedure for the termination of DRRB members and the selection of new DRRB members also shall be carried out in accordance with the agreements between the City and the unions representing Members.
- (3) The hearing before a member of the DRRB will be conducted in accordance with the following procedures:
 - (a) The Member and the City will have the right to appear in person or otherwise may be represented by counsel if they wish and will be afforded an equal opportunity to present evidence relevant to the issues;

- (b) A court reporter will be present and make a stenographic record of the proceedings;
 - (c) The hearing will be closed to the public, except that the Member may select one person to be with him or her in the hearing room; provided, however, that person may not testify;
 - (d) The witnesses will be sequestered;
 - (e) The witnesses will be sworn by the court reporter and testify under oath;
 - (f) The Member may not be called by the City as an adverse witness;
 - (g) The DRRB member will apply the rules of evidence and follow the procedures which are customarily applied and followed in labor arbitration cases;
 - (h) If the Member wishes to have an employee of the City released from duty to appear as a witness on his or her behalf, the Member may so inform the Board in writing which, in turn, will submit a written request to the appropriate Department executive for the release of the employee for the purpose of so testifying;
 - (i) The DRRB member will afford the parties an opportunity for the presentation of oral argument and/or the submission of briefs;
 - (j) The DRRB member will issue a written decision containing credibility resolutions as necessary, findings of fact and conclusions with respect to all relevant issues in dispute;
 - (k) The authority of the DRRB member is limited to deciding whether or not the Member's disability "resulted from the performance of duty" within the meaning of the Combined Plan. The DRRB member shall have no authority to add to, subtract from, modify or disregard the terms of the Combined Plan: and
 - (l) The costs associated with the hearing, including the arbitrator's fees and expenses and the court reporter's fees and expenses, will be paid by the Retirement System.
- (4) If a disability Retiree is determined by the Board to no longer be Totally Disabled, he or she may appeal that determination within seven (7) days thereof by filing a written request with the Board for a re-examination. The Board shall promptly arrange for such re-examination. The Member's disability benefits will be continued pending that final and binding medical finding, and if the finding is that the Member is no longer Totally Disabled, his or her disability benefits will be further continued while the Police or Fire Department conducts such examinations and/or investigations as necessary to determine whether the Member is qualified for reappointment to active duty. In the event that the examinations and/or investigations conducted by the Police Department result in a determination that a Member represented by DPLSA is not qualified, for medical reasons, for reappointment to active duty, disability benefits will be continued.

- (5) The Board shall not act upon or grant the application filed by a Member who, although he or she is not capable of performing the full duties of a Police Employee or Fire Employee, has not suffered any diminishment of his or her base wages or benefits because he or she is either:
 - (a) regularly assigned to a position, the full duties of which he or she is capable of performing; or
 - (b) assigned to a restricted duty position, unless the Member's Department advises that it intends to seek a disability retirement for the Member in the foreseeable future.
- (6) The provisions in paragraph (5) above are not intended to and will not:
 - (a) affect the right of a Member to seek a disability retirement when no restricted duty position is available; or
 - (b) restrict in any way the existing authority of the Chief of Police or the Fire Commissioner to seek a duty or non-duty disability retirement for a Member for that Member at that time to request a duty or non-duty disability retirement.

Sec 5.7. Return of Accumulated Mandatory Contributions to Non-Vested Member

If a Member ceases employment with the City before becoming eligible for a Retirement Allowance under Section 5.1 or 5.2 or a disability Retirement Allowance pursuant to Section 5.3 or 5.4, the Member may elect to receive distribution of the Accumulated Mandatory Employee Contributions made to the Retirement System by such Member. If a Member elects to receive his Accumulated Mandatory Employee Contributions, such amounts shall be paid to the Member in a lump sum payment or in equal monthly installments for a period not to exceed three years, according to such rules and regulations as the Board may adopt from time to time.

Sec 5.8. Benefits Offset by Compensation Benefits; Subrogation

- (1) Any amounts which may be paid or payable to a Member, Retiree, or Beneficiary on account of disability or death under the provisions of any Workers' Compensation, pension, or similar law, except federal Social Security old-age and survivors' and disability insurance benefits, shall be an offset against any amounts payable from funds of the Retirement System (Component I and Component II combined) on account of the same disability or death. If the present value of the benefits payable under said Workers' Compensation, pension, or similar law, is less than the Pension Reserve for the Retirement Allowance payable by the Retirement System (under both Component I and Component II), the present value of the said Workers' Compensation, pension, or similar legal benefit shall be deducted from the amounts payable by the Retirement System (under both Component I and Component II), and such amounts as may be provided by the Retirement System, so reduced, shall be payable as provided in this Combined Plan Document.

- (2) In the event a person becomes entitled to a pension payable by the Retirement System because of an accident or injury caused by the act of a third party, the Retirement System shall be subrogated to the rights of said person against such third party to the extent of the benefit which the Retirement System pays or becomes liable to pay.

ARTICLE 6. RETIREMENT ALLOWANCE; VARIABLE PENSION IMPROVEMENT FACTOR (ESCALATOR)

Sec 6.1. Retirement Allowance

The Retirement Allowance payable to a Member commencing at the later of his Normal Retirement Age or his actual retirement from employment with the City in the form of a Straight Life Retirement Allowance shall be equal to two percent (2%) of the Member's Average Final Compensation multiplied by the Member's years (computed to the nearest one-twelfth ($1/12^{\text{th}}$) year) of Credited Service earned after June 30, 2014.

Sec 6.2. Variable Pension Improvement Factor (Escalator)

Except as provided in Section 9.5, beginning July 1, 2015 and effective the first day of each Plan Year thereafter, the Board may determine that the annual Retirement Allowance of a Member shall be increased by a factor of one percent (1.0%), computed each year on the basis of the amount of the original Retirement Allowance received at the time of Retirement ("Pension Improvement Factor (Escalator)"); provided, that the recipient of said Retirement Allowance shall have been receiving a Retirement Allowance for a period of not less than twelve months prior to the first day of such Plan Year. The Pension Improvement Factor (Escalator) shall be compounded.

ARTICLE 7. DEATH BENEFITS

Sec 7.1. Accidental Death Benefit; Performance of Duty

- (1) If a Member is killed in the performance of duty in the service of the City, or dies as the result of illness contracted or injuries received while in the performance of duty in the service of the City, and such death, illness, or injury resulting in death, is found by the Board to have resulted from the actual performance of duty in the service of the City, the following benefits shall be paid:
 - (a) the Accumulated Mandatory Employee Contributions standing to his or her credit in the Accumulated Mandatory Employee Contributions Fund at the time of his or her death shall be paid to such person or persons as the Member shall have nominated by written designation duly executed and filed with the Board. If no such designated person survives the Member, the said Accumulated Mandatory Employee Contributions shall be paid to the Member's legal representative, subject to paragraph (e) of this Section 7.1(1).
 - (b) the surviving spouse shall receive a pension of five-elevenths of the Member's Final Compensation payable for the spouse's lifetime. If the Member's child or children under age eighteen years also survive the deceased Member, each such child shall receive a pension of one-tenth of such Final Compensation; provided, that if there are more than two such surviving children under age eighteen years, each such child's pension shall be an equal share of seven thirty-thirds of such Final Compensation. Upon the death, marriage, adoption, or Attainment of Age eighteen years of any such child, his or her pension shall terminate and there shall be a redistribution of the benefit by the Board to the deceased Member's remaining eligible children, if any; provided, that in no case shall any such child's pension exceed one-tenth of the Member's Final Compensation. In no case shall the total of the benefits provided for in this paragraph (b), payable on account of the death of a Member exceed two-thirds of the Member's Final Compensation.
 - (c) if no surviving spouse survives the deceased Member or if the Member's surviving spouse dies before his youngest unmarried surviving child attains Age eighteen years, his unmarried child or children under Age eighteen years shall each receive a pension of one-fourth of the Member's Final Compensation; provided that if there are more than two such surviving children under age eighteen years, each such child's pension shall be an equal share of one-half of such Final Compensation. Upon the death, marriage, adoption, or Attainment of Age eighteen years of any such child, his or her pension shall terminate and there shall be a redistribution by the Board to the deceased Member's remaining eligible children, if any; provided, that in no case shall any such child's pension exceed one-fourth of the Member's Final Compensation.
 - (d) if the Member has no surviving spouse or surviving children under Age eighteen years and if the Member leaves surviving either a father or mother or both, whom the Board shall find to be actually dependent upon such Member for financial

support, such dependent father and mother shall each receive a pension of one-sixth of the Member's Final Compensation.

- (e) If a Member dies intestate, without having designated a person or persons, as provided in paragraph (a) of this Section 7.1(1), and without heirs, the amount of his Accumulated Mandatory Employee Contributions in the Accumulated Mandatory Employee Contribution Fund, not to exceed a reasonable sum, to be determined by the Board, shall be used to pay his burial expenses, provided the Member leaves no other estate sufficient for such purpose. Any balance credited to such Member in the Accumulated Mandatory Employee Contribution Fund, and not used for burial expenses shall remain a part of the funds of the Retirement System and shall be transferred to the Pension Accumulation Fund.

Sec 7.2. Non-Duty Death Benefits

The surviving spouse of any Member who dies while in the employ of the City (other than in the performance of duty) after the date such Member has earned ten or more years of Credited Service, shall receive a Retirement Allowance computed in the same manner in all respects as if said Member had (i) retired effective on the day preceding the Member's death, notwithstanding that the Member had not attained Normal Retirement Age, (ii) elected a Joint and One Hundred Percent Survivor Allowance as described in Section 8.1, and (iii) nominated the surviving spouse as Beneficiary.

Sec 7.3. Refund of Accumulated Mandatory Contributions Upon Death of Member

If a Member who is not covered by Section 7.1 dies while employed by the City or following termination of employment but prior to commencement of a Retirement Allowance, the Member's Accumulated Mandatory Employee Contributions to the Retirement System at the time of death shall be paid to the Beneficiary nominated in a written designation duly executed by the Member and filed with the Board. In the event there is no such designated Beneficiary surviving, the Member's Accumulated Mandatory Employee Contributions shall be paid to the Member's estate. If a Member who dies without a legal will has not nominated a Beneficiary, the Member's Accumulated Mandatory Employee Contributions at the time of death may be used to pay burial expenses if the Member leaves no other estate sufficient for such purpose. Such expenses shall not exceed a reasonable amount as determined by the Board.

ARTICLE 8. FORMS OF PAYMENT

Sec 8.1. Retirement Allowance Options

- (1) Until the date the first Retirement Allowance payment check is issued, any Member may elect to receive a Straight Life Retirement Allowance payable throughout life, or the Member may elect to receive the Actuarial Equivalent of the Straight Life Retirement Allowance computed as of the effective date of retirement, in a reduced Retirement Allowance payable throughout life, and nominate a Beneficiary, in accordance with the options set forth below:
 - (a) *Option One. Cash Refund Annuity.* A Retiree will receive a reduced Retirement Allowance for as long as he or she lives, provided that if the Retiree dies before payment of the Accumulated Mandatory Employee Contributions made to the Retirement System on and after July 1, 2014 has been received in an aggregate amount equal to, but not exceeding the Retiree's Accumulated Mandatory Employee Contributions at the time of retirement, the difference between said Accumulated Mandatory Employee Contributions and the aggregate amount of annuity payments already received, shall be paid in a single lump sum to a Beneficiary nominated by written designation duly executed by the Member and filed with the Board. If there are no such designated Beneficiaries surviving said Retiree, any such difference shall be paid to the Retiree's estate.
 - (b) *Option Two. Joint and Seventy-Five Percent Survivor Allowance.* Upon the death of a Retiree who elected a Joint and Seventy-Five Percent Survivor Allowance, seventy-five percent of the Member's reduced Retirement Allowance shall be continued throughout the life of and paid to the Beneficiary nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the Retirement Allowance becomes due.

 - (b) *Pop-up Form.* Under the Pop-up Form, the reduced Retirement Allowance shall be paid throughout the lifetime of the Retiree and the designated Beneficiary. In the event of the death of the designated Beneficiary during the lifetime of the Retiree, the amount of the Retirement Allowance payable to the Retiree shall be changed to the amount that would have been payable had the Retiree elected the Straight Life Retirement Allowance Form of Payment.

Sec 8.2. Disposition of Surplus Benefits upon Death of Retiree and Beneficiary

If under a Joint and One Hundred Percent Survivor allowance, a Joint and Seventy-Five Percent Survivor allowance, a Joint and Fifty Percent Survivor allowance or a Joint and Twenty-Five Percent Survivor allowance as provided for under Section 8.1, both a Retiree and Beneficiary die before they have received in Retirement Allowance payments an aggregate amount equal to the Retiree's Accumulated Mandatory Employee Contributions (and if the Retiree makes an election pursuant to Section 10.4(2), his Accumulated Voluntary Employee Contributions) at the time of retirement, the difference between the said Accumulated Mandatory Employee Contributions (and Accumulated Voluntary Employee Contributions, if applicable) and the aggregate amount of Retirement Allowances paid to the Retiree and Beneficiary, shall be paid in a single lump sum to such person or persons nominated by written designation of the Retiree duly executed and filed with the Board. If there is no such person or persons surviving the Retiree and the Beneficiary, any such difference shall be paid to the estate of the Retiree or the Beneficiary, whichever is the last to die.

ARTICLE 9. FUNDING AND RESERVES

Sec 9.1. Funding Objective of the Retirement System

The funding objective of Component I of the Retirement System is to establish and receive City and Member contributions during each Plan Year that are sufficient to fully cover the actuarial cost of benefits anticipated to be paid on account of Credited Service rendered by Members during the Plan Year (the normal cost requirements of the Retirement System), and to amortize the unfunded actuarial costs of benefits likely to be paid on account of Credited Service rendered on or after July 1, 2014 and before the first day of the Plan Year (the unfunded actuarial accrued liability of the Retirement System).

Sec 9.2. Funds

Component I of the Retirement System shall consist of the Accumulated Mandatory Employee Contribution Fund, the Accumulated Voluntary Contribution Fund, the Deferred Retirement Option Program Fund (if applicable), the Medical Benefits Account Fund, the Pension Accumulation Fund, the Rate Stabilization Fund, the Expense Fund and the Income Fund, as follows:

- (1) The Accumulated Mandatory Employee Contribution Fund shall be the Fund in which shall be accumulated the contributions of Members to provide their Retirement Allowances. Upon the retirement, termination, disability or death of a Member with a Retirement Allowance, the Member's Accumulated Mandatory Employee Contributions shall be deemed to be part of the Pension Reserve which shall be used to pay the Member's or Beneficiary's Retirement Allowance.
- (2) The Accumulated Voluntary Employee Contribution Fund shall be the Fund in which shall be accumulated the voluntary after-tax contributions of Members, together with earnings thereon.
- (3) The Deferred Retirement Option Plan Fund shall be the fund in which shall be accumulated the amounts credited to the DROP Accounts of Members who have elected to participate in the DROP Program pursuant to Article 12, together with earnings thereon, provided that the DROP Accounts are held and invested within the Retirement System.
- (4) The Medical Benefits Account Fund shall be the fund in which shall be accumulated the amounts contributed to the Retirement System for the purposes of paying Medical Benefits.
- (5) The Pension Accumulation Fund shall be the fund in which shall be accumulated reserves for the Retirement Allowances and other benefits payable from that portion of the City's annual contribution that is not credited to the Rate Stabilization Fund and amounts transferred to Component I as provided in Section G-2(f) of Component II and from which shall be paid Retirement Allowances and other benefits on account of Members.

- (6) The Rate Stabilization Fund shall be the Fund to which shall be credited City contributions in excess of the amount of the City's contribution which is credited to the Pension Accumulation Fund and amounts transferred to Component I as provided in Section G-2(f) of Component II.
- (7) The Expense Fund shall be the fund to which shall be credited any money provided by the City, if any, to pay the administrative expenses of the Retirement System, and from which shall be paid certain expenses incurred in connection with the administration and operation of the Retirement System.
- (8) The Income Fund shall be the Fund to which shall be credited all interest, dividends, and other income derived from the investments of the assets of Component I of the Retirement System, all gifts and bequests received by Component I of the Retirement System, and all other moneys credited to Component I of the Retirement System, the disposition of which is not specifically provided for in this Article 9. There shall be paid or transferred from the Income Fund, all amounts required to credit earnings and losses to the various Funds of the Retirement System in accordance with the provisions of Component I of this Combined Plan Document. Amounts credited to the Income Fund in excess of amounts needed to credit earnings and losses of the Retirement System as provided in this Component I for any Plan Year shall be transferred to the Pension Accumulation Fund and used to pay Retirement Allowances and other benefits on account of Members.

Sec 9.3. Method of Financing Retirement System Benefits

- (1) The pension liabilities for Members under this Component I shall be determined by the Plan's Actuary using the entry-age normal cost method of actuarial valuation.
- (2) The City's annual contribution to finance the prospective pension liabilities during the nine Plan Year period commencing July 1, 2014 and ending June 30, 2023 shall be (a) eleven and two-tenths percent (11.2%) of the base Compensation of active employees who are members of the DFFA (for pay periods ending on or before the effective date of the 2014-2019 collective bargaining agreement between the City and DFFA) and members of DPOA (for pay periods ending on or before October 3, 2014) and (b) twelve and one-quarter percent (12.25%) of the base Compensation of active employees who are members of the DPCOA, the DPLSA, the DPOA (for pay periods beginning on or after October 3, 2014) and the DFFA (for pay periods beginning on or after the effective date of the 2014-2019 collective bargaining agreement between the City and DFFA). A portion of the City's annual contribution for each Plan Year shall be credited to the Rate Stabilization Fund. The remainder of the City's annual contribution shall be allocated to the Pension Accumulation Fund.
- (3) Except as provided in Section 9.5, for each Plan Year, a Member who was an active employee as of June 30, 2014 ("current active") shall contribute to the Retirement System an amount equal to six percent (6%) of his or her base Compensation for such Plan Year and a Member who is hired or rehired by the City on or after July 1, 2014 ("new employee") shall contribute to the Retirement System an amount equal to eight percent

(8%) of his or her base Compensation for such Plan Year. A Member's Mandatory Employee Contributions for the Plan Year beginning July 1, 2014 and ending June 30, 2015 shall commence as of the Member's first payroll date occurring in August 2014. The officer or officers responsible for processing the payroll shall cause a Member's Mandatory Employee Contributions to be deducted from the Member's Compensation on each and every payroll, for each and every payroll period, from the later of (i) the Member's first payroll date occurring in August 2014 and (ii) the Member's date of hire, to the date he ceases to be a Member. The contribution shall be deducted from the Members' Compensation, notwithstanding that the minimum compensation provided by law for any Member shall be reduced thereby. Payment of compensation, less said Mandatory Employee Contributions, shall be a complete discharge of all claims and demands whatsoever for the services rendered by the said Member during the period covered by such payment. Member Mandatory Employee Contributions will be used for the purpose of funding the normal cost of the Retirement System.

Sec 9.4. Member Contributions Picked-Up

- (1) The City shall pick up Member Mandatory Employee Contributions required pursuant to Sections 9.3(3) and 9.5 in accordance with Code Section 414(h).
- (2) The picked-up contributions, although designated as employee contributions shall be treated as City contributions for the purpose of determining a Member's tax treatment under the Internal Revenue Code. The City shall pay the contributions picked-up on behalf of a Member from the same source of funds that are used for paying compensation to the Member.
- (3) The City shall pick up Member Mandatory Employee Contributions by a reduction in the Member's cash salary or an offset against a future salary increase, or both. The City shall designate the Mandatory Employee Contributions that are picked-up and paid to the Retirement System as employer contributions and not as employee contributions. No Member who participates in the Retirement System shall have the option of choosing to receive the contributed amounts directly instead of having those amounts paid by the City to the Retirement System.

Sec 9.5. Fiscal Responsibility: Benefit Reductions and Increased Funding Obligations

- (1) To safeguard the long-term actuarial and financial integrity of the Retirement System, in the event the funding level of Component I of the Retirement System projected over a five year period falls below ninety percent (90%), the Trustee may not award the variable Pension Improvement Factor (Escalator) described in Section 6.2 to any individual beginning with the Plan Year following the Plan Year in which such determination is made and continuing until the funding level is restored to not less than ninety percent (90%).
- (2) In the event the funding level of the Retirement System projected over a five year period falls below ninety percent (90%), the following remedial action shall be required in the order set forth below, beginning with the Plan Year following the Plan Year in which

such determination is made and continuing until the funding level is projected to be one hundred percent (100%) on a market value basis within the next five years:

- (a) the remedial action required in Section 9.5(1) shall be implemented or continued;
 - (b) all amounts credited to the Rate Stabilization Fund shall be transferred to the Pension Accumulation Fund for the purposes of funding benefits payable under the Retirement System;
 - (c) Mandatory Employee Contributions for active and new employees shall be increased by one percent (1%) for up to the next following five Plan Years;
 - (d) Mandatory Employee Contributions for active and new employees shall be increased by an additional one percent (1%) per year;
 - (e) Mandatory Employee Contributions for active and new employees shall be increased by an additional one percent (1%) per year;
 - (f) the Retirement Allowance payable to a Retiree shall not include the variable Pension Improvement Factor (Escalator) that was most recently paid to the Retiree on the date the funding level is projected to fall below ninety percent (90%);
 - (g) the Retirement Allowance payable to a Retiree shall not include the variable Pension Improvement Factor (Escalator) that was most recently added to the Member's Retirement Allowance for the Plan Year preceding the Plan Year referenced in paragraph (f) above;
 - (h) Mandatory Employee Contributions for active and new employees shall be increased by an additional one percent (1%) per year; and
 - (i) contributions made to the Retirement System by the City shall be increased, consistent with applicable actuarial principles and the *Public Employee Retirement System Investment Act, as amended, MCL 38.1132 et seq.*
- (3) For purposes of this Section 9.5, the "funding level" shall mean the ratio of the market value of the assets of Component I of the Retirement System to the actuarial accrued liability of Component I of the Retirement System. The actuarial accrued liability shall be calculated by the Plan's Actuary utilizing an interest rate assumption of six and three-quarters percent (6.75%) and other reasonable assumptions as directed by the Board upon the recommendation of the Investment Committee. The market value of assets shall be determined on the basis of a three-year look back period of smoothed investment returns.

ARTICLE 10. VOLUNTARY EMPLOYEE CONTRIBUTIONS

Sec 10.1. Voluntary Employee Contributions; Amount; Vesting

Subject to procedures established by the Board, a Member who is covered by a collective bargaining agreement with the City that permits the Member to make Voluntary Employee Contributions to Component I of the Retirement System may elect to reduce his Compensation for any Plan Year by a whole percentage not less than one percent (1%) nor more than ten percent (10%) and have such amount contributed by the City to a Voluntary Employee Contribution Account maintained on his behalf under Component I of the Retirement System. A Member represented by the DPOA may elect to reduce the amount paid to him or her by the City for accumulated sick leave in excess of 400 hours by a whole percentage not less than one percent (1%) nor more than one hundred percent (100%) of such amount and have such amount contributed by the City to a Voluntary Employee Contribution Account maintained on his behalf under Component I of the Retirement System. Voluntary Employee Contributions shall be made to the Retirement System on an after-tax basis. Amounts credited to a Member's Voluntary Employee Contribution Account shall be one hundred percent (100%) vested at all times.

Sec 10.2. Changing an Election to Contribute

A Member may change or revoke an election to make Voluntary Employee Contributions to the Retirement System pursuant to this Article 10 in such manner and with such advance notice as the City shall determine. Notwithstanding the foregoing, a Member shall be permitted to change such election not less frequently than annually.

Sec 10.3. Individual Member Accounting; Crediting of Earnings

The Board shall maintain a Voluntary Employee Contribution Account on behalf of each Member who elects to make Voluntary Employee Contributions to the Retirement System. Each Plan Year, a Member's Voluntary Employee Contribution Account shall be credited with earnings at a rate equal to the actual net investment rate of return on the assets of the Retirement System for the second Fiscal Year immediately preceding the Fiscal Year in which the earnings are credited; in no event, however, shall the earnings rate credited to a Member's Voluntary Employee Contribution Account for any Plan Year be less than zero percent (0%) nor greater than five and one-quarter percent (5.25%).

Sec 10.4. Distribution of Accumulated Voluntary Employee Contributions

- (1) If a Member ceases employment with the City other than by reason of death, the Member may elect to receive distribution of the Accumulated Voluntary Employee Contributions made to the Retirement System by such Member. If a Member elects to receive his Accumulated Voluntary Employee Contributions, such amounts shall be paid to the Member in a lump sum payment or in equal monthly installments for a period not to exceed three years, according to such rules and regulations as the Board may adopt from time to time.
- (2) In lieu of receiving distribution of his Accumulated Voluntary Employee Contributions as provided in Section 10.4(1), a Member may elect to have the Actuarial Equivalent

Value of his Accumulated Voluntary Employee Contributions added to his Retirement Allowance and paid in the form of an annuity described in Section 8.1.

- (3) If a Member dies while employed by the City or following termination of employment but prior to receiving distribution of the Member's Accumulated Voluntary Employee Contributions, the amounts credited to the Member's Voluntary Employee Contribution Account at the time of death shall be paid to the Beneficiary nominated in a written designation duly executed by the Member and filed with the Board. In the event there is no such designated Beneficiary surviving, the Member's Accumulated Voluntary Employee Contributions shall be paid to the Member's estate. If a Member who dies without a legal will has not nominated a Beneficiary, the Member's Accumulated Voluntary Employee Contributions at the time of death may be used to pay burial expenses if the Member leaves no other estate sufficient for such purpose. Such expenses shall not exceed a reasonable amount as determined by the Board.

ARTICLE 11. LOAN PROGRAM FOR VOLUNTARY EMPLOYEE CONTRIBUTIONS

Sec 11.1. The Loan Program

A loan program shall be available to Members who have amounts credited to a Voluntary Employee Contributions Account. The Board is authorized to adopt rules and regulations, from time to time, to govern the administration and the operation of the loan program. Copies of the rules shall be made available to eligible Members in the offices of the Retirement System. Any loans granted or renewed under the Retirement System shall be made and administered pursuant to and in compliance with Section 72(p) of the Internal Revenue Code and regulations thereunder.

Sec 11.2. Eligibility for Loan

Subject to the rules and procedures established by the Board, loans may be made to eligible Members from such Member's Voluntary Employee Contribution Account. An eligible Member is any Member who has participated in the Retirement System for twelve (12) months or more. Former Members, spouses and Beneficiaries are not eligible to receive any loans from the Retirement System. No Member shall have more than two (2) outstanding loans from the Retirement System (Component I and/or Component II) at any time. A Member who has previously defaulted on a loan under either Component I or Component II of the Combined Plan shall not be eligible for a loan from the Retirement System.

Sec 11.3. Amount of Loan

An eligible Member who has satisfied applicable rules and procedures established by the Board may borrow from his Voluntary Employee Contribution Account an amount, which does not exceed the lesser of (i) fifty percent (50%) of the Member's Voluntary Employee Contribution Account balance, and (ii) Fifteen Thousand Dollars (\$15,000.00), in each case reduced by the excess, if any, of: (1) the Member's highest outstanding loan balance under the Retirement System (both Component I and Component II) during the one (1) year period ending on the day before the date on which the loan is made, or (2) the outstanding loan balance under the Retirement System (both Component I and Component II) on the date on which the loan is made, whichever is less. The minimum loan amount shall be One Thousand Dollars (\$1,000.00).

Sec 11.4. Terms and Conditions

In addition to such rules and procedures that are established by the Board, all loans shall comply with the following terms and conditions:

- (a) Each loan application shall be made in writing.
- (b) All loans shall be memorialized by a collateral promissory note for the amount of the loan, including interest, payable to the order of the Retirement System and properly executed by the Member.
- (c) Each loan shall be repaid by substantially equal payroll deductions over a period not to exceed five (5) years, or, where the loan is for the purpose of buying a

principal residence, a period not to exceed fifteen (15) years. In no case shall the amount of the payroll deduction be less than Twenty Dollars (\$20.00) for any two-week pay period. A Member receiving a loan will be required to authorize payroll deductions from his compensation in an amount sufficient to repay the loan over its term.

- (d) An amount equal to the principal amount of the loan to a Member (but not more than one half of the Member's vested interest in the Defined Contribution Plans of the Retirement System) will be designated as collateral for guaranteeing the loan.
- (e) Each loan shall bear interest at a rate determined by the Board. The Board shall not discriminate among Members in its determination of interest rates on loans. However, loans initiated at different times may bear different interest rates, where, in the opinion of the Board, the difference in rates is supported by a change in market interest rates or a change in the Retirement System's current assumed rate of return. The loan interest rate shall bear a reasonable relationship to market rates for secured loans of a similar duration and shall bear a reasonable relationship to the costs to the Retirement System of administering the loan. The loan interest rate shall be calculated in a manner that will not negatively affect either the City's costs with respect to the Retirement System or the investment return allocated to Members.
- (f) Loan repayments shall be suspended during a period of military service, as permitted by Section 414(u)(4) of the Internal Revenue Code. A Member who has an outstanding loan balance from the Retirement System who is absent from employment with the City, and who has satisfied the requirements of Section 414(u) of the Internal Revenue Code shall not be required to make loan repayments to the Retirement System during said periods of absence.

Sec 11.5. Loan Balance

A Member's outstanding loan balance shall be considered a directed investment by the Member and interest payments shall be credited to the Member's Voluntary Employee Contribution Account (provided that the interest credited to the Member's Voluntary Employee Contribution Account shall be reduced appropriately to cover the administrative costs of the loan program and avoid negatively affecting the City's costs or the Retirement System's investment returns), and shall not be part of the Retirement System's net investment income or part of the Member's Voluntary Employee Contribution Account balance for the purpose of allocation of net investment income under the Retirement System.

Sec 11.6. Default

In the event a Member defaults on a loan before the loan is repaid in full, the unpaid balance thereof will become due and payable and, to the extent that the outstanding amount is not repaid by the end of the calendar quarter which follows the calendar quarter in which the last payment was received, such amount shall be deemed to have been distributed to the Member for tax purposes, consistent with Section 72(p) of the Internal Revenue Code.

Sec 11.7. Distribution

No distribution shall be made to a Member, former Member, spouse or Beneficiary from the Retirement System until all outstanding loan balances and applicable accrued interest have been repaid or offset against amounts distributable to the Member from the Retirement System.

ARTICLE 12. DEFERRED RETIREMENT OPTION PLAN (“DROP”) PROGRAM

Sec 12.1. General Provisions

The following provisions are hereby established as the Deferred Retirement Option Plan (“DROP”) Program under Component I, which shall be available to Members who are covered by collective bargaining agreements with the City that permit such Members to participate in the DROP program and those non-union executives of the Police Department and the Fire Department.

- (1) In lieu of terminating employment and accepting a Retirement Allowance under the Component I, any Member of the Retirement System who is eligible for the DROP program and who is eligible to immediately retire and receive an unreduced Retirement Allowance under Section 5.1 may elect to participate in the DROP program and defer the receipt of his or her Retirement Allowance in accordance with the provisions of this Article 12. Any such election shall be irrevocable.
- (2) A Member shall be entitled to participate in the DROP program under Component I for a maximum of five years. At the end of such five year period of participation in the DROP program, the Member shall be retired from employment.

Sec 12.2. Conversion to Retirement Allowance

Upon the effective date of a Member’s participation in the DROP program, the Member shall cease to accrue a Retirement Allowance pursuant to Section 6.1 and shall elect a form of payment for his Retirement Allowance pursuant to Section 8.1. Seventy-five percent (75%) of the monthly Retirement Allowance (including applicable variable Pension Improvement Factor (Escalator) increases) that would have been payable, had the Member elected to terminate employment with the City on the effective date of his or her DROP election and receive an immediate Retirement Allowance, shall be paid into a DROP Account established on behalf of the Member under the Retirement System or in an entity selected by the Board.

Sec 12.3. Investment of DROP Assets

- (1) ING was previously selected by the Board as the DROP administration and investment entity for Members who elect to participate in the DROP program. ING shall continue to be the DROP administration and investment entity, unless and until such time as the Board terminates the agreement with ING as provided in paragraph (4) or determines that it is administratively feasible for the DROP program to be administered and invested under the Retirement System.
- (2) As soon as possible after July 1, 2014, the Board shall determine whether it is administratively feasible for the DROP program to be administered and the assets in DROP accounts invested under the Retirement System. If the Board determines that it is feasible to administer the DROP program under the Retirement System, the Board shall promptly take appropriate steps to implement such decision.

- (3) If amounts credited to a DROP Account are invested under the Retirement System, such amounts shall be comingled with the assets of the Retirement System for investment purposes and shall be invested by the Trustees. A Member's DROP Account shall be credited with annual earnings at a rate equal to seventy-five percent (75%) of the actual net earnings rate of the assets of the Retirement System; however, in no event shall the earnings rate applied to a Member's DROP Account for any Plan Year be less than zero percent (0%) nor greater than seven and three-quarters percent (7.75%).
- (4) The Board of Trustees entered into an administrative services agreement with ING. Such agreement shall remain in effect until such time as it is terminated by the Board as provided therein.
- (5) The Board of Trustees may replace ING with a trust type vehicle or the Board may determine that amounts subject to a DROP election will be invested with Retirement System assets as provided above.
- (6) Any fees associated with the maintenance of DROP Accounts outside of the Retirement System shall be paid by the Members by means of deduction from their DROP Accounts.

Sec 12.4. Distribution of Amounts Credited to DROP Account

A Member shall not receive a distribution of amounts credited to his DROP Account prior to his termination of employment with the City. Upon termination of employment, a Member who is a participant in the DROP program shall receive, at his or her option either a lump sum payment from the DROP Account equal to the amount then credited to the DROP Account or an annuity based upon the amount credited to his DROP Account. In addition, one hundred percent (100%) of the Member's monthly Retirement Allowance that otherwise would have been paid upon the Member's retirement had he or she not elected to participate in the DROP program (together with any applicable variable Pension Improvement Factor (Escalator) increases) shall commence to the Member in accordance with the form of payment selected by the Member at the commencement of his or her participation in the DROP program. Termination of employment includes termination of any kind, such as resignation, retirement, discharge or disability.

Sec 12.5. Death of Member While Participating in the DROP Program

If a Member dies while participating in the DROP program, a lump sum payment equal to the Member's DROP Account balance shall be paid to the Beneficiary named by the Member, or if no Beneficiary has been designated, to the Member's estate. In addition, one hundred percent (100%) of the Member's Retirement Allowance (together with any applicable variable Pension Improvement Factor (Escalator) increases) that would have been paid to the Member but for the Member's decision to participate in the DROP program will be restored. Survivor benefits, if any, shall be paid in accordance with the payment option elected by the deceased Member at the time the Member elected to participate in the DROP program.

Sec 12.6. Disability of Member While Participating in the DROP Program

If a Member becomes Totally Disabled while participating in the DROP program and while still an Employee and his employment with the City is terminated because he is Totally Disabled, such Member (a) shall be immediately retired and one hundred percent (100%) of the Retirement Allowance) that would have been paid to the Member but for the Member's decision to participate in the DROP program (together with any applicable variable Pension Improvement Factor (Escalator) increases) will commence in accordance with the payment option selected by the Member at the commencement of the Member's participation in the DROP program as provided in Section 12.1(2), and (b) shall be entitled to receive payment of the funds in his DROP Account (in the form of a lump sum or other form of payment described in Section 8.1). Such Member shall not be entitled to disability retirement benefits under Section 5.3 or Section 5.4 hereof.

Sec 12.7. Cost Neutrality

- (1) The DROP program shall be effective only for as long as it is cost-neutral to the City, provided however, that the DROP program shall continue during the pendency of proceedings, described in paragraph (2) below, designed to restore the Retirement System to cost neutrality.
- (2) If the City contends that the DROP program is not cost-neutral, including, but not limited to, making the City's annual contribution to the Retirement System higher than it would be if the DROP program was not in effect, the Board and the City, along with the Plan Actuary as well as an actuary appointed by the City (who will be an associate or a fellow of the Society of Actuaries and a member of the American Academy of Actuaries) shall meet and confer in good faith regarding the cost. If the Board and the City are unable to reach an agreement as to cost, the matter shall be submitted to a third, independent, actuary, chosen or agreed upon by the Plan Actuary and the City's actuary. This actuary, when rendering a decision, will be limited to ordering implementation of changes necessary to make the DROP program cost-neutral. Upon the implementation of changes necessary to make the DROP program cost-neutral, Members shall have thirty days to elect to either (a) retire from active employment with the City or (b) withdraw from the DROP program and resume active participation in Component I of the Retirement System. The Board shall notify DROP participants of these changes prior to implementation. Those DROP participants resuming participation in Component I of the Retirement System shall not accumulate Credited Service for any time that they were participating in the DROP program (under either Component I or Component II). Those not making either election shall remain participants in the DROP program.
- (3) In the event the DROP program cannot be changed to restore cost neutrality, it shall be discontinued and Members participating in the DROP program at that time shall have the option to either (i) retire or (ii) continue active employment with the City and resume active participation in Component I of the Retirement System. DROP participants resuming participation in Component I of the Retirement System shall not accumulate Credited Service for the time during which such DROP participants participated in the DROP program (under Component I or Component II).

ARTICLE 13. LIMITATION ON BENEFITS AND CONTRIBUTIONS

Sec 13.1. Compliance With Code Section 415(b) And Regulations

- (1) Notwithstanding any other provision of this Combined Plan Document, the defined benefit component of the Retirement System shall be administered in compliance with the provisions of Code Section 415(b) and regulations thereunder that are applicable to governmental plans.
- (2) The maximum annual benefit accrued by a Member during a "limitation year" (which shall be the Plan Year) and the maximum annual benefit payable under the Retirement System to a Member at any time within a Plan Year, when expressed as an annual benefit in the form of a straight life annuity (with no ancillary benefits), shall be equal to \$160,000 (as such amount is adjusted pursuant to Code Section 415(d) for such Plan Year).
- (3) Notwithstanding the foregoing:
 - (a) if the benefit under the Retirement System is payable in any form other than a straight life annuity, the determination as to whether the limitation described in Section 13.1(2) has been satisfied shall be made, in accordance with the regulations prescribed by the Secretary of the Treasury, by adjusting such benefit to the Actuarially Equivalent straight life annuity beginning at the same time, in accordance with Section 13.1(9) or (10);
 - (b) if the benefit under the Retirement System commences before Age sixty-two, the determination of whether the limitation set forth in Section 13.1(2) (the "Dollar Limit") has been satisfied shall be made, in accordance with regulations prescribed by the Secretary of the Treasury, by reducing the Dollar Limit so that the Dollar Limit (as so reduced) is equal to an annual benefit payable in the form of a straight life annuity, commencing when such benefit under the Retirement System commences, which is Actuarially Equivalent to a benefit in the amount of the Dollar Limit commencing at Age sixty-two (adjusted for participation of fewer than 10 years, if applicable); provided, however, if the Retirement System has an immediately commencing straight life annuity commencing both at Age sixty-two and the age of benefit commencement, then the Dollar Limit (as so reduced) shall equal the lesser of (i) the amount determined under this Section 13.1(3)(b) without regard to this proviso, or (ii) the Dollar Limit multiplied by a fraction the numerator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System and the denominator of which is the annual amount of the straight life annuity under the Retirement System, commencing at Age sixty-two; and
 - (c) if the benefit under the Retirement System commences after Age sixty-five, the determination of whether the Dollar Limit has been satisfied shall be made, in accordance with regulations prescribed by the Secretary of the Treasury, by increasing the Dollar Limit so that the Dollar Limit (as so increased) is equal to an

annual benefit payable in the form of a straight life annuity, commencing when the benefit under the Retirement System commences, which is Actuarially Equivalent to a benefit in the amount of the Dollar Limit commencing at Age sixty-five; provided, however, if the Retirement System has an immediately commencing straight life annuity commencing both at Age sixty-five and the Age of benefit commencement, the Dollar Limit (as so increased) shall equal the lesser of (i) the amount determined under this Section 13.1(3)(c) without regard to this proviso, or (ii) the Dollar Limit multiplied by a fraction the numerator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System and the denominator of which is the annual amount of the immediately commencing straight life annuity under the Retirement System, commencing at Age sixty-five.

- (4) The adjustments in Sections 13.1(3)(b) shall not apply to a Member with at least 15 years of Credited Service as a Police Member or a Fire Member within the meaning of Code Section 415(b)(2)(H). In addition, the adjustments in Sections 13.1(3)(b) and 13.1(6) shall not apply to benefits payable on account of the disability or the death of a Member.
- (5) Notwithstanding the foregoing provisions of this Section 13.1, except as provided in Section 13.1(6), the maximum annual benefit specified in Section 13.1(2) above shall not apply to a particular Retirement System benefit if (a) the annual amount of such Retirement System benefit, together with the aggregate annual amount of any other pensions payable with respect to such Member under all other defined benefit plans maintained by the City, does not exceed \$10,000 for the Plan Year or any prior Plan Year, and (b) the Member was not at any time a participant in a Defined Contribution Plan maintained by the City.
- (6) In the case of a Member who has less than ten years of participation in the Retirement System, the limitation set forth in Section 13.1(2) shall be such limitation (without regard to this Section 13.1(6)), multiplied by a fraction, the numerator of which is the number of years of participation in the Retirement System (or parts thereof) credited to the Member and the denominator of which is ten. In the case of a Member who has less than ten years of Vesting Service, the limitations set forth in Paragraph (b) of Section 13.1(2) and in Section 13.1(5) shall be such limitations (determined without regard to this Section 13.1(6)) multiplied by a fraction, the numerator of which is the number of years of Vesting Service, or parts thereof, credited to the Member and the denominator of which is ten. The adjustment in this Section 13.1(6) shall not apply to benefits paid on account of the disability or death of a Member.
- (7) Notwithstanding anything in this Section 13.1 to the contrary, if the annual benefit of a Member who has terminated employment with the City is limited pursuant to the limitations set forth in Section 13.1(2), such annual benefit shall be increased in accordance with the cost-of-living adjustments of Code Section 415(d).

ARTICLE 17. RETIREE MEDICAL ACCOUNT

Sec 17.1. Establishment of Account

A Medical Benefits Account shall be established and maintained under the Retirement System out of which the Board of Trustees shall pay the cost, which would otherwise be borne by the City, for certain medical and related benefits provided under the plans or programs maintained by the City to provide Medical Benefits (the "Medical Plans") for the benefit of the Medical Beneficiaries. The provisions of this Article 17 are intended to comply with Section 401(h) of the Code and shall be construed to comply therewith.

Sec 17.2. Effective Date

Medical Benefits shall be paid from the Medical Benefits Account beginning October __, 2014 or such other date recommended by an enrolled actuary (within the meaning of Section 7701(a)(35) of the Code) and approved by the Board and Investment Committee.

Sec 17.3. Funding of Benefits

Subject to the right reserved to the City to amend or terminate the provision of Medical Benefits under its general power to amend the Combined Plan document under Section 18.5, the City expects and intends to make actuarially determined contributions under the Retirement System from time to time to fund the Medical Benefits Account. The assets of the Medical Benefits Account may be invested together with the other assets of the Retirement System, in which case earnings of the Retirement System shall be allocated to the Medical Benefits Account on a reasonable basis or such assets may be invested separately. In any event, no part of the Retirement System, other than the assets of the Medical Benefits Account, shall be available to pay for any part of the cost of Medical Benefits.

The amount determined by the City to be contributed for any Plan Year pursuant to the paragraph above shall be reasonable and ascertainable and shall not exceed the total cost for such Plan Year of providing Medical Benefits to the Medical Beneficiaries, determined in accordance with generally accepted actuarial methods and assumptions that are reasonable in view of the provisions and coverage of the medical and other welfare plans providing such benefits, the funding medium and any other applicable considerations. At the time the City makes a contribution to the Trustee, the City shall designate the portion thereof that is allocable to the Medical Benefits Account.

Sec 17.4. Limitation on Contributions

At all times the aggregate of the contributions made by the City to provide Medical Benefits shall not exceed twenty-five percent (25%) of the sum of the aggregate contributions made by the City to the Plan under Sections 9.3 and 9.5, other than the contributions to fund past service credits, plus the aggregate contributions to the Medical Benefits Account. In the event that a contribution under Section 17.3 shall exceed the amount described in the preceding sentence, such contribution shall be reduced by the excess amount.

Sec 17.5. Impossibility of Diversion

In no event, prior to the satisfaction of all liabilities to provide Medical Benefits shall the Medical Benefits Account be used for, or diverted to, any purpose other than the payment of such benefits and any necessary or appropriate expenses of administration associated therewith. Any amounts credited to the Medical Benefits Account following the satisfaction of all such liabilities shall be returned to the City.

Sec 17.6. Administration

The Medical Plans shall continue to be administered, and claims processed, under their respective terms. Notwithstanding, the interpretation and administration of the terms of this Article 17 shall be pursuant to the provisions of the Combined Plan document.

Sec 17.7. Right to Amend or Terminate Medical Plans

The City expressly reserves the exclusive right, retroactively to the extent permitted by law, to amend, modify, change, terminate or revoke any medical or other welfare plan or policy maintained by the City that provides medical or other welfare benefits, including but not limited to Medical Benefits, and to require Members, former Members, their eligible spouses and dependents to pay all or any portion of the cost of such medical benefits.

Sec 17.8. Reversion

At any time prior to the satisfaction of all liabilities under the Retirement System to provide Medical Benefits, no part of the Medical Benefits Account may be used for any purpose other than providing Medical Benefits, and any necessary or appropriate expenses attributable to the administration of the Medical Benefits Account. If any residual assets remain in the Medical Benefits Account after the satisfaction of all obligations of the City to provide Medical Benefits to the Medical Beneficiaries, such assets shall be returned to the City. In the event a Medical Beneficiary's interest in the Medical Benefits Account is forfeited prior to the termination of the Retirement System, an amount equal to such forfeiture shall be applied as soon as possible to reduce the City's contributions.

Sec 17.9. Limitation of Rights

A Medical Beneficiary shall have no right, title or claim in any specific asset of the Medical Benefits Account, but shall have the right only to the Medical Benefits provided from time to time under the Medical Benefits Account.

ARTICLE 18. MISCELLANEOUS

Sec 18.1. Nonduplication of Benefits

If any Member is a participant in another defined benefit pension plan, retirement system or annuity plan sponsored by the City (including Component II of this Retirement System) and the Member is or becomes entitled to accrue pension benefits under such plan or retirement system (including Component II of this Retirement System) with respect to any period of service for which he is entitled to accrue a benefit under Component I of this Retirement System, such Member shall not be eligible to accrue or receive payment of a benefit under Component I with respect to such period of service.

Sec 18.2. Assignments Prohibited

The right of a person to a pension, annuity, the return of Accumulated Voluntary Employee Contributions and/or the return of Accumulated Mandatory Employee Contributions, the Retirement Allowance itself, to any optional form of benefit, to any other right accrued or accruing to any person under the provisions of this Retirement System, and the monies in the various funds of the Retirement System shall not be assignable and shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency law, or any other process of law whatsoever, except as specifically provided in this Combined Plan Document or by an eligible domestic relations order of a lawful court.

Sec 18.3. Protection Against Fraud

A person who, with intent to deceive, makes any statements or reports required under this Retirement System that are untrue, or who falsifies or permits to be falsified any record or records of this Retirement System, or who otherwise violates, with intent to deceive, any terms or provisions of the Retirement System, shall be subject to prosecution under applicable law.

Sec 18.4. Conviction of Felony; Forfeiture of Rights

If a Member or Beneficiary shall be convicted by a court of competent jurisdiction of a felony or high misdemeanor involving moral turpitude committed during active Service, the Board shall have the power to order the forfeiture of all rights of the Member or Beneficiary to benefits hereunder, except the return of the Member's Accumulated Mandatory Employee Contributions and Accumulated Voluntary Employee Contributions.

Sec 18.5. Amendment; Termination; Exclusive Benefit

The City reserves the right to amend the Combined Plan document created hereunder at any time; such amendments may include termination of the Retirement System; provided, however, that following the effective date of the Plan of Adjustment, no amendment other than amendments permitted under the terms of the Plan of Adjustment (including amendments contemplated in Section K-4(5) of Component II) may be made to the terms, conditions and rules of operation of the Combined Plan or any successors plan or trust that govern the calculation of pension benefits, nor may any amendment or termination deprive any Member, former Member or Beneficiary of any then vested benefit under the Retirement System, except as provided in the

Plan of Adjustment. Notwithstanding the foregoing, the City and the Board have the authority to amend the Combined Plan document as necessary to retain the tax qualified status of the Retirement System under the Internal Revenue Code. The City shall make no amendment or amendments to the Retirement System which causes any part of the assets of the Retirement System to be used for, or diverted to, any purpose other than the exclusive benefit of Members, former Members or their Beneficiaries; provided, that the City may make any amendment necessary, with or without retroactive effect, to comply with applicable federal law. Any amendment of the Retirement System by the City must be approved by the Council or a person standing in the stead of the Council.

Upon termination of the Retirement System or upon complete discontinuance of contributions to the Retirement System, the rights of all Members to benefits accrued to the date of such termination or discontinuance, to the extent then funded, shall be nonforfeitable.

Sec 18.6. Forfeitures Not to Increase Benefits

Any forfeitures arising under the Retirement System due to a Member's termination of employment or death, or for any other reason, shall be used to pay expenses of the Retirement System and shall not be applied to increase the benefits any Member would otherwise receive under the Retirement System at any time prior to termination of the Retirement System.

Sec 18.7. Required Distributions - Compliance with Code Section 401(a)(9) and Regulations

The Retirement System will apply the minimum distribution requirements of Code Section 401(a)(9) in accordance with the final regulations issued thereunder, notwithstanding any provision in the Combined Plan document to the contrary. Pursuant to Code Section 401(a)(9)(A)(ii), a Member's interest must begin to be distributed by the later of (i) the April 1 of the calendar year following the calendar year that he attains the Age of seventy and one-half (70-1/2), or (ii) April 1 of the calendar year following the year in which he retires. Distributions will be made in accordance with Regulations Sections 1.401(a)(9)-2 through 1.401(a)(9)-9. The provisions of this Section 18.7 and the regulations cited herein and incorporated by reference override any inconsistent plan distribution options.

Sec 18.8. Direct Rollovers

- (1) For purposes of compliance with Code Section 401(a)(31), a distributee may elect, at the time and in the manner prescribed by the Board, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover.
 - (a) For purposes of this Section 18.8, the following terms shall have the following meanings:
 - (b) "*Direct rollover*" means a payment by the Retirement System to an eligible retirement plan specified by a distributee.

- (c) “*Distributee*” means a Member or former Member. It also includes the Member’s or former Member’s surviving spouse, a spouse or former spouse who is the alternate payee under an eligible domestic relations order, or a nonspouse beneficiary who is a designated beneficiary as defined by Code Section 401(a)(9)(E). However, a nonspouse beneficiary may only make a direct rollover to an individual retirement account or individual retirement annuity established for the purpose of receiving the distribution, and the account or annuity will be treated as an “inherited” individual retirement account or annuity.
- (d) “*Eligible retirement plan*” means any of the following that accepts a distributee’s eligible rollover distribution:
- (i) a qualified trust described in Code Section 401(a);
 - (ii) an annuity plan described in Code Section 403(a);
 - (iii) an annuity contract described in Code Section 403(b);
 - (iv) an individual retirement account described in Code Section 408(a);
 - (v) an individual retirement annuity described in Code Section 408(b);
 - (vi) a Roth IRA described in Code Section 408A; or
 - (vii) a plan eligible under Code Section 457(b) that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or a political subdivision of a state that agrees to separately account for amounts transferred into that plan from the Retirement System.
- (e) “*Eligible rollover distribution*” means any distribution of all or any portion of the balance to the credit of a distributee under the Retirement System, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or the life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee’s designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under Code Section 401(a)(9); the portion of any distribution that is not includible in gross income; and any other distribution which the Internal Revenue Service does not consider eligible for rollover treatment, such as any distribution that is reasonably expected to total less than \$200 during the year. Notwithstanding the foregoing, a portion of a distribution will not fail to be an “eligible rollover distribution” merely because the portion consists of after-tax contributions that are not includible in Member’s gross income upon distribution from the Retirement System. However, such portion may be transferred only (i) to an individual retirement account or annuity described in Code Section 408(a) or (b) or to a qualified defined contribution plan described in Code Section 401(a) that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion

of the distribution that is includible in gross income and the portion of the distribution that is not so includible; (ii) to a qualified defined benefit plan described in Code Section 401(a) or to an annuity contract described in Code Section 403(b) that agrees to separately account for amounts so transferred (and earnings thereon), including separately accounting for the portion of the distribution that is includible in gross income and the portion of the distribution that is not so includible; or (iii) to a Roth IRA described in Code Section 408A.

ARTICLE B. FREEZE OF GENERAL RETIREMENT SYSTEM AS OF JUNE 30, 2014

Sec. B-1. Freeze of Eligibility and Benefits Under General Retirement System

Notwithstanding anything in Articles I, II, III, or IV of Chapter 47 of the 1984 Detroit City Code or this Combined Plan for the General Retirement System of the City of Detroit, Michigan to the contrary, effective as of June 30, 2014 (the “Freeze Date”):

- (a) No new employee hired by an Employer on or after July 1, 2014 shall become a Member who is eligible to accrue a benefit under the terms of the General Retirement System in effect as of the Freeze Date;
- (b) No employee who is rehired by an Employer on or after July 1, 2014 shall become a Member who is eligible to accrue either a benefit or service credit for any purpose under the terms of the General Retirement System in effect as of the Freeze Date; provided, however, that a Member who is entitled to a Frozen Accrued Benefit as defined in subsection (c) of this Section B-1 and who is rehired by an Employer on or after July 1, 2014 but prior to the date the Member incurs a six-year break in service shall be eligible to accrue service credit following rehire solely for the purpose of determining the Member’s vesting in and eligibility for payment of his Frozen Accrued Benefit;
- (c) Benefit accruals for Members with respect to service rendered prior to July 1, 2014 will be frozen based on a Member’s years of service, Average Final Compensation, and the pension multiplier formulae in effect as of such Freeze Date under the terms of the General Retirement System (“Frozen Accrued Benefit”);
- (d) Except as otherwise provided in subsection (e) of this Section B-1, compensation of a Member shall be frozen effective as of the Freeze Date for purposes of determining the Member’s Frozen Accrued Benefit. No compensation of any type earned by a Member after the Freeze Date shall be taken into consideration for purposes of determining the Member’s Frozen Accrued Benefit under the General Retirement System;
- (e) Any Member who, as of June 30, 2014, would have been eligible to elect to use a portion of his unused accrued sick leave to increase his Average Final Compensation (“Sick Leave Rollover”) if the Member had been eligible to retire and had elected to retire as of June 30, 2014, shall have a one-time election (“Special Election”) to add the value of twenty-five percent (25%) of the Member’s unused sick leave accrued for purposes of the Sick Leave Rollover in accordance with the terms of the applicable collective bargaining agreement, City Employment Terms or Detroit Code of Ordinance to the earnings used in computing Average Final Compensation for purposes of determining the Member’s Frozen Accrued Benefit; provided, however, that at least twenty-five percent (25%) of the Member’s sick leave accrued for purposes of the Sick Leave Rollover in accordance with the terms of the applicable collective bargaining agreement, City Employment Terms or Detroit Code of Ordinance remains in the Member’s sick leave bank at the time the completed Special Election form is received by the Retirement System and, provided further that the completed Special Election form is received by the Retirement System no later than August 22, 2014 or, if later, the date set forth in a collective bargaining

agreement between the City and a union whose members are eligible to make a Special Election. A Member's Special Election shall be made in the manner set forth by the Board of Trustees and the Retirement System. A Member may revoke a Special Election, as long as such revocation occurs on or before the latest date upon which such Member is permitted to make a Special Election. Notwithstanding anything in this subsection (e) to the contrary, a Member's Special Election will be void and the determination of the Member's Average Final Compensation for purposes of calculating the Member's Frozen Accrued Benefit will not take into account any of the Member's unused sick leave, if (i) the electing Member would not have been eligible to receive an immediate service retirement if he retired as of June 30, 2014, and (ii) the electing Member's employment with an Employer is terminated before the electing Member becomes eligible for an immediate service retirement under the Retirement System;

- (f) Service earned after the Freeze Date shall be credited to a Member solely for purposes of determining the Member's vesting in and eligibility for payment of his or her Frozen Accrued Benefit. Service credit for all Members for benefit accrual purposes under the terms of the General Retirement System in effect as of the Freeze Date shall be frozen effective as of the Freeze Date and no Member shall earn service credit with respect to benefits payable under the terms of the General Retirement System in effect as of the Freeze Date (except for vesting and benefit payment eligibility purposes) after the Freeze Date; and
- (g) No Member shall make contributions to the Annuity Savings Fund under the General Retirement System in effect as of June 30, 2014 with respect to wages earned on or after the earliest date following June 30, 2014 that the City's payroll department can implement the freeze. All after tax contributions made on or after the date referenced in the preceding sentence shall be made to and in accordance with the terms of Component I of the Combined Plan.

The foregoing terms shall be referred to as the "Freeze" of the provisions of the General Retirement System as in effect on the Freeze Date and the provisions of Articles I, II, III, or IV of Chapter 47 of the 1984 Detroit City Code and this Component II of the Combined Plan shall be interpreted and construed by the Board of Trustees and the Retirement System to give full effect to the Freeze. To the extent that a conflict arises between this Section B-1, the provisions in Chapter 47, or any collective bargaining agreement or other document governing the terms of employment of any employee, the Board of Trustees and the Retirement System are directed to interpret any inconsistency or ambiguity to give full effect to the Freeze.

ARTICLE C. DEFINITIONS

Sec. C-1. Definitions

Unless a different meaning is plainly required by context, for purposes of this Component II the following words and phrases have the meanings respectively ascribed to them by this Section C-1:

- (1) *Accrued Service* means a Member's credited service for employment rendered before July 1, 2014.
- (2) *Accumulated Contributions* means the sum of all amounts deducted from the compensation of a Member and credited to the Member's individual account in the Annuity Savings Fund, together with regular interest thereon.
- (3) *Annuity* means the portion of the retirement allowance which is paid for by a Member's accumulated contributions.
- (4) *Annuity Reserve* means the present value of all payments to be made on account of any annuity or benefit in lieu of any annuity. Such annuity reserve shall be computed upon the basis of such mortality tables and regular interest as shall be adopted by the Board.
- (5) *Average Final Compensation* means:

For those Members who retired or separated from active service with vested pension rights on or before June 30, 1992, the highest average compensation received by a Member during any period of five consecutive years of credited service selected by the Member from the ten years of credited service which immediately preceded the date of the Member's last termination of City employment. If a Member has less than five years of credited service, the Average Final Compensation shall be the average of the annual compensation received during the Member's total years of credited service.
 - b. On or after July 1, 1992 but before July 1, 1998. For those Members who retired or separated from active service with vested pension rights on or after July 1, 1992 but before July 1, 1998, the highest average compensation received by a Member during any period of four consecutive years of credited service during the ten years of credited service which immediately preceded the date of the Member's last termination of City employment. highest average compensation received by a Member during any period of three consecutive years of credited service during ten years of credited service which immediately precede the date of the Member's last termination of City employment. If a Member has less than three years of credited service, the Average Final Compensation shall be the average of the annual compensation received during the Member's total years of credited service.

- d. Sick Leave Election. For those nonunion Members with a regular or early service retirement who retire on or after July 1, 1999, in computing the highest average compensation received by a Member, the Member shall have the option of adding the value of twenty-five percent (25%) of the Member's unused accrued sick leave at the time of retirement to the earnings used in computing the Average Final Compensation. Bargaining unit members who retire on or after July 1, 1999 and prior to July 1, 2014 shall have the Unused Sick Leave On Retirement benefit provided for in the applicable bargaining agreement. For any Member choosing to exercise this option, the lump sum payment the Member will receive will be the remaining value of the unused accrued sick leave bank as provided in the bargaining agreement.

For those Members retired or separated from active service with vested pension rights, on or before June 30, 1992, all remuneration, excluding longevity payments, paid to a Member because of personal services rendered by the Member to the Employer. Compensation in excess of the limitations set forth in Section 401(a)(17) of the Internal Revenue Code shall be disregarded.

- (14) *Retiree* means a former Member who is receiving a retirement allowance from Component II of the Retirement System.
- (15) *Retirement* means a Member's withdrawal from the employ of the Employers with a retirement allowance or pension paid by Component II of the Retirement System.

- (17) *Service* means personal services rendered to the Employer by a person as an employee of the Employer, provided such person is compensated by the Employer for such personal services.
- (18) *Service credit for purposes of the 1973 Defined Benefit/Defined Contribution (Annuity) Plan* means that, in accordance with such rules and regulations as the Board shall adopt, each Member shall be credited with service as follows: (1) One month of service credit is earned when the Member is paid for eighty hours of work during the month; (2) A full year of credit is earned for nine months of credit in any calendar year, except the Member's last year of work, which service credit shall be determined as of the Member's last day on the Employer's payroll. Less than nine months of service rendered in a calendar year shall neither be credited as a full year of service, nor shall more than one year of service be credited to any Member for service rendered in any one calendar year. Service credit is used to determine eligibility for service retirement, vesting, non-duty disability and survivor benefits. Service credit is also earned by a Member while retired on a duty disability or while receiving Workers' Compensation benefits.

Upon any such child's adoption, marriage, attainment of age eighteen, or death, whichever occurs first, the child's Pension shall terminate and there shall be a redistribution by the Board to the surviving eligible children under age eighteen. In no case shall any such child's Pension be more than one-fourth of the deceased Member's final compensation.
- (d) *Annual Limit.* The total amount payable under Section E-6(b) and (c) of this Component II of the Combined Plan on account of the death of a Member, shall not exceed nine thousand dollars (\$9,000.00) per annum.
- (e) *Dependent Father and/or Mother.* If the deceased Member has no surviving Spouse or children eligible for a Pension under this section, a Pension equal to one-sixth of the deceased Member's final compensation shall be paid to the Member's surviving dependent father and/or mother; provided that in no case shall either parent's Pension exceed fifty dollars (\$50.00) per month. Payment to a dependent parent or parents shall be contingent upon a finding by the Board of Trustees after investigation that such parent or parents were actually dependent upon said deceased Member through a lack of earning power resulting from physical or mental disability.
- (f) *Section E-12 of Component II of the Combined Plan Applicable.* The benefits provided in Section E-6 of this Component II shall be subject to Section E-12 of this Component II.

Sec. E-7. Accumulated Contributions; Return of 1973 Defined Contribution Plan Amount

- (a) *Cessation of Employment.*
 - (1) If a Member ceases to be an employee of the employer before becoming eligible for a Pension paid out of City contributions to the Retirement System, such Member shall be paid all or part of the Member's Annuity Savings Fund, being the 1973 Defined Contribution Plan amount, as the Member shall demand by written application filed with the Board.

- (2) Except as otherwise provided in this Article, upon the death of a Member, the Member's Annuity Savings Fund shall be paid to such person or persons nominated in a written designation duly executed by the Member and filed with the Board. In the event there is no such designated person or persons surviving, the Member's said accumulated contributions shall be paid to the Member's estate.
 - (3) If a Member who dies without a legal will is not survived by a Spouse and has not nominated a beneficiary as provided in Section E-7(a)(2) of this Component II, the Member's accumulated Annuity Savings Fund contributions at the time of death may be used to pay burial expenses, if the Member leaves no other estate sufficient for such purpose. Such expenses shall not exceed a reasonable amount as determined by the Board.
 - (4) Accumulated contributions to be returned as provided in this section may be paid in equal monthly installments for a period not to exceed three years, according to such rules and regulations as the Board may adopt from time to time. After a Member ceases to be a Member, any balance in the Annuity Savings Fund which is unclaimed by the said Member or the Member's heirs, shall remain a part of the funds of the Retirement System and shall be transferred to the Pension Accumulation Fund.
- (b) *One-Time Withdrawal; Twenty-Five Years.* Prior to the receipt of the first retirement benefit check, an employee with twenty-five or more years of service shall be allowed to withdraw either a partial or full amount of his or her accumulated contributions, one time only.
 - (c) *One-Time Withdrawal; Duty and Non-Duty Disability Retirees.* Duty and non-duty disability retirees shall be allowed to withdraw either a partial or full amount of their accumulated contributions, one time only.
 - (d) *One-Time Withdrawal.* Withdrawal by a Member under either (b) or (c) of this Section E-7 constitutes the one time withdrawal allowed.

Sec. E-8. Retirement Allowance Options

- (a) *Election by Member.* Until the earlier of the first time a retirement allowance payment check is cashed, or six months after the first payment check is issued, but not thereafter, any Member may elect to receive a Straight Life Retirement Allowance payable throughout life, or the Member may elect to receive the actuarial equivalent of the Straight Life Retirement Allowance computed as of the effective date of retirement, in a reduced retirement allowance payable throughout life, with the exception that there will be no reduction in the benefits received pursuant to Section E-4(e) of this Component II of the Combined Plan, and nominate a beneficiary to receive benefits following the Member's death, in accordance with the options set forth below:

Option One. Cash Refund Annuity. If a retiree who elected a Cash Refund Annuity dies before payment of the annuity portion of the reduced retirement allowance has been

received in an aggregate amount equal to, but not exceeding the retiree's accumulated contributions in the Annuity Savings Fund at the time of retirement, the difference between said accumulated contributions and the aggregate amount of annuity payments already received, shall be paid in a single lump sum to such person or person nominated by written designation duly executed by the Member and filed with the Board. If no such designated person or persons survive the retiree, any such difference shall be paid to the retiree's estate.

Option Two. Joint and One Hundred Percent Survivor Allowance. Upon the death of a retiree who elected a Joint and One Hundred Percent Survivor Allowance, one hundred percent of the reduced retirement allowance shall be paid to and continued throughout the life of the person nominated by written designation duly executed and filed with the Board prior to the date the first payment of the retirement allowance becomes due.

Option "A". Joint and Seventy-Five Percent Survivor Allowance. Upon the death of a retiree who elected a Joint and Seventy-Five Percent Survivor Allowance, seventy-five percent of the reduced retirement allowance shall be continued throughout the life of and paid to the person nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the retirement allowance becomes due.

Option Three. Joint and Fifty Percent Survivor Allowance. Upon the death of a retiree who elected a Joint and Fifty Percent Survivor Allowance, fifty percent of the reduced retirement allowance shall be continued throughout the life of and paid to the person nominated by written designation duly executed by the Member and filed with the Board prior to the date the first payment of the retirement allowance becomes due.

Option "B". Joint and Twenty-Five Percent Survivor Allowance. Upon the death of a retiree who elected a Joint and Twenty-Five Percent Survivor Allowance, twenty-five percent of the reduced retirement allowance shall be paid throughout the life of the person nominated by written designation duly executed and filed with the Board prior to the date the first payment of the retirement allowance becomes due.

- (b) *Joint and Survivor Optional Forms of Payment.* The Joint and Survivor Optional Forms of Payment provided under Section E-8(a) of this Component II of the Combined Plan shall be made available in either the standard form or the pop-up form, as follows:
- (1) *Standard Form.* Under the Standard Form, the reduced retirement allowance shall be paid throughout the lifetime of the retiree.
 - (2) *Pop-up Form.* Under the Pop-up Form, the reduced allowance shall be paid throughout the lifetime of the retiree and the designated beneficiary. In the event of the death of the designated beneficiary during the lifetime of the retiree, the amount of the allowance shall be changed to the amount that would have been payable had the retiree elected the Straight Life Retirement Allowance form of payment.

- (c) *Coordination of Benefits.* According to such rules and regulations as the Board shall adopt, until the first payment of a retirement allowance becomes due, but not thereafter, a Member under age sixty-five may elect to have the Member's Straight Life Retirement Allowance provided for in Section E-4 of this Component II of the Combined Plan equated on an actuarial equivalent basis to provide an increased retirement allowance payable to age sixty-two or age sixty-five, and to provide a decreased retirement allowance thereafter. The increased retirement allowance payable to such age shall approximate the total of the decreased retirement allowance payable thereafter and the estimated social security benefit. If a Member elects to receive increased and then decreased retirement allowance payments provided for in this paragraph, he or she may also elect to have such payments reduced by electing one of the optional forms of payment provided for in paragraph (a) of this section. This coordination of benefits option shall not create any additional actuarial costs.

Sec. E-9. Benefits for Surviving Spouses; Generally

- (a) The surviving Spouse of any Member who dies while in the employ of the City or in the employ of a second governmental unit as provided in Section E-14 of this Component II after the date such Member either (1) has earned twenty years of credited service regardless of age, or (2) has earned eight years of credited service and has attained age sixty-five, or (3) has earned ten or more years of credited service and has attained age sixty, shall receive a retirement allowance. The Spouse's retirement allowance shall be computed according to Section E-4 of this Component II of the Combined Plan in the same manner in all respects as if the said Member had retired effective the day preceding the Member's death, notwithstanding that the Member had not attained age sixty, elected a Joint and One Hundred Percent Survivor Allowance as provided for in Section E-8 of this Component II, and nominated the surviving Spouse as beneficiary. No payments shall be made under this Section E-9 on account of the death of a Member if any benefits are paid under Section E-6 of this Component II. If an Employee dies with twenty (20) years of service and without a surviving Spouse, dependent children shall be paid a total of nine thousand dollars (\$9,000.00) per year which shall be divided equally among all eligible dependent children until the youngest child reaches age nineteen, or for life, if a child is permanently physically or mentally impaired and such impairment occurred prior to the child's attainment of age nineteen. There shall be no retirement escalator for this payment.
- (b) In addition to in-service death benefits which existed prior to July 1, 1998 for Members with twenty or more years of service, if a Member dies on or after July 1, 1998 or such later date as provided in a collective bargaining agreement, after having attained fifteen or more but less than twenty years of creditable service at any age below sixty, the surviving Spouse will be paid a Fifty Percent Joint and Survivor benefit. If there is no eligible surviving Spouse, dependent children shall be paid a total of six thousand dollars (\$6,000.00) which shall be divided equally among all eligible dependent children until the youngest child reaches age nineteen, or for life if a child is permanently physically or mentally impaired.

Sec. E-10. Benefits for Surviving Spouses; Disability Retirees

The surviving Spouse of a disability retiree who retired under the provisions of Section E-5 of this Component II of the Combined Plan and who died before the age of sixty shall receive a retirement allowance computed in the same manner as if the disability retiree had been a Member who became eligible for death benefits under Section E-9 of Component II of the Combined Plan, provided the disability retiree had earned fifteen or more years of credited service. In the case of a non-duty disability retiree, credited service shall be determined on the effective date of the non-duty disability retirement. In the case of a duty disability retiree, credited service shall be determined on the date of death of the disability retiree assuming City employment had continued until the date of death.

Sec. E-11. Disposition of Surplus Benefits upon Death of Retiree and Beneficiary

If under a Joint and One Hundred Percent Survivor allowance, a Joint and Seventy-Five Percent Survivor allowance, a Joint and Fifty Percent Survivor allowance, or a Joint Twenty-Five Percent Survivor allowance as provided for under Section E-8 of this Component II of the Combined Plan, both a retiree and beneficiary die before they have received in retirement allowance payments, an aggregate amount equal to the retiree's accumulated contributions in the Annuity Savings Fund at the time of retirement, less withdrawals, the difference between the said accumulated contributions and the said aggregate amount of retirement allowances paid the retiree and beneficiary, shall be paid in a single lump sum to such person or persons nominated by written designation of the retiree duly executed and filed with the Board. If there are no person or persons surviving retiree and beneficiary, any such difference shall be paid to the retiree's estate.

Sec. E-12. Pensions Offset by Compensation Benefits; Subrogation

- (a) Generally. Any amounts which may be paid or payable to a Member, retiree, or to the dependents of a Member or retiree on account of any disability or death under the provisions of any Workers' Compensation, pension, or similar law, except federal Social Security old-age and survivors' and disability insurance benefits, shall be offset against any pensions payable from funds of the Retirement System on account of the same disability or death. If the present value of the benefits payable under said Workers' Compensation, pension, or similar law, is less than the Pension Reserve for said pension payable by the Retirement System, the present value of the said Workers' Compensation, pension, or similar legal benefit shall be deducted from the Pension Reserve, and such pensions as may be provided by the Pension Reserve so reduced shall be payable as provided in this Article E.
- (b) The City's right of subrogation. In the event a person becomes entitled to a pension payable by the Retirement System because of an accident or injury caused by the act of a third party, the City shall be subrogated to the rights of said person against such third party to the extent of the benefit which the City or the Retirement System pays or becomes liable to pay.

Sec. E-13. Disability Retirees; Reexamination; Authority of the Board

- (a) *Medical examination.* At least once each year during the first five years following the retirement of a Member with a Disability Retirement Allowance or Disability Pension, and at least once in every three year period thereafter, the Board may, and upon the retiree's application shall, require that any disability retiree who has not attained age sixty undergo a medical examination, to be made by, or under the direction of, the Medical Director. Should any such disability retiree who has not attained age sixty refuse to submit to at least one such medical examination in any such period, the retiree's retirement allowance or pension may be discontinued by the Board until withdrawal of such refusal. Should such refusal continue for one year, all of the disability retiree's rights in and to the Pension portion of the Retirement Allowance may be revoked by the Board. If upon such examination of a disability retiree, the Medical Director reports that the retiree is physically able and capable of resuming employment, and such report is concurred in by the Board, the retiree shall be restored to active service with the City and the Disability Retirement Allowance shall terminate.
- (b) *Other employment.* If such disability retiree is or becomes engaged in a gainful occupation, business, or employment paying more than the difference between the retiree's Disability Retirement Allowance and final compensation, the Pension portion of the Disability Retirement Allowance shall be reduced by the amount of such difference. If the amount of the earnings changes, the Pension may be adjusted accordingly.
- (c) *Reinstatement to active service.* A disability retiree who has been, or shall be, reinstated to active service in the employ of the City as provided in this Section, shall again become a Member of the Retirement System. All credited service at the time of the retirement shall be restored to full force and effect and a duty disability retiree shall be given membership service credit for the period said retiree was out of service due to such duty disability.

Sec. E-14. Transfer of Department or Department Functions; Generally

In the event a function or functions of a City Department or the Department itself is transferred to the federal or state government, or to a political subdivision of the State of Michigan (second governmental unit), a Member of the Retirement System whose employment is transferred from the City to the second governmental unit shall be entitled to a retirement allowance payable by the Retirement System subject to the following conditions:

- (a) *Employment within sixty days of transfer.* The employee enters the employment of the second governmental unit within sixty days from and after the effective date of the transfer of the function or functions of a City Department or the Department itself to the second governmental unit.
- (b) *Credited service combined; ten year minimum.* The employee's credited service as a Member of the Retirement System plus any credited service acquired in the employ of the second governmental unit totals at least ten years.
- (c) *Retirement; second governmental unit.* If the employee retires from employment with the second governmental unit on account of age and service, the employee's Retirement

Allowance shall be computed in accordance with Section E-3(b) or Section E-4 of this Component II of the Combined Plan, whichever is applicable. If the employee retires from employment in the second governmental unit because of total and permanent disability arising from non-service connected causes, the Retirement Allowance shall be computed in accordance with Section E-5(d) of this Component II of the Combined Plan. In computing the Retirement Allowance, the basic pension shall not exceed twelve dollars (\$12.00) per year for a maximum of ten years for a total amount to not exceed one hundred twenty dollars (\$120.00), and the membership service pension shall be based only upon City-credited service existing at the time of transfer. In determining the Average Final Compensation defined in Section C-1 of this Component II of the Combined Plan, the compensation received as an employee of the second governmental unit shall be regarded as compensation paid by the City. If the employee leaves the employ of the second governmental unit with a deferred retirement allowance, no City retirement allowance shall be paid unless the employee has met the requirements of Section E-3(d)(1) of this Component II of the Combined Plan. Notwithstanding the foregoing, effective as of the Freeze Date, for purposes of calculating a Retirement Allowance for a Member whose employment was transferred prior to July 1, 2014 from the City to a second governmental unit, Average Final Compensation for the transferred Member shall be compensation received by such transferred Member prior to July 1, 2014 as an employee of the second governmental unit.

- (d) *Allowance starting date.* The retirement allowance shall begin upon retirement from the employment of the second governmental unit, but in no event prior to the date the employee would have become eligible for retirement had the employee continued in City employment. If retirement is because of total and permanent disability arising from non-service-connected causes, the retirement allowance shall begin upon the approval of retirement by the Board.

Sec. E-15. Pension Improvement Factor (Escalator)

- (a) *Increase of pension.* On or after July 1, 1992 and prior to the effective date of the Plan of Adjustment, effective as of the first day of July of each year, the pension portion of any Retirement Allowance or Duty Death Benefit which is paid or payable under this Article shall be increased by a factor of two and one quarter percent (2.25%), computed on the basis of the amount of the original pension received at the time of retirement, including, if applicable, any supplemental pensions provided under this Article; provided, that the recipient of said pension shall have been on the retirement rolls at least one year prior to said July first date. If the recipient has been on the retirement payroll less than one year prior to said July first date, the amount of the increase shall be prorated accordingly.
- (b) *Payment.* Except as provided in paragraph (c) below, the pension improvement factor of two and one quarter percent (2.25%) provided for in Section E-15(a) of this Component II, shall be payable notwithstanding any Retirement Allowance or pension amount limitation provisions in this Article to the contrary.
- (c) After the effective date of the City Employment Terms between the City of Detroit and Police Officers Association of Michigan presented to the union on July 18, 2012,

employees represented by the union will no longer receive the two and one-quarter percent (2.25%) per annum escalation.

- (d) Effective April 1, 2013, the post-retirement escalator factor for all service after that date shall be eliminated for any employee who is a member of the American Federation of State, County and Municipal Employees, AFL-CIO Local 2920.

Sec. E-16. Adoption of Rates of Interest; Limitations on Payments By Retirement System; Transfer of Investment Returns in Excess of Crediting Rate

- (a) The Retirement System and the Board of Trustees shall not make any payment to active or retired Members other than payments that are required by the Retirement System as established by this Combined Plan to govern the Retirement System or the Plan of Adjustment. This prohibition applies to all payments that are not authorized by this Combined Plan, whether such payments are those commonly referred to as a "thirteenth check" or by any other name.
- (b) The Retirement System and the Board of Trustees shall not provide any savings plan, annuity plan, or other Member investment or savings vehicle that provides an annual return to investing Members which in any year is greater than the actual investment return net of expenses of the Retirement System's invested reserves for the year in which the return is earned and accrued, provided that such return shall neither be greater than the assumed annual return as expressed in the Retirement System's valuation for that year nor less than zero. This prohibition shall apply to all annual returns credited to accounts of investing Members in the Annuity Savings Fund of the 1973 Defined Contribution Plan from the effective date of Ordinance 37-11 to June 30, 2013. Notwithstanding anything in this Section E-16 to the contrary, effective for Plan Years beginning on and after July 1, 2013, the annual rate of return credited to a Member's account in the Annuity Savings Fund of the 1973 Defined Contribution Plan shall be no less than zero and no greater than the lesser of (i) 5.25% or (ii) the actual investment return net of expenses of the Retirement System's invested reserves for the second Plan Year immediately preceding the Plan Year in which the annual return is credited.
- (c) In any Plan Year during the period beginning on or after July 1, 2014 and ending June 30, 2023 in which the annual rate of return credited to the accounts of Members investing in the Annuity Savings Fund as provided in paragraph (b) is less than the actual rate of return net of expenses of the Retirement System's invested assets for the second Plan Year immediately preceding the Plan Year in which the annual rate of return is credited ("ASF Return Excess"), an amount equal to the value of the ASF Return Excess shall be transferred to the Pension Accumulation Fund maintained under Component I of the Combined Plan and shall be used to fund the Transition Cost relating to Component I. The Transition Cost is a measure of the liability that Component I of the Retirement System has at its inception; due to the fact that at its inception, Members in Component I of the Retirement System receive vesting and eligibility credit under Component I for service that was earned prior to July 1, 2014 and is otherwise credited to Members under Component II of the Retirement System, as such Transition Cost is calculated by the Plan Actuary. In the event there is an ASF Return Excess for a Plan Year following the Plan

Year in which such transfers have fully funded the Transition Costs relating to Component I, fifty percent (50%) of such ASF Return Excess shall be transferred to the Pension Accumulation Fund maintained under Component II and the remaining fifty percent (50%) of such ASF Return Excess shall be transferred to Component I and credited to the Rate Stabilization Fund maintained under Component I. "Transition Cost" shall be determined by the Plan Actuary.

Sec. E-17. Funds

The 1973 Defined Benefit/Defined Contribution (Annuity) Plan shall consist of the Annuity Savings Fund, the Annuity Reserve Fund, the Pension Accumulation Fund, the Pension Reserve Fund, and the Income Fund.

Sec. E-18. Method of Financing

(a) *Annuity Savings Fund of the 1973 Defined Contribution Plan.*

- (1) The Annuity Savings Fund of the 1973 Defined Contribution Plan shall be the fund in which shall be accumulated at regular interest, in accordance with the limitations that are contained in Section E-16 of this Component II of the Combined Plan, the contributions of Members made prior to the first payroll date occurring in August 2014 to provide their annuities. At the election of the Member, the amount of the basic contribution of a Member to the Retirement System prior to the first payroll date occurring in August 2014 were zero percent (0%), three percent (3%), five percent (5%), or seven percent (7%) of annual compensation. If a Member elected three percent (3%), his or her contribution shall be that amount which is subject to taxation under the provisions of the *Federal Insurance Contribution Act, 26 USC 3101 et seq. (Act)*, plus five percent (5%) of the portion of annual compensation, if any, which exceeds the amount subject to taxation under that *Act*.
- (2) The contribution rate elected by the Member under Section E-18(a)(1) of this Component II of the Combined Plan were deducted from the Member's compensation notwithstanding that the minimum compensation provided by law for any Member were reduced thereby. Payment of compensation, less said deductions, constituted a complete discharge of all claims and demands whatsoever for the services rendered by the said Member during the period covered by such payment, except as to benefits provided under this Article E.
- (3) Upon retirement of a Member with a Retirement Allowance, the Member's accumulated contributions shall be transferred from the Annuity Savings Fund to the Annuity Reserve Fund, refunded to the Member, or a combination thereof.

(b) *Annuity Reserve Fund.* The Annuity Reserve Fund shall be the fund, from which all annuities and benefits in lieu of annuities payable as provided in this Article E, shall be paid. If a disability retiree is reinstated to active City service, the retiree's Annuity Reserve at that time shall be transferred from the Annuity Reserve Fund to the Annuity Savings Fund and credited to his or her individual account therein.

- (c) *Pension Accumulation Fund.* The Pension Accumulation Fund shall be the fund in which shall be accumulated reserves for the pensions and other benefits payable from the contributions made by the City, including various departments thereof, the Detroit Public Library, and certain third parties pursuant to the Plan of Adjustment and from which shall be paid pensions and other benefits on account of Members with prior service credit, and transfers as provided in this Section E-18. Contributions to the Pension Accumulation Fund from the effective date of the Plan of Adjustment through Fiscal Year 2023, shall be made only in the amounts and from the sources identified in the Plan of Adjustment.

For Fiscal Years beginning after June 30, 2023, contributions to fund pension benefits (adjusted as provided in the Plan of Adjustment) shall be made as follows:

- (1) Certain amounts shall be contributed by certain third parties as provided in the Plan of Adjustment.
 - (2) The City's annual contribution shall be calculated by the Actuary as provided in Section E-19.
 - (3) Upon the retirement of a Member without prior service credit, or upon a Member's death in the performance of duty, the Pension Reserve Fund for the pension or pensions to be paid on the Member's account shall be transferred from the Pension Accumulation Fund to the Pension Reserve Fund.
 - (4) Upon the basis of such mortality and other tables of experience and interest as the Board shall adopt from time to time consistent with Section 1.16(d) of Component I, the Actuary shall compute annually the pension reserve liabilities for pension benefits being paid to retirees and beneficiaries.
 - (5) On an annual basis, the Board shall ascertain and report to the Mayor and the Council the amount of City contributions due to the Retirement System. The Council shall appropriate and the City shall pay such contributions during the appropriate Fiscal Year. When paid, such contributions shall be credited to the Pension Accumulation Fund.
 - (6) If the amount appropriated by the City and paid to the Retirement System for any Fiscal Year is insufficient to make the transfers and pay the pensions, as adjusted in the Plan of Adjustment, from the Pension Accumulation Fund as provided in this Section E-18, the amount of such insufficiency shall be provided by the appropriating authorities of the City.
- (d) *Accrued Liability Fund.* Pursuant to *Ordinance No. 5-05*, which authorized the creation of the Detroit General Retirement Service Corporation, the City previously entered into a transaction (the "Pension Funding Transaction") to obtain funds as an alternative to those available through the traditional funding mechanism described above in Subsection (c). The proceeds generated by the Pension Funding Transaction (or any Additional Pension Funding Transactions, as described below) that were deposited into the System are termed the "Funding Proceeds." The Funding Proceeds were deposited into a new fund in the System to be called the Accrued Liability Fund. The purpose of the Funding

Proceeds was to fund all or part of the heretofore unfunded actuarial accrued liability (“UAAL”) of the Retirement System, as determined as of a date certain, that is, the “Determination Date,” pursuant to the Retirement System’s actuarial valuation as of that date. The Funding Proceeds are assets of the Retirement System and will be applied, together with all other assets of the Retirement System, to fund the Retirement System’s obligation to pay pension benefits, as adjusted in the Plan of Adjustment.

This Accrued Liability Fund shall contain only the Funding Proceeds of this Pension Funding Transaction, and any earnings thereon. Prior to Fiscal Year 2013, funds were transferred each Fiscal Year (or monthly portion thereof) from the Accrued Liability Fund to the Pension Accumulation Fund as provided in *Chapter 47 of the 1984 Detroit City Code* and *Ordinance No. 5-05*.

As soon as practicable following the effective date of the Plan of Adjustment, any amounts remaining credited to the Accrued Liability Fund shall be transferred to the Pension Accumulation Fund and the Accrued Liability Fund shall cease to exist.

- (e) *Pension Reserve Fund.* The Pension Reserve Fund shall be the fund from which pensions shall be paid to retirees and beneficiaries. Should a disability retiree be reinstated to active service, the retiree’s Pension Reserve at that time, shall be transferred from the Pension Reserve Fund to the Pension Accumulation Fund.
- (f) *Expense Fund.* The Expense Fund shall be the fund to which shall be credited all money provided by the City to pay the administrative expenses of the Retirement System, and from which shall be paid all the expenses necessary in connection with the administration and operation of the Retirement System.
- (g) *Income Fund.* The Income Fund shall be the Fund to which shall be credited all interest, dividends, and other income derived from the investments of the Retirement System (other than those derived from the investments credited to any Accrued Liability Fund), all gifts and bequests received by the Retirement System, and all other moneys the disposition of which is not specifically provided for in this Article E. There shall be paid or transferred from the Income Fund, all amounts required to credit regular interest to the various Funds of the Retirement System, except for the Accrued Liability Fund which is to be credited with interest, dividends and other earnings pursuant to Section E-18(d)(2) of this Component II of the Combined Plan in accordance with the limitations that are contained in Section E-18 of this Component II of the Combined Plan.
- (h) *Maintenance of Reserves.*
 - (1) The maintenance of proper reserves in the various Funds of the Retirement System except the Expense Fund are hereby made obligations of the Pension Accumulation Fund.
 - (2) City contributions to the Retirement System to the extent necessary to provide pensions on account of Members who are employees of a revenue-supported division of the City shall be made from the revenues of the said division. Any City contribution to the Retirement System from any Fund by law with a certain

and definite purpose shall, at the direction of the Finance Director, be accounted for separately.

Sec. E-19. Determination of City's Annual Contribution

- (a) For the period ending June 30, 2023, the City shall make only those contributions to the Retirement System as are set forth in the Plan of Adjustment.
- (b) For Fiscal Years beginning on and after July 1, 2023, the annuity and pension reserve liabilities for Members, retirees, and beneficiaries, shall be actuarially evaluated as set forth in this Article for each division as is accounted for separately pursuant to Section E-18(h)(2) of this Component II of the Combined Plan.

(1) *Pension Liabilities.*

- a. The pension liabilities for Members shall be determined by the Actuary using reasonable and appropriate actuarial assumptions approved by the Board and the Investment Committee.
- b. The City's annual contribution to finance any unfunded accrued pension liabilities, expressed as a percentage of active employees' compensation, shall be determined by amortizing such unfunded accrued pension liabilities as a level percentage of such compensation over a period or periods of future years as established by the Board and approved by the Investment Committee.

- ##### **(2) *Pension Accumulation Fund.***
- Based upon the provisions of this Article E including any amendments, the Board shall compute the City's annual contributions to the Retirement System, expressed as a percentage of active Member compensation each Fiscal Year, using actuarial valuation data as of the June thirtieth date which date is a year and a day before the first day of such Fiscal Year. The Board shall report to the Mayor and Council the contribution percentages so computed. Such contribution percentages shall be used in determining the contribution dollars to be appropriated by Council and paid to the Retirement System. Such contribution dollars shall be determined by multiplying the applicable contribution percentage for such Fiscal Year by the Member compensation paid for such Fiscal Year. Such contribution dollars for each Fiscal Year shall be paid to the Retirement System in such Fiscal Year in a manner to be agreed upon from time to time by the Board and the City, provided, for any Fiscal Year for which an agreement has not been reached before the first day of such Fiscal Year, such contribution dollars shall be paid in equal monthly installments at the end of each calendar month in such Fiscal Year.

ARTICLE F. PARTICIPANT LOAN PROGRAM

Sec. F-1. Established.

Any loans granted or renewed shall be made pursuant to a Participant Loan Program which shall conform with the requirements of Section 72(p) of the Internal Revenue Code. Such loan program shall be established in writing by the Board of Trustees, and must include, but need not be limited to the following:

- (1) The identity of the administrator of the Participant Loan Program;
- (2) A procedure to apply for loans, the amount of loan that will be approved or denied, and limitations, if any, on the types and amount of loans offered;
- (3) The procedures under the program for determining a reasonable rate of interest; and
- (4) The events constituting default and the steps that will be taken to preserve plan assets.

Sec. F-2. The Loan Program.

- (1) This Loan Program shall be contained in a separate written document copies of which shall be made available in the offices of the Retirement System for prospective participants in the Loan Program. The Board of Trustees is authorized to adopt rules and regulations, from time to time, to govern the administration and the operation of this program. Copies of the rules shall also be made available to prospective Members in the offices of the Retirement System; and
- (2) All collective bargaining agreements which accept the terms of this section are specifically agreeing to be subject to the Board's authority to modify or amend the Participant Loan Program from time to time, including during the effective terms of the applicable labor agreement and no such modification or amendment shall be deemed a violation of said labor agreement and no grievance or other form of action shall be effective to overturn or alter the Board's decision.

Sec. F-3. Eligibility.

Subject to rules and procedures established by the Board, loans will initially be made only to non-union Members of the Retirement System. Union employees will be eligible when their respective bargaining unit has accepted the Loan Program. Former Members, spouses of Members, and beneficiaries are not eligible to receive any loans from the Retirement System. Subject to rules and procedures established by the Board, a Member who has been in the Combined Plan for twelve (12) months or more is eligible to apply for a loan under this Component II. No Member shall have more than two outstanding loans from the Retirement System (Component I and/or Component II) at any time. A Member who has previously defaulted on a loan (under either Component I or Component II) shall not be eligible for a loan from the Retirement System.

Sec. F-4. Amount of Loan.

A Member who has satisfied applicable rules and procedures may borrow from his or her account an amount, which does not exceed fifty percent (50%) of the Member's vested accumulated balance, or ten thousand dollars (\$10,000.00) reduced by the excess, if any, of: 1) the highest outstanding balance of loans from the Retirement System (both Component I and Component II) during the one (1) year period ending on the day before the date on which the loan is made, or 2) the outstanding balance of loans from the Retirement System (both Component I and Component II) on the date on which the loan is made, whichever is less. The minimum loan amount shall be one thousand dollars (\$1,000.00).

Sec. F-5. Terms and Conditions.

In addition to such rules and procedures that are established by the Board, all loans shall comply with the following terms and conditions:

- (1) Loan applications shall be in writing;
- (2) Loans shall be repaid by equal payroll deductions over a period not to exceed five (5) years, or, where the loan is for the purpose of buying a principal residence, a period not to exceed fifteen (15) years. In no case shall the amount of the payroll deduction be less than twenty dollars (\$20.00) for any two-week period;
- (3) Each loan shall be made against the assignment of the Member's entire right, title, and interest in and to the Retirement System, supported by the Member's collateral promissory note for the amount of the loan, including interest payable to the order of the Board of Trustees;
- (4) Each loan shall bear interest at a rate determined by the Board. The Board shall not discriminate among Members in its determination of interest rates on loans. Loans initiated at different times may bear different interest rates, where, in the opinion of the Board, the difference in rates is supported by a change in market interest rates or a change in the Retirement System's current assumed rate of return. The loan interest rate shall bear a reasonable relationship to market rates for secured loans of a similar duration and shall bear a reasonable relationship to the costs to the Retirement System of administering the Combined Plan. The loan interest rate shall be calculated in a manner that will not negatively affect the Employers' costs with respect to the Retirement System or the investment return allocated to Members;
- (5) Loan repayments shall be suspended under this plan as permitted by Section 414(u)(4) of the Internal Revenue Code. A participant who has an outstanding loan balance from the plan who is absent from employment with the employer, and who has satisfied the requirements of Section 414(u) of the Internal Revenue Code shall not be required to make loan repayments to the Retirement System during said periods of absence.

Sec. F-6. Renewal of Loan.

Any loans granted or renewed shall be made pursuant to the Participant Loan Program and Section 72(p) of the Internal Revenue Code and the regulations thereunder.

Sec. F-7. Loan Balance.

A Member's outstanding loan balance shall be considered a directed investment by the Member and interest payments shall be credited to the Member's account balance, and shall not be part of net investment income or part of the Member's account balance for the purpose of allocation of net investment income under the Retirement System.

Sec. F-8. Distributions.

No distributions shall be made to a Member, former Member, or beneficiary until all loan balances drawn on the applicable vested accumulated balance and applicable accrued interest have been liquidated.

Sec. F-9. Annual Report.

The Retirement System shall include, in its annual report to all Members, an accounting of the Loan Program established by this Article F, which contains the number and amount of loans made under this Component II, the costs of administering the Loan Program under Component II, the amount of payments made including interest received by Component II of the Retirement System, the amount of loans outstanding, including any defaults or delinquencies, and an evaluation as to whether the interest charged in that Fiscal Year covered the costs of administering the Loan Program maintained under this Component II.

ARTICLE G. SPECIAL PLAN OF ADJUSTMENT PROVISIONS

Sec. G-1. Benefit Changes Implemented Pursuant to the Terms of the Plan Of Adjustment

Notwithstanding anything in Articles A, C, D or E of Component II to the contrary, as of the effective date of the Plan of Adjustment and during the period that ends no earlier than June 30, 2023, the following provisions to comply with the terms of the Plan of Adjustment shall be implemented:

- (1) *Reduction in monthly pension payments.*
 - a. For a retiree or a surviving beneficiary who is receiving a monthly pension benefit as of the effective date of the Plan of Adjustment, as soon as practicable following such effective date such retiree's or surviving beneficiary's monthly pension benefit will be reduced to an amount that is equal to 95.5% of the monthly pension benefit being paid to such retiree or surviving beneficiary as of the date immediately preceding the effective date of the Plan of Adjustment ("Adjusted Accrued Benefit"); provided, however, that the Board and the Investment Committee shall determine on the effective date of the Plan of Adjustment and not less frequently than annually thereafter that the "Funding Conditions" as defined herein have been satisfied, and in the event that such Funding Conditions have not been satisfied then such retiree's or surviving beneficiary's Adjusted Accrued Benefit will be reduced in proportion to the funding which is not received by the Retirement System but not below an amount that is equal to 73% of the monthly pension benefit being paid to such retiree or surviving beneficiary as of the date immediately preceding the effective date of the Plan of Adjustment.
 - b. The Frozen Accrued Benefit that will be paid as a monthly Retirement Allowance upon the retirement or death of an active employee Member or a vested former employee Member on or after the Effective Date, will be reduced to an amount that is equal to 95.5% of the monthly pension benefit that would otherwise have been paid to the active employee or vested former employee under the terms of this Component II of the Combined Plan without taking into account this Section G-1 ("Adjusted Deferred Accrued Benefit"); provided, however, that the Board and the Investment Committee shall determine on an annual basis that the "Funding Conditions" as defined herein have been satisfied, and in the event such Funding Conditions have not been satisfied then such active employee Member's or vested former employee Member's Adjusted Accrued Benefit will be reduced in proportion to the funding which is not received by the Retirement System but not below an amount that is equal to 73% of the monthly pension benefit that would otherwise have been paid to the active employee or vested former employee under the terms of this Component II of the Combined Plan without taking into account this Section G-1.

- c. *Cap on Benefit Reductions for Certain Retirees.* With respect to any retiree or surviving beneficiary receiving monthly pension benefits from the Retirement System as of June 30, 2014, such retiree's or surviving beneficiary's Adjusted Accrued Benefit, as further reduced to take into account any ASF Recoupment under Section G-2, shall not be less than 80% of the monthly pension benefit being paid to such retiree or surviving beneficiary as of the date immediately preceding the Effective Date.

For purposes of this Sec. G-1, the term "Funding Conditions" shall mean that (i) Class 10 and Class 11 voted in favor of the Plan of Adjustment in accordance with the procedures for such vote under the Plan of Adjustment, (ii) the Plan of Adjustment is confirmed by the U.S. Bankruptcy Court, and (iii) the funds that are pledged to be contributed to the Retirement System pursuant to the terms of the State Contribution Agreement and the DIA Settlement Documents have been received.

- (2) *Elimination of Pension Improvement Factor.* For all pension benefits payable after the Effective Date, the Pension Improvement Factor (Escalator) that will be applied to the monthly Adjusted Accrued Benefit or Adjusted Deferred Accrued Benefit of a Member, retiree, surviving beneficiary or vested former employee will be equal to 0%.
- (3) *Recoupment of Excess Returns on Annuity Savings Fund Account.* The terms of Section G-2 Annuity Savings Fund Recoupment shall apply to the Annuity Savings Fund account of Members, retirees and vested former employees as provided in Section G-2.
- (4) *Future Disability Pensions Eliminated.* The Duty Disability Retirement Allowance and Non-Duty Disability Retirement Allowance are eliminated with respect to Members who become disabled on or after July 1, 2014.
- (5) *Effect of Payment Default.* In the event that all or a portion of the funds pledged to be contributed to the Retirement System pursuant to the terms of the DIA Settlement Agreement are not received by the Retirement System, the Board shall automatically reduce the monthly pension benefits payable to Members, retirees, surviving beneficiaries, and former employees to the extent of such default.

Sec. G-2. Annuity Savings Fund Recoupment

Notwithstanding anything in Articles A, B, C, D or E to the contrary, upon the effective date of the Plan of Adjustment, Members, retirees or vested former employees who were identified by the City as a Class 11 Holder under the Plan of Adjustment and who participated in the Annuity Savings Fund ("ASF") at any time during the period that began on July 1, 2003 and ended on June 30, 2013 ("ASF Recalculation Period") are subject to the following provisions:

- (1) *Recoupment from Members, retirees and vested former employees who maintain an Annuity Savings Fund account ("ASF account") as of the Effective Date.* For each Member, retiree or vested former employee who maintains an ASF account

in the Retirement System as of the effective date of the Plan of Adjustment, such individual's ASF account balance will be reduced by such individual's Annuity Savings Fund Excess Amount, as determined by the City in accordance with this Section G-2 (1).

- a. For a Member, retiree or former vested employee who did not receive any distribution or loan from such individual's ASF account during the ASF Recalculation Period, the Annuity Savings Fund Excess Amount means the difference between the value of such individual's ASF account as recalculated using the Actual Return (as defined in paragraph (3) below) and the actual value of such individual's ASF account as of June 30, 2013; provided, however, that an individual's Annuity Savings Fund Excess Amount shall not exceed 20% of the highest value of such individual's ASF account balance (including any unpaid loan balance relating to the ASF account) during the ASF Recalculation Period.
- b. For a Member, retiree or vested former employee who during the ASF Recalculation Period has received a distribution (other than a total distribution) or loan from the ASF, the Annuity Savings Fund Excess Amount means the difference between (i) the sum of (A) the value of such individual's ASF account as of June 30, 2013 and (B) all distributions (including any unpaid loans) received by such individual from his or her ASF account during the ASF Recalculation Period, and (ii) the value of such individual's ASF account as of June 30, 2013 as recalculated using the Actual Return; provided, however, that an individual's Annuity Savings Fund Excess Amount shall not exceed 20% of the highest value of such individual's ASF account balance (including any unpaid loans made to the individual) during the ASF Recalculation Period.

- (2) *Recoupment from Members, retirees and former employees who previously took total Annuity Savings Fund account distributions.* Except as provided in paragraph (4) below, for each Member, retiree or vested former employee who has received a total distribution of the individual's ASF account during the ASF Recalculation Period, the individual's monthly pension benefit (and the survivor monthly pension benefit payable to the Member's survivor, if any) will be reduced by the individual's "Monthly Annuity Savings Fund Excess Amount" as determined by the City in accordance with this Section G-2(2).

A Monthly Annuity Savings Fund Excess Amount means the difference between (i) the value of the ASF account of a Member, retiree or vested former employee as of the date of distribution to such individual from the ASF, provided such date falls within the ASF Recalculation Period, and (ii) the value of the individual's ASF account as of such date, as recalculated using the Actual Return; provided, however, such difference shall not exceed 20% of the highest value of such individual's ASF account balance (including any unpaid loan balance) during the ASF Recalculation Period; provided, further, such amount will be converted into

a monthly annuity amount based on the individual's life expectancy, gender and, if the Member has not already retired, the expected date of retirement.

- (3) *Recoupment from Members, retirees and former employees who received partial Annuity Savings Fund account distributions.* A Member, retiree or vested former employee who previously received a distribution of a portion but not the entirety of the Member's Annuity Savings Account shall be subject to paragraph (1) to the extent of any funds then credited to the Member's Annuity Savings Fund account and shall be subject to paragraph (2) to the extent of any Excess Amount that cannot be recovered pursuant to paragraph (1).
- (4) *Cash repayment option.* Notwithstanding paragraphs (2) and (3) above and subject to the Cash Option Cap described below, a Member, retiree, employee or former employee whose monthly pension benefit will be reduced pursuant to paragraph (2) or (3) may elect to make a single lump sum cash payment to the Retirement System of the Annuity Savings Fund Excess Amount by cashier's check or wire transfer ("Cash Repayment Option"). Each individual eligible for the Cash Repayment Option shall be provided by first-class U.S. mail an election notice and an election form no later than seven days following the Effective Date. The individual shall have thirty-five days from the date on which the election form is mailed to return the election form as directed on the form. An election of the Cash Repayment Option shall be effective only if it is received by the deadline set forth on the election form.

No later than fourteen days following the election deadline, the Board shall notify each individual who timely elects the Cash Repayment Option of the amount to be repaid to the Retirement System ("Final Payment Notice"). Such amount must be paid to the Retirement System on or before the later of (i) ninety days after the Effective Date, or (ii) fifty days following the date on which the Final Payment Notice is mailed to the individual.

If payment is not timely received, the monthly pension benefit of an individual who elects the Cash Repayment Option shall be reduced as provided in paragraph (2) or (3).

The Cash Repayment Option shall be limited to an aggregate amount of \$30 million (the "Cash Option Cap"). In the event the Retirement System receives timely and properly completed election forms representing an aggregate recovery amount in excess of the Cash Option Cap, then each individual who made a timely election of the Cash Repayment Option shall be permitted to repay an amount equal to his pro rata share of the Cash Option Cap. Any Annuity Savings Fund Excess Amount that is not repaid under the Cash Repayment Option shall be repaid as provided in paragraph (2) or (3).

- (5) *Definition of Actual Return.* "Actual Return" means the actual net return percentage on the Retirement System's invested assets for each Fiscal Year

during the ASF Recalculation Period; provided, however, that for any such Fiscal Year the net return shall not be greater than 7.9% nor less than 0%.

- (6) *Limitation on recoupment.* Notwithstanding anything in this Section G-2 to the contrary:
- a. a Member's ASF account value after recoupment of the Member's Annuity Savings Fund Excess Amount will never be less than the contributions made to the ASF by such Member and will reflect all interest credited by the Board to the Member's ASF account for the Fiscal Years ending prior to July 1, 2002; and
 - b. in no event shall the amount recovered from a Member described in Section G-2(2) (or G-2(3), with respect to amounts that may not be recovered pursuant to Section G-2(1)) exceed the Member's Annuity Savings Fund Excess Amount plus interest on such amount at a rate of 6.75%. Upon the Member's repayment of such amount in full, the Member's monthly pension benefit in effect immediately prior to adjustment as provided in Section G-2(2) (adjustment as provided in Section G-1), increased as provided in Section G-4, if applicable, shall be fully restored.
- (7) *Cap on benefit reductions for certain retirees.* With respect to any retiree or surviving beneficiary receiving monthly pension benefits from the Retirement System as of June 30, 2014, the Adjusted Accrued Benefit of such retiree or surviving beneficiary, as further reduced to take into account any ASF Recoupment under Section G-2, shall not be less than 80% of the monthly pension benefit being paid to such retiree or surviving beneficiary as of the date immediately preceding the Effective Date.

Annuity Savings Fund Excess Amounts of Members described in paragraphs (1) and (3) shall be transferred from the Annuity Savings Fund to the Pension Accumulation Fund and shall be used to pay pensions and other benefits to Members as provided in Component II of the Combined Plan.

Sec. G-3. Income Stabilization Benefits

- (1) The provisions of this Section G-3 shall become effective only if each of the Conditions Precedent (as that term is defined in the State Contribution Agreement) have been met to the satisfaction of the Authority and the Treasurer, unless any one or more of such conditions are waived in a writing executed by the Authority and the Treasurer.
- (2) Beginning not later than 120 days after the Effective Date, Component II of the Combined Plan shall pay, in accordance with this Section G-3, an annual supplemental pension income stabilization benefit ("Income Stabilization Benefit") to each Eligible Pensioner (as defined in Section G-3(5)) equal to the lesser of either (i) the amount needed to restore an Eligible Pensioner's reduced

annual pension benefit to 100% of the amount of the annual pension benefit that the Eligible Pensioner received from the Retirement System in 2013; or (ii) the amount needed to bring the total annual 2013 household income of the Eligible Pensioner up to 130% of the Federal Poverty Level for 2013. The Income Stabilization Benefit as determined under this Section G-3(2) will not increase after the date on which the Income Stabilization Benefit is determined. The Income Stabilization Benefit payable to an Eligible Pensioner will terminate immediately at such time as the Eligible Pensioner ceases to qualify as an Eligible Pensioner.

- (3) To the extent an Eligible Pensioner's Estimated Adjusted Annual Household Income (as defined in this Section G-3) in any calendar year after the first year that the Eligible Pensioner receives a benefit under this Section G-3 is less than 105% of the Federal Poverty Level in that year, the Eligible Pensioner will receive an additional "Income Stabilization Benefit Plus" benefit commencing as of the next following July 1.
 - a. The Income Stabilization Benefit Plus benefit for a calendar year will be equal to the lesser of either (i) the amount needed to restore 100% of the Eligible Pensioner's pension benefit, as increased by any Pension Improvement Factor (Escalator), under Component II of the Combined Plan; or (ii) the amount needed to bring the Eligible Pensioner's Estimated Adjusted Annual Household Income in that calendar year up to 105% of the Federal Poverty Level in that year.
 - b. An Eligible Pensioner's "Estimated Adjusted Annual Household Income" for any year will be the sum of (i) the Eligible Pensioner's 2013 total household income (per his or her (or in the case of a minor child, his or her legal guardian's) 2013 income tax return or equivalent documentation), less the pension benefit paid to the Eligible Pensioner from the Retirement System in 2013, as adjusted for inflation or Social Security COLA increases; (ii) the Adjusted Accrued Benefit that is payable to the Eligible Pensioner for that year as determined under Section G-1, (iii) any pension restoration payment to the Eligible Pensioner as determined under Section G-4; and (iv) the Eligible Pensioner's Income Stabilization Benefit.
- (4) A separate recordkeeping fund called the "Income Stabilization Fund" shall be established by the Board for the sole purpose of paying the Income Stabilization Benefits and Income Stabilization Benefits Plus to Eligible Pensioners. Any funds received by the Retirement System that is designated by the City as UTGO Bond Tax Proceeds or a contribution to the Income Stabilization Fund shall be credited by the Board to the Income Stabilization Fund. The assets credited to the Income Stabilization Fund will be invested on a commingled basis with assets of the Retirement System and will be credited with a pro-rata portion of the earnings and losses of the Retirement System. Amounts credited to the Income Stabilization Fund may not be used for any purpose other than the payment of

Income Stabilization Benefits and Income Stabilization Benefit Plus benefits to Eligible Pensioners, except as expressly provided in Section G-3 (7).

- (5) For purposes of this Section G-3, an “Eligible Pensioner” is a retiree or surviving spouse who is at least 60 years of age or a minor child receiving survivor benefits, each as of the effective date of the Plan of Adjustment, whose benefit will be reduced as provided in Section G-1, and who is eligible to receive Income Stabilization Benefits because (i) such individual is receiving monthly pension benefits from the Retirement System as of the effective date of the Plan of Adjustment, and (ii) such individual has a total annual household income equal to or less than 140% of the federal poverty level in 2013 (per his or her (or in the case of a minor child, his or her legal guardian’s) 2013 income tax return or equivalent documentation).
 - a. An eligible individual must apply for an Income Stabilization Benefit in accordance with procedures established by the Authority and provide such substantiation of the individual’s aggregate annual household income as is required by the State in its sole discretion.
 - b. The initial determination of Eligible Pensioners, and amount of the Income Stabilization Benefit payable to each Eligible Pensioner shall be made by the State in its sole discretion. The State shall transmit the list of Eligible Pensioners to the Investment Committee and the Board. The Board, with the assistance of the Investment Committee, shall be responsible for administering the Income Stabilization Fund and annually certifying to the State Treasurer that it has administered the requirements for eligibility and payment of benefits with respect to Eligible Pensioners in accordance with the terms of the State Contribution Agreement.
 - c. After the initial determination of Eligible Pensioners is made, no new individuals will be eligible to receive an Income Stabilization Benefit or an Income Stabilization Benefits Plus benefit at any time in the future.
 - d. An Eligible Pensioner will cease to be an Eligible Pensioner as of the earlier of (i) the Eligible Pensioner’s death, or (ii) with respect to any minor child receiving survivor benefits, the date the minor child reaches the age of 18 years.
- (6) For purposes of this Section G-3, the “Federal Poverty Level” means the poverty guidelines published each year in the Federal Register by the United States Department of Health and Human Resources.
- (7) In the event that in 2022 (provided that the State has not issued a Certificate of Default (as defined in the State Contribution Agreement) with respect to the Retirement System at any time prior to 2022), it is the opinion of at least 75% of the independent members of the Investment Committee that the assets of the Income Stabilization Fund exceed the Income Stabilization Benefits and Income

Stabilization Benefits Plus benefits anticipated to be made to Eligible Pensioners by the Retirement System in the future (“Excess Assets”), the Investment Committee may, in its sole discretion, recommend to the Board that all or a portion of the Excess Assets, in an amount not to exceed \$35 million, be used to fund the Adjusted Accrued Benefits or Adjusted Deferred Accrued Benefits, as applicable, payable by the Retirement System. The Investment Committee shall have the right to engage professional advisers to assist in making this determination and such expenses shall be paid by the Retirement System.

- (8) In the event that any funds remain in the Income Stabilization Fund on the date upon which there are no Eligible Pensioners under the Retirement System, such funds shall be used to fund the Adjusted Accrued Benefits or Adjusted Deferred Accrued Benefits, as applicable, payable by the Retirement System.

Sec. G-4. Restoration of Pension Benefits

The following rules shall govern how accrued pensions, including Pension Improvement Factor (“COLA”) benefits, that are reduced as part of the Plan of Adjustment, shall be restored during the thirty year period following the confirmation order issued by the Bankruptcy court in *In Re. City of Detroit, Michigan*, Case No. 13-53846. The pension restoration process shall be supervised, and restoration decisions undertaken by the Investment Committee and in accordance with the pension governance provisions set forth in the State Contribution Agreement and exhibits thereto. The pension restoration program shall be deemed a part of this Component II, but in the event of any conflict between the language set forth herein and the pension restoration agreement attached to and made a part of the Plan of Adjustment (“Pension Restoration Agreement”), the terms of the Pension Restoration Agreement will govern.

- (1) *Waterfall Classes.*

There will be three Waterfall Classes:

- a. Waterfall Class 1 – Retirees, in retirement benefit pay status as of June 30, 2014, and their surviving spouses and beneficiaries.
- b. Waterfall Class 2 – Retirees, who entered into retirement benefit pay status after June 30, 2014, and their surviving spouses and beneficiaries, and who are in pay status as of the end of the Fiscal Year prior to the year in which the restoration decision is made.
- c. Waterfall Class 3 – All other Members who as of June 30, 2014 are not in retirement benefit pay status.

- (2) *Restoration of Benefits Through June 30, 2023.*

- a. Each year in conjunction with the annual actuarial valuation report, the Plan Actuary will project the funded ratio of the Retirement System as of 2023 based upon the market value of plan assets relative to the actuarial

accrued liabilities (the “Funded Level”). This projection will be further based upon a 6.75% assumed rate of investment return which is net of expenses (investment and administrative), future Employer contributions as set forth in the Plan of Adjustment (subject to the conditions in the Plan of Adjustment) and such other actuarial assumptions as utilized by the Plan Actuary. For purposes of restoration of benefits through June 30, 2023, the Funding Target will be a 70% funded ratio, the Restoration Target will be a 75% funded ratio, and the Restoration Reserve Suspension Trigger will be a 71% funded ratio, all projected to June 30, 2023. For purposes of calculating the funded ratio, the assets in the Restoration Reserve Account will be excluded. Each year, if the Actuary projects that the projected Funded Level as of June 30, 2023 (excluding Restoration Reserve Account assets to avoid double counting) exceeds the Restoration Target (i.e., exceeds 75%), a credit of assets for bookkeeping purposes will be made into a new notional “Restoration Reserve Account”. The notional credit will be in an amount equal to the excess of assets above the amount projected to be needed to satisfy the Restoration Target. Once the Restoration Reserve Account is established, each year thereafter, Restoration Reserve Account assets will be credited with interest in an amount equal to the net return on Retirement System investments, but capped at the actuarially assumed rate of investment return (i.e., 6.75% for the period through June 30, 2023). In the event of net losses, the credited asset value of the Restoration Reserve Account will be diminished to reflect such losses and any required transfer to the Pension Reserve Fund.

- b. To the extent that the City’s (including DWSD or a successor authority) actual contributions in any of the Fiscal Years 2015 through 2023 are less than the contributions provided for in the Plan of Adjustment, such difference and any investment earnings thereon shall be notionally allocated to the Pension Reserve Fund.
- c. Actual restoration payments and credits will work as follows: each year in conjunction with preparation of the annual actuarial valuation report and following establishment of the Restoration Reserve Account, the Plan Actuary will determine whether there are sufficient funds in such account to restore a portion of the 4.5% across the board pension cuts in one or more minimum incremental amounts equal to ½% of the monthly benefit for each member of Waterfall Class 1 (i.e. reducing the initial across the board cut to 4.0%). This restoration only occurs if the funding level in the Restoration Reserve Account can fund 100% of each incremental increase over the remaining actuarially projected lives of the eligible recipients in Waterfall Class 1. If the Restoration Reserve Account satisfies the required funding level, then in the next Fiscal Year, actual restoration payments will be made to Waterfall Class 1 members in amounts equal to the benefit associated with each increment that have been fully funded in the Restoration Reserve Account. Once Waterfall Class 1 has sufficient

assets in the Restoration Reserve Account to fully fund and restore the 4.5% cut in their monthly benefits, and to the extent that additional assets in the Restoration Reserve Account remain and will fully fund at least ½% of the monthly benefit for each member of Waterfall Class 2 over their remaining actuarially projected lives, then Waterfall Class 2 members will receive pension restoration in minimum ½% benefit increments until an amount equal to the 4.5% cuts in their monthly benefits has been fully funded. At that juncture, and to the extent that additional assets in the Restoration Reserve Account remain and will fund at least a minimum ½% of the monthly benefit of each member in Waterfall Class 3 over their remaining actuarially projected lives, then each such member of Waterfall Class 3 shall receive a credit granting them a right upon retirement to receive pension restoration equal to the benefit increments that are fully funded. Restoration payments will be calculated and paid on a prospective basis only.

- d. After the full 4.5% across the board pension cuts are restored for all three Waterfall Classes, and to the extent there are additional assets in the Restoration Reserve Account to fully fund COLA benefits over the actuarially-projected lives of the eligible recipient Waterfall Class, such assets will be used to fully fund and restore a portion of the COLA values that were eliminated as part of the Plan of Adjustment. COLA will be restored in minimum 10% COLA value increments up to 50% of the future COLA values for each member of Waterfall Class 1 (i.e., a 50% future COLA value will constitute a 1.25% simple COLA), then up to 50% of the future COLA values for each member of Waterfall Class 2, and then up to 50% of the future COLA values for each member of Waterfall Class 3 until all members of the three Waterfall Classes have had 50% of the value of their COLAs fully funded and restored. After 50% of the future values of COLA have been fully funded and restored, and to the extent there are additional assets in the Restoration Reserve Account for each of the three Waterfall Classes, then a second 50% COLA restoration will be made, first to members of Waterfall Class 1, then Waterfall Class 2, and then Waterfall Class 3. Classes will be restored in minimum 10% COLA value increments. Restoration payments will be calculated and paid on a prospective basis only.
- e. If the amounts in the Restoration Reserve Account are sufficient to fully-fund the 4.5% across the board pension cuts for all three Waterfall Classes and 100% COLA restoration for all three Waterfall Classes, then any additional assets in the Restoration Reserve Account shall be used to increase the frozen accrued benefits of active and other Members whose Annuity Savings Fund accounts were diminished as part of the Annuity Savings Fund Recoupment (described in Section G-2), such that they receive treatment equal to the 20%/20% ceiling applied to retirees in pay status under the Plan of Adjustment. If after such pension restoration there are additional assets in the Restoration Reserve Account to fully

fund benefit increments over their remaining actuarially projected lives, Waterfall Class 1 members will receive pension restoration in ½% benefit increments of the reductions to their monthly pension due to Annuity Savings Fund Recoupment, and once such pension benefits are restored, Waterfall Class 2 members will receive pension restoration in ½% benefit increments in connection with the reductions to their monthly pensions due to Annuity Savings Fund Recoupment. Restoration payments will be calculated and paid on a prospective basis only

- f. Once restoration payments to applicable retirees and restoration credits to active employees begin, as long as the Restoration Reserve Account continues to have assets sufficient to fund 100% of an incremental pension restoration amount for such Waterfall Class members for their actuarially projected lives, such restoration payments and credits will continue; provided, however, that in the event the Restoration Reserve Account, after having sufficient assets to fund 100% of two or more increments (over their actuarially projected lives), falls below 100% for the second or greater increment, the annual amounts to pay such second or other additional increment can continue until the Restoration Reserve Account lacks any assets to fund it. For example, assume a ½% increment in Waterfall Class 1 requires \$10 million in assets to be fully funded for the Waterfall Class members' actuarially projected lives, and that based on Fiscal Year 2018 results the Restoration Reserve Account has assets of \$22 million so as to fund two increments of restoration in Fiscal Year 2019, (i.e., a 1% pension increase). Assume further that in the following Fiscal Year the Restoration Reserve Account drops in value to \$17 million; in such event two increments could still be paid, and the second increment of ½% would cease being paid only if the value of assets in the Restoration Reserve Account dropped to or below \$10 million (in the event they dropped below \$10 million, the first increment also would cease being paid). For purposes of restoration reduction, restoration increments will be taken away in reverse order in which they were granted (i.e. last in, first out).
- g. In the event the Funded Level (not including the assets in the Restoration Reserve Account) falls below 71% (hereinafter, "Restoration Reserve Suspension Trigger"), then, until such time as the projected Funded Level in 2023 is 71% or above, further interest credits to the notional Restoration Reserve Account will cease notwithstanding the actual net investment returns for the Retirement System for the Fiscal Year in question. Furthermore, if the Funded Level projected to 2023 falls below the Funding Target (i.e., 70%) then restoration payments and credits in the following year will be modified in the following manner: (1) funds previously credited to the Restoration Reserve Account will be notionally transferred and credited to the Pension Reserve Account in sufficient amounts to restore the projected Funded Level in 2023 to 70%; (2) following such transfer, the remaining assets in the Restoration Reserve

Account shall be applied to make restoration payments in accordance with and pursuant to the same mechanism described in paragraph f.

- h. Following receipt of the actuarial reports for 2019, and in the event that the projected Funded Level as of 2023 is less than 71%, the Plan Actuary shall revisit the restoration calculations that it made during each of the prior four (4) years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2023, or (ii) an amount of annual administrative expenses until 2023 equal to the average annual normal course administrative expenses in the prior four (4) years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have transferred to the Restoration Reserve Account than actually were transferred during such look back period, then the Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period) or (ii) the dollars that were actually paid out in restoration payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period); or (iii) the amount required to increase the projected 2023 Funded Level to 71%.

(3) *Restoration of Benefits from July 1, 2023 to June 30, 2033.*

- a. During this period, the Funding Target, the Restoration Target, the Permanent Restoration Targets and the Restoration Reserve Suspension Trigger shall be as set forth below:

<u>2023 Funded Level</u>	<u>2033 Funding Target/Restoration Target</u>
75%	75%/78%
74%	74%/77%
73%	73%/76%
72%	72%/75%
71%	71%/74%
70%	70%/73%
69% or lower	the % = to 2023 Funded Level %/73%
<u>2033 Permanent Restoration Target</u>	
75%, or if greater, 1% more than 2033 Restoration Target	
<u>2033 Restoration Reserve Suspension Trigger</u>	
1% more than the projected Funding Target for all time periods	

The same rules for variable restoration payments and credits that applied during the period ending June 30, 2023 shall apply during the period ending June 30, 2033 (including ceasing interest credits in the event of a Restoration Reserve Suspension Trigger, and making Restoration Reserve Account asset transfers to the Pension Reserve Fund in the event the 2033 Funded Level falls below the 2033 Funding Target), except as follows.

For purposes of determining whether the 2033 Restoration Target has been satisfied, the Plan Actuary shall project investment returns through June 30, 2033 at the then current investment return assumption which is assumed to be net of expenses (administrative and investment) and the applicable actuarial assumptions as utilized in the annual actuarial valuation. Further, the Plan Actuary shall assume, merely for purposes of determining whether the Restoration Target is satisfied, that the annual City contribution amount shall be the annual amount necessary to fund the Retirement System based upon an amortization of the actual 2023 UAAL at market value over 30 years (hereinafter, the “2023 UAAL Amortization”) and in such manner that the resulting annual contribution stream would achieve the Funding Target set forth above as of 2033. (Such projected, hypothetical contributions shall be for purposes only of making restoration determinations, and shall not necessarily be the actual contributions made or required to be made by the City or recommended during such period; all of which shall be determined independent of the restoration calculation process.). For purposes of calculating the funded ratio, the assets in the Restoration Reserve Account will be excluded.

- b. To the extent that the City’s actual contributions to the Retirement System in any of the Fiscal Years 2024 (the year ending June 30, 2024) through 2033 are greater than the projected annual contribution under the 2023 UAAL Amortization, such amounts, and any investment earnings thereon, shall be notionally credited to a new bookkeeping account in the Retirement System called the Extra Contribution Account. In determining pension restoration during the period from Fiscal Year 2024 through 2033, none of the amounts in the Extra Contribution Account shall be considered for purposes of determining the projected funded level for the Restoration Target or Permanent Restoration Targets. To the extent that the City’s (including for this purpose DWSD or a successor authority) actual contributions in any of the Fiscal Years 2024 through 2033 are less than the projected annual contribution under the 2023 UAAL Amortization, such difference and any investment earnings thereon shall be notionally allocated to the Pension Reserve Fund.
- c. Each year, in addition to the credit of assets that exceed the amount necessary to satisfy the Restoration Target, existing Restoration Account assets will be credited with interest equal to the net return on Retirement System investments, but capped at the then investment return assumption. In the event of net losses, the credited asset value of the Restoration Reserve Account will be diminished to reflect such losses.
- d. In connection with preparation of the actuarial report for Fiscal Year 2028, the Plan Actuary will determine whether the Retirement System has satisfied the applicable Permanent Restoration Target, which shall be 75%. Transfers from the Restoration Reserve Account for credit to the Pension Reserve Fund may be made in such amounts as are necessary to

satisfy the Permanent Restoration Target. If following such transfers the Funded Level as of June 30, 2028 has satisfied the Permanent Restoration Target (75%), then the amounts in the Restoration Reserve Account, if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and which fully fund one or more increments of restoration payments for one or more Waterfall Classes over such Waterfall Class members' actuarially projected lives, shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Account and the applicable incremental payments shall be permanently restored for the applicable Waterfall Class and shall no longer be variable from year to year. Variable restoration payments will continue to be paid or credited during the period from July 1, 2028 through June 30, 2033 based on the applicable Restoration Target set forth in paragraph a and otherwise in accordance with this Section G-4, notwithstanding whether the Restoration Target during this period is less than the Permanent Restoration Target as of June 30, 2028 of 75%.

- e. In connection with preparation of the annual actuarial valuation report for Fiscal Year 2033, the Plan Actuary will determine whether the Retirement System has satisfied the Permanent Restoration Target for 2033, as set forth in paragraph a. Transfers from the Restoration Reserve Account for credit to the Pension Reserve Account may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the Funded Level as of June 30, 2033 has satisfied the applicable Permanent Restoration Target, then the amounts in the Restoration Reserve Account if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and which fully fund one or more increments of restoration payments for one or more Waterfall Classes over such Waterfall Class members' actuarially projected lives, shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Account and the applicable incremental payments shall be permanently restored for the applicable Waterfall Class and shall no longer be variable from year to year.
- f. Following receipt of the actuarial reports for 2028, and in the event that the projected Funded Level of the Retirement System as of 2033 is less than 71%, the Plan Actuary shall revisit the restoration calculations that it made during each of the prior four (4) years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2033, or (ii) an amount of annual normal course administrative expenses until 2033 equal to the average annual administrative expenses in the prior four (4) years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have transferred to the Restoration Reserve Account than actually were transferred during such look back period, then the Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus

interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period) or (ii) the dollars that were actually paid out in restoration payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period); or (iii) the amount required to increase the projected 2033 Funded Level to 71%.

(4) *Restoration of Benefits from July 1, 2033 to June 30, 2043.*

- a. During this period, the Funding Target, the Restoration Target, the Permanent Restoration Target and the Restoration Reserve Suspension Trigger shall be as set forth below:

<u>2023 Funded Level</u>	<u>2043 Funding Target/Restoration Target</u>
75%	75%/78%
74%	74%/77%
73%	73%/76%
72%	72%/75%
71%	71%/74%
70%	70%/73%
69% or lower	the % = to 2023 Funded Level %/73%

2043 Permanent Restoration Target

75% ,or if greater, 1% more than 2043 Restoration Target

2043 Restoration Reserve Suspension Trigger

1% more than the projected Funding Target for all time periods

The same rules for restoration that applied during the period ending June 30, 2033 shall otherwise apply (including ceasing interest credits in the event of a Restoration Reserve Suspension Trigger, and making Restoration Account asset transfers to the Pension Reserve Fund in the event the 2043 Funded Level falls below the 2043 Funding Target). For example, for purposes of determining whether the 2043 Restoration Target has been satisfied, the Plan Actuary shall project annual contributions using the same 2023 UAAL Amortization. For purposes of calculating the funded ratio, the assets in the Restoration Reserve Account will be excluded, and no Extra Contribution Account assets shall be included for purposes of determining whether the Funded Level meets the Restoration Target or Permanent Restoration Target, including any additions to such account after 2033.

- b. In connection with preparation of the annual actuarial valuation report for Fiscal Year 2043, the Plan Actuary will determine whether the Retirement System has satisfied the applicable Permanent Restoration Target, as set forth in paragraph a. Transfers from the Restoration Reserve Account for credit to the Pension Reserve Account may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the Funded Level as of June 30, 2043 is equal to or greater than the applicable Permanent Restoration Target, then the amounts in the

Restoration Reserve Account if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Account and the applicable payments for the applicable Waterfall Class shall be permanently restored and shall no longer be variable.

(5) *Modification of the Pension Restoration Program.*

If any time after July 1, 2026, the Investment Committee (by vote of 5 of its 7 members), or the Board of Trustees (by a greater than 66% vote) determines that a change in relevant circumstances has occurred, or there was a mutual mistake of fact in developing the Pension Restoration Agreement, such that the continued operation of the Pension Restoration Agreement without amendment will: (a) materially harm the long-term economic interests of the City, or Retirement System; (b) materially impair the City's ability to fully fund over a reasonable period the then existing frozen benefit liabilities; or (c) materially hinder the restoration program, if as of that juncture (and for purposes of applying this subsection 5) annual funding levels (excluding the Extra Contribution Account) had materially exceeded the applicable Restoration Targets for a substantial period yet without any material actual restoration of benefits as contemplated herein having been made, the Investment Committee or the Board, as the case may be, shall provide written notice to the other entity of such a determination and of the need to amend the Pension Restoration Agreement and this Section G-4 (it being understood that the post-Chapter 9, 40-year amortization period (to 2053) to fully fund the Retirement System's frozen liabilities is, unless the relevant facts demonstrate otherwise, presumptively reasonable). The Investment Committee and the Board shall then meet to negotiate amendments to the Pension Restoration Agreement that address the identified risk of harm or impairment, but which also considers the Pension Restoration Agreement's objective of providing pension restoration. Such negotiations shall take into account reasonable actions the City has pursued or could pursue to mitigate such harm or impairment. Any such amendments shall require the approval of a majority vote of the combined members of the Investment Committee and Board (persons who sit on both the Board and Investment Committee shall have one vote). Such parties shall consult with the Mayor, City Council and the Governor of the State of Michigan ("Governor") in connection with such negotiation.

If the Board, acting through a majority, and the Investment Committee, acting through a majority, cannot agree to such amendments with the 90-day period following the provision of such notice by the determining party, then the Board and Investment Committee shall proceed to mediation upon demand from either the Board or the Investment Committee. In this regard, within 30-days following expiration of the 90-day period the Board and the Investment Committee shall each select a mediator from the list of approved mediators for the United States District Court for the Eastern District of Michigan. The two selected mediators shall appoint a third neutral mediator from the approved list. Each party shall

furnish a written statement to the mediators within 30 days of selection of the neutral mediator. Representatives of the Mayor and the Governor shall be consulted in connection with such mediations. If following a 90-day mediation period following submission of the written statements the matter is not settled, then either the Investment Committee or the Board can file an action in the United States District Court for the Eastern District of Michigan asking it to declare, inter alia, whether or in what manner to amend the Pension Restoration Agreement and this Section G-4.

ARTICLE H. MISCELLANEOUS PROVISIONS OF THE GENERAL RETIREMENT SYSTEM

**ARTICLE B. FREEZE OF POLICE AND FIRE RETIREMENT SYSTEM
AS OF JUNE 30, 2014**

Sec. B-1. Freeze of Police and Fire Retirement System as of June 30, 2014.

Notwithstanding anything in Chapter 47 of the 1984 Detroit City Code, or in Chapter 54, Article II of the 1964 Detroit City Code, or any ordinances, resolutions, or orders, or parts thereof, whether codified or not codified, or any collective bargaining agreement or other documents governing terms of employment to the contrary, effective as of June 30, 2014 (the "Freeze Date"):

- (a) No new employee hired by the City on or after July 1, 2014 shall become a Member who is eligible to accrue a benefit under the terms of the Police and Fire Retirement System in effect as of the Freeze Date;
- (b) No employee who is rehired by the City on or after July 1, 2014 and who received a distribution of his accumulated employee contributions prior to July 1, 2014, shall become a Member who is eligible to accrue a benefit under the terms of the Police and Fire Retirement System in effect as of the Freeze Date; provided, however, that if a Member who is entitled to a Frozen Accrued Benefit as defined in subsection (d) of this Section B-1 and who is rehired by the City on or after July 1, 2014 repays to the Police and Fire Retirement System in accordance with a payment schedule approved by the Board of Trustees the amount of accumulated employee contributions that he withdrew, then such Member shall be eligible to accrue service credit under this Component II following rehire solely for the purpose of determining the Member's eligibility for payment of his Frozen Accrued Benefit;
- (c) No Member shall make contributions to the Annuity Savings Fund under the Police and Fire Retirement System in effect as of June 30, 2014 with respect to payroll dates occurring on or after August 1, 2014 and all Member contributions made with respect to payroll dates occurring on or after August 1, 2014 shall be made to and in accordance with the terms of Component I of the Combined Plan;
- (d) Benefit accruals for Members with respect to service rendered prior to July 1, 2014 will be frozen based on a Member's years of service and Average Final Compensation and the pension multiplier formulae as of such Freeze Date ("Frozen Accrued Benefit");
- (e) Except as otherwise provided in this Section B-1, compensation of a Member shall be frozen effective as of the Freeze Date for purposes of determining the Member's Frozen Accrued Benefit. No compensation of any type earned by a Member after the Freeze Date shall be taken into consideration for purposes of determining the Member's Frozen Accrued Benefit under the Police and Fire Retirement System;
- (f) Any Member who, as of June 30, 2014, would have been eligible to elect to use a portion of the unused accrued sick leave that he could have received in cash upon retirement ("Cashable Sick Leave") to increase his Average Final Compensation if the Member had been eligible to retire and had elected to retire as of June 30, 2014,

shall have a one-time election to have the value of twenty-five percent (25%) of the Member's Cashable Sick Leave as of June 30, 2014 included in the computation of the Member's Average Final Compensation for purposes of determining the Member's Frozen Accrued Benefit ("Sick Leave Election"); provided, however, that the amount of the member's Cashable Sick Leave at the time the completed election form is received by the Retirement System is at least equal to the value of twenty-five percent (25%) of the Member's Cashable Sick Leave as of June 30, 2014 and, provided further that the completed election form is received by the Retirement System no later than the dates established by the City. A Member's Sick Leave Election shall be made in the manner set forth by the Board of Trustees and the Police and Fire Retirement System. Notwithstanding anything in this subsection (f) to the contrary, a Member's Sick Leave Election will be void and the determination of the Member's Average Final Compensation for purposes of calculating the Member's Frozen Accrued Benefit will not take into account any of the Member's Cashable Sick Leave, if (i) the electing Member would not have been eligible to receive an immediate service retirement benefit if he retired as of June 30, 2014, and (ii) the electing Member's employment with the City is terminated before the electing Member becomes eligible for an immediate service retirement benefit under the Police and Fire Retirement System;

- (g) Service earned after the Freeze Date shall be credited to a Member under this Component II solely for purposes of determining a Member's vesting in and eligibility for payment of his or her Frozen Accrued Benefit and to a rehired Member solely for purposes of determining the Member's eligibility for payment of his or her Frozen Accrued Benefit. Service credit for all Members for benefit accrual purposes under the terms of the Police and Fire Retirement System in effect as of the Freeze Date shall be frozen effective as of the Freeze Date and no Member shall earn service credit with respect to benefits payable under the terms of the Police and Fire Retirement System in effect as of the Freeze Date (except for vesting and benefit payment eligibility purposes) after the Freeze Date; and
- (h) The Deferred Retirement Option Plan ("DROP") shall remain in effect for all Members who have either enrolled in or elected to participate in the DROP as of June 30, 2014. Members also may elect to participate in the DROP after June 30, 2014 with respect to their Frozen Accrued Benefits; however, participation in DROP with respect to such Frozen Accrued Benefits shall be limited to five years.

The foregoing terms of Section B-1 shall be referred to as the "Freeze" of the provisions of the Police and Fire Retirement System as in effect on the Freeze Date and the provisions of Component II of the Police and Fire Retirement System shall be interpreted and construed by the Board of Trustees and the Police and Fire Retirement System to give full effect to the Freeze. To the extent that a conflict arises between this Section B-1 and the provisions of Chapter 54 of the 1964 Detroit City Code, or any Charter, ordinances, resolutions, or orders, or parts thereof, whether codified or not codified, or any collective bargaining agreement or other document governing terms of employment of an employee, the Board of Trustees and the Police and Fire Retirement System are directed to interpret any inconsistency or ambiguity to give full effect to the Freeze.

ARTICLE C. DEFINITIONS

Sec. C-1. Definitions.

Unless a different meaning is plainly required by context, for purposes of this Component II the following words and phrases have the meanings respectively ascribed to them by this Section C-1:

- (1) *Accrued Service* shall mean a Member's credited service for employment rendered before the date of an actuarial valuation of the Retirement System and before July 1, 2014.
- (2) *Accumulated Contributions* shall mean the sum of all amounts deducted from the compensation of a Member and credited to his individual account in the Annuity Savings Fund, together with Regular Interest, as provided in this Component II of the Combined Plan.
- (3) *Annuity* shall mean payments derived from the Accumulated Contributions of a Member.
- (4) *Annuity Reserve* shall mean the present value of all payments to be made on account of any Annuity, or benefits in lieu of any Annuity, computed on the basis of such mortality tables and Regular Interest as shall be adopted by the Board of Trustees.
- (5) *Average Final Compensation* shall mean:
 - a. With respect to an "Old Plan Member" (an employee described in Section F-2(a)) the current maximum salary for the rank(s), grade(s) or position(s) held by the Member over the sixty (60) months immediately preceding the earlier of: (i) the date his employment with the City last terminated and (ii) June 30, 2014. The salary shall be obtained from the official compensation schedule for the Fiscal Year of the earlier of the dates described in (i) or (ii) and an average shall be determined. A Member who retires on or after July 1, 2000 (for DPCOA and DFFA members) or July 1, 1998 (for all other Members) shall have the Member's most recent full longevity payment included in his Average Final Compensation.
 - b. With respect to a "New Plan Member" (an employee described in Section F-2(b)) the current maximum salary for the rank(s), grade(s) or position(s) held by the Member over the sixty (60) months immediately preceding the earlier of: (i) the date his employment with the City last terminated and (ii) June 30, 2014. The salary shall be obtained from the official compensation schedule for the Fiscal Year of the earlier of the dates described in (i) or (ii) and an average shall be determined. If more than one (1) rank, grade or position has been held over the sixty (60) month period, a weighted average is determined based on time spent in each rank, grade or position during this sixty (60) month period.

- (i) A Member who retires on or after July 1, 2000 (for DPCOA and fire equivalents) or July 1, 1998 (for all other Members) shall have the Member's most recent full longevity payment included in his Average Final Compensation.
 - (ii) Effective July 1, 2000, Average Final Compensation shall be calculated for members of the DPCOA, Executive members and their fire equivalents by using the current maximum salary for the rank(s), grade(s) or position(s) held by the Member over the thirty-six (36) months immediately preceding the earlier of: (i) the date his employment with the City last terminated and (ii) June 30, 2014.
- c. With respect to reduced duty disability retirements occurring on or after July 1, 1992, notwithstanding the provisions of Article F, Part B, Section F-8, for those Members who receive benefits under Article F, Part B, Section F-9(a), the Average Final Compensation used in the computation of the reduced duty disability allowance shall mean the maximum salary at the date of conversion to reduced duty disability retirement for the rank(s), grade(s), or positions(s) which were held by the Member over the sixty (60) months prior to his or her duty disability retirement.
- d. Subject to Section B-1(f), for purposes of computing the Average Final Compensation received by a Member who retires on or after July 1, 2008 and prior to July 1, 2014, the Member shall have the option of adding the value of the three year average of twenty-five percent (25%) of the Member's unused accrued sick leave at the time of retirement to the earnings used in computing the Average Final Compensation.
- e. - (e) Any Member of the Retirement System as defined in Article D, Section D-1(a), (b), (c), and (d) who shall reach the Age of sixty years shall be retired forthwith, or on the first day of the calendar month next succeeding that in which the Member shall have reached Age sixty. On the written request of the Member and of the Commissioner of Police or the Board of Fire Commissioners, as the case may be, the Board of Trustees may continue such Member in active service for a period of two years beyond his sixtieth birthday, and on the expiration of such period, on like request, may continue such Member for a further period of two years.
- (f) Any Member of the Retirement System who satisfies the requirements for a Pension as defined in Article F, Section F-5 shall be eligible upon ninety days notice to make an irrevocable election to receive an immediate Retirement Allowance, actuarially reduced for early commencement, in lieu of a deferred Retirement Allowance.
- (g) Any Member of the Retirement System who was in the service of the City on or after July 1, 1941 but prior to January 1, 1969 and who was still an active Member on July 1, 1983 for DPLSA and fire equivalents and July 1, 1986 for DPOA members and fire equivalents shall have the option of retiring under the Old Plan or the New Plan.

- (h) Pursuant to IRC 411(e), as in effect in 1974, an employee shall be 100 percent vested in his or her Retirement System accrued benefit upon attaining normal retirement hereunder while in service.

Sec. F-2. Old Plan/New Plan

Effective July 1, 1986, Members of the Retirement System as defined under the terms of the Retirement System in effect on July 1, 1977, who were in service on or after July 1, 1941 but prior to January 1, 1969, and are active Members on July 1, 1986 shall have the option of retiring under the Old Plan or the New Plan.

- (a) *Amount of allowance – Old Plan Members.* Upon his or her retirement from service, a Member as defined in Article D, Section D-1(a), (b), or (c) (“Old Plan Member”) shall receive a straight life Retirement Allowance which shall consist of the benefits provided in paragraphs (1) and (2) below; and he or she shall have the right to elect an option provided for in Part H of this Article F:
 - (1) An Annuity which shall be the Actuarial Equivalent of the Member’s Accumulated Contributions standing to his or her credit in the Annuity Savings Fund at the time of his or her retirement; and
 - (2) A Pension which, when added to the Member’s Annuity, will provide a straight life Retirement Allowance equal to two percent (2.0%) of his or her Average Final Compensation, multiplied by the number of years, and fraction of a year, of his or her creditable service, not to exceed twenty-five years; provided, that the Retirement Allowance of a Police Employee shall in no case exceed fifteen twenty-seconds of the maximum earnable compensation of a Patrolman and the Retirement Allowance of a Fire Fighter shall not exceed fifteen twenty-seconds of the maximum earnable compensation of a Fire Fighter (and if either or both of the said ranks shall be hereafter abolished, the equivalent thereof). The foregoing Pension limitation shall not apply to any Police Employee or Fire Employee who on July 1, 1941, shall be entitled to a certificate for twenty years or more of prior service and who remains under the provisions of Chapter XV or Chapter XXI of Title IV of the 1918 Detroit City Charter.
- (b) *Amount of allowance – New Plan Members.* Upon his retirement from service, a Member as defined in Article D, Section D-1(d) (“New Plan Member”) shall receive a straight life Retirement Allowance which shall consist of the benefits provided in paragraphs (1) and (2) below; and he shall have the right to elect an option provided for in Part H of this Article F:
 - (1) An Annuity which shall be the Actuarial Equivalent of the Member’s Accumulated Contributions standing to his or her credit in the Annuity Savings Fund at the time of his retirement; and
 - (2) A Pension which, when added to his or her Annuity, will provide a straight life Retirement Allowance equal to:

- a. two and one-half percent (2.5%) of the Member's Average Final Compensation multiplied by the number of years and fraction of a year of his or her creditable service, for the first twenty-five (25) years of such service; and
- b. two and one-tenths percent (2.1%) of the Member's Average Final Compensation multiplied by the number of years and fraction of a year of his or her creditable service in excess of twenty-five (25) years, subject to a maximum of thirty-five (35) years.

Sec. F-3. Pension Multiplier

- (a) Notwithstanding Section F-2(a)(2) and F-2(b)(2), effective July 1, 1992 each Member who retires on or after that date shall be entitled to a Pension which, when added to the Annuity, will provide a straight life Retirement Allowance equal to 2.1% of his or her Average Final Compensation, multiplied by the number of years and fraction of a year, of his or her creditable service, not to exceed thirty-five (35) years of service for New Plan Members and twenty-five (25) years of service for Old Plan Members.
- (b) Effective July 1, 1997 or for DPCOA members the effective date of the CET-DPCOA, each Member who retires shall be entitled to a Pension which when added to the Annuity will provide a straight life Retirement Allowance equal to 2.5% (or 2.1% for DPCOA members) of his or her Average Final Compensation multiplied by the number of years and fraction of year of his or her creditable service for the first twenty-five (25) years or, in the case of a DPCOA member of his or her creditable service earned or accrued on or after the effective date of the CET-DPCOA. For Members represented by DFFA, DPCOA and DPLSA, the multiplier shall be 2.1% for each year of service over twenty-five (25) years. Maximum years of service for Pension credit shall be thirty-five (35) years for New Plan Members and twenty-five (25) years for Old Plan Members.
- (c) Effective September 1, 2011, each Member represented by DPOA who retires shall only be entitled to a Pension which, when added to the Annuity, will provide a straight life Retirement Allowance equal to 2.1% of his or her Average Final Compensation multiplied by the number of years and fraction of a year of his or her creditable service earned or accrued on or after September 1, 2011. Hence, for the first twenty-five (25) years of service accrued on or after September 1, 2011, the multiplier shall no longer be 2.5%; rather, 2.1%. Maximum years of service for Pension credit shall be thirty-five (35) years for New Plan Members and twenty-five (25) years for Old Plan Members. Service credit accrued prior to September 1, 2011 will be unaffected by this Section F-3(c).
- (d) Each DPLSA member who retires shall only be entitled to a Pension which, when added to the Annuity, will provide a straight life Retirement Allowance equal to 2.1% of his or her Average Final Compensation multiplied by the number of years and fraction of a year of his or her creditable service earned or accrued following the date of the Act 312 Award in D09 G-0786. Hence, for the first twenty-five (25) years of

service accrued after the date of the Act 312 Award, the multiplier shall no longer be 2.5% as stated in paragraph (b) above. Maximum years of service for Pension credit shall be thirty-five (35) years for New Plan Members and twenty-five (25) years for Old Plan Members.

Sec. F-4. Disposition of surplus benefits upon death of retired member.

In the event a retired Member dies before he or she has received in straight life Retirement Allowance payments an aggregate amount equal to his or her Accumulated Contributions standing to his or her credit in the Annuity Savings Fund at the time of his or her retirement, the difference between his or her said Accumulated Contributions and the said aggregate amount of straight life Retirement Allowance payments received by him or her shall be paid to such person or persons as he or she shall have nominated by written designation duly executed and filed with the Board of Trustees. If there is no such designated person or persons surviving the said deceased Retiree such difference, if any, shall be paid to his or her legal representative. No benefits shall be paid under this Section F-4 on account of the death of such a retired Member if he or she had elected Option 1, 2, 3, 3A or 3B provided for in Part H of this Article F.

Sec. F-5. Retirement allowance for certain persons leaving City employment after eight years service (40 & 8).

- (a) Should any DPLSA member or any fire equivalent who (1) has attained age forty years of Age, and (2) has acquired eight or more years of credited service, or any Member who terminates employment with the City on or after August 29, 2003 with ten or more years of credited service leave the employ of the Police Department or Fire Department prior to the date he or she would have first become eligible to retire as provided in this Part A, for any reason except his or her retirement or death, he or she shall be entitled to a Retirement Allowance computed according to Section F-2 (a) or (b) of this Article F, whichever is applicable, as said Section was in force as of the earlier of (i) the date his or her employment with the City last terminated or (ii) June 30, 2014; provided, that he or she does not withdraw his or her Accumulated Contributions from the Annuity Savings Fund. The Member's Retirement Allowance shall begin the first day of the calendar month next following the month in which his or her application for same is filed with the Board of Trustees, on or after the date he or she would have been eligible to retire had he or she continued in City employment. Notwithstanding the foregoing, prior to March 3, 2008 the Retirement Allowance of a DPOA member or a fire equivalent hired on or after July 1, 1985 shall not begin prior to the date on which the Member reaches his or her sixty-second birthday. Unless otherwise provided in this Component II, such person shall not receive service credit for the period of his or her absence from the City Police Department and/or Fire Department employ, nor shall his or her Beneficiary be entitled to any other benefit afforded in this Component II, except the benefits provided in Part A, Section F-2(a) or (b) or Part F of this Article F, whichever is applicable, subject to the above provisions, notwithstanding, his or her membership has terminated.

- (b) Effective August 28, 2003, for DPOA members and fire equivalents who terminate employment after ten (10) years of service shall be vested and shall have all options afforded to 40 & 8 Retirees.

Sec. F-6. Reduced Early Pension Benefits (40 & 8 Vesting Retirees)

- (a) Members who terminate employment and who are eligible for a Pension pursuant to Article F, Part A, Section F-5 of Component II (40 & 8) shall have the option of receiving an immediate, but reduced early Pension benefit in lieu of a deferred Pension.
- (b) This reduced early Pension benefit shall not result in an increase in employer contribution rates; therefore, the value of the Reduced Early Pension Benefit shall be the Actuarial Equivalent of the 40 & 8 Pension.
- (c) For employees represented by DFFA in ranks or classifications with a parity relationship to employees represented by the DPLSA and employees in higher ranks or classifications, upon termination, a vested employee must within 90 calendar days make an irrevocable election as to whether or not to take this option.
- (d) Individuals represented by DFFA, DPOA or DPLSA, who terminated employment prior to July 1, 1986, are not eligible for this option.
- (e) An employee who receives a lump sum payment for accumulated time upon termination is not allowed to have that time count towards his retirement service.
- (f) Since Members (other than DPOA and fire equivalents) are eligible to begin collecting their vested Pension as soon as they would have been eligible to retire had they continued their City employment, minimum retirement age (i.e., Age 55) shall not be a factor in computing the actuarially reduced Pension benefit.
- (g) All DFFA members, except those members in ranks or classifications with a parity relationship to employees represented by the DPOA, electing to receive the reduced early Pension benefits shall receive upon separation full pay for fifty percent (50%) of the unused sick bank amounts. This provision shall have no effect on a Member electing to receive the deferred 40 & 8 vested Pension who shall continue to be reimbursed for unused sick time in accordance with an applicable collective bargaining agreement.
- (h) Effective August 28, 2003, DPOA members and fire equivalents who terminate employment after ten (10) years of service shall be vested and shall have all options afforded to 40 & 8 retirees.

Part B — Total Disability Pension and Retirement Allowances

Sec. F-7. Duty disability.

If a Member shall become Totally Disabled for duty by reason of injury, illness or disease resulting from performance of duty and if the Board of Trustees shall find such injury, illness or disease to have resulted from the performance of duty, on written application to the Board of Trustees by or on behalf of such Member or by the head of his Department such Member shall be retired; notwithstanding that during such period of notification he or she may have separated from service; provided, the Medical Director, after examination of such Member shall certify to the Board of Trustees his or her Total Disability. If said Member was separated from service after filing of the written application, and he or she had attained twenty-five years or more of service prior to the date of separation, the Board of Trustees, shall retire said Member, under this Part B.

Sec. F-8. Duty disability benefits; members in service on or after July 1, 1941 but prior to January 1, 1969.

- (a) A Member, as defined under Article D, Section D-1(a), (b), or (c), shall receive the following benefits:
 - (1) Each such Member shall receive a disability Pension of fifty percent (50%), or such other higher percentage that is in effect and applies to such Member, of the Member's Average Final Compensation at the time of disability retirement. On the date that a Member, who retired under Section F-7 and who receives benefits under this Section F-8, would have accrued twenty-five years of creditable service had the Member continued in active service, or on the date that the Member reaches age sixty, whichever comes first, the Member shall be eligible for optional benefits as provided Part H of this Article F.
 - (2) In addition to the disability Pension provided for in Section F-8(a)(1), any Member who receives a disability Pension pursuant to Section F-8(a)(1) and has not accrued a total of twenty-five (25) years of creditable service as of the date of the Member's disability retirement shall receive a supplemental disability payment in the amount of sixteen and two-thirds percent (16-2/3%) of the Member's Average Final Compensation at the earlier of (i) the time of disability retirement or (ii) June 30, 2014. This supplemental payment shall terminate upon the expiration of the period when a Member who retired under Section F-7 of this Part B and who receives benefits under Section F-8(a)(1) would have accrued twenty-five years of creditable service had the Member continued in active service, or on the date that the Member reaches Age sixty, whichever comes first.

Effective July 1, 1992 for DPLSA members, the Average Final Compensation used in this computation shall mean the current maximum salary for the rank(s), grade(s) or position(s) which would have been held by the Member over the sixty months prior to the earlier of (i) the date of retirement (reduced disability/service retirement when the Member would have attained a total of twenty-five years of

credited service) had he or she continued working in that classification which he or she held at the time of his or her disability or (ii) June 30, 2014. For Members who begin receiving such benefits on or after July 1, 1998 and before July 1, 2014, the amount of the Member's most recent full longevity payment shall be included in the definition of Average Final Compensation.

Effective July 1, 1992 for DFFA and DPOA members, the Average Final Compensation used in this computation shall be the highest average annual compensation that would have been received by such a Member had he or she continued working in the classification he or she held at the time of his or her disability, during any period of five consecutive years, selected by the Member, contained within the last ten years immediately preceding the earlier of (i) expiration of the period when the Member would have attained a total twenty-five years of creditable service and (ii) June 30, 2014.

Effective July 1, 2000, the Average Final Compensation used in this computation shall mean the current maximum salary, including the annual longevity payment provided above, for the rank(s), grade(s) or position(s) which would have been held by the Member over the thirty-six (36) months prior to the earlier of (i) retirement or (ii) June 30, 2014.

- (3) In the case of a Member retired under Section F-8 who receives benefits under F-8(a)(1) and F-8(a)(2), the Accumulated Contributions standing to the Member's credit at the date of retirement shall continue to be held in the Annuity Savings Fund and Regular Interest shall be credited thereto. If such Member dies before the date upon which the Member would have achieved a total of twenty-five years of creditable service had the Member continued in active service and before such Member reaches Age sixty, the balance of the member's Annuity Savings Account including interest thereon shall be paid as provided in Part D and Part E of this Article F.
- (b) This Section shall be applicable to those Members receiving benefits on the date of adoption of this Section who are not covered by the arbitration decision regarding the DPOA which became effective July 1, 1995, or the arbitration decision regarding the DPLSA which became effective June 30, 1998.
- (c) This Section does not rescind any substantive rights of disability retirees from the Retirement System who retired prior to the July 1, 1995 arbitration award, or the substantive rights of disability retirees from the DPLSA who retired prior to the June 30, 1998 arbitration award.
- (d) This Section does not amend any computations used to determine disability benefits payable under this Section F-8, or result in an increase or decrease in such disability benefits.

Sec. F-9. Duty disability benefits; members beginning service on or after January 1, 1969 and becoming disabled prior to the dates set forth in Section F-10.

- (a) A Member, as defined under Article D, Section D-1(d), who retired under Section F-7, shall receive the following benefits:
- (1) Each such Member shall receive a disability Pension of fifty percent (50%), or such other higher percentage that is in effect and applies to such Member, of the Member's Average Final Compensation at the earlier of (i) the time of disability retirement or (ii) June 30, 2014. On the date that a Member who retired under Section F-7 of this Part B and who receives benefits under this Section would have accrued twenty-five years of creditable service had the Member continued in active service, or on the date that the Member reaches Age sixty, whichever comes first, the Member shall be eligible for optional benefits as provided Part H of this Article F.
 - (2) In addition to the disability Pension provided for in Section F-8(a)(1) of this Part B, any Member who receives a disability Pension pursuant to Section F-8(a)(1) of this Part B and who has not accrued a total of twenty-five years or more of creditable service as of the date of the Member's disability retirement shall receive a supplemental disability payment in the amount of sixteen and two-thirds percent (16-2/3%) of the Member's Average Final Compensation at the earlier of (i) the time of the Member's disability retirement and (ii) June 30, 2014. This supplemental payment shall terminate when a Member who retires under Section F-7 and who receives benefits under Section F-8(a)(1) would have accrued twenty-five years of creditable service had he or she continued in active service or on the date that the Member reaches Age sixty, whichever comes first.
 - (3) In addition to the disability Pension provided for in Section F-8, any Member who receives a disability Pension pursuant to Section F-8(a)(1) and who has accrued more than twenty-five years ("additional years") of creditable service as of the earlier of (i) the date of the Member's disability retirement and (ii) June 30, 2014 shall receive another supplemental disability payment equal to two percent (2%), or such other higher percentage that is in effect and applies to such Member, of the Member's Average Final Compensation as of the earlier of such dates, multiplied by the number of additional years of creditable service the Member has accrued; provided, however, that such supplemental disability payment shall not exceed twenty percent (20%), or such other higher percentage that is in effect and applies to such Member, of the Member's Average Final Compensation.
 - (4) In the case of a Member who retires under Section F-7 and who receives benefits described under Section F-8(a)(1) through (3), the Accumulated Contributions standing to the Member's credit at the date of disability retirement shall continue to be held in a separate fund in the Annuity Savings Fund and Regular Interest shall be credited thereto. If such Member dies prior

to the time when the Member would have achieved a total of twenty-five years of creditable service had the Member continued in active service and before such Member reaches Age sixty, the amount of the Member's Accumulated Contributions so set aside and interest thereon shall be paid as provided in Part D and Part E of this Article. F

- (5) The amendment of Section F-8(a)(1) shall not result in an increase or decrease in the amount of disability benefits payable to Members.
- (b) This Section shall be applicable to those Members receiving benefits on the effective date of this Section F who are not covered by the arbitration decision regarding the DPOA which became effective July 1, 1995, or the arbitration decision regarding the DPLSA which became effective June 30, 1998. This Section does not rescind any substantive rights of disability retirees from the Retirement System who retired prior to the July 1, 1995 arbitration award, or the substantive rights of disability retirees from DPLSA who retired prior to the June 30, 1998 arbitration award.
- (c) This Section does not amend any computations used to determine benefits under Section F-8 of this Part, or result in an increase or decrease in such benefits.

Sec. F-10. Duty Disability benefits; DFFA, DPOA and DPLSA members beginning service on or after January 1, 1969 and becoming disabled on or after the dates set forth below.

- (a) This Section F-10 shall be applicable to:
 - (1) DFFA employees who file applications for disability retirement on or after July 1, 1995 and who have a parity relationship with the DPOA and on or after June 30, 1998, for DFFA employees with a parity relationship with the DPLSA and the DPCOA Inspector;
 - (2) all DPLSA employees who file applications for disability retirement on or after June 30, 1998; and
 - (3) all DPOA members who file applications for disability retirement on or after July 1, 1995.
- (b) A Member who retires as a result of duty disability shall receive for a period of twenty-four months the sum of:
 - (i) a basic benefit equal to 50% of the Member's Final Compensation at the earlier of (i) the time his or her duty disability retirement begins or (ii) June 30, 2014; and
 - (ii) a supplemental benefit equal to 16-2/3% of the Member's Final Compensation at the earlier of (i) the time his or her duty disability retirement begins or (ii) June 30, 2014.

On July 1st of each year, the benefits determined under paragraphs (i) and (ii) above then payable will each be increased by adding to said amounts the product of the initial amount of said benefit which was computed at the time the duty disability retirement began and the applicable Pension Improvement Factor (Escalator).

- (c) After a Member receives benefits hereunder for a period of twenty-four months, the Board will determine whether the Member is disabled from any occupation. If the Member is disabled from any occupation, the Member shall continue to receive the benefit provided in paragraphs (b)(i) and (b)(ii) until such time as the Member would have attained twenty-five years of creditable service had he continued in active Service with the City. At that time, the Member shall continue to receive the benefit described in paragraph (b)(i) above; however, benefits described in paragraph (b)(ii) above will cease. If the Member is not disabled from any occupation, he shall continue to receive the benefit described in paragraph (b)(i) above; benefits described in paragraph (b)(ii) will cease.
- (d) Duty disability retirement benefits shall continue to be paid to a Member on duty disability retirement after the Member has attained twenty-five years of creditable service, to the earlier of (i) the Member's attainment of Age sixty-five, or (ii) termination of disability as determined by the Board. Upon termination of disability or attainment of Age sixty-five, a Member with twenty-five years of creditable service shall be eligible to receive a service retirement benefit. The amount of such service retirement benefit shall be the same amount which would have been payable if the conversion from duty disability retirement to service retirement had occurred at the date of attaining twenty-five years of creditable service. In the event that the examinations and/or investigations conducted by the Police Department result in a determination that a DPOA Member is not qualified for reappointment as a Police Employee, for medical reasons, disability benefits will be continued.
- (e) If a Member on duty disability retirement returns to active service and within a twenty-four month period re-qualifies for duty disability retirement for the same or related reasons he or she had been retired, then the disability shall be deemed a continuation of the prior disabling condition and the period of the return to work will not have caused the Member to be entitled to a new initial determination of benefit amounts as set forth in paragraph (b) above. Instead, such Member will return to retirement at the point he or she had reached in sub-paragraphs (b), (c) or (d) above as if there had not been a break in his or her period of placement on duty disability retirement.
- (f) Disability retirement benefits shall continue to be considered benefits provided by the City pursuant to the 1918 Detroit City Charter, as amended, which are paid instead of and not in addition to any benefits under the State Workers' Disability Compensation Act.
- (g) Survivor benefit coverage applicable to active Members shall be continued during the period a Member is eligible for a duty disability benefit. Upon conversion to a service retirement benefit as provided in paragraph (d), automatic survivor benefit

coverage shall terminate. At that time, the Member shall have the right to elect an optional form of payment in the same manner as if he or she had retired from active membership on the conversion date.

(h) Pension Credit While on Duty Disability Status

- (1) While eligible to receive duty disability benefits, Pension service credit shall continue to accrue, but not beyond June 30, 2014.
- (2) The accrual of Pension service credit will cease on the earlier of (i) the date the Member has twenty-five years of creditable service, or (ii) June 30, 2014.

(i) Earnings Offset

- (1) In the event that a recipient of a duty disability retirement benefit receives earned income from gainful employment during a calendar year, the amount of the Member's disability benefit payable during the next subsequent Fiscal Year will be adjusted so it does not exceed the difference between (i) the Member's base salary at the date of disability, increased by 2.25% times the number of full years from the date of disability to the year in which the earnings offset is applied, and (ii) the amount of remuneration from gainful employment during the prior calendar year.
- (2) The earnings test shall be based on information the Board may periodically require from a duty disability benefit recipient or has secured from other reliable sources. Furnishing such information shall be a condition for a Member's continued eligibility for a duty disability benefit.

- (j) The withdrawal provision of the Retirement System will continue to apply to Members on duty disability. If a duty disability recipient elects annuity withdrawal after attaining twenty-five years of creditable service, the applicable benefit reduction will offset the duty disability benefit until the conversion date, after which it will offset the converted service retirement benefit.

Sec. F-11. Non-duty disability.

- (a) On written application to the Board by or on behalf of a Member or by the head of his Department, a Member, who becomes Totally Disabled for duty by reason of injury, illness or disease not resulting from the performance of duty as determined by the Board of Trustees, shall be retired by the Board of Trustees. If said Member was separated from service after the filing of the written application and had attained twenty-five years or more of creditable service prior to the date of separation, the Board shall retire said Member, under this Part B.
- (b) A Member retired under paragraph (a) above shall receive the following applicable benefits:

- (1) If such Member has less than five years of creditable service at the time of his or her disability retirement, his or her Accumulated Contributions standing to his or her credit in the Annuity Savings Fund shall be returned to the Member, or at his or her option, he or she shall receive a cash refund annuity which shall be the Actuarial Equivalent of his or her Accumulated Contributions.
- (2) If such Member has five or more years of creditable service at the time of his or her disability retirement, he or she shall receive a disability Retirement Allowance computed in accordance with the provisions of this Article F, Part A, Section F-2(a) or (b), whichever is applicable, and he or she shall have the right to elect an Option provided for in Part H of this Article F. The Member's Straight Life Retirement Allowance shall not be less than twenty per cent of his or her Average Final Compensation. Such Retirement Allowance shall be subject to Parts I and K of this Article F.
- (3) If a Member receiving non-duty disability benefits has any Accumulated Contributions standing to his or her credit in the Annuity Savings Fund when the Member would have attained twenty-five years (effective as of March 8, 2007, twenty years for DPOA members and fire equivalents) of creditable service, such Member may withdraw the balance of such contributions at that time.

Sec. F-12. Disability retirement procedures.

- (a) The Board shall establish procedures for determining whether a Member is disabled. Such procedures shall be consistent with any collective bargaining agreements between the City and the unions covering Police Employees and Fire Employees.
- (b) If a Member is determined to be disabled, the Board or its designee will examine the pension file, including the submissions of the Member and the Police or Fire Department, to determine if there is any dispute as to whether the disability "resulted from the performance of duty" within the meaning of the Combined Plan. If it is undisputed that the disability did result from the performance of duty, the Board will grant duty disability retirement benefits. If it is undisputed that the disability did not result from the performance of duty, the Board will grant non-duty disability retirement benefits, provided the Member meets the other conditions of eligibility. If the performance of duty issue is in dispute, the Board will refer the matter to arbitration by a member of the Disability Retirement Review Board ("DRRB"). The decision of the DRRB member as to whether the disability resulted from the performance of duty shall be final and binding upon the Member, the Department and the Board. The DRRB shall consist of three qualified arbitrators who will be individually assigned in rotating order to decide the matters referred to arbitration by the Board. The three members of the DRRB shall be disinterested persons qualified as labor arbitrators and shall be selected in accordance with agreements between the City and the unions representing Members. The procedure for the termination of DRRB members and the selection of new DRRB members also shall be carried out in

accordance with the agreements between the City and the unions representing Members.

(c) The hearing before a member of the DRRB will be conducted in accordance with the following procedures:

- (1) The Member and the City will have the right to appear in person or otherwise may be represented by counsel if they wish and will be afforded an equal opportunity to present evidence relevant to the issues;
- (2) A court reporter will be present and make a stenographic record of the proceedings;
- (3) The hearing will be closed to the public, except that the Member may select one person to be with him or her in the hearing room; provided, however, that person may not testify;
- (4) The witnesses will be sequestered;
- (5) The witnesses will be sworn by the court reporter and testify under oath;
- (6) The Member may not be called by the City as an adverse witness;
- (7) The DRRB member will apply the rules of evidence and follow the procedures which are customarily applied and followed in labor arbitration cases;
- (8) If the Member wishes to have an employee of the City released from duty to appear as a witness on his or her behalf, the Member may so inform the Board in writing which, in turn, will submit a written request to the appropriate Department for the release of the employee for the purpose of so testifying;
- (9) The DRRB member will afford the parties an opportunity for the presentation of oral argument and/or the submission of briefs;
- (10) The DRRB member will issue a written decision containing credibility resolutions as necessary, findings of fact and conclusions with respect to all relevant issues in dispute;
- (11) The authority of the DRRB member is limited to deciding whether or not the Member's disability "resulted from the performance of duty" within the meaning of the Combined Plan. The DRRB member shall have no authority to add to, subtract from, modify or disregard the terms of the Combined Plan; and
- (12) The costs associated with the hearing, including the arbitrator's fees and expenses and the court reporter's fees and expenses, will be paid by the Retirement System.

- (d) If a disability retiree is determined by the Board or its delegate to no longer be disabled, he or she may appeal that determination within seven (7) days thereof by filing a written request with the Board for a re-examination. The Board or its delegate shall promptly arrange for such re-examination. The Member's disability benefits will be continued pending that final and binding medical finding, and if the finding is that the Member is no longer disabled, his or her disability benefits will be further continued while the Police or Fire Department conducts such examinations and/or investigations as necessary to determine whether the Member is qualified for reappointment to active duty. In the event that the examinations and/or investigations conducted by the Police Department result in a determination that a Member represented by DPLSA is not qualified, for medical reasons, for reappointment to active duty, disability benefits will be continued.
- (e) The Board of Trustees shall not act upon or grant the application filed by a Police Employee or Fire Employee who, although he or she is not capable of performing the full duties of a Police Employee or Fire Employee, has not suffered any diminishment of his or her base wages or benefits because he or she is either:
 - (1) regularly assigned to a position, the full duties of which he or she is capable of performing; or
 - (2) assigned to a restricted duty position, unless the Police Department or Fire Department advises that it intends to seek a disability retirement for the Police Employee or Fire Employee in the foreseeable future.
- (f) The provisions in paragraph (e) above are not intended to and will not:
 - (1) affect the right of a Member to seek a disability retirement when no restricted duty position is available; or
 - (2) restrict in any way the existing authority of the Chief of Police or the Fire Commissioners to seek a duty or non-duty disability retirement for a Member or for that Member at that time to request a duty or non-duty disability retirement.
- (g) DPCOA and DPLSA members who are retired on disability Pensions pursuant to this Part B shall be entitled to lump sum payments of all accumulated time from the date that the Board of Trustees determines that they are entitled to such a Pension. These members shall not be required to utilize such time delaying their retirement dates.

Part C — Escalation and Change in Compensation, Rank

Sec. F-13. Generally.

Subject to the Plan of Adjustment, if hereafter the rate of compensation of the rank, grade or position on which the service Retirement Allowance, disability Pension or disability Retirement Allowance of a Member who was hired prior to July 1, 1969 or is a Beneficiary of such a Member as defined in Article D, Section D-1(a), (b), or (c) is based shall be changed, his

or her service Retirement Allowance, disability Pension, or disability Retirement Allowance shall be changed proportionately, and if such rank, grade, or position shall have been abolished, his or her service Retirement Allowance, disability Pension, or disability Retirement Allowance shall be changed in proportion to the change made in the compensation of the existing rank, grade, or position most nearly approximating the rank, grade, or position so abolished.

Sec. F-14. Increase of Benefits; Pension Improvement Factor (Escalator).

On and after July 1, 1969, and the first of July of each year thereafter until July 1, 1992, the Pension portion of any Retirement Allowance or death benefit of a Member or Beneficiary of a Member as defined in Article D, Section D-1(d), which is paid or payable under this Component II shall be increased at the rate of two per cent (2.0%) per annum computed on the basis of the amount of the Pension received at the time of retirement.

On or after July 1, 1992 and the first of July each year thereafter until July 1, 2014, the Pension portion of any Retirement Allowance or death benefit of a Member or Beneficiary of a Member as defined in Article D, Section D-1(d), (including those Members who opt to retire under the New Plan provisions) shall be increased at the rate of two and twenty-five one-hundredths per cent (2.25%) per annum computed on the basis of the amount of the Pension received at the time of retirement.

Effective for Members who retire on or after July 1, 1997 (July 1, 1998 for DPCOA members, DPLSA members and DFFA members with a parity relationship with DPCOA and July 1, 2001 for DPOA members and their fire equivalents), the Pension Improvement Factor (Escalator) described in this Section shall be re-computed each Fiscal Year ending before July 1, 2014 on the basis of the amount of Pension received in the previous Fiscal Year (i.e., the 2.25% per annum escalation amount shall be compounded).

Pension benefits for DPCOA members under Component II based on service rendered after November 30, 2012 shall not be subject to any escalation amounts.

The Pension portion of any Retirement Allowance or death benefit of a Member, or Beneficiary of a Member as defined in Article D, Section D-1(d) of the Combined Plan provisions, and Article 51.G. of the DPLSA collective bargaining agreement or Article 3.K. of the DPOA collective bargaining agreement (to include those Members who opt out to retire under the New Plan provisions) earned after April 1, 2011 (for DPLSA members) or September 1, 2011 (for DPOA members), shall not be increased whatsoever, per annum or otherwise. The Pension portion of any Retirement Allowance or death benefit of a Member, or Beneficiary of a Member as defined herein, accrued prior to April 1, 2011 (for DPLSA members) or September 1, 2011 (for DPOA members), shall still be increased as provided herein. Hence, Pension benefits earned based on service rendered after April 1, 2011 (for DPLSA members) or September 1, 2011 (for DPOA members) will no longer receive the 2.25% per annum escalation amount. The 2.25% per annum escalation amount shall continue to apply to Pension benefits earned based on service rendered before April 1, 2011 (for DPLSA members) or September 1, 2011 (for DPOA members).

Sec. F-15. Payment.

Except as provided in the Plan of Adjustment, the escalation factor contained in Section F-14 above shall be payable to the Member or Beneficiary of a Member as defined in Article D, Section D-1(d), notwithstanding any Retirement Allowance or Pension amount limitation provisions in this Component II to the contrary.

Sec. F-18. Allowances to surviving spouses.

Upon the death of a Member, or a Member who retires after June 30, 1965, under Part B, Section F-7 of this Article F, and such death is found by the Board of Trustees not to have resulted from the performance of his or her duty, the applicable Retirement Allowances provided in paragraphs (a), (b), (c) and (d) of Section F-1 shall be paid from the Survivors Benefit Fund, to the extent of available funding, and shall be subject to paragraphs (e), (f) and (g) of Section F-1.

- (a) His or her surviving spouse shall receive a Retirement Allowance computed in the same manner in all respects as if the said Member had (1) regularly retired on the earlier of (i) the day preceding the date of his or her death, or (ii) June 30, 2014, notwithstanding that he or she might not have acquired twenty-five years of creditable service, in the case of a Member as defined in Article D, Section D-1(a), (b), or (c), or notwithstanding that he or she might not have acquired twenty-five years of service or more and had not attained age fifty-five, in the case of a Member as defined in Article D, Section D-1(d); (2) elected Option 2 provided for in Part H of this Article F; and (3) nominated his or her surviving spouse as joint Beneficiary; provided, that in no case shall the Retirement Allowance payable to such joint Beneficiary be less than twenty per cent of said Member's Average Final Compensation as of the earlier of (i) the Member's date of death, and (ii) June 30, 2014. If a Member who had less than twenty-five years of creditable service dies prior to July 1, 2001, the Retirement Allowance payable to the surviving spouse shall be terminated in the event the surviving spouse remarries.
- (b) His or her unmarried child or children under Age eighteen years shall each receive a Retirement Allowance of one-seventh of the annual maximum earnable compensation of the rank of a Patrolman or a Fire Fighter, as the case may be determined as of the earlier of (i) the Member's date of death, and (ii) June 30, 2014; provided, that if there are more than two such children, each child shall receive a Retirement

If there are no such designated person or persons surviving the said Member such difference, if any, shall be paid to his or her legal representative.
- (e) In no case shall any Retirement Allowance be paid under this Section F-18 on account of the death of a Member if any benefits are paid under Part D of this Article F on account of his or her death. The Retirement Allowance provided for in this Section F-18 shall be subject to Part I of this Article F.
- (f) All benefits provided in this Part E for Beneficiaries of Members as defined in Article D, Section D-1(a), (b), or (c) shall be based on the maximum earnable compensation of the rank of Patrolman or Fire Fighter, as the case may be determined as of the earlier of (i) the Member's date of death, or (ii) June 30, 2014. shall be reduced to the proportion that the Member's Accumulated Contributions standing to his or her credit in the Annuity Savings Fund, at the time of his or her death bears to the amount his Accumulated Contributions would have been had he or she not made a withdrawal from the Annuity Savings Fund.

The actuarial cost of the change in benefit shall be borne by the Member who seeks change in his or her election.

Sec. F-27. Authority of Board.

- (a) Once each year during the retirement of a Member on a disability Pension or a disability Retirement Allowance and at least once in every three year period thereafter the Board of Trustees shall require any disability retiree, if he or she would not then be eligible for a service Retirement Allowance had he or she remained in active service, to undergo a medical examination at a place to be fixed by the Board of Trustees. If the retiree shall be required to travel more than twenty miles to reach such place, the Board of Trustees shall pay his or her reasonable traveling expenses. Should such disability retiree refuse to submit to such examination, his or her disability Pension or disability Retirement Allowance may be discontinued until he or she shall submit to such examination and should such refusal continue for one year, all of the Member's rights in and to a Pension may be revoked by the Board of Trustees. If, on medical examination of a Beneficiary, the Board of Trustees determines that the retiree is physically able and capable of resuming active duty, he or she shall be restored to such duty and his or her other disability Pension or disability Retirement Allowance shall cease. Such Member so restored to active duty shall be returned to duty in a rank or grade equivalent to or higher than the rank or grade in which he or she was serving at the time of his or her last retirement and his or her compensation shall be that provided for the rank or grade in which he or she is restored to service. If the Board of Trustees determines that a disabled New Plan Member is engaged in a gainful occupation, paying more than the difference between his or her base salary at the earlier of (i) the time of disability or (ii) June 30, 2014, increased by two and twenty-five one hundredths percent (2.25%) for each full year from the date of disability and his or her disability Pension, or disability Retirement Allowance, the amount of his or her Pension shall be reduced to an amount, which together with the amount earned by him or her, shall equal the amount of such final compensation. Should his or her earnings be later changed, the amount of his or her Pension may be further modified in like manner.
- (c) A disability retiree who shall be reinstated to active service prior to July 1, 2014 as provided in this Section, shall from the date of such restoration again become a Member of the Retirement System, and he or she shall contribute to the Retirement System thereafter in the same manner and at the same rate as he or she paid prior to his or her disability retirement. A disability retiree who shall be reinstated to active service after June 30, 2014, shall from the date of such restoration become an active

Sec. F-30. Optional Annuity Withdrawal

- (a) A Member shall have the right to elect to receive on the effective date of his or her service retirement a partial or total refund of his or her Accumulated Contributions. If a Member makes such an election, an Annuity payable under any Retirement Allowance or reduced Retirement Allowance shall be reduced proportionally. If the total Accumulated Contributions are withdrawn, no Annuity shall be payable.

The limitation of fifteen twenty-seconds of the maximum earnable compensation of a Police Employee and Fire Employee continues in effect. For purposes of determining the fifteen twenty-seconds limitation, a computation based on the Annuity which is an Actuarial Equivalent of the Accumulated Contributions standing to a Member's credit in the Annuity Savings Fund prior to any partial or total refund will be used.

On or after July 1, 1974, Members or former Members who are entitled to begin to receive the 40 & 8 benefit provided under Section F-6 will be entitled to the annuity refund withdrawal option.

On or after July 1, 1974, non-duty disability retirees represented by DFFA, DPCOA and DPLSA who retired pursuant to Article D, Section D-1(a), (b) or (c) prior to

having twenty-five years of service credit, shall be entitled to the annuity refund withdrawal option on the date he or she would have had twenty-five years of service credit had he or she continued as an active employee. Said option shall only apply to the balance of Accumulated Contributions, if any, remaining to such retiree's credit in accordance with the existing annuity refund provisions.

Survivor benefit beneficiaries as defined in Title IX, Chapter VII, Article VI, Part E, Section 2, parts (a), (b) and (c) of the 1918 City Charter in effect as of June 30, 1974, and continued in effect by Section 11-102 of the City Charter shall be entitled to the annuity withdrawal refund option subject to the same rules that would have been applicable to the deceased Member or Members had he or she not died. Said option shall only apply to the balance of Accumulated Contributions, if any, remaining to the applicable former Member's credit.

In any case of doubt, the Board of Trustees shall decide whether a Member or Beneficiary is entitled to an annuity refund withdrawal option.

- (b) A Member shall have the right on or after the effective date of his becoming eligible for a full service Retirement Allowance (Members who have either twenty or twenty-five years of creditable service depending upon the applicable bargaining unit) to elect to receive a partial or total refund of his or her Accumulated Contributions to the Annuity Savings Fund. If a Member makes such an election, an Annuity payable under any Retirement Allowance or reduced Retirement Allowance shall be reduced proportionally. If the total Accumulated Contributions are withdrawn, no Annuity shall be payable.

If a Member makes such an election, the Retirement Allowance shall be reduced to reflect the value of the Annuity withdrawn. The amount of the Annuity at the time of such election shall be the amount used at the time of retirement for purposes of computing the Retirement Allowance.

All members (except DPOA members retiring prior to July 1, 1982) who complete their required years of service, shall have the right to withdraw all or part of their Accumulated Contributions whether they choose to retire or not.

Effective July 21, 2000 for DFFA members having a parity relationship with the DPOA and for the DPCOA Inspector, and effective July 1, 2003 for DPLSA members, and effective July 21, 2000 for DPOA members, a Member who has elected to retire and elected to withdraw his or her Annuity for the purposes of calculating his or her Retirement Allowance (thereby lowering the Retirement Allowance), may nevertheless choose to leave the Annuity in the Retirement System collecting regular annuity interest with the option of a one-time withdrawal of the Annuity funds at a later date.

For a DPCOA, DPLSA or DFFA member or an employee with a parity relationship with the DPLSA and for the DPCOA Inspector who retires on or after July 1, 1990, and who has made or makes an election to receive a total or partial refund of his or

her accumulated contribution to the Annuity Savings Fund, there shall be no reduction of Retirement Allowances due to the portion of withdrawal representing interest credits. For members of DFFA and DPLSA, this Subsection shall be controlled by the requirements of the Act 312 arbitration award issued June 25, 1990 (MERC Case No. B89 C-0622, page numbers 22 and 23).

Effective January 15, 2010 for members of DPCOA and fire equivalents, or December 15, 2008 for DPLSA and fire equivalents, or March 8, 2007 for DPOA members and fire equivalents, a Member who retires and elects to leave a balance in the Annuity Savings Fund shall have the option of receiving a quarterly payment of interest earnings only or to take periodic withdrawals of principal, in addition to a one time complete withdrawal. Members of DPCOA and DPLSA and their fire equivalents must make their elections a minimum of thirty days before the beginning of a quarter; quarter defined as beginning March 1, June 1, September 1, and December 1.

An employee represented by DFFA, DPCOA or DPLSA who is entitled to a Retirement Allowance under Article F, Part A, Section F-5 of the Retirement System and who leaves the employ of the Police or Fire Department of the City on or after July 1, 1982 shall have the right to elect to receive on the effective date of termination a partial or total refund of his Accumulated Contributions. The Pension portion of his Retirement Allowance shall be computed as if the Member had not withdrawn his or her Accumulated Contributions from the Annuity Savings Fund until the date he or she was eligible to retire had he or she continued in City employment.

- (c) Effective in accordance with the specific date and terms of the DPOA award in Act 312 No. D98 E-0840 (Chairman Donald F. Sugerman, dated July 21, 2000), a DPOA member shall have the right to leave his or her withdrawn Annuity in the Pension system and accumulating interest, as provided therein.

ARTICLE G. METHOD OF FINANCING.

Sec. G-1. General.

The funds of the Retirement System shall be the Annuity Savings Fund, Annuity Reserve Fund, Pension Accumulation Fund, Pension Reserve Fund, Expense Fund and the Survivors Benefit Fund.

Sec. G-2. Annuity Savings Fund.

- (a) The Annuity Savings Fund shall be the fund in which shall be accumulated at Regular Interest, the contributions deducted from the compensation of Members to provide for their Annuities. Subject to Section B-1(c), the contributions of a Member as defined in Article D, Section D-1(a), (b) or (c) shall be five percent of a Member's compensation until the Member has acquired twenty-five years of creditable service. Subject to Section B-1(c), the contribution of a Member as defined in Article D, Section D-1(d) shall be five percent of his or her compensation until he or she has acquired at least twenty-five years of creditable service (effective as of March 8, 2007, twenty years for DPOA members and fire equivalents) and attained age fifty-five. No Member shall have the option of choosing to receive the compensation required to be contributed hereunder directly instead of having such amounts paid by the City to the Annuity Savings Fund.
- (b) The City shall cause the contributions provided for in paragraph (a) above to be deducted from the compensation of each Member on each and every payroll, for each and every payroll period, from the date of his or her entrance in the System to the earlier of (i) the date he or she ceases to be a Member or (ii) the last payroll date occurring in July 2014.
- (c) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided by law for any Member shall be reduced thereby. Every Member shall be deemed to consent and agree to the deductions made and provided for herein, and payment of his or her salary or compensation, less said deduction, shall be a full and complete discharge and acquittance of all claims and demands whatsoever for the services rendered by such person during the period covered by such payments, except as to the benefits provided under this Retirement System. The amounts to be deducted shall be deducted by the City Treasurer and when deducted shall be paid into the Annuity Savings Fund and shall be credited to the individual account of the Member from whose compensation said deduction was made.
- (d) If, under the provisions of this Component II, any person shall withdraw or be paid any part or all of his Accumulated Contributions and shall thereafter again become a Member on or before June 30, 2014, he or she shall, in addition to the contributions provided for in paragraph (a) above, redeposit in the Annuity Savings Fund, by an increased rate of contribution to be determined by the Board of Trustees, or by a single payment, such amount that his or her Accumulated Contributions at the date of

his or her eligibility for retirement will be the same amount it would have been had no withdrawal or payment been made therefrom.

- (e) Except as is otherwise provided in this Component II, upon the death or retirement of a Member, his or her Accumulated Contributions shall be transferred from the Annuity Savings Fund to the Annuity Reserve Fund.
- (f) In any Plan Year during the period beginning on or after July 1, 2014 and ending June 30, 2023 in which the annual rate of return credited to the accounts of Members investing in the Annuity Savings Fund as provided in paragraph (a) is less than the actual rate of return net of expenses of the Retirement System's invested assets for the second Plan Year immediately preceding the Plan Year in which the annual rate of return is credited ("ASF Return Excess"), an amount equal to the value of the ASF Return Excess shall be transferred to the Pension Accumulation Fund maintained under Component I of the Combined Plan and shall be used to fund the Transition Cost relating to Component I. The Transition Cost is a measure of the liability that Component I of the Retirement System has at its inception; due to the fact that at its inception, Members in Component I of the Retirement System receive vesting and eligibility credit under Component I for service that was earned prior to July 1, 2014 and is otherwise credited to Members under Component II of the Retirement System, as such Transition Cost is calculated by the Plan Actuary. In the event there is an ASF Return Excess for a Plan Year following the Plan Year in which such transfers have fully funded the Transition Costs relating to Component I, fifty percent (50%) of such ASF Return Excess shall be transferred to the Pension Accumulation Fund maintained under Component II and the remaining fifty percent (50%) of such ASF Return Excess shall be transferred to Component I and credited to the Rate Stabilization Fund maintained under Component I. "Transition Cost" shall be determined by the Plan Actuary.

Sec. G-3. Annuity Reserve Fund.

The Annuity Reserve Fund shall be the fund from which shall be paid all Annuities payable as provided in this Component II, except Annuities which are payable from the Survivors Benefit Fund. Should a disability retiree be restored to active service, his or her Annuity Reserve at the time shall be transferred from the Annuity Reserve Fund to the Annuity Savings Fund and credited to his or her individual account therein.

Sec. G-4. Alternative Financing Method.

Except as provided regarding the Survivors Benefit Fund, the Pension Accumulation Fund shall be the fund in which shall be accumulated reserves for the Pensions and other benefits payable from contributions made by the City, and from which transfers shall be made as provided in this section.

- (a) *Accrued Liability Fund.* Pursuant to *Ordinance No. 05-05*, which authorized the creation of the Detroit Police and Fire Retirement System Service Corporation, the City entered into a transaction ("the Pension Funding Transaction") to obtain funds as

an alternative to those available through the traditional funding mechanism described in Section G-5. The proceeds generated by the Pension Funding Transaction (or any Additional Pension Funding Transaction, as described below) that were deposited into the Retirement System will be termed the "Funding Proceeds." The Funding Proceeds were deposited into a new Fund in the Retirement System called the Accrued Liability Fund. The purpose of the Funding Proceeds is to fund all or part of the heretofore unfunded accrued liabilities ("UAAL") of the Retirement System. The Funding Proceeds are the assets of the Retirement System and will be applied, together with all other assets of the Retirement System, to fund the Retirement System's obligation to pay accrued benefits, as adjusted in the Plan of Adjustment.

This Accrued Liability Fund shall contain only the Funding Proceeds of the Pension Funding Transaction, and any earnings thereon. Prior to Fiscal Year 2013, funds were transferred each Fiscal Year (or monthly portion thereof) from the Accrued Liability Fund to the Pension Accumulation Fund as provided in the documents governing the Retirement System, including *Ordinance No. 5-05*.

- (b) As soon as practicable following the effective date of the Plan of Adjustment, any amounts remaining credited to the Accrued Liability Fund shall be transferred to the Pension Accumulation Fund and the Accrued Liability Fund shall cease to exist.

Sec. G-5. Contributions to and payments from Pension Accumulation Fund.

Contributions to and payments from the Pension Accumulation Fund shall be made as follows:

- (a) For Fiscal Years commencing prior to July 1, 2014, upon the basis of such assumptions as to future financial experiences as the Board of Trustees shall from time to time adopt, the Actuary annually computed the City's contribution, expressed as a percent of active Member contributions, to provide the Pension Reserves covering the Pensions or other City-financed benefits to which Members might be entitled or which might be payable at the time of their discontinuances of City employment; provided, such contribution percents shall not be less than amounts which, expressed as percents of active Member compensation will remain level from generation to generation of Detroit citizens. Upon the retirement or death of a Member, the Pension Reserve for any benefits payable on his or her behalf shall be transferred from the Pension Accumulation Fund to the Pension Reserve Fund, to the extent of there being assets in the Pension Accumulation Fund.
- (b) For Fiscal Years commencing prior to July 1, 2014, the Board of Trustees annually ascertained and reported to the Mayor and the Council the amount of contributions due the Retirement System by the City, and the Council may have appropriated and the City may have paid such contributions to the Retirement System during the ensuing Fiscal Year. When paid, such contributions were credited to the Pension Accumulation Fund.

- (c) For Fiscal Years commencing after June 30, 2014, the City shall make contributions to the Pension Accumulation Fund only as provided in the Plan of Adjustment.

Sec. G-6. Retiree payments from Pension Reserve Fund; reinstatement of disability retirees to active service.

Except as to the Survivor's Benefit Fund, the Pension Reserve Fund shall be the fund from which shall be paid Pensions on account of Members. Should a disability retiree be reinstated to active service, the Member's Pension Reserve, at that time, shall be transferred from the Pension Reserve Fund to the Pension Accumulation Fund.

Sec. G-7. Expense Fund.

The Expense Fund shall be the fund to which shall be credited all money provided by the City, if any, to pay the administration expenses of Component II, and from which shall be paid all the expenses necessary in connection with the administration and operation of Component II.

Sec. G-8. Appropriations prior to July 1, 2014.

- (a) The Board of Trustees shall certify the amount of the appropriation necessary to pay to the various funds of Component II of the Retirement System the amounts payable by the City as enumerated in this Component II, according to legal budget procedure.
- (b) To cover the requirements of Component II prior to July 1, 2014, such amounts as shall have been necessary to cover the needs of Component II prior to July 1, 2014 shall be paid into the Pension Accumulation Fund and the Expense Fund by special appropriations or transfers to the Retirement System; provided, however that no transfers can be made from the Accrued Liability Fund other than the annual transfer of the scheduled amortizing amount, or transfers under special circumstances pursuant to Section G-4 (as in effect prior to July 1, 2014).

Sec. G-9. Maintenance of reserves.

The maintenance of the Annuity Reserves in the Annuity Reserve Fund and the Pension Reserves in the Pension Reserve Fund are hereby made obligations of the Pension Accumulation Fund. All income, interest, and dividends derived from deposits and investments authorized by this Component II, which are not required for the allowance of interest to the funds of the Retirement System as provided herein, shall be credited to the Pension Accumulation Fund. Prior to July 1, 2014, the moneys credited to the Accrued Liability Fund were credited to the Pension Accumulation Fund only to the extent authorized pursuant to the terms of the Retirement System as in effect prior to July 1, 2014. Any contributions by the City to the System from any fund impressed by law with a certain and definite purpose shall be accounted for separately.

Sec. G-10. Survivors Benefit Fund.

- (a) The Survivors Benefit Fund shall be the fund in which shall be accumulated, at Regular Interest, the reserves for survivors benefits provided for in Article F, Part E, Section F-18, hereof, and from which such benefits shall be paid, but only to the

extent sufficient assets are credited to the fund at the time a claim for benefits is made. In the event there are insufficient assets credited to the Survivor's Benefit Fund to pay the benefits provided under this Section G-10, such benefits thereafter shall be payable from the Pension Reserve Fund.

- (b) After June 30, 1965 and prior to July 1, 1986, each Member shall contribute to the Survivors Benefit Fund one per cent of his or her compensation paid by the City until he or she has acquired twenty-five years of creditable service. The City shall cause the said contributions to be deducted from the Member's compensation, on each and every payroll, for each and every payroll period so long as he or she remains a Member and has not acquired twenty-five years of creditable service. Each and every Member shall be deemed to consent and agree to the said deductions. Said contributions, when deducted, shall be credited to the Survivors Benefit Fund and shall in no case become a part of the said Member's Accumulated Contributions, nor be subject to refund.
- (c) Each Member who retires after June 30, 1965, under Part B, Section F-7 of Article F shall, prior to July 1, 1986, contribute to the Survivors Benefit Fund one per cent of his or her final compensation as defined until he or she would have had a total of twenty-five years of creditable service had he or she continued in active service. The Retirement System shall cause the said contribution to be deducted from the Pension of each such retired Member on each and every retirement roll, for each and every retirement roll period, so long as he or she is receiving a Pension under Part B, Section F-8(a) of Article F. Each and every such retired Member who is receiving a Pension under Part B, Section F-8(a) of Article F shall be deemed to consent and agree to said deductions. Said contributions, when deducted, shall be credited to the Survivors Benefit Fund and shall in no case become a part of said Member's Accumulated Contributions, nor be subject to refund.
- (d) Effective July 1, 1986, the contributions, required by Article G, Section G-10(b) and G-10(c), to the Survivors Benefit Fund were eliminated for union members. For Fiscal Years ending prior to July 1, 2014, the City shall make the contributions necessary to maintain the benefit level by contributing that amount necessary to replace the contributions of members of DFFA and DPOA to the Survivor's Benefit Fund.
- (e) For Fiscal Years ending prior to July 1, 2014, upon the basis of such mortality and other tables of experience, and Regular Interest, as the Board of Trustees shall from time to time adopt, the Actuary shall annually compute the liabilities for benefits being paid from the Survivors Benefit Fund. The Board of Trustees shall report to the Mayor and the Council the amount of contributions to be made by the City to the Survivors Benefit Fund, and the Council shall appropriate and the City shall pay such amount to the Retirement System during the ensuing Fiscal Year. When paid, such appropriations shall be credited to the Survivors Benefit Fund. For Fiscal Years commencing prior to July 1, 2014, if the balance in the fund is not sufficient to fully cover the liabilities so computed, the City shall appropriate and pay, in the ensuing Fiscal Year, the amount of such insufficiency. For Fiscal Years commencing on and

after July 1, 2014, the City shall not make any contributions to the Survivor's Benefit Fund.

- (f) Upon the death of a Member, on whose account survivors benefits become payable as provided in Article F, Part B, Section F-8, hereof, his or her Accumulated Contributions standing to his or her credit in the Annuity Savings Fund at the time of his or her death shall be transferred from the Annuity Savings Fund to, and shall become a part of, the Survivors Benefit Fund, notwithstanding any provisions in this Component II to the contrary.

Sec. G-11. Computation of Annuity and Pension Reserve liabilities for Members, Retirees and Beneficiaries.

In computing the Annuity and Pension Reserve liabilities for Members, retirees and beneficiaries, the Board of Trustees shall cause the following annual Decrement Probabilities, Salary Factors and interest assumption to be used.

- (a) The annual Decrement Probabilities and Salary Factors to be used in evaluating the Annuity and Pension liabilities for Members shall be as shown in Tables 1 and 2 hereinafter set forth.
- (b) The total of active Member annual compensation shall be assumed to increase three percent per annum, compounded annually.
- (c) The mortality assumption for retirees and beneficiaries shall be the mortality rates contained in the 1971 group annuity male mortality table, without setback for men and set back five years for women.
- (d) The investment return assumption shall be five percent per annum, compounded annually, for Fiscal Years commencing prior to July 1, 2014.
- (e) For Fiscal Years commencing on or after July 1, 2014, the Annuity and Pension Reserve liabilities shall be calculated in a manner which is consistent with the Plan of Adjustment.

Sec. G-12. Determination of City's annual contribution — Disability Pension liabilities.

For Fiscal Years commencing prior to July 1, 2014, the City's annual contribution, expressed as a percent of active Member compensation, to finance disability Pensions shall be determined by dividing the average of the Pension Reserve liabilities for disability retirements incurred, during the three Fiscal Years ending with the date of the valuation by one percent of the active Members' annual compensation used in the valuation.

Sec. G-13. Determination of City's annual contribution — Death Pension liabilities.

For Fiscal Years commencing prior to July 1, 2014, the City's annual contribution, expressed as a percent of active Member compensations, to finance death-in-service Pensions shall be determined by dividing the average of the Pension reserve liabilities for death-in-service claims incurred during the three Fiscal Years ending with the date of the valuation by one percent of the active Member's annual compensations used in the valuation.

Sec. G-14. Determination of City's annual contribution — Actuarial evaluation of annuity and Pension Reserve liabilities.

The Annuity and Pension Reserve liabilities for Members, retirees and beneficiaries shall be actuarially evaluated as set forth in this Article G and the Plan of Adjustment.

Sec. G-15. Determination of City's annual contribution — Service Pension liabilities for Fiscal Years commencing prior to July 1, 2014.

- (a) The service Pension liabilities for Members shall be determined using the entry age-normal cost method of actuarial valuation.
- (b) The City's annual contribution, expressed as a percent of active Member compensations, to finance the prospective service Pension liabilities shall be determined by dividing the total of the individual annual normal costs of the active Members by one percent (1%) of the active Members' annual compensation used in the valuation.
- (c) The City's annual contribution, expressed as a percent of active Member compensation, to finance any unfunded Accrued Service Pension liabilities, including instances in which assets exceed liabilities, shall be determined by dividing such unfunded Accrued Service Pension liabilities by one percent (1%) of the present value of future compensation payable during a period of future years. Such period of future years shall be thirty years for the actuarial valuation as of June 30, 1974, decreasing one (1) year at each subsequent June 30th until a twenty year period is reached, which twenty year period shall be used in each subsequent actuarial valuation until June 30th, 2004 when the period shall again be thirty years.

Sec. G-16. Board of trustees to compute City's annual contribution.

Based upon the provisions of this Article, including any amendments, the Board of Trustees shall compute the City's annual contributions for Fiscal Years commencing prior to July 1, 2014, expressed as a percent of active Member compensation, to the Retirement System for the Fiscal Year beginning July 1, 1975, using actuarial valuation data as of June 30, 1974, and for each subsequent Fiscal Year prior to July 1, 2014 using actuarial valuation data as of the June 30th date which date is a year and a day before the first day of such Fiscal Year. The Board shall report to the Mayor and to the City Council the contribution percents so computed, and such contribution percents shall be used in determining the contribution dollars to be appropriated by the City Council and paid to the Retirement System. For each Fiscal Year beginning July 1, 1975 and each Fiscal Year thereafter and prior to July 1, 2014, such contribution dollars shall be determined by multiplying the applicable contribution percent for such Fiscal Year by the Member compensation paid for such Fiscal Year; provided that for the one Fiscal Year beginning July 1, 1975 and ending June 30, 1976, such Member compensation so used shall not exceed 106.09 percent of the active Members' annual compensation used in the actuarial valuation determining such contribution percent.

Sec. G-17. Refunds for certain Members.

Effective July 1, 1974, a Member who holds the rank of police inspector and above and who is not covered by a collective bargaining agreement shall, notwithstanding any other provisions of Component II to the contrary, have the right to elect to receive on the effective date of his or her service retirement a partial or total refund of his or her Accumulated Contributions. Effective as of March 8, 2007, a DPOA and fire equivalent retiree who elects not to withdraw his or her Accumulated Contributions as of the effective date of his or her service retirement shall have the option of receiving a quarterly payment of interest credited to his or her Accumulated Contributions or to receive periodic withdrawals of the contributions such Retiree made to Component II of the Retirement System. If a Member makes such an election, an Annuity payable under any Retirement Allowance or reduced Retirement Allowance shall be reduced proportionately. If the total Accumulated Contributions are withdrawn no Annuity shall be payable with respect to such withdrawn amounts.

Sec. G-18. Employer Contribution

Effective January 1, 1987 for members of DFFA and DPLSA or upon issuance of the 1986-89 Act 312 Award for members of DPOA, the employee contributions to the Annuity Fund, although designated as employee contributions, shall be paid by the City in lieu of contributions by the Employee. The Employee shall not have the option of choosing to receive the contributed amount directly instead of having them paid by the City to the Annuity Fund. There shall be no additional contribution expense to the City, and the amounts so contributed by the City on behalf of the Employee shall be treated, for tax purposes, as employer contributions and thus shall not be taxable to the Employee until these amounts are distributed or made available to the Employee.

This provision shall not affect the amount or benefit level of the Retirement Allowance, or the City's obligation with respect thereto.

ARTICLE H. MISCELLANEOUS.

Sec. H-1. Recall of Retirees during emergencies.

During an emergency declared by the Commissioner of Police or the Board of Fire Commissioners, the Commissioner or the Board of Fire Commissioners, as the case may be, shall have power, with the consent of a Retiree, to recall to active duty a Retiree for such period of service as the commissioner or the Board of Fire Commissioners shall deem advisable; provided, however, that the foregoing power shall not apply in the case of a Retiree who has reached the age of sixty-four years, and provided further, that any Retiree so recalled may, at any time, separate from active duty on his or her own application or by order of the Commissioner or the Board of Fire Commissioners. A Retiree so recalled shall serve in the rank at which he or she retired, or a higher rank, and shall receive the pay of such rank without deduction. On subsequent separation from active duty, such Retiree shall resume the Retiree status held by him prior to such recall.

ARTICLE I. DEFERRED RETIREMENT OPTION PLAN.

Sec. I-1. General provisions.

For periods on and after July 1, 2014, the Deferred Retirement Option Plan ("DROP") Program under Component II shall be available to Members who are covered by collective bargaining agreements with the City that permit such Members to participate in the DROP program and non-union executives of the Police Department and the Fire Department.

- (a) In lieu of terminating employment and accepting a Retirement Allowance under the Component II, any Member of the Retirement System who is eligible for the DROP program and who is eligible to immediately receive a twenty-five year (or twenty year) Retirement Allowance may elect to participate in the DROP program and defer the receipt of his or her Retirement Allowance in accordance with the provisions of this Article I. Any such election shall be irrevocable.
- (b) Participation in the DROP program for Members for who elected to participate in the DROP program prior to July 1, 2014 shall be limited to ten years. Participation for Members who elect to participate in DROP program after June 30, 2014 shall be limited to five years. At the end of such five (or ten) year period of participation in the DROP program, the Member shall be retired from employment.

Sec. I-2. Conversion to Retirement Allowance

Upon the effective date of a Member's participation in the DROP program, the Member shall cease to accrue a Retirement Allowance under Component I and shall elect a form of payment for his Retirement Allowance pursuant to Part H of Article F. Seventy-five percent (75%) of the monthly Retirement Allowance (including applicable variable Pension Improvement Factor (Escalator) increases) that would have been payable, had the Member elected to terminate employment with the City on the effective date of his or her DROP election and receive an immediate Retirement Allowance, shall be paid into a DROP Account established on behalf of the Member under the Retirement System or in an entity selected by the Board.

Sec. I-3. Investment of DROP assets

- (a) ING was previously selected by the Board as the DROP administration and investment entity for Members who elect to participate in the DROP program. ING shall continue to be the DROP administration and investment entity, unless and until such time as the Board terminates the agreement with ING as provided in paragraph (d) or determines that it is administratively feasible for the DROP program to be administered and invested under the Retirement System.
- (b) As soon as possible after July 1, 2014, the Board shall determine whether it is administratively feasible for the DROP program to be administered and the assets in DROP accounts to be invested under the Retirement System. If the Board determines that it is feasible to administer the DROP program under the Retirement System, the Board shall promptly take appropriate steps to implement such decision.

- (c) If amounts credited to DROP accounts are invested under the Retirement System, such amounts shall be comingled with the assets of the Retirement System for investment purposes and shall be invested by the Trustees. A Member's DROP account shall be credited with annual earnings at a rate equal to seventy-five percent (75%) of the actual net earnings rate of the assets of the Retirement System; however, in no event shall the earnings rate applied to a Member's DROP account for any Plan Year be less than zero percent (0%) nor greater than seven and three-quarters percent (7.75%).
- (d) The Board of Trustees entered into an administrative services agreement with ING. Such agreement shall remain in effect until such time as it is terminated by the Board as provided therein.
- (e) The Board of Trustees may replace ING with a trust type vehicle or the Board may determine that amounts subject to a DROP election will be invested with Retirement System assets as provided above.
- (f) Any fees associated with the maintenance of DROP Accounts outside of the Retirement System shall be paid by the Members by means of deduction from their DROP Accounts.

Sec. I-4. Distribution of amounts credited to DROP Account

A Member shall not receive a distribution of amounts credited to his DROP Account prior to his termination of employment with the City. Upon termination of employment, a Member who is a participant in the DROP program shall receive, at his or her option either a lump sum payment from the DROP Account equal to the amount then credited to the DROP Account or an annuity based upon the amount credited to his DROP Account. In addition, one hundred percent (100%) of the Member's monthly Retirement Allowance that otherwise would have been paid upon the Member's retirement had he or she not elected to participate in the DROP program (together with any applicable variable Pension Improvement Factor (Escalator) increases) shall commence to the Member in accordance with the form of payment selected by the Member at the commencement of his or her participation in the DROP program. Termination of employment includes termination of any kind, such as resignation, retirement, discharge or disability.

Sec. I-5. Death of Member while participating in the DROP program

If a Member dies while participating in the DROP program, a lump sum payment equal to the Member's DROP Account balance shall be paid to the Beneficiary named by the Member, or if no Beneficiary has been designated, to the Member's estate; provided, notwithstanding anything to the contrary herein, the Member's adjusted DROP Account balance under Component II upon the Member's death while participating in the DROP program shall not be less than total system DROP payments into his or her account (not including earnings and losses). In addition, one hundred percent (100%) of the Member's Retirement Allowance (together with any applicable variable Pension Improvement Factor (Escalator) increases) that would have been paid to the Member but for the Member's decision to participate in the DROP

program will be restored. Survivor benefits, if any, shall be paid in accordance with the payment option elected by the deceased Member at the time the Member elected to participate in the DROP program.

Sec. I-6. Disability of Member While Participating in the DROP Program

If a Member becomes Totally Disabled while participating in the DROP program and while still an Employee and his employment with the City is terminated because he is Totally Disabled, such Member (a) shall be immediately retired and one hundred percent (100%) of the Retirement Allowance) that would have been paid to the Member but for the Member's decision to participate in the DROP program (together with any applicable variable Pension Improvement Factor (Escalator) increases) will commence in accordance with the payment option selected by the Member at the commencement of the Member's participation in the DROP program as provided in Section I-2, and (b) shall be entitled to receive payment of the funds in his DROP Account (in the form of a lump sum or other form of payment described in Part H of Article F). Such Member shall not be entitled to disability retirement benefits under Article F hereof.

Sec. I-7. Cost Neutrality

- (a) The DROP program shall be effective only for as long as it is cost-neutral to the City, provided however, that the DROP program shall continue during the pendency of proceedings, described in paragraph (2) below, designed to restore the Retirement System to cost neutrality.
- (b) If the City contends that the DROP program is not cost-neutral, including, but not limited to, making the City's annual contribution to the Retirement System higher than it would be if the DROP program was not in effect, the Board and the City, along with the Plan Actuary as well as an actuary appointed by the City (who will be an associate or a fellow of the Society of Actuaries and a member of the American Academy of Actuaries) shall meet and confer in good faith regarding the cost. If the Board and the City are unable to reach an agreement as to cost, the matter shall be submitted to a third, independent, actuary, chosen or agreed upon by the Plan Actuary and the City's actuary. This actuary, when rendering a decision, will be limited to ordering implementation of changes necessary to make the DROP program cost-neutral. Upon the implementation of changes necessary to make the DROP program cost-neutral, Members shall have thirty days to elect to either (a) retire from active employment with the City or (b) withdraw from the DROP program and resume active participation in Component I of the Retirement System. The Board shall notify DROP participants of these changes prior to implementation. Those DROP participants resuming participation in Component I of the Retirement System shall not accumulate Credited Service for any time that they were participating in the DROP program (under either Component I or Component II). Those not making either election shall remain participants in the DROP program.
- (c) In the event the DROP program cannot be changed to restore cost neutrality, it shall be discontinued and Members participating in the DROP program at that time shall have the option to either (i) retire or (ii) continue active employment with the City

and resume active participation in Component I of the Retirement System. DROP participants resuming participation in Component I of the Retirement System shall not accumulate Credited Service for the time during which such DROP participants participated in the DROP program (under Component I or Component II).

ARTICLE J. PARTICIPANT ANNUITY SAVINGS FUND LOAN PROGRAM

Sec. J-1. Participant Annuity Savings Fund Loan Program

A Participant Annuity Savings Fund Loan Program (Participant Loan Program) will be established and available to bargaining unit Members. Its terms will be as follows:

- (a) Any loans granted or renewed shall conform to the requirements of Section 72(p) of the Internal Revenue Code. Such loan program shall be established in writing by the Board of Trustees in conformity with the terms of the Combined Plan document and applicable collective bargaining agreements, and must include, but need not be limited to the following:
 - (1) The identity of the administrator of the Participant Loan Program;
 - (2) A procedure to apply for loans, the amount of loan that will be approved or denied, and limitations, if any, on the types and amount of loans offered;
 - (3) The procedure under the program for determining a reasonable rate of interest;
 - (4) The events constituting default and the steps that will be taken to preserve plan assets.
- (b) The Participant Loan Program shall be contained in a separate written document copies of which shall be made available in the offices of the Retirement System for Members. The Board of Trustees is authorized to adopt rules and regulations, from time to time, to govern the administration and the operation of this program. Copies of the rules shall also be made available to prospective participating Members of the Retirement System in the offices of the Retirement System.
- (c) Subject to the rules and procedures established by the Board, loans may be made to Members from such Member's contributions to the Annuity Savings Fund. Former Members, spouses of Members, and Beneficiaries are not eligible to receive any loans from the Retirement System. Subject to rules and procedures established by the Board, a Member who has been in the Retirement System for twelve (12) months or more is eligible to apply for a loan. No Member shall have more than two (2) outstanding loans from the Retirement System (Component I and/or Component II) at any time. A Member who has previously defaulted on a loan under either Component I or Component II of the Combined Plan shall not be eligible for a loan from the Retirement System.
- (d) A Member who has satisfied applicable rules and procedures may borrow from his or her Annuity Savings Fund account an amount, which does not exceed fifty percent (50%) of the Member's vested accumulated balance, up to fifteen thousand dollars (\$15,000.00) reduced by the excess, if any, of: (1) the highest outstanding balance of loans from the Retirement System during the one (1) year period ending on the day before the date on which the loan is made (under both Component I and Component II), or (2) the outstanding balance of loans from the Retirement System on the date on

which the loan is made (under both Component I and Component II), whichever is less. The minimum loan amount shall be one thousand dollars (\$1,000.00).

- (e) In addition to such rules and procedures that are established by the Board, all loans shall comply with the following terms and conditions:
 - (1) Loan applications shall be in writing.
 - (2) All loans shall be memorialized by a promissory note made to the Retirement System and properly executed by the Member.
 - (3) Loan shall be repaid by equal payroll deductions over a period not to exceed five (5) years, or, where the loan is for the purpose of buying a principal residence, a period not to exceed fifteen (15) years. In no case shall the amount of the payroll deduction be less than twenty dollars (\$20.00) for any two-week period.
 - (4) Each loan granted under Component II shall be made against the assignment of the Member's entire right, title, and interest in and to the Annuity Savings Fund supported by the Member's collateral promissory note for the amount of the loan, including interest payable to the order of the Board of Trustees.
 - (5) Each loan shall bear interest at a rate determined by the Board. The Board shall not discriminate among Members in its determination of interest rates on loans. Loans initiated at different times may bear different interest rates, where, in the opinion of the Board, the difference in rates is supported by a change in market interest rates or a change in the Retirement System's current assumed rate of return. The loan interest rate shall bear a reasonable relationship to market rates for secured loans of a similar duration and shall bear a reasonable relationship to the costs to the Retirement System of administering the Retirement System. The loan interest rate shall be calculated in a manner that will not negatively affect the City's costs relating to the Retirement System or the return to Members.
 - (6) Loan repayments shall be suspended under this Retirement System as permitted by Section 414(u)(4) of the Internal Revenue Code. A Member who has an outstanding loan balance from the Retirement System who is absent from employment with the City, and who has satisfied the requirements of Section 414(u) of the Internal Revenue Code shall not be required to make loan repayments to the Retirement System during said periods of absence.
- (f) Any loans granted or renewed shall be made and administered pursuant to the participant loan program and Section 72(p) of the Internal Revenue Code and the regulations thereunder.
- (g) A Member's outstanding loan balance shall be considered a directed investment by the Member and interest payments shall be credited to the Member's account balance (provided that the interest credited shall be reduced appropriately to cover the

administrative cost of the loan program and avoid negatively affecting the City's costs or the Retirement System's investment returns), and shall not be part of net investment income or part of the Member's account balance for the purpose of allocation of net investment income under Article G.

- (h) No distributions shall be made to a Member, former Member, or Beneficiary until all loan balances drawn on the applicable vested accumulated balance and applicable accrued interest have been repaid or offset against the distributable Annuity Savings Fund account balance.
- (i) The Retirement System shall include, in its annual report to all Members, an accounting of the loan program established by this section, which contains the number and amount of loans made, the costs of administering the program, the amount of payments made including interest received by the Retirement System, the amount of loans outstanding, including any defaults or delinquencies, and an evaluation as to whether the interest charged in the Fiscal Year covered the costs of administering the program.

ARTICLE K. SPECIAL PLAN OF ADJUSTMENT PROVISIONS

Sec. K-1. Benefit Changes implemented in accordance with the terms of the Plan Of Adjustment

Notwithstanding anything in Articles A, C, D or E to the contrary, as of the effective date of the Plan of Adjustment and during the period that ends no earlier than June 30, 2023, the following changes in benefits provided under Component II of the Combined Plan shall be implemented:

- (1) Elimination or Reduction in Pension Improvement Factor (Escalator). With respect to all Pension benefits payable on or after the effective date of the Plan of Adjustment, the Pension Improvement Factor (Escalator) that will be applied to the monthly Pension benefit of a Member, Retiree, surviving Beneficiary or vested former employee will be equal to 1.0125%; provided, however, that the Board and the Investment Committee shall determine on the effective date of the Plan of Adjustment and not less frequently than annually thereafter that the "Funding Conditions" as defined herein have been satisfied, and in the event that such Funding Conditions have not been satisfied then the Pension Improvement Factor (Escalator) that will be applied to the monthly Pension benefit of a Member, Retiree, surviving Beneficiary or vested former employee will be reduced in proportion to the funding which is not received by the Retirement System ("Adjusted Pension Benefit").

For purposes of this Section K-1, the term "Funding Conditions" shall mean that (i) Class 10 and Class 11 voted in favor of the Plan of Adjustment in accordance with the procedures for such vote under the Plan of Adjustment, (ii) the Plan of Adjustment is confirmed by the U.S. Bankruptcy Court, and (iii) the funds that are pledged to be contributed to the Retirement System pursuant to the terms of the State Contribution Agreement and the DIA Settlement Documents have been received.

- (2) Effect of Payment Default. In the event that all or a portion of the funds pledged to be contributed to the Retirement System pursuant to the terms of the DIA Settlement Agreement are not received by the Retirement System, the Board shall proportionately reduce the Pension Improvement Factor (Escalator) to be applied to the monthly Pension benefit of any retirees, surviving beneficiaries, employees and former employees to the extent of such default.

Sec. K-2. Income Stabilization Benefits

- (1) The provisions of this Section K-2 shall become effective only if each of the Conditions Precedent (as that term is defined in the State Contribution Agreement) have been met to the satisfaction of the Authority and the Treasurer, unless any one or more of such conditions are waived in writing executed by the Authority and the Treasurer.

- (2) Beginning not later than 120 days after the Effective Date, Component II of the Combined Plan shall pay, in accordance with this Section K-2, an annual supplemental pension income stabilization benefit (“Income Stabilization Benefit”) to each Eligible Pensioner (as defined in Section G-3(5)) equal to the lesser of either (i) the amount needed to restore an Eligible Pensioner’s reduced annual pension benefit to 100% of the amount of the annual pension benefit that the Eligible Pensioner received from the Retirement System in 2013; or (ii) the amount needed to bring the total annual 2013 household income of the Eligible Pensioner up to 130% of the Federal Poverty Level for 2013. The Income Stabilization Benefit as determined under this Section K-2(2) will not increase after the date on which the Income Stabilization Benefit is determined. The Income Stabilization Benefit payable to an Eligible Pensioner will terminate immediately at such time as the Eligible Pensioner ceases to qualify as an Eligible Pensioner.
- (3) To the extent an Eligible Pensioner’s Estimated Adjusted Annual Household Income (as defined in this Section K-2) in any calendar year after the first year that the Eligible Pensioner receives a benefit under this Section K-2 is less than 105% of the Federal Poverty Level in that year, the Eligible Pensioner will receive an additional “Income Stabilization Benefit Plus” benefit commencing as of the next following July 1.
- a. The Income Stabilization Benefit Plus benefit for a calendar year will be equal to the lesser of either (i) the amount needed to restore 100% of the Eligible Pensioner’s Pension benefit, as increased by any Pension Improvement Factor (Escalator), under Component II of the Combined Plan; or (ii) the amount needed to bring the Eligible Pensioner’s Estimated Adjusted Annual Household Income in that calendar year up to 105% of the Federal Poverty Level in that year.
- b. An Eligible Pensioner’s “Estimated Adjusted Annual Household Income” for any year will be the sum of (i) the Eligible Pensioner’s 2013 total household income (per his or her (or in the case of a minor child, his or her legal guardian’s) 2013 income tax return or equivalent documentation), less the Pension benefit paid to the Eligible Pensioner by the Retirement System in 2013, as adjusted for inflation or Social Security COLA increases; (ii) the Adjusted Pension Benefit that is payable to the Eligible Pensioner for that year as determined under Section K-1, (iii) any pension restoration payment to the Eligible Pensioner as determined under Section K-3; and (iv) the Eligible Pensioner’s Income Stabilization Benefit.
- (4) A separate recordkeeping fund called the “Income Stabilization Fund” shall be established by the Board for the sole purpose of paying the Income Stabilization Benefits and Income Stabilization Benefits Plus to Eligible Pensioners. Any funds received by the Retirement System that is designated by the City as UTGO Bond Tax Proceeds or a contribution to the Income Stabilization Fund shall be

credited by the Board to the Income Stabilization Fund. The assets credited to the Income Stabilization Fund will be invested on a commingled basis with assets of the Retirement System and will be credited with a pro-rata portion of the earnings and losses of the Retirement System. Amounts credited to the Income Stabilization Fund may not be used for any purpose other than the payment of Income Stabilization Benefits and Income Stabilization Benefit Plus benefits to Eligible Pensioners, except as expressly provided in Section K-2(6).

- (5) For purposes of this Section K-2, an “Eligible Pensioner” is a retiree or surviving spouse who is at least 60 years of age or a minor child receiving survivor benefits, each as of the effective date of the Plan of Adjustment, whose benefit will be reduced as provided in Section K-1, and who is eligible to receive Income Stabilization Benefits because (i) such individual is receiving monthly pension benefits from the Retirement System as of the effective date of the Plan of Adjustment, and (ii) such individual has a total annual household income equal to or less than 140% of the federal poverty level in 2013 (per his or her (or in the case of a minor child, his or her legal guardian’s) 2013 income tax return or equivalent documentation).
- a. An eligible individual must apply for an Income Stabilization Benefit in accordance with procedures established by the Authority and provide such substantiation of the individual’s aggregate annual household income as is required by the State in its sole discretion.
 - b. The initial determination of Eligible Pensioners, and amount of the Income Stabilization Benefit payable to each Eligible Pensioner shall be made by the State in its sole discretion. The State shall transmit the list of Eligible Pensioners to the Investment Committee and the Board. The Board, with the assistance of the Investment Committee shall be responsible for administering the Income Stabilization Fund and annually certifying to the State Treasurer that it has administered the requirements for eligibility and payment of benefits with respect to Eligible Pensioners in accordance with the terms of the State Contribution Agreement.
 - c. After the initial determination of Eligible Pensioners is made, no new individuals will be eligible to receive an Income Stabilization Benefit or an Income Stabilization Benefits Plus benefit at any time in the future.
 - d. An Eligible Pensioner will cease to be an Eligible Pensioner as of the earlier of (i) the Eligible Pensioner’s death or (ii) with respect to any minor child receiving survivor benefits, the date the minor child reaches the age of 18 years.
- (6) For purposes of this Section K-2, the “Federal Poverty Level” means the poverty guidelines published each year in the Federal Register by the United States Department of Health and Human Resources.

- (7) In the event that, in 2022 (provided that the State has not issued a Certificate of Default (as defined in the State Contribution Agreement) with respect to the Retirement System at any time prior to 2022), it is the opinion of at least 75% of the independent members of the Investment Committee that the assets of the Income Stabilization Fund exceed the Income Stabilization Benefits and Income Stabilization Benefits Plus benefits anticipated to be made to Eligible Pensioners by the Retirement System in the future (“Excess Assets”), the Investment Committee may, in its sole discretion, recommend to the Board that all or a portion of the Excess Assets, in an amount not to exceed \$35 million, be used to fund the Adjusted Benefits payable by the Retirement System. The Investment Committee shall have the right to engage professional advisers to assist in making this determination and such expenses shall be paid by the Retirement System.
- (8) In the event that any funds remain in the Income Stabilization Fund on the date upon which there are no Eligible Pensioners under the Retirement System, such funds shall be used to fund the Adjusted Benefits payable by the Retirement System.

Sec. K-3. Restoration of Pension Benefits

The following rules shall govern how Pension Improvement Factor (Escalator) (“COLA”) benefits, that are reduced as part of the Plan of Adjustment, shall be restored during the thirty year period following the confirmation order issued by the Bankruptcy court in *In Re City of Detroit, Michigan*, Case No. 13-53846. The pension restoration process shall be supervised, and restoration decisions undertaken by the Investment Committee and in accordance with the pension governance provisions set forth in the State Contribution Agreement and exhibits thereto. The pension restoration program shall be deemed a part of this Component II, but in the event of any conflict between the language set forth herein and the pension restoration agreement attached to and made a part of the Plan of Adjustment (“Pension Restoration Agreement”), the terms of the Pension Restoration Agreement will govern.

(1) *Waterfall Classes.*

There will be three Waterfall Classes:

- a. Waterfall Class 1 – Retirees, in retirement benefit pay status as of June 30, 2014, and their surviving spouses and Beneficiaries.
- b. Waterfall Class 2 – Retirees, who entered into retirement benefit pay status after June 30, 2014, and their surviving spouses and Beneficiaries, and who are in pay status as of the end of the Fiscal Year prior to the year in which the restoration decision is made.
- c. Waterfall Class 3 – All retirees, surviving spouses, and beneficiaries in pay status and all other Members who as of June 30, 2014 are not in retirement benefit pay status.

(2) *Restoration of Benefits Through June 30, 2023.*

- a. Each year in conjunction with the annual actuarial valuation report, the Plan Actuary will project the funded ratio of the Retirement System as of 2023 based upon the market value of plan assets relative to the actuarial accrued liabilities (the "Funded Level"). This projection will be further based upon a 6.75% assumed rate of investment return which is net of expenses (administrative and investment), future employer contributions as set forth in the Plan of Adjustment (subject to conditions in the Plan of Adjustment), and such other actuarial assumptions as utilized by the Plan Actuary. For purposes of restoration of benefits through June 30, 2023, the Funding Target will be a 75% funded ratio, and the Restoration Target will be a 78% funded ratio, both projected to June 30, 2023. For purposes of calculating the funded ratio, the assets in the Restoration Reserve Account will be excluded. Each year, if the Plan Actuary projects that the Funded Level as of 2023 (excluding Restoration Reserve Account assets to avoid double counting) exceeds the Restoration Target (i.e., exceeds 78%), a credit of assets for bookkeeping purposes will be made into a new notional Restoration Reserve Account. The notional credit will be an amount equal to the excess of assets above the amount projected to be needed to satisfy the Restoration Target. Once the Restoration Reserve Account is established, each year thereafter, Restoration Account assets will be credited with interest in an amount equal to the net return on Retirement System investments but capped at the actuarially assumed rate of investment return (i.e., 6.75% for the period through June 30, 2023). In the event of net losses, the credited asset value of the Restoration Reserve Account will be diminished to reflect such losses and any required transfer to the PFRS Pension Reserve Fund as provided herein.
- b. Actual restoration payments and restoration credits will work as follows: each year, in conjunction with the preparation of the annual actuarial valuation report and following establishment of the Restoration Reserve Account, the Plan Actuary will determine whether there are sufficient funds in such account to restore COLA benefits in a minimum incremental amount of 10% or more. For example: if a retiree's then current COLA benefit is a 1.0% annual compounded COLA, the minimum incremental restoration would increase the COLA benefit to 1.225%. COLA restoration only will occur if the funding level in the Restoration Reserve Account can fund 100% of the COLA increase over the actuarially-projected lives of the eligible recipient Waterfall Class. If the Plan Actuary certifies that the Restoration Reserve Account as of the end of the prior Fiscal Year satisfies the required funding level for one or more increments of restoration, then in the next immediate Fiscal Year actual COLA restoration payments will be made to PFRS Waterfall Class 1 members in such increments until an amount sufficient to fund 66% of the value of their future COLA payments (e.g., a 1.5% compound COLA, or as otherwise applicable) has been funded. At that juncture, and to the

extent that additional assets in the Restoration Reserve Account would fully fund COLA restoration in at least one minimum 10% increment (i.e., amounts equal to 10% of the value of future COLA payments), Waterfall Class 2 members will receive COLA restoration, until an amount sufficient to fund 66% of the value of their future COLA payments has been funded. At that juncture, and to the extent that additional assets in the Restoration Reserve Account would fully fund COLA restoration in at least one minimum 10% increment (i.e., amounts equal to 10% of the value of future COLA payments), Waterfall Class 3 members will receive COLA restoration on a pro-rata basis. For Waterfall Class 3 members who are in pay status at that time of restoration, they will receive COLA payments; for active employees at the time of restoration, they will receive credits granting them a right upon retirement to receive COLA restoration equal to the 10% increments that are fully funded to Waterfall Class 3 members. For example: assume there are sufficient assets credited to the Restoration Reserve Account as of the end of a Fiscal Year to fully fund 66% of the value of the COLA for all Waterfall Class 1 and Class 2 members for their actuarially projected lives. To the extent additional assets remain in the Restoration Reserve Account to fully fund at least a 10% COLA increment for Waterfall Class 3 members for their actuarially projected lives, then (i) all retirees would receive a restoration payment of 76% of the value of their COLAs (their having already received by virtue of their membership in Waterfall Classes 1 and 2 an increase to 66% of the value of their COLAs) and also a 10% COLA increment would be credited to eligible active employees which would be included in their benefit payments upon retirement (thus causing their COLAs to increase in value from 45% to 55%). Restoration amounts actually paid from the Restoration Reserve Account will be debited from such account. Restoration payments will be calculated and paid on a prospective basis only.

- c. Once restoration payments and credits begin, as long as the Restoration Reserve Account continues to have assets to fund 100% of an incremental COLA restoration amount for such Waterfall Class for their actuarially projected lives, the restoration payments and credits will continue; provided, however, that in the event the Restoration Reserve Account, after having sufficient assets to fund 100% of two or more increments, falls below 100% for the second or greater increment, the annual amounts to pay such second or greater increment can continue until the Restoration Reserve Account lacks any assets to fund such additional increment. For example, assume a 10% increment in Waterfall Class 1 requires \$10 million in assets to be fully funded for the Waterfall Class members' actuarially projected lives, and that based on Fiscal Year 2018 results the Restoration Reserve Account has assets of \$22 million so as to fund two increments of restoration in Fiscal Year 2019. Assume further that in the following year the Restoration Reserve Account drops in value to \$17 million; in such event two increments could still be paid, and the second

increment would cease being paid only if the value of assets in the Restoration Reserve Account dropped to or below \$10 million (in the event they dropped below \$10 million, the first increment also would cease being paid). For purposes of restoration reduction, restoration increments will be taken away in reverse order in which they were granted (i.e. last in, first out).

- d. If the Funded Level (excluding Restoration Reserve Assets) projected to 2023 falls below 76% (hereinafter, "Restoration Reserve Suspension Trigger"), then, until such time as the projected Funded Level in 2023 is 76% or above, further interest credits to the notional Restoration Reserve Account will cease notwithstanding the actual net Retirement System investment returns for the Fiscal Year in question. Furthermore, if the Funded Level projected to 2023 falls below the Funding Target (i.e., 75%) then restoration payments to retirees and credits to active employees in the following year will be modified in the following manner: (1) funds previously credited to the Restoration Reserve Account will be notionally transferred and credited to the Pension Reserve Fund in sufficient amounts to restore the projected Funded Level in 2023 to 75%; (2) following such transfer, the remaining assets in the Restoration Reserve Account shall be applied to make restoration payments in accordance with and pursuant to the same mechanism described in paragraph c.
- e. In connection with preparation of the actuarial report for Fiscal Year 2023, the Plan Actuary will determine whether the Retirement System has satisfied the Permanent Restoration Target, which shall be 78%. Transfers from the Restoration Reserve Account for credit to the Pension Reserve Fund may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers, the Funded Level as of June 30, 2023 has satisfied the Permanent Restoration Target (i.e., 78%), then the residual amounts, if any, in the Restoration Reserve Account (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and which fully fund one or more increments of COLA restoration payments for one or more Waterfall Classes for their actuarially projected lives, shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Fund and the applicable incremental COLA payments shall be permanently restored for the applicable Waterfall Class and shall no longer be variable from year to year.
- f. Following receipt of the actuarial reports for 2019, and in the event that the projected Funded Level of the Retirement System as of 2023 is less than 76%, the Plan Actuary shall revisit the restoration calculations that it made during each of the prior four (4) years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2023, or (ii) an amount of annual administrative expenses until 2023 equal to the average

annual normal course administrative expenses in the prior four (4) years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have transferred to the Restoration Reserve Account than actually were transferred during such look back period, then the Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period or (ii) the dollars that were actually paid out in restoration payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the look-back period); or (iii) the amount required to increase the projected 2023 Funded Level to 76%.

(3) *Restoration of Benefits from July 1, 2023 to June 30, 2033.*

- a. If and to the extent that all COLA payments have not been restored as of June 30, 2023 pursuant to Section (2)(e), then during this period and for purposes of variable restoration, the Funding Target, the Restoration Target, the Permanent Restoration Target and the Restoration Reserve Suspension Trigger shall be as set forth below, all projected as of June 30, 2033:

<u>2023 Funded Level</u>	<u>2033 Funding Target/Restoration Target</u>
78%	81%/84%
77%	80%/83%
76%	79%/82%
75%	78%/81%
74% or lower	3% >than 2023 Funded Level %/81%

2033 Permanent Restoration Target - Same as 2033 Restoration Target

2033 Restoration Reserve Suspension Trigger – 1% higher than the projected Funding Target for all time periods

- b. The same rules for restoration payments that applied during the period ending June 30, 2023 shall apply (including ceasing interest credits in the event of a Restoration Reserve Suspension Trigger, and making Restoration Account asset transfers to the Pension Reserve Fund in the event the 2033 Funded Level falls below the 2033 Funding Target), except as follows. For purposes of determining whether the 2033 Restoration Target has been satisfied, the Plan Actuary shall project investment returns through June 30, 2033 using the then current investment return assumption which is assumed to be net of expenses (administrative and investment), and the then applicable actuarial assumptions as utilized in the annual actuarial valuation. Further, the Plan Actuary shall assume, merely for purposes of determining whether the Restoration Target is satisfied, that

the annual City contribution amount shall be the annual amount necessary to fund the Retirement System based upon an amortization of the actual 2023 UAAL (using the market value of assets) over 30 years (hereinafter, the "2023 UAAL Amortization") and in such manner that the resulting annual contributions would achieve the applicable Funding Target (pursuant to paragraph b) as of 2033. Such projected, hypothetical contributions shall be for purposes only of making restoration determinations, and shall not necessarily be the actual contributions made or required to be made by the City or recommended during such period; all of which shall be determined independent of the restoration calculation process. For purposes of calculating the funded ratio, the assets in the Restoration Reserve account will be excluded.

- c. To the extent that the City's actual contributions to the Retirement System in any of the Fiscal Years 2024 (i.e., the year ending June 30, 2024) through 2033 are greater than the projected annual contribution under the 2023 UAAL Amortization, such amounts, and any investment earnings thereon, shall be notionally credited to a new bookkeeping account in the Retirement System called the Extra Contribution Account. In determining pension restoration during the period from Fiscal Year 2024 through 2033, none of the amounts in the Extra Contribution Account shall be considered for purposes of determining the projected Funded Level for purposes of determining whether the Retirement System has attained the Restoration Target or the Permanent Restoration Target. To the extent that the City's actual contributions in any of the Fiscal Years 2024 through 2033 are less than the City's projected annual contribution under the 2023 UAAL Amortization, such difference and any investment earnings thereon shall be notionally allocated to the Pension Reserve Fund.
- d. Each year, in addition to the notional credit of amounts that exceed the amount necessary to satisfy the Restoration Target, existing notional Restoration Account assets will be credited with interest equal to the net return on Retirement System investments; however, such interest shall not exceed the then investment return assumption. In the event of net losses on the Retirement System's investments, the notional assets credited to the Restoration Reserve Account will be reduced to reflect such losses.
- e. In connection with preparation of the actuarial report for Fiscal Year 2033, the Plan Actuary will determine whether the Retirement System has satisfied the applicable Permanent Restoration Target (i.e., the 2033 Restoration Target). Transfers from the Restoration Reserve Account for credit to the Pension Reserve Fund may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the funding level as of June 30, 2033 has satisfied the applicable Permanent Restoration Target, then the residual amounts in the Restoration Reserve Account, if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), and

which fully fund one or more increments of COLA restoration payments for one or more Waterfall Classes, shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Fund and the applicable incremental COLA payments shall be permanently restored for the applicable Waterfall Class and shall no longer be variable from year to year.

- f. Following receipt of the actuarial report for 2028, and in the event that the projected Funded Level as of 2033 is less than 79%, the Plan Actuary shall revisit the restoration calculations that it made during each of the prior four (4) years. It shall recalculate each such prior year's Funded Level projection, this time by assuming the lesser of (i) \$4.5 million in annual administrative expenses until 2033, or (ii) an amount of annual administrative expenses until 2033 equal to the average annual normal course administrative expenses in the prior four (4) years applicable to Component II, in addition to a net 6.75% annual investment return. If such retrospective recalculation indicates that fewer amounts would have been transferred to the Restoration Reserve Account than actually were transferred during such look back period, then the Restoration Reserve Account shall be debited by the lesser of (i) this difference (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the applicable look-back period) or (ii) the dollars that were actually paid out in restoration payments during such look-back period (plus interest at a rate equal to the rate that was credited to the Restoration Reserve Account during the applicable look-back period); or (iii) the amount required to increase the projected 2033 Funded Level to 79%.

(4) *Restoration of Benefits from July 1, 2033 to June 30, 2043.*

- a. If and to the extent that all COLA payments have not been restored pursuant to Section (3)(f) as of June 30, 2033, then during the period ending June 30, 2043 and for purposes of variable restoration, the Funding Target, the Restoration Target, the Permanent Restoration Target and the Restoration Reserve Suspension Trigger shall be as set forth below, all projected as of June 30, 2043.

<u>2023 Funded Level</u>	<u>2043 Funding Target/Restoration Target</u>
78%	84%/87%
77%	83%/86%
76%	82%/85%
75%	81%/84%
74% or lower	3% > than 2023 Funded Level %/84%

2043 Permanent Restoration Target - Same as 2043 Restoration Target

2043 Restoration Reserve Suspension Trigger – 1% higher than the projected Funding Target
for all time periods

- b. The same rules for restoration that applied during the period ending June 30, 2033 shall otherwise apply (including ceasing interest credits in the event of a Restoration Reserve Suspension Trigger, and the making of notional asset transfers from the Restoration Reserve Account to the Pension Reserve Fund in the event the 2043 Funded Level falls below the 2043 Funding Target) and shall be rolled forward. For example, for purposes of determining whether the 2043 Restoration Target has been satisfied, the Plan Actuary shall project annual contributions using the same 2023 UAAL Amortization. For purposes of calculating the funded ratio, the assets in the Restoration Reserve account will be excluded, and no Extra Contribution Account assets shall be included for purposes of determining whether the Funded Level meets the Restoration Target or Permanent Restoration Target, including any additions to such account after 2033.
- c. In connection with preparation of the annual actuarial valuation report for Fiscal Year 2043, the Plan Actuary will determine whether the Retirement System has satisfied the applicable Permanent Restoration Target, as set forth in paragraph a above. Transfers from the Restoration Reserve Account for credit to the Pension Reserve Fund may be made in such amounts as are necessary to satisfy the Permanent Restoration Target. If following such transfers the Funded Level as of June 30, 2043 is equal to or greater than the applicable Permanent Restoration Target, then the residual amounts in the Restoration Reserve Account, if any (which will necessarily represent excess not necessary to satisfy the Permanent Restoration Target), shall be transferred from the Restoration Reserve Account and credited to the Pension Reserve Fund and the applicable incremental COLA payments shall be permanently restored for the applicable Waterfall Class and shall no longer be variable from year to year.

(5) *Modification of the Pension Restoration Program.*

If at any time after July 1, 2026, the Investment Committee by vote of five of its seven Members, or the Board of Trustees by a greater than 66% vote, determines that a change in relevant circumstances has occurred, or there was a mutual mistake of fact in developing the Pension Restoration Agreement attached to and made a part of the Plan of Adjustment, such that the continued operation of the Pension Restoration Agreement and this Section K-3 without amendment will: (a) materially harm the long-term economic interests of the City or Retirement System; (b) materially impair the City's ability to fully fund over a reasonable period the then existing frozen benefit liabilities; or (c) materially hinder the Restoration Program, if as of that juncture (and for purposes of applying this subsection K-3(5)(a)) annual funding levels (excluding the Extra Contribution Account) had materially exceeded the applicable Restoration Targets for a substantial period yet

without any material actual restoration of benefits as contemplated herein having been made, the Investment Committee or the Board, as the case may be, shall provide written notice to the other entity of such a determination and of the need to amend the Pension Restoration Agreement and this Section K-3 (it being understood that the post-Chapter 9, 40-year amortization period (to 2053) to fully fund frozen liabilities is, unless the relevant facts demonstrate otherwise, presumptively reasonable). The Investment Committee and the Board shall then meet to negotiate amendments to the Pension Restoration Agreement that address the identified risk of harm or impairment, but which also considers the Agreement's objective of providing pension restoration. Such negotiations shall take into account reasonable actions the City has pursued or could pursue to mitigate such harm or impairment. Any such amendments shall require the approval of a majority vote of the combined members of the Investment Committee and Board (persons who sit on both the Board and Investment Committee shall have one vote). Such parties shall consult with the Mayor, City Council and the Governor in connection with such negotiation.

If the Board, acting through a majority, and the Investment Committee, acting through a majority, cannot agree to such amendments within the 90-day period following the provision of such notice by the determining party, then the Board and Investment Committee shall proceed to mediation upon demand from either the Board or the Investment Committee. In this regard, within 30-days following expiration of the 90-day period the Board and the Investment Committee shall each select a mediator from the list of approved mediators for the United States District Court for the Eastern District of Michigan. The two selected mediators shall appoint a third neutral mediator from the approved list. Each party shall furnish a written statement to the mediators within 30 days of selection of the neutral mediator. Representatives of the Mayor and the Governor shall be consulted in connection with such mediations. If following a 90-day mediation period following submission of the written statements the matter is not settled, then either the Investment Committee or the Board can file an action in the United States District Court for the Eastern District of Michigan asking it to declare, *inter alia*, whether or in what manner to amend the Pension Restoration Agreement and this Section K-3.

Such claims and obligations shall be paid out of the Trust; provided, however, that the Board shall not be exempt from personal liability for willful misconduct, intentional wrongdoing, breach of applicable fiduciary duty, negligence or fraud, and the Trust shall not indemnify the Board for such liabilities, or to the extent that application of this sentence would violate any law.

To the extent permitted by applicable law, the premiums on such policies may be paid from the Trust Fund.

Section 7.9 Reimbursement for Defense of Claims. To the extent permitted by applicable law and not otherwise covered by liability insurance purchased by the Trust (without regard to any non-recourse rider purchased by the insured), the Board, employees of the Board and persons acting on the Board's behalf pursuant to an express written delegation (each separately, the "Indemnified Party") shall be reimbursed by the Trust Fund for reasonable expenses, including without limitation attorneys fees, incurred in defense of any claim that seeks a recovery of any loss to the Plan or Trust Fund or for any damages suffered by any party to, or beneficiary of this Trust Agreement (a) for which the Indemnified Party is adjudged not liable, or (b) which is dismissed or compromised in a final settlement, where the Board or, where required by applicable law, an independent fiduciary determines that the settling Indemnified Party was not primarily responsible (in such cases, all or only a portion of the settling Indemnified Party's reasonable expenses may be reimbursed, as directed by the Board or an independent fiduciary), provided that, the Board shall have the right to approve of the retention of any counsel whose fees would be reimbursed by the Trust Fund, but such approval shall not be withheld unreasonably.

ARTICLE VIII AMENDMENT, TERMINATION AND MERGER

Section 8.1 Duration of the Trust. Unless terminated earlier pursuant to Section 8.3, this Trust Agreement shall terminate automatically on the earlier of: (a) the eighth anniversary of the Effective Date of the Plan of Adjustment if the City and the Board shall have agreed in writing that no Qualifying DWSD Transaction has occurred; or (b) the later of (i) written notice from GRS and PFRS of the death of the last individual who was a participant in such pension plans on the Effective Date of the Plan of Adjustment or (ii) the 90th anniversary of the effective date of this Trust Agreement.

Section 8.2 Amendment. The Trust Agreement may be amended at any time in writing by the Board or by Court order upon proper motion by the Board or the City, provided, however, that no amendment may impose a contribution obligation on the City beyond that specified in Section 3.1. No amendment to the Trust Agreement shall modify the responsibilities of the Board hereunder unless the Board has first consented to such amendment.

Section 8.3 Termination.

(a) Notwithstanding Section 8.1, the Trust and this Trust Agreement may be terminated at any time in writing by the Board with a copy of such written instrument to be provided to the City, or by Court order upon proper motion. Upon termination of this Trust Agreement, the assets of the Trust Fund, if any, shall be paid out at the direction of the Board to the GRS and PFRS as provided in Section IV.F of the Plan of Adjustment. Neither Detroit nor the Board shall have any beneficial interest in the Trust Fund. If the Trust Fund has assets at the time of its termination, it shall remain in existence only until all such assets have been distributed.

(b) Upon termination of the Trust pursuant to Section 8.1 or 8.3, the Board shall continue to have all of the powers provided in this Trust Agreement as are necessary or desirable for the orderly liquidation and distribution of the Trust Fund in accordance with the provisions hereof.

Section 9.2 Non-Alienation. Except to the extent required by applicable law, the rights or interest of any Beneficiary to any future distributions under the provisions of the GRS or PFRS shall not be subject to attachment or garnishment or other legal process by any creditor of any such Beneficiary, nor shall any such Beneficiary have any right to alienate, anticipate, commute, pledge, encumber or assign any of the benefits or payments which he may expect to receive, contingent or otherwise, under GRS or PFRS.

RETIREE HEALTH CARE SETTLEMENT AGREEMENT

SETTLEMENT AGREEMENT

Plaintiffs, the Official Committee of Retirees of the City of Detroit, Michigan (the “Committee”), Detroit Retired City Employees Association, Retired Detroit Police and Fire Fighters Association, and AFSCME Sub-Chapter 98, City of Detroit Retirees (collectively with the Committee, the “Plaintiffs”) and Defendants, the City of Detroit, Michigan (the “City”) and Kevyn Orr, individually and in his official capacity as Emergency Manager of the City of Detroit, Michigan (collectively with the City, the “Defendants”), hereby enter into this Settlement Agreement as of the 14th day of February, 2014 (the “Agreement”), which contains the following terms:

I. GENERAL PROVISIONS

1. **Agreement Modifies March 1, 2014 Plan.** The City agrees to make the changes listed in Part II herein to the City of Detroit Retiree Health Care Plan for the period March 1, 2014 through December 31, 2014. The changes enumerated in Part II are modifications to the City of Detroit Retiree Health Care Plan described in the 2014 Health Care Plan Options Booklet (“Booklet”) distributed approximately January 2, 2014. These modifications are premised on the terms summarized in the Booklet going into effect on March 1, 2014, subject only to the modifications set forth in this Agreement, which resolves the Plaintiffs’ claims in Adversary Proceeding No. 14-04015 (the “Adversary Proceeding”).

2. **Modifications Will Not Decrease Benefits Offered in March 1, 2014 Plan.** None of the modifications in Part II reduces or eliminates any of the benefits in the City of Detroit Retiree Health Care Plan for the period March 1, 2014 through December 31, 2014 as described in the Booklet, except as specified in Part II(4)(a) and (b) below.

3. **Effective Date of Plan Modifications.** The modifications listed in Part II of this Agreement shall be effective with the beginning of the plan on March 1, 2014 unless otherwise noted in the Agreement.

4. **Aggregate Caps.** Unless specifically noted below, there is no cap on the amount that the City will spend to fulfill the modifications listed in Part II. For the two modifications listed in Part II(3)(a)/(b) and (d)/(e) that expressly include capped funds of \$2,500,000 and \$3,000,000, respectively, the City shall aggregate those caps to a total of \$5,500,000 such that if one capped fund is exhausted the City must draw from the other capped fund to the extent that the other capped fund has not been exhausted.

5. **Conditions on Agreement.** This Agreement, and the additional benefits set forth herein, are conditioned upon the City receiving debtor in possession financing that can be used for quality of life purposes on or before May 1, 2014 (the “DIP”). In the event the DIP is not in effect on or before May 1, 2014 and the City is unable to otherwise perform under this

Agreement, this Agreement shall be null and void and the parties shall be returned to their respective positions.

II. MODIFICATIONS TO THE CITY'S RETIREE HEALTH CARE PLAN FOR THE PERIOD MARCH 1, 2014 THROUGH DECEMBER 31, 2014

1. Modification of Dental and Vision Coverage.

- (a) **Dental Coverage.** The City will make available an additional dental benefits option in addition to the dental benefits coverage option described in the Booklet. The additional option will be offered by Golden Dental Inc. ("Golden"). The premium charged for this group coverage option will be no greater than \$23.73 per month for single coverage, \$38.83 per month for two-person coverage, and \$57.17 per month for family coverage, and the benefits will be as described in Exhibit 1 hereto; provided, however, that the amount charged to the retiree shall be increased to include an additional administrative charge, which administrative charge shall not exceed 20% of the applicable premium. The enrolling retiree will be fully responsible to pay the premium associated with this dental option, including the additional administrative charge, and the City shall allow the retirees to utilize the pension reduction feature for payment of the monthly premium. The City will use Reasonable Efforts to have such coverage effective June 1, 2014, including taking Reasonable Efforts to notify retirees by mail of this option as soon as practicable, and taking Reasonable Efforts to minimize the administrative charge. Reasonable Efforts, as used in this Agreement, requires the City to use good faith and reasonable diligence in light of its capabilities.
- (b) **Vision Coverage.** The City will make available an additional vision benefits option in addition to the vision benefits coverage option described in the Booklet. The additional option will be offered by Heritage Vision Plans, Inc. ("Heritage"). The premium for this group coverage option will be no greater than \$6.95 per month for single coverage and \$13.75 per month for 2 or more person coverage; provided, however, that the amount charged to the retiree shall be increased to include an additional administrative charge, which administrative charge shall not exceed 20% of the applicable premium. The option shall be a national network vision option similar to the option that the City provides to active employees. The enrolling retiree will be fully responsible to pay the premium associated with this vision option, including the additional administrative charge, and the City shall allow the retirees to utilize the pension reduction feature for payment of the monthly premium. The City will use Reasonable Efforts to have such coverage effective June 1, 2014, including taking Reasonable Efforts to notify retirees by mail of this option as soon as practicable, and taking Reasonable Efforts to minimize the administrative charge.

2. Modifications for Retirees Eligible for Medicare.

- (a) **Extension of Enrollment Deadline to Opt Out of Medicare Advantage Plan Coverage.** For retirees of the City who are enrolled in Medicare and receive

coverage under a City-sponsored Medicare Advantage Plan through February 28, 2014, the date to opt out of such coverage was extended to February 7, 2014. Such retirees may opt out by hand delivery (no later than close of business February 7) or first-class mail delivery (post-marked on or before February 7) of the designated opt out form to the City Benefits Administration Office at Suite 1026, 2 Woodward Avenue, Detroit MI 48226. Retirees were permitted to request the designated opt out form by calling the City's Benefit Administration Customer Service Line or contacting the City Benefits Administration Office at the address above. The City will use Reasonable Efforts to process any such opt outs for which it receives timely notice in a manner so as to eliminate such Medicare Advantage Plan coverage effective March 1, 2014. To the extent the City is not able to process the timely sent opt out notices in a manner so as to eliminate such coverage effective March 1, 2014, such coverage shall be eliminated effective April 1, 2014. Retirees who did not opt out by February 7, 2014 will be enrolled in a City-sponsored Medicare Advantage Plan as described in the Booklet.

- (b) **HRA Contribution for Medicare-Eligible Retirees Who Opt Out.** For each Medicare-eligible retiree who opted out of coverage under the City-sponsored Medicare Advantage Plans on or prior to February 7, 2014, the City shall automatically enroll such retiree in a City-sponsored Health Reimbursement Arrangement ("HRA"). The HRA shall be administered by Flex Plan, Inc. The City will provide each electing enrollee with a vested \$115 monthly contribution credit to his or her HRA during the remainder of 2014, which will carry forward until used by the retiree or otherwise forfeited under terms to be negotiated by the parties hereto. The City will make all Reasonable Efforts to implement the HRA credits effective May 1, 2014, retroactive to March 1, 2014. The initial monthly credit for May 2014 shall be in an amount equal to the total of \$115 multiplied by the number of months starting March 2014 for which the enrolled retiree did not have Medicare Advantage Plan coverage (e.g., if John Smith had City-sponsored Medicare Advantage Plan coverage until February 28, 2014, the initial monthly credit for May 2014 will be \$345, covering March, April, and May; thereafter, the payments shall be \$115 per month for each month in 2014).
- (c) **Medicare Advantage Plan Catastrophic Drug Expenses.** Each of the Medicare Advantage Plans sponsored by the City for the period March 1, 2014 through December 31, 2014 include Medicare Part D prescription drug coverage, under which, once the \$4,550 out-of-pocket threshold is met, the participant's cost sharing obligation is limited to the greater of 5% of the cost of the prescription, or \$2.55 per prescription for generic and preferred multi-source drugs or \$6.35 per prescription for all other prescription drugs; provided, that the participant's cost sharing obligation shall never be greater than the cost sharing that applied prior to the participant meeting such threshold. For each participant who meets the \$4,550 out-of-pocket threshold while enrolled in one of the City's Medicare Advantage Plans during the period March 1, 2014 through December 31, 2014, the City will reimburse the amount of this cost sharing obligation to the related

retiree. For the avoidance of doubt, participant means both retiree and any retiree's spouse who is covered by the City's Medicare Advantage Plans.

3. Modifications for Retirees Not Eligible for Medicare.

(a) **Additional Stipend to Retirees With \$75,000 or Lower Household Income Who Acquire Health Care Coverage on an Exchange.** The City will provide non-duty disabled retirees who are not eligible for Medicare a \$125 stipend that they may use to purchase health care coverage. The City will increase this stipend by \$50 for any non-Medicare eligible retiree who either (i) was enrolled in the City's retiree health program on December 31, 2013 or (ii) transitioned from active City benefits to retiree City benefits on or after November 1, 2013; but only to the extent such retiree described in (i) or (ii) above meets the following requirements:

- i) Not eligible for Medicare or Medicaid;
- ii) Not eligible for a benefit under Part II(4);
- iii) Not a duty-disabled retiree (duty-disabled retirees are eligible for higher stipends as provided for in the Booklet);
- iv) Under 65 years old (non-Medicare eligible retirees age 65 and older may receive an increased stipend under Part II(3)(c) below);
- v) Household income is \$75,000 or less, as demonstrated by satisfaction of the process set forth in Part II(3)(b);
- vi) Does not acquire a City-offered group health plan as set forth in Part II(3)(f); and
- vii) Purchases or is covered by a health insurance policy acquired through a health insurance exchange ("Exchange") established pursuant to the Patient Protection and Affordable Care Act.

(b) **Process to Obtain Additional \$50 Monthly Stipend.**

- i) The City will retain Aon Hewitt to administer the eligibility process for the additional \$50 monthly stipend set forth above in Part II(3)(a). Retirees will be given a 30-day notice period, to expire no later than April 30, 2014, during which they shall provide to Aon Hewitt the following:
 - (1) Submission of having purchased an insurance policy through an Exchange that covers such retiree. Such submission shall include information necessary to validate the retiree's eligibility, including the name of the insurer, monthly premium amount, and the amount of federal

subsidy, if any, that the retiree is to receive in connection with such Exchange-acquired coverage; and

- (2) If the proof of Exchange-acquired coverage shows that the retiree's premium does not also include a federal subsidy amount, such retiree shall also submit a copy of his or her most recently filed federal income tax return with proof of filing, but in no event a return prior to the 2011 tax year. If such federal income tax return shows household income in excess of \$75,000 and the retiree believes that household income in 2013 was below \$75,000, the retiree shall also submit – along with a copy of the most recently filed federal income tax return – proof sufficient for Aon Hewitt to conclude that his or her household income in 2013 was less than \$75,000.
- ii) Aon Hewitt shall submit to the City its list of retirees eligible for the additional \$50 monthly stipend and the monthly stipends shall be paid to the approved eligible retirees beginning in the month of June 2014 or as soon thereafter as administratively practical, with payments retroactive to March 1, 2014. For example, if the first payment is made in June 2014, it will be in the amount of \$200 for the months of March, April, May, and June; thereafter, the payments shall be \$50 per month for each succeeding month in 2014. The list provided by Aon Hewitt shall be final and no changes shall be made to such list for the remainder of 2014.

The City shall cap the amount that it pays for this additional \$50 stipend during the period from March through December 2014 at \$3,000,000. In the event that there are more retirees meeting the requirements in Part II(3)(a) and (b) (i.e., retirees listed on the final list) than can be paid in full for \$3,000,000, each retiree will have his or her stipend amount reduced pro rata, unless there are additional funds that can be used as detailed in Part I(4).

- (c) **Additional Payment to Non-Medicare Eligible Retirees Age 65 and Older.**
The City will increase the stipend that it gives non-Medicare eligible retirees who are 65-years-old and older to \$300/month. For such purposes, a non-Medicare eligible retiree is any retiree age 65 or older who is not – directly or through his or her spouse – eligible to automatically enroll in and obtain premium-free coverage under Part A of Medicare as evidenced by a denial letter from the Centers for Medicare and Medicaid Services (“CMS”). Retirees who have previously submitted such a letter to the City will not be required to resubmit it. Non-Medicare eligible retirees who are duty-disabled will not be eligible for this increase because their stipend is already \$300 or more. The City will coordinate with Blue Cross Blue Shield of Michigan to determine the number of non-Medicare eligible retirees who are eligible for this \$300 stipend. The increased stipend will apply for each month from March 2014 through December 2014. The City will make all Reasonable Efforts to implement the \$300 increased

monthly stipend beginning April 1, 2014, with payment of the increased amount over the stipend otherwise paid for prior months being retroactive to March 1, 2014; thereafter, the stipend shall be \$300 per month for each succeeding month in 2014. Such eligible retirees will not receive any other stipend amounts from the City that are described in the Booklet or this Agreement.

(d) **\$125 Monthly Stipend For City Retirees' Spouses Who are Under Age 65, With \$75,000 or Lower Household Income, and Are Enrolled in Health Care Coverage on an Exchange.**

The City will provide a \$125 stipend to certain married retirees whose spouses either (i) were enrolled in the City's retiree health program on December 31, 2013 or (ii) transitioned from active City benefits to retiree City benefits on or after November 1, 2013; but only to the extent such spouse described in (i) or (ii) above meets the following requirements:

- i) Not eligible to enroll in one of the City's Medicare Advantage Plans;
- ii) Not eligible for Medicaid;
- iii) Not eligible for a benefit under Part II(4);
- iv) Under 65 years old;
- v) Household income is \$75,000 or less, as demonstrated by satisfaction of the process set forth in Part II(3)(e);
- vi) Does not acquire a City-offered group health plan as set forth in Part II(3)(f); and
- vii) Purchases or is covered by a health insurance policy acquired through an Exchange.

(e) **Process to Obtain \$125 Monthly Spouse Stipend.**

- i) The City will retain Aon Hewitt to administer the eligibility process for the \$125 monthly spouse stipend. Retirees will be given a 30-day notice period, to expire no later than April 30, 2014, during which they shall provide to Aon Hewitt the following proof:
 - (1) Submission of proof that their spouse is covered under an insurance policy purchased through an Exchange, including information necessary to validate the retirees' eligibility, including the name of the insurer, monthly premium amount, and the amount of federal subsidy, if any, that the spouse is to receive in connection with such Exchange-acquired coverage; and
 - (2) If the proof of Exchange-acquired coverage shows that the spouse's premium does not also include a federal subsidy

amount, such retiree shall also submit a copy of his or her most recently filed federal income tax return with proof of filing, but in no event a return prior to the 2011 tax year. If such federal income tax return shows household income in excess of \$75,000 and the retiree believes that household income in 2013 was below \$75,000, the retiree shall also submit – along with a copy of the most recently filed federal income tax return – proof sufficient for Aon Hewitt to conclude that his or her household income in 2013 was less than \$75,000.

- ii) Aon Hewitt shall submit to the City its list of retirees who are eligible for this \$125 monthly stipend and the monthly stipends shall be paid to the approved married retirees beginning in the month of June 2014 or as soon thereafter as administratively practical, with payments retroactive to March 1, 2014. For example, if the first payment is made in June 2014, it will be in the amount of \$500 for the months of March, April, May, and June; thereafter, the payments shall be \$125 per month for each succeeding month in 2014. The list provided by Aon Hewitt shall be final and no changes shall be made to such list for the remainder of 2014, except as follows:

- (1) if an eligible retiree ceases to be married (whether by death or divorce), the retiree's spouse will cease to be eligible for this stipend and the retiree shall be removed from the list effective as of the month immediately following such event; and
- (2) if a retiree's spouse transitions from active City benefits to retiree City benefits during 2014 and meets the eligibility provisions described in Part II(3)(d) and is approved as eligible pursuant to the process described in Part II(3)(e), the related retiree shall be added to the list effective as of the month in which the transition to retiree City benefits occurs, provided there is sufficient availability under the Aggregate Caps as described below.

The City will cap the amount that it pays for spousal stipends at \$2,500,000. In the event that there are more retirees initially satisfying the requirements in Part II(3)(e) (*i.e.*, retirees listed on the first list submitted by Aon Hewitt to the City) than can be paid in full for \$2,500,000, each such retiree will have his or her stipend amount reduced pro rata, provided that if there are additional funds that can be used as detailed in Part I(4), each such retiree will only have his or her stipend amount reduced pro rata to the extent the aggregate amount is not sufficient to satisfy the full amount of such stipends. Retirees who become eligible for this spousal stipend during the year, as described above, shall only be eligible for a stipend to the extent there is sufficient availability under the

Aggregate Caps detailed in Part I(4). The addition or removal of retirees from the list shall not impact the amount of the stipend being paid to other eligible retirees.

- (f) **City Group Plan.** In 2014, the City agrees to contract with Blue Cross Blue Shield of Michigan to offer a fully-insured group health plan option to retirees who are not eligible for Medicare. Such plan option shall be reasonably equivalent to the coverage offered by the City to active employees in 2014. The enrolling retiree will be fully responsible to pay the monthly premium associated with this option. The premium cost to retirees of such policy will include the cost to the City of enrollment and administration related to this policy option, so that the City will not incur any additional expense in offering this policy. The parties will use Reasonable Efforts to have such coverage effective May 1, 2014. The City shall provide a monthly stipend of \$100 to each retiree who enrolls in the City group plan, beginning with the May 1, 2014 payment. No other stipend amounts from the City that are described in the Booklet or this Agreement shall be available to retirees enrolling in this group option, unless either (i) the retiree is duty-disabled, in which case, he or she will instead receive the stipend available to duty-disabled retirees described in the Booklet, or (ii) the retiree is eligible for the stipend described in Part II(3)I, in which case, he or she will instead receive such stipend.

4. Modifications for Retirees Below the Federal Poverty Level.

- (a) **Coverage for Michigan Resident Retirees Eligible For Medicaid Coverage On or After April 1, 2014.** The parties recognize that CMS has approved the State of Michigan's request to operate the "Healthy Michigan" program for adults who will become eligible for Medicaid under Section 1902(a)(10)(A)(i)(VIII) of the Social Security Act, and that on April 1, 2014 Michigan will provide Medicaid coverage to all adults residing in the State with income up to and including 133% of the Federal Poverty Level. "Federal Poverty Level" means the applicable poverty guideline based on state of residence and household size issued annually by the U.S. Department of Health and Human Services. For those retirees who are eligible for Medicaid under the scheduled April 1, 2014 expansion, the City will facilitate their transition in the following manner: Within 10 days of the effective date of this Agreement, the City shall contact by letter those non-Medicare eligible retirees, who, according to the Retirement Systems' records, reside in Michigan and whose annual pension income is in an amount less than 100% of the Federal Poverty Level. Such retirees will be given a 30 day opportunity to submit to Aon Hewitt proof that their income falls below the Federal Poverty Level. Upon receipt by Aon Hewitt of a list of such retirees falling below the Federal Poverty Level, the City shall provide payment to such retirees of the amount equal to the value of the federal subsidy for the month of March that they would have received in connection with the second lowest cost Exchange-purchased silver plan, had such retiree, and to the extent the retiree is married, such retiree's spouse, been eligible for such subsidy for the month of March 2014 for such plan based on a determination of household income at 100% of the Federal Poverty Level. A similar payment will be made by the City in

connection with insurance coverage for April 2014 if such retiree and spouse are not covered by Medicaid. To the extent that the Medicaid expansion rules in Michigan have not provided such retirees the opportunity to migrate into the Michigan Medicaid program by May 1, 2014, the City shall cease its continued payment but the parties agree to negotiate in good faith an additional reasonable accommodation to such retirees that balances the City's and such retirees' interests. *Retirees eligible for payments under this subsection are not eligible for any other payment offered by the City as set forth in the Booklet or as set forth in this Agreement.*

- (b) **Coverage for Non-Medicare Eligible Retirees in States that Have Not Expanded Medicaid.** The City recognizes that not all States have chosen to expand Medicaid coverage in accordance with Title II of the Patient Protection and Affordable Care Act, and certain non-Medicare eligible retirees residing outside the State of Michigan whose incomes fall below 133% of the Federal Poverty Level will not be eligible for Medicaid coverage. Accordingly, in connection with such retirees, the City will pay a monthly amount equal to the lesser of: (1) the second lowest cost monthly premium for a silver plan for such retiree and spouse purchased through an Exchange in their place of residence; or (2) the ratable monthly amount necessary to increase the retiree's annual household income to 100% of the Federal Poverty Level. Within 10 days of the effective date of this Agreement, the City shall contact by letter those retirees, who, according to the Retirement Systems' records, reside in states that do not provide Medicaid coverage to adults up to the Federal Poverty Level, and whose annual pension income is in an amount less than 100% of the Federal Poverty Level. Such retirees will be given a 30 day opportunity to submit to Aon Hewitt proof that their income falls below the Federal Poverty Level. The City shall commence such payments as soon as reasonably practicable after receiving a list of such retirees from Aon Hewitt. *Retirees eligible for payments under this subsection are not eligible for any other payment offered by the City as set forth in the Booklet or as set forth in this Agreement.*

III. RELEASES, FUTURE LEGAL PROCEEDINGS, AND MISCELLANEOUS

1. **Future Claims in City Plan Confirmation Proceedings.** This Agreement is entered into without prejudice to any party to this litigation with respect to any issue involving the rights, claims, obligations, and payments of health care and other post-employment benefits ("OPEB"); provided that the City will not seek to recover directly from the retirees any postpetition OPEB payments made to or on behalf of retirees. Each party expressly reserves its rights on OPEB issues in connection with negotiations of a plan of adjustment, and the Plaintiffs are free to pursue, and the City to oppose, their position that the postpetition OPEB payments the City made to or on behalf of retirees were a business necessity.

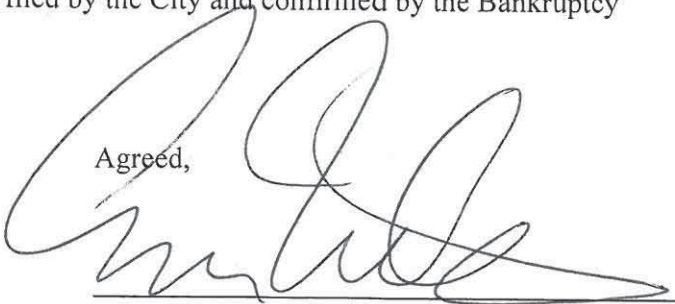

2. **Release.** Following the execution of this Agreement, the Plaintiffs will promptly dismiss the lawsuit – which solely addresses 2014 retiree health care benefits – with prejudice; provided, however, that any party to the lawsuit may bring an action in the Bankruptcy Court to enforce the terms of this Agreement resolving the lawsuit (an "Enforcement Action") and if the

conditions contained in the last sentence of Part I(5) occur, then Plaintiffs are free to reinstate the Adversary Proceeding. Solely for purposes of an Enforcement Action, the City consents, pursuant to 11 U.S.C. § 904, to the Bankruptcy Court's hearing and deciding such Enforcement Action.

3. **Counterparts.** This Agreement may be signed in counterparts, and each counterpart shall be treated as an original.

4. **Good Faith.** As evidenced by the undersigned acknowledgment of Judge Wiley Daniel, Mediator, this Agreement was negotiated and entered into by all parties in good faith.

5. **Plan of Adjustment.** The terms of this Agreement, including Part III(4), shall be incorporated into any plan of adjustment filed by the City and confirmed by the Bankruptcy Court in 2014 in this bankruptcy case.

EXHIBIT I.A.332

STATE CONTRIBUTION AGREEMENT

EXECUTION VERSION

CONTRIBUTION AGREEMENT

This Contribution Agreement (“Agreement”), dated as of _____, 2014, is made by and among the Michigan Settlement Administration Authority, a Michigan body public corporate (the “Authority”), the General Retirement System of the City of Detroit, the Police and Fire Retirement System of the City of Detroit and the City of Detroit (the “City”).

RECITALS

A. The City filed a voluntary petition for relief under chapter 9 of the Bankruptcy Code on July 18, 2013 (the “Chapter 9 Case”) in the United States Bankruptcy Court for the Eastern District of Michigan (the “Court”).

B. During the course of the Chapter 9 Case, the City has asserted that the City’s Police and Fire Retirement System (the “PFRS” or a “System”) and the General Retirement System (the “GRS” or a “System” and collectively with the PFRS, the “Systems”) are underfunded.

C. During the course of the Chapter 9 Case, there have been suggestions that the State of Michigan (the “State”) may be obligated to pay all or a portion of the underfunding of pension benefits payable to retirees, a suggestion the State vigorously disputes.

D. As part of the mediation process in the Chapter 9 Case, the mediators asked the State and other parties to assist in reducing the amount of underfunding in the PFRS and GRS pension funds by providing settlement funds for the benefit of pensioners that would not be otherwise available.

E. As part of its determination that the City was eligible to file the Chapter 9 Case, the Court determined that pension obligations of the City can be impaired or diminished in the Chapter 9 Case and are not protected from such impairment or diminution by the State Constitution.

F. In support of confirmation of the City’s Fourth Amended Plan of Adjustment dated May 5, 2014 (as may be further amended from time to time, the “Plan”), the State has agreed, subject to satisfaction of the terms and conditions set forth herein and in the Plan, to make a contribution to the GRS and PFRS in return for releases from, among others, the GRS and PFRS as set forth in the Support and Release Agreement entered into by the State and each of the Systems in connection with this matter.

G. On June 20, 2014, the Authority was established as the disbursement agent for the State with respect to the State Contribution (as defined below).

H. Capitalized terms used in this Agreement but not defined have the same meanings as set forth in the Plan.

NOW THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

1. State Contribution. On the later of (a) the date on which the Conditions Precedent have been satisfied, and (b) 60 days after the Effective Date of the Plan, the Authority shall disburse \$98,800,000 to GRS and \$96,000,000 to PFRS (collectively, the “State Contribution”) for the purpose of increasing the assets of the PFRS and GRS. The total aggregate State Contribution is equal to the net present value of \$350,000,000 payable over 20 years determined using a discount rate of 6.75%, which results in a total contribution by the State of \$194,800,000. The State Contribution shall only be used to fund payments to holders of GRS Pension Claims and PFRS Pension Claims, each as defined in the Plan.

2. Governance Requirements of the GRS and PFRS. At all times during the 20 year period following the disbursement of the State Contribution to the GRS and PFRS, the GRS and PFRS each must establish an investment committee (the “Investment Committee”) for the purpose of making recommendations to, and approving certain actions by, the respective System's board of trustees and/or making determinations and taking action under and with respect to Investment Management, as set forth in the terms and conditions enumerated on **Exhibit A** and **Exhibit B**, respectively, each attached to and incorporated by reference into this Agreement. Further, the Emergency Manager for the City and any subsequently appointed emergency manager for the City, appointed under PA 436 or under any successor or replacement statutes to PA 436, shall not seek to exercise any powers granted under section 12(1)(m) of PA 436 (or equivalent provision under any successor or replacement statute) against the Board of GRS or the Board of PFRS until the earlier of (a) one year following entry of an order confirming the Plan, and (b) December 31, 2015.

3. Income Stabilization Funds and Income Stabilization Payments. The City, GRS and PFRS shall establish an income stabilization program and amend the governing documents for GRS and the governing documents for PFRS to include the following:

- a. A supplemental pension income stabilization payment (the “Income Stabilization Payments”) payable on an annual basis beginning not later than 120 days after the Effective Date, to each Eligible Pensioner equal to the lesser of (a) the amount needed to restore the Eligible Pensioner's reduced pension benefit to the amount of the pension benefit that the Eligible Pensioner received from GRS or PFRS in 2013, or (b) the amount needed to bring the total annual household income of the Eligible Pensioner up to 130% of the Federal Poverty Level in 2013.
- b. In addition, to the extent an Eligible Pensioner's Estimated Adjusted Annual Household Income in any calendar year is less than 105% of the Federal Poverty Level in that year, the Eligible Pensioner will receive an additional benefit (“Income Stabilization Benefit Plus”). The Income Stabilization Benefit Plus shall be equal to the lesser of either (a) 100% restoration of pension benefits, including escalators and cost of living adjustments; or (b) the amount needed to bring the Eligible Pensioner's Estimated Adjusted Annual Household Income in that calendar year up to 105% of the Federal Poverty Level in that year.

- c. An Eligible Pensioner's "Estimated Adjusted Annual Household Income" shall be calculated as follows: (i) the annual pension benefit amount paid in 2013 shall be subtracted from the Eligible Pensioner's 2013 total household income (per their (or in the case of minor children, their legal guardian's) 2013 income tax returns or equivalent documentation) as adjusted for inflation or Social Security COLA increases to create a base additional income amount, plus (ii) the following three items as applicable, (x) the reduced pension benefit that GRS will pay the Eligible Pensioner for that year, (y) any GRS pension restoration due to an improved GRS funding level, and (z) the Eligible Pensioner's Income Stabilization Benefit. Notwithstanding the foregoing, Income Stabilization Payments, including the Income Stabilization Benefit Plus, under both GRS and PFRS shall not exceed \$20 million in aggregate.
- d. A separate recordkeeping sub-account called the "Income Stabilization Fund" will be set up under each of GRS and PFRS for the sole purpose of paying the Income Stabilization Payments to Eligible Pensioners. The assets credited to the sub-accounts will be invested on a commingled basis with the applicable System's assets and will be credited with a pro-rata portion of the System's earnings and losses.
- e. Amounts credited to the Income Stabilization Fund, including the Assigned UTGO Bond Tax Proceeds, may not be used for any purpose other than the payment of Income Stabilization Payments to Eligible Pensioners, except as expressly provided in subparagraph (f) below.
- f. In 2022, provided that the State has not issued a certificate of default with respect to a System at any time prior to 2022, the Investment Committee for that System shall conduct a valuation to determine the Income Stabilization Payments anticipated to be made from the System in the future, in order for the System to fulfill the obligation to make Income Stabilization Payments (the "Estimated Future Liability"). In the event that 75% of the independent members of the Investment Committee determine that the GRS or PFRS Income Stabilization Fund is credited with assets in excess of its Estimated Future Liability (the "Excess Assets"), the Investment Committee may, in its sole discretion, recommend to the Board of Trustees that the Excess Assets, but not more than \$35 million, be used to fund each System's payment of Adjusted Pension Amounts. The Investment Committee shall have the right to engage professionals to assist in this task as necessary, and such expenses shall be paid by the Systems. If any funds remain in the GRS or PFRS Income Stabilization Fund on the date upon which no Eligible Pensioners under their respective System are living, the remainder of each System's Income Stabilization Fund shall be used to fund each System's payment of Adjusted Pension Amounts.

- g. “Eligible Pensioners” are those retirees or surviving spouses who are at least 60 years of age or those minor children receiving survivor benefits from GRS or PFRS, each as of the Effective Date, whose pension benefit from GRS or PFRS will be reduced by the confirmed Plan, and who have a total household income equal to or less than 140% of the Federal Poverty Line in 2013 (per their (or in the case of minor children, their legal guardian’s) 2013 income tax returns or equivalent documentation). No new persons will be eligible to receive an Income Stabilization Payment at any time in the future, and any minor child receiving survivor benefits shall cease to be an Eligible Pensioner after he or she turns 18 years of age.
- h. The initial determination of Eligible Pensioners, and the amounts of Income Stabilization Payments payable to Eligible Pensioners shall be made by the State in its sole discretion. The State shall transmit the list of Eligible Pensioners to the Investment Committee and the Board of Trustees of GRS and PFRS, as applicable. The Board of Trustees, with the assistance of the Investment Committee of GRS and PFRS, shall be responsible for properly administering the respective Income Stabilization Fund and annually certifying to the Treasurer that it has properly administered the requirements for eligibility and payment of benefits with respect to Eligible Pensioners.

4. Conditions Precedent. The Authority’s obligations under this Agreement are not effective or enforceable until each of the following conditions (the “Conditions Precedent”) have been met to the satisfaction of the Authority and the Treasurer, unless any one or more of such conditions are waived in a writing executed by the Authority and the Treasurer:

- a. The Authority receives the State Contribution from the State.
- b. An endorsement of the Plan by the Official Retiree Committee which will include a letter from the Official Retiree Committee as part of the Plan solicitation package recommending to Classes 10 and 11 a vote in favor of the Plan, or equivalent assurances from member organizations representing a majority of retirees in the respective classes.
- c. Cessation of all litigation, including the cessation of funding of any litigation initiated by any other party, as it relates to the City (a) challenging PA 436 or any actions taken pursuant to PA 436, including but not limited to, a dismissal with prejudice of the cases set forth on **Exhibit D**, or (b) seeking to enforce Article IX, Section 24 of the Michigan Constitution; provided, however, (i) until the State Contribution is received by the Systems, the Systems agree to stay any pending litigation described in this subparagraph, and (ii) that as a condition precedent to the GRS and the PFRS dismissing any pending litigation described in this subparagraph that they are prosecuting, the GRS and the PFRS have the right to receive written confirmation from the Authority

that the Authority is prepared and authorized to disburse the State Contribution in accordance with this Agreement and the Plan, subject only to the dismissal by the GRS and PFRS of any pending litigation described in this subparagraph that they are prosecuting.

- d. Active support of the Plan by, a release of and covenant not to sue the State from, and an agreement not to support in any way (including funding) the litigation described in subparagraph 4(c) by the parties listed on **Exhibit C**, or equivalent assurance of litigation finality (which, as to the Systems, shall be deemed satisfied by the execution of the Support and Release Agreement to be entered into by the State and each of the Systems in connection with this matter).
- e. Classes 10 and 11 accept the Plan.
- f. By December 31, 2014, the Court enters a final, non-appealable order confirming the Plan that includes, at a minimum, the following:
 - i. A release of the State and State Related Entities by each holder of a Pension Claim of all Liabilities arising from or related to the City, the Chapter 9 Case, including the authorization given to file the Chapter 9 Case, the Plan, all Exhibits, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, Section 24 of the Michigan Constitution that such party has, had or may have against the State and any State Related Entities.
 - ii. A requirement that the governing documents of GRS and the governing documents of PFRS be amended to include:
 - a) the governance terms and conditions set forth in Paragraph 2, Exhibit A and Exhibit B of this Agreement; and
 - b) the Income Stabilization Payments and Income Stabilization Fund described in Paragraph 3 of this Agreement.
 - iii. Approval of, and authority for the City to enter into, the UTGO Settlement.
 - iv. A requirement that the City irrevocably assigns the right to receive not less than an aggregate amount of \$20,000,000 of the payments on the Reinstated Stub UTGO Bonds to the Income Stabilization Funds of the GRS and PFRS. Such payments will be made to the Income Stabilization Funds in the form of annual installment payments over a 14 year period, pursuant to a payment schedule approved by the State.

- v. Approval of, and authority for the City to enter into, the DIA Settlement.
- vi. Agreement to and compliance with MCL 141.1561 and cooperation with the transition advisory board appointed pursuant to MCL 141.1563, or compliance with any new legislation that is enacted regarding post-bankruptcy governance.
- g. Evidence satisfactory to the State of an irrevocable commitment by:
 - i. The Foundations to fund \$366,000,000 (or the net present value thereof) as part of the DIA Settlement; and
 - ii. The DIA Corp. to fund \$100,000,000 (or the net present value thereof) as part of the DIA Settlement.
- h. The Plan Effective Date occurs on or before April 1, 2015.

5. Non-occurrence of Conditions Precedent. If the Conditions Precedent are not met to the satisfaction of the Authority and the Treasurer on or before April 1, 2015, upon written request of the Treasurer, the Authority shall remit the State Contribution to the Department and shall have no further obligations under this Agreement.

6. Default by GRS and PFRS; Cure Period; Remedies.

- a. A System will be in default if the System has not materially complied with any of the terms and conditions set forth in (i) the Plan, (ii) the Governing Documents, or (iii) this Agreement, including, but not limited to, failing to make the required Income Stabilization Payments or using funds in the Income Stabilization Fund for unauthorized purposes. For the purposes of this Agreement, “Governing Documents” shall mean, (x) for the GRS, the Combined Plan for the General Retirement System of the City of Detroit, Michigan, and (y) for the PFRS, the Combined Plan for the Police and Fire Retirement System of the City of Detroit, Michigan. Notwithstanding subparagraph ‘e’ below, there shall not be an event of default for purposes of this paragraph 6 unless and until the Treasurer delivers to the alleged defaulting System a written notice declaring and specifically identifying the facts of an alleged default (the “Default Notice”). Nothing herein shall prohibit the subject System from contesting the alleged default; provided, however, until the contest over the alleged default is resolved, the subject System may not include its State Contribution, as adjusted for earnings and losses, for purposes of determining whether benefits reduced by the Plan may be restored.
- b. In the event of a default by a System, the System shall have 100 days after receiving the Default Notice in accordance with subparagraph ‘a’ above (the “Cure Period”) to cure such default by remedying the damages sustained as a result of the default, as well as making any delinquent

Income Stabilization Payments, and restoring any funds improperly removed from any other fund maintained by the System, including the Income Stabilization Fund, as applicable. Prior to the expiration of the Cure Period, at least six of the seven total aggregate votes of the Investment Committee for the defaulting System must certify to the Treasurer that (i) the default has been cured, and (ii) that no material damages have been caused by the default that have not otherwise been remedied (the “Cure Certification”). During the Cure Period, the defaulting System may not include its State Contribution, as adjusted for earnings and losses, for purposes of determining whether benefits reduced by the Plan may be restored.

- c. If the Investment Committee for the defaulting System provides the Cure Certification to the Treasurer in accordance with subparagraph ‘b’ above, then the default will be deemed cured and the defaulting System may once again include its State Contribution, as adjusted for earnings and losses, for purposes of determining whether benefits reduced by the Plan may be restored.
- d. If the Investment Committee for the defaulting System fails to provide the Cure Certification to the Treasurer in accordance with subparagraph ‘b’ above, then no portion of the total State Contribution to the defaulting system, as adjusted for earnings and losses, may be taken into consideration by the System during the remainder of the 20 year period following the date of such default for purposes of determining whether benefits reduced by the Plan may be restored. Notwithstanding the foregoing, if at any time during or after the Cure Period the Investment Committee certifies by a simple majority vote, that (i) the default has been cured; and (ii) that no material damages have been caused by the default that have not otherwise been remedied, then the Treasurer may consent to the defaulting System once again including its State Contribution, as adjusted for earnings and losses, for purposes of determining whether benefits reduced by the Plan may be restored, which consent shall not be unreasonably withheld.
- e. Each Investment Committee shall provide compliance reports to the Treasurer on a semi-annual basis and at such other times as the Treasurer reasonably may request (each, a “Compliance Report”) that certifies that the Investment Committee is not aware of any defaults, or, if the Investment Committee is aware of a default, specifically identifying the facts of such default. After review of a Compliance Report, the Treasurer shall provide to the System either a certificate of compliance or a Default Notice.
- f. Notwithstanding the foregoing, in the event of a default, the Treasurer and the Authority shall have the right to pursue all available legal and

equitable remedies against the Board of Trustees for the defaulting System, the Investment Committee, or any other person.

7. Execution in Counterparts. This Agreement may be executed in counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which taken together shall constitute one and the same instrument.

8. Governing Law/Jurisdiction. This Agreement shall be construed in accordance with the laws of the State of Michigan, without reference to its conflict of law provisions, and the obligations, rights and remedies of the parties hereunder shall be determined in accordance with such laws. The Bankruptcy Court of the Eastern District of Michigan shall have exclusive jurisdiction over any action or proceeding solely with respect to this Agreement, and each party, to the extent permitted by law, agrees to submit to such jurisdiction and to waive any defense based on venue or jurisdiction of such court.

9. Amendment. This Agreement may be amended, modified, superseded or canceled, and any of the terms, covenants, representations, warranties or conditions hereof may be waived only by an instrument in writing signed by each of the Parties.

10. Limitation of Liability. The obligation to make the State Contribution is not a general obligation or indebtedness of the State or the Authority and is subject to satisfaction of the conditions described herein. Furthermore, neither the State nor the Authority has any liability or obligation arising from or related to the contributions and funding of the Income Stabilization Fund of each System. Notwithstanding anything contained herein to the contrary, no State Related Entity or board member of the Authority shall have any liability for the representations, warranties, covenants, agreements or other obligations of the State or the Authority hereunder or in any of the certificates, notices or agreements delivered pursuant hereto.

11. Severability. If any one or more of the covenants, agreements or provisions of this Agreement shall be determined by a court of competent jurisdiction to be invalid, the invalidity of any such covenants, agreements and provisions shall in no way affect the validity or effectiveness of the remainder of this Agreement, and it shall continue in force to the fullest extent permitted by law.

12. Headings. Any headings preceding the text of the several articles and sections hereof, and any table of contents or marginal notes appended to copies hereof, shall be solely for convenience or reference and shall not constitute a part of this Agreement, nor shall they affect its meaning, construction or effect.

In consideration of the Parties’ various contractual arrangements entered into contemporaneously herewith, including without limitation, extension of the lease of the Windsor Tunnel between the City and affiliates of Developer, and the mutual desire of the Parties to promote economic growth in the City (the “Arrangement”), the City has agreed to grant an option to Developer to acquire various parcels of land located in the City of Detroit as described in the attached **Exhibit A** (each a “Property” and, collectively, the “Properties”). Unless otherwise set forth herein, references in this Agreement to a Property shall apply only to the applicable Property and not the other Properties.

B. If Developer exercises its option with respect to one or more of parcels of the Property as set forth herein, Developer shall develop such Property in accordance with the terms and provisions of this Agreement.

Accordingly, the Parties agree as follows:

Section 1. TERMS OF OPTION

(A) Grant of Option. The City hereby grants to Developer an option (the “Option”) to, from time to time, acquire any or all of the Properties from the City upon the terms and conditions set forth in this Agreement. The Option shall be effective for five (5) years from the Effective Date, except with respect to that certain Property located at 2200 Franklin for which the Option shall be effective for seven (7) years from the Effective Date (the “Option Period”). The Parties agree and acknowledge that the sole and exclusive consideration for the Option and any subsequent acquisition of any Property hereunder is deemed to be the Arrangement, the sufficiency of which is hereby acknowledged. The City shall cause to be recorded and maintained of record against the Properties in the appropriate land records for the duration of the Option Period the memorandum of option attached hereto as **Exhibit B**. Notwithstanding the foregoing, the Option Period may be extended for a period not to exceed two (2) years upon written consent of the City, which consent shall not be unreasonably withheld, conditioned or delayed (the “Option Extension”). For purposes of the Option Extension, it shall be unreasonable for the City to withhold consent thereto to the extent that, (i) on the date of Developer’s request therefor, development in the immediate vicinity of the Property has materially decreased or the general economic condition of the City or geographic region in which the Property is located has deteriorated, in either instance from and after the Effective Date to such a level that it would not be economically feasible for the Developer to pursue development of the Property and/or (ii) the Option Extension is reasonable given the complexity of the development contemplated by the Developer. Any dispute between the Parties with regard to a request for Option Extension which cannot be resolved by the Parties within sixty (60) days following the Developer’s request therefor shall be brought in the Bankruptcy Court for so long as it has jurisdiction, and thereafter in the United States District Court for the Eastern District of Michigan; provided, that if the United States District Court for the Eastern District of Michigan does not have jurisdiction, then such legal action, suit or proceeding shall be brought in such other court of competent jurisdiction located in Wayne County, Michigan; provided, further, by execution and delivery of this Agreement, each of the Parties irrevocably accepts and submits to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding and specifically consents to the jurisdiction and authority of the Bankruptcy Court to hear and determine all such actions, suits, and proceedings under 28 U.S.C. §157(b) or (c), whichever applies.

(B) Diligence Notice. If the Developer desires (in its sole discretion) to undertake Due Diligence Activities (as hereinafter defined) with respect to one or more of the Properties, the Developer shall, from time to time, give prior written notice of its intent thereof to the City not less than sixty (60) days prior to the expiration of the Option Period (each, a “Diligence Notice”). The Developer shall be entitled to deliver any number of Diligence Notices with respect to the various Properties during the Option Period; provided, however, that any such Diligence Notice shall indicate reference to the Property the Developer intends to subject to the Due Diligence Activities hereunder.

(C) Condition of Property.

(1) Due Diligence Activities. Subject to the requirements of Section 2 below, upon delivery of the Diligence Notice to the City with respect to any Property, Developer shall have a period commencing on the date of the Diligence Notice and continuing through and including the date that is sixty (60) days prior to the expiration of the Option Period (the “Due Diligence Period”) to conduct its due diligence activities on any Property that is the subject of a Diligence Notice. For purposes of this Agreement, “Due Diligence Activities” include but are not limited to the following:

(a) such physical inspections, surveys, soil borings and bearing tests, possible relocation of utilities, and such environmental due diligence on or for the Property as Developer deems appropriate, all of which shall be completed at Developer’s expense;

(b) investigations, environmental site assessments, including Phase I and Phase II site assessments, sampling and testing of soil, groundwater, surface water, soil vapors, indoor air, and building materials (such as Asbestos and lead-based paint), and/or a Baseline Environmental Assessment, (“BEA”), as defined in Part 201 of the Natural Resources and Environmental Protection Act (“NREPA”), being MCL 324.20101 *et seq.*, and such other investigations and assessments as Developer may deem needed in its sole discretion to determine the condition of the Property and the Property’s compliance with Environmental Law and any other federal, state and local laws, rules, regulations and orders relating in any way to protection of human health, the environment and natural resources, all of which shall be completed at Developer’s expense; and

(c) a review of the title evidence, survey, entitlements, and payment of taxes and assessments, all of which shall be completed at Developer’s expense.

(d) a review of financing sources related to Developer’s proposed development and use of the Property, or any other matter that in Developer’s sole discretion is relevant to Developer’s acquisition of the Property.

(e) a review of all City Information and all publicly-available information with respect to the Property.

(f) a review of available public and private utilities and public accesses necessary for the proposed development of the Property.

(f) application and procurement of any zoning, site plan, elevation, special land use, environmental, conditional use or other municipal approvals or permits, or variances therefrom, required or appropriate for the proposed development of the Property. The City hereby authorizes the Developer to submit and apply for all such approvals, permits, and variances upon the commencement of the Due Diligence Period.

(2) City Information. The City shall use reasonable efforts to make available to Developer all information in the City's (or the City's agencies' or departments') possession or control related to the applicable Property within thirty (30) days following delivery to the City of a Diligence Notice for the applicable Property, including but not limited to existing leases, licenses, permits, approvals, contracts, warranties, title searches and policies, surveys, appraisals, environmental audits, Phase I environmental site assessments, Phase II reports or other testing or sampling data, asbestos surveys, reports, specifications, from the Planning, Building, Assessing, Environmental Affairs and Fire Departments, notices of violations of applicable laws, regulations and ordinances or other documents in the City's possession or control related to the applicable Property (collectively, the "City Information"). The City shall cooperate with the Developer and use reasonable efforts to facilitate the Developer's Due Diligence Activities, all at no material incremental cost to the City, including providing information, coordinating with tenants or other third party users of the Property as applicable, and executing such documentation as may be reasonable and necessary for Developer's access to the site and completion of the Due Diligence Activities including the preparation of a BEA.

(3) Insurance. Prior to entering onto any Property for any Due Diligence Activities, Developer or its contractors shall maintain the insurance coverage and comply with the insurance requirements specified in the City's Right-of-Entry, a form of which is attached as **Exhibit C** (the "Right-of-Entry").

(4) Indemnity. Developer shall defend, indemnify and hold harmless the City from and against any loss, liability, cost or expense incurred by the City to the extent resulting from Developer's (including its duly authorized employees, agents, engineers or other representatives) negligence or willful acts occurring in connection with the Due Diligence Activities; provided, however, that (i) in the event Developer provides an Objection Notice or otherwise elects not to proceed to Closing, the Developer shall in no circumstance have any obligation or liability with respect to any conditions pre-existing at the Property including without limitation any environmental condition, soil or groundwater contamination or other environmental conditions that may be discovered in the course of the Developer's Due Diligence Activities and thereafter disclosed to the City as required hereunder, except to the extent such conditions are materially exacerbated due to the negligence or willful acts of Developer or any of its duly authorized employees, agents, engineers or other representatives, and (ii) the Developer shall not be responsible for any loss, liability, cost, or expense resulting from the discovery of any adverse information or condition regarding the applicable Property or from the City's (or the City's agencies' or departments') negligence or misconduct.

(5) Results of Due Diligence Activities. If Developer concludes, in Developer's sole discretion, that a particular Property is satisfactory, then Developer shall so

notify the City in writing on or before the last day of the Due Diligence Period, by sending an “Election Notice,” and the parties shall proceed to closing the applicable Property subject to other terms and conditions of this Agreement. If Developer concludes, in Developer’s sole discretion, that, for any reason or for no reason, a particular Property is not satisfactory, then Developer shall so notify the City in writing on or before the last day of the Due Diligence Period, by sending a “Rejection Notice,” and the parties shall not proceed to Closing with respect to the applicable Property at such time. In the event the Developer issues a Rejection Notice with respect to any Property, Developer may not later elect to re-commence Due Diligence Activities with respect to the same Property and the Option granted hereunder with respect to such Property will be thereafter deemed released and of no further force or effect. If Developer concludes, in Developer’s sole discretion, as a result of the Due Diligence Activities that the condition of the Property is not satisfactory but Developer wants the City to cure such unsatisfactory conditions, then Developer shall notify the City in writing on or before the last day of the Due Diligence Period, by sending an “Objection Notice” setting forth with reasonable specificity the particular condition of the applicable Property which is unacceptable to Developer (each such condition referred to as a “Defect”). The City shall have the right, but not the obligation, within sixty (60) days of the Objection Notice (the “City Cure Period”), to cure such Defects; provided, however, that the City shall be required to cure any liens or encumbrances (collectively, a “Mandatory Cure”) (x) in favor of the City or any agency or department of the City or (y) result from a violation of Section 5(G) of this Agreement. If the City is unable or unwilling to cause any or all of the Defects (other than Mandatory Cures which the City shall be obligated to cure) during such City Cure Period, Developer shall have the right to either (i) elect not to exercise the Option with respect to the applicable Property by sending written notice to City of such election within two (2) days after the expiration of the City Cure Period, in which event the Developer may later elect to commence Due Diligence Activities with respect to the same Property by delivery of a Diligence Notice pursuant to the terms of Section 1(B) above; or (ii) waive its objection to such Defects and accept the Property subject to those Defects (Developer being deemed to have elected this option (ii) if it fails to make the election in the preceding option (i)). If Developer fails to provide an Election Notice or an Objection Notice within the Due Diligence Period, then Developer shall be deemed to have delivered a Rejection Notice with respect to the applicable Property. Notwithstanding any provision herein to the contrary, the City agrees to (1) cooperate with the Developer in clearing title to the Property to the extent that the title related Defects described in the Objection Notice are within the reasonable control of the City to address or eliminate and (2) cure all Mandatory Cure Defects. In the event that the expiration of the City Cure Period for a particular Property occurs (or would occur) after the expiration of the Option Period, the Option Period shall be extended for such Property until the date that is fifteen (15) days after the expiration of the applicable City Cure Period.

(6) As Is Condition of Property; City Cooperation. From time to time with respect to each Property, subject to the earliest to occur of (i) delivery by Developer of an Election Notice, (ii) written notice to Developer that the City has cured all Defects set forth in an Objection Notice provided prior to the expiration of the City Cured Period, or (iii) waiver by Developer of any Defects, each pursuant to Section 1(C)(5) above, closing of the transactions contemplated hereby with respect to a particular Property (each, a “Closing”) shall be on an “as-is, where-is” basis and the Developer shall take the applicable Property as it finds it at Closing

other than a matter resulting from a violation of the covenant set forth in Section 5(G) of this Agreement. The City makes no implied or express representations or warranties of any kind as to its condition, including its environmental condition and any other condition that may adversely affect the development, or its fitness for absolutely any purpose whatsoever. By proceeding to Closing after completion of its Due Diligence Activities, Developer will acknowledge that it is satisfied with the condition of the applicable Property, except as otherwise provided in this Agreement. By accepting title to the applicable Property at Closing, Developer shall be deemed to have waived any right to object to the status of title or to the condition of the applicable Property, regardless of the result of any Due Diligence Activities, and shall be deemed to have declared its full satisfaction with the status of title to and condition of the applicable Property, except as otherwise provided in this Agreement.

(7) Release of City from Liability. Upon Closing on any particular Property, Developer shall release the City and its officials, employees, and agents (but not any third party) from any and all claims or causes of action the Developer may have against the City for any liability, injury or loss as a result of any physical defects in or physical conditions of the applicable Property, including but not limited to any surface, subsurface, latent or patent conditions whether naturally occurring or by action of any party, including but not limited to environmental condition, other than a matter resulting from a violation of the City's covenant set forth in Section 5(G)(ii) of this Agreement.

(8) Security of Properties. In the event that a Property is vacant or otherwise not being utilized by the City, without imposing any liability or obligation with respect thereto, commencing on the commencement of Due Diligence Activities with respect to such Property, Developer shall have the right, but not the obligation, at its sole and absolute discretion, at Developer's cost and expense, to undertake any actions it deems reasonably necessary to secure the Property and prevent damage or unauthorized access to the applicable Property, including, without limitation, installing and maintaining fencing and/or signage on the applicable Property. As a condition to Developer exercising its right hereunder to secure any Property, the Developer must first obtain a general liability policy of insurance in connection with such activities in form and amount reasonably satisfactory to the City, with the City named as an additional insured thereto. In addition, Developer shall not be deemed to be in control of or operating the applicable Property as a result of Developer's undertaking of any security measures with respect to this section. Notwithstanding the foregoing, in exercising its right to secure the Property provided for herein, Developer shall not be deemed to have warranted to the City the effectiveness of the security measures so implemented.

(D) Manner of Conveyance. At the Closing, the applicable Property shall be conveyed to Developer (or its designee) by one or more quit claim deeds substantially in the form of the deed set forth in **Exhibit D** (the "Deeds") using legal descriptions approved by Developer and the City.

(E) Brokerage and Finder's Fees and Commission. Developer will defend and indemnify the City and hold it harmless with respect to any commissions, fees, judgments, or expenses of any nature and kind that the City or Developer may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents claiming by, through or under Developer incident to this Agreement and the transaction contemplated hereby or any litigation

or similar proceeding arising therefrom unless the City has a written agreement with a broker, finder or agent providing for such payment in which case the City shall be responsible for such broker, finder or agents' commissions, fees, judgments or expenses. To the maximum extent permitted by applicable law, the City will defend and indemnify the Developer and hold it harmless with respect to any commissions, fees, judgments, or expenses of any nature and kind that the City or Developer may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents claiming by, through or under the City incident to this Agreement and the transaction contemplated hereby or any litigation or similar proceeding arising therefrom unless the Developer has a written agreement with a broker, finder or agent providing for such payment in which case the Developer shall be responsible for such broker, finder or agents' commissions, fees, judgments or expenses.

(F) Taxes And Assessments.

(1) Property on Tax Rolls at Closing. All taxes and assessments which (i) have become a lien upon the Property or part thereof prior to the date of Closing, and (ii) have been discovered and specifically identified by Developer prior to the applicable Closing, shall be paid by the City and shall be a Mandatory Cure; provided, however, that all current property taxes shall be prorated and adjusted to the date of Closing on a due date basis. From and after each Closing, Developer shall be solely responsible for all taxes, liens, and assessments that become due and payable for the period after the applicable Closing against the applicable Property it acquires hereunder or any part thereof, whenever assessed, levied, or due, and shall have no claim against the City on account thereof.

(2) Approval of Requests for Economic Incentives/Entitlements and Land Use Approvals.

(i) The City agrees to consider any requests by Developer or its designee for any development or economic inducements (including tax abatements, tax credits, tax increment financing, grants, loans, cost reimbursements and like development incentives) for which any of the Properties are eligible, whether or not such requests are made as part of Developer's Due Diligence Activities or thereafter. The City also agrees to cooperate with and support Developer or its designee in any request to procure such development or economic inducements from other governmental authorities (whether or not related to or controlled by City).

(ii) The City agrees to consider requests or applications by Developer or its designee for approvals relating to zoning, site plans, special use permits, uses, variances or other municipal approvals that are necessary or appropriate to develop the Properties, provided that if the requests pertain to any of the Properties other than 1300 Beaubien, such requests are for uses that are consistent with the SD4 zoning classification as of the Effective Date or otherwise are consistent with residential, parking, retail or commercial uses permitted within the SD4 zoning classification as currently in effect or other uses suitable for the location.

(iii) The following shall apply to any consideration or cooperation by the City with respect to any formal requests made by Developer or its designee to the City, described in subsections (i) or (ii) of this Section: (a) the City agrees to process such requests pursuant

to its ordinary processes for the applicable requests, (b) the City shall not unreasonably withhold, condition or delay approvals of the applicable requests, and shall not unreasonably impede or interfere with development activities consistent with this Agreement, (c) the City shall not discriminate against Developer or its designee in the consideration or approval of such requests on account of the Arrangement, the events leading up to the Arrangement or this Agreement, and (d) the City shall use reasonable efforts to facilitate such requests, taking into consideration other similar requests for approvals or inducements, as applicable, of third parties granted by the City for similarly situated developments and uses as those contemplated by Developer for the Property; provided, however, the City shall process such requests pursuant to all then applicable rules, regulations, statutes and similar requirements.

(G) Inability to Convey. Subject to the Developer's rights under Section 6(D) below, if, for any reason, the City is unable to convey title to a particular Property to the Developer upon exercise of the Option and Developer's election to proceed to Closing with respect to the applicable Property pursuant to the terms of this Agreement, which shall include (i) if the City (or an agency or department of the City) does not own title to such Property, (ii) there is a Defect that is not cured or removed as of the Closing and such Defect materially hinders Developer's ability to develop the applicable Property in an economically viable manner, (iii) there are any uncured Mandatory Cure items, or (iv) if Developer determines that the scope or expense of any environmental remediation necessary to develop the applicable Property would make the development thereof, as contemplated by the Developer, economically unfeasible, the Developer and the City shall mutually agree upon alternate consideration commensurate to the undeveloped, fair-market value of the applicable Property (the "Alternate Consideration"); provided, however, that such value shall assume that any applicable Defects have been removed; provided, further, that, with respect to the applicable Property, the reasonable, actual and out-of-pocket acquisition and development costs incurred by Developer or its designee after the Effective Date and prior to the date upon which Developer or its designee obtains actual knowledge of the existence of the particular Defect or condition of such Property giving rise to Alternate Consideration, including, without limitation, costs associated with Due Diligence Activities, remediation activities, and architect, engineering, and design activities, shall be included in the amount of Alternate Consideration to the extent Alternate Consideration is required pursuant to Section 1(G)(i) or 1(G)(iii) above.

To the extent the Parties do not agree on the Alternate Consideration within sixty (60) days of establishing that Alternative Consideration is required, then, within thirty (30) days thereafter, the Developer and the City shall deliver to each other Developer's or City's, as the case may be, determination of the Alternate Consideration (which shall be in the form of an alternate parcel of real property or cash payment amount). Within ten (10) days after each Party delivers to the other party such Party's determination of the Alternate Consideration, the Developer and the City shall each appoint one disinterested appraiser having the qualifications set forth herein. Each such appraiser must be a Member of the Appraisal Institute (MAI) and have at least ten (10) years of experience appraising commercial or industrial property in the Detroit metropolitan area as a MAI appraiser. If either the Developer or the City fails to appoint an appraiser within such ten (10) day period, the appraiser appointed by the Developer or the City, as the case may be, shall appoint an appraiser having the qualifications set forth herein. As promptly as possible, but in no event later than thirty (30) days after the appointment of both

appraisers, the appraisers shall notify the Developer and the City in writing of their determination of which of the Developer's or the City's determination more closely approximates Alternate Consideration (all as valued as of the determination date). The Alternate Consideration so selected by the two appraisers will constitute the Alternate Consideration for purposes of this section, and will be binding upon the Developer and the City. If the two appraisers are unable to agree as to the Alternate Consideration, then the two appraisers shall promptly agree upon and appoint a third appraiser having the qualifications set forth herein. The third appraiser shall, within thirty (30) days of appointment, determine which of the two determinations of the Developer or the City more closely approximates Alternate Consideration, and shall notify the Developer and the City thereof. The Alternate Consideration selected by the third appraiser will constitute the Alternate Consideration for purposes of this section, and will be binding upon the Developer and the City. To the extent the Alternate Consideration selected by the appraisers hereunder is real property, (i) such real property shall be reasonably acceptable to Developer, and (ii) the City may elect in its sole discretion to satisfy such Alternate Consideration in the form of a cash payment to the Developer in an amount equal to the appraisers' determination of the cash value of the Alternate Consideration selected. To the extent the Alternate Consideration to be given to the Developer hereunder is real property, the City shall be deemed to have granted Developer an option with respect to such Alternative Consideration property pursuant to the same terms as this Agreement; provided, however, that the time periods with respect to such option, including without limitation, the Option Period, shall commence upon the date that such new option with respect to the Alternative Consideration is granted to Developer and not as of the Effective Date.

(H) Use of the Properties During the Due Diligence Period. Commencing on the commencement of the Due Diligence Period, Developer shall have the right (but not the obligation), in its sole discretion, to elect to utilize all or a portion of the Properties identified on Schedule 1(H) prior to acquiring title of the Use Property for the operations of a surface lot parking facility and ancillary uses (collectively, the "Parking Use") by providing thirty (30) days' prior written notice thereof to City (a "Use Notice"). The Use Notice shall identify the Properties that will be used by Developer for the Parking Use (collectively, the "Use Property"). Developer's right to utilize the Use Property for the Parking Use shall commence as a license from the City upon the expiration of thirty (30) days following the delivery of the Use Notice to the City. Developer shall have the right to enter into an agreement with a third party to operate the Parking Use on the Use Property. Developer shall pay all costs associated with the Parking Use of the Use Property (including all federal, state and local taxes and charges as may be applicable thereto; however, Developer shall not be responsible for ad valorem property taxes during the Use Period) and shall receive all revenue with respect thereto. In the event that Developer delivers a Use Notice, Developer shall be required to deliver an Election Notice with respect to the Use Property; provided however, Developer shall have the right to elect at what point during the Due Diligence Period such Election Notice is given by providing written notice of such election prior to the expiration of the Due Diligence Period. The period between a Use Notice and Closing shall be referred to herein as the "Use Period." If Developer fails to deliver such election prior to the expiration of the Due Diligence Period, Developer shall be deemed to have delivered an Election Notice with respect to the Use Property on the last day of the Due Diligence Period. Developer shall maintain such commercially reasonable insurance as is customary for operations similar to the Parking Use on the Use Property and shall defend,

indemnify and hold harmless the City from and against any loss, liability, cost or expense incurred by the City to the extent resulting from the Parking Use; provided, however, that the Developer shall not be responsible for any loss, liability, cost, or expense resulting from the City's (or of the City's agencies' or departments') negligence or misconduct. Developer shall at all times keep the Use Property clean and free of debris and shall not permit any area of the Use Property to be littered with refuse during the Use Period. The City disclaims all representations and warranties as to the condition of the Use Property, including, but not limited to, any implied or express warranty of fitness of the Use Property for the Parking Use. Developer covenants and agrees that it shall not use the Use Property during the Use Period in any manner which violates the laws of the United States of America, the laws of the State of Michigan or any ordinances or other regulations of any governing municipality or other political subdivision. Developer's use of the Use Property and any activities or actions of Developer or its designee in connection therewith shall not be deemed a violation of the City's covenants under Section 5(G) below.

Section 2. ENVIRONMENTAL MATTERS

(A) Definitions. The following words and expressions shall, wherever they appear in this document, be construed as follows:

(1) "Asbestos" shall have the meanings provided under the Environmental Laws and shall include, but not be limited to, asbestos fibers and friable asbestos as such terms are defined under the Environmental Laws.

(2) "Environmental Claims" shall mean all claims, demands, suits, proceedings, actions, whether pending or threatened, contingent or non-contingent, known or unknown, including but not limited to investigations and notices by any governmental authority, brought under common law and/or under any of the Environmental Laws which can or do relate to the Property.

(3) "Environmental Laws" shall mean all applicable federal, state, and local laws, rules, regulations, orders, judicial determinations and decisions or determinations by any judicial, legislative or executive body of any governmental or quasi-governmental entity, whether in the past, present or future, with respect to:

(i) the installation, existence, or removal of, or exposure to, Asbestos on the Property;

(ii) the existence on, or discharge from, or removal from the Property of Hazardous Materials; and

(iii) the effects on the environment of the Property or any activity conducted now, previously or hereafter conducted on the Property.

Environmental Laws shall include, but are not limited to, the following: (i) the Michigan Natural Resources and Environmental Protection Act, 1994 Public Act 451, as amended ("NREPA"); the Comprehensive Environmental Response,

Compensation, and Liability Act, 42 USC Sections 9601, et seq. (“CERCLA”); the Superfund Amendments and Reauthorization Act, Public Law 99-499, 100 Stat. 1613; the Resource Conservation and Recovery Act, 42 USC Sections 6901, et seq.; the National Environmental Policy Act, 42 USC Section 4321; the Toxic Substances Control Act, 15 USC Section 2601; the Hazardous Materials Transportation Act, 49 USC Section 1801; the Clean Air Act, 42 USC Sections 7401, et seq.; and the regulations promulgated in connection therewith; (ii) Environmental Protection Agency regulations pertaining to Asbestos (including 40 CFR Part 61, Subpart M); Occupational Safety and Health Administration Regulations pertaining to Asbestos (including CFR Sections 1901.1001 and 1926.58) as each may now or hereafter be amended; and (iii) any Michigan state and local laws and regulations pertaining to any Hazardous Materials.

(4) “Hazardous Materials” shall mean any of the following as defined by the Environmental Laws: Asbestos; hazardous wastes; solid wastes; toxic or hazardous substances, wastes or contaminants (including but not limited to polychlorinated biphenyls (PCBs), paint containing lead and urea formaldehyde foam insulation), and sewage.

(B) The City and Developer acknowledge and agree that some of the parcels to be transferred may be “facilities” pursuant to Part 201 of NREPA, whether or not as yet discovered to be such, and that given the number of parcels being transferred, the 100-year period over which the parcels were developed, numerous changes in uses, and the City’s lack of knowledge about the condition or history of most of the parcels, it may not be practicable or possible to identify all pre-existing contamination or conditions on the parcels which may strictly violate Environmental Laws. Further, the City and Developer acknowledge that although the Developer can give its general undertaking to comply with Environmental Laws with regard to its conduct of future activities on the parcels, at the time of Closing, neither City nor Developer will be able to estimate exactly what such compliance may involve with regard to existing contamination and other existing conditions on the parcels that may violate Environmental Laws. The City acknowledges that the Developer may conduct a BEA and CERCLA “All Appropriate Inquiry” assessment activities respecting the Property, the results of which assessments may be reported to federal and state authorities at such time as Developer issues an Election Notice to proceed to Closing with respect to such Property, in order to seek the associated protections from liability with respect to pre-existing environmental conditions at the Property (“Liability Protection”), or such earlier date as required pursuant to Environmental Laws or in order to preserve Liability Protection.

(C) The City shall authorize the Developer, through a fully executed Right-of-Entry (in the form attached), to enter upon the applicable Property during the Due Diligence Period to, subject to the conditions set forth herein, undertake environmental remediation activities approved by the City hereunder, and make soil boring and bearing tests, undertake such surveying and environmental due diligence activities as Developer deems appropriate, including without limitation sampling and testing of soil, soil vapor, surface water, groundwater, indoor air, and the installation of groundwater wells, provided such do not materially and permanently interfere with demolition or site improvement activities of the City or the rightful use of the

Property by a tenant in possession or other third party, if any. All such testing and remediation shall be done at Developer's expense. Developer shall at all times during the Due Diligence Period comply with the terms and provisions of the Right-of-Entry, and Developer's right to enter upon the applicable Property is subject to execution of such Right-of-Entry. To the extent any provision of such Right-of-Entry conflicts with the terms set forth herein, the terms of this Agreement shall govern. Developer shall upon request submit to the City a copy of each final survey or environmental testing report generated as a result of such activities. Developer shall give prior written notice to the City to inspect, investigate and/or remediate the condition of the Property during the Due Diligence Period, including any investigation of the environmental condition (each such notice referred to herein as an "Investigation Notice"). To the extent the Investigation Notice includes a request to perform any environmental remediation activities upon the applicable Property, prior to undertaking such remediation, the Developer shall submit to the City in writing (i) the scope of remediation activities contemplated by the Developer, (ii) evidence of commercially reasonable insurance appropriate for the scope of remediation contemplated by the Developer, and (iii) evidence that the Developer has the financial resources to complete the scope of remediation contemplated, each of which shall be subject to the prior written approval of the City, which approval shall not be unreasonably withheld, conditioned or delayed. Upon written request of Developer, the City shall provide an electronic mail address for delivery of any Investigation Notice; provided, Developer shall mail a copy of any Investigation Notice sent via electronic mail to the City pursuant to the provisions of Section 4 below. Developer shall use all commercially reasonable efforts to minimize damage to the Property in connection with such entry and shall restore the Property to substantially the condition existing prior to such entry, provided that the City acknowledges that soil borings and groundwater well sampling may be conducted, and it may not be practicable to fully restore the Property to the exact same condition. Developer shall indemnify, defend and hold the City harmless from and against any and all loss, cost, liability and expense, including reasonable attorney fees and litigation costs, suffered or incurred by the City as a result of the Developer's (including any of its duly authorized employees, agents, engineers or other representatives) negligent acts or omissions or willful misconduct occurring in connection with the activities conducted in accordance with the Right-of-Entry; provided however that (A) in the event Developer provides an Objection Notice or otherwise elects not to proceed to Closing, the Developer shall in no circumstance have any indemnity obligation or other liability with respect to any environmental conditions pre-existing at the Property including without limitation any soil or groundwater contamination or other environmental conditions that may be discovered in the course of the Developer's Due Diligence Activities and thereafter disclosed to the City as required hereunder, except to the extent such environmental conditions are materially exacerbated due to the negligence or willful misconduct of Developer or any of its duly authorized employees, agents, engineers or other representatives, and (B) in no event shall Developer have any indemnity obligation or other liability with respect to any loss, cost, liability or expense incurred by the City as the result of the gross negligence or willful misconduct of the City or its agents.

(D) In the event Developer elects to proceed to take title to any Property, upon the Closing, Developer takes such Property as it finds it, "AS IS", and the City makes no express or implied representations or warranties as to its fitness for absolutely any purpose whatsoever, including but not limited to any warranty that the Property is fit for the Developer's purpose or

regarding the presence or absence of Hazardous Materials at, on, in, under, about, or from the Property and compliance with the Property with Environmental Laws. Developer acknowledges that neither the City nor any agent or employee of the City has made any representation, warranty or agreement, either express or implied, and Developer has not relied on any representation, warranty or agreement of any kind made by the City or any agent or employee of the City, concerning (a) the physical or environmental condition of the Property, or (b) the presence or absence of any condition, substance or material, including but not limited to any waste material, equipment or device at, on, in, under, about, or from the Property. Developer agrees that the disclosures of the City concerning the Property and its condition are intended to satisfy any duties the City may have under the law, including but not limited to the statutes, Environmental Laws, and common law. Developer shall rely solely on its own due diligence with respect to such inquiries, investigations and assessments. By executing this Agreement, Developer acknowledges that it is satisfied with the condition of the Property, subject only to its Due Diligence Activities, including but not limited to inspection of the Property, review of title, and the results of the tests, investigations and surveys permitted under this Agreement. If, prior to Closing, Developer fails to undertake such investigations and/or obtain such test results and surveys, or fails to object to the condition of the Property based on the results of its Due Diligence Activities, and Developer thereafter elects to proceed to Closing, Developer shall thereupon be deemed to have waived any right to object to the condition of the Property and shall be deemed to have declared its full satisfaction therewith.

(E) Upon Closing on any particular Property, subject to the City's covenant set forth in Section 5(G)(ii) below, Developer, for itself and its successors and assigns, expressly waives and releases all Environmental Claims (whether for personal injury, property damage or otherwise) that Developer may have against the City and its officials, employees and agents in connection with or related to such Property or any aspect thereof except for Environmental Claims arising out of actions by the City of its employees or agents that caused the release or threatened release of hazardous substances on the parcels being transferred. Upon Closing on any particular Property, Developer releases and discharges the City from all Environmental Claims that Developer may have against the City in connection with or arising out of the present condition of the Property.

(F) Intentionally omitted.

(G) Subject to the City's covenant set forth in Section 5(G)(ii) below, after the Closing with respect to a Property, the City shall have no obligation or liability to Developer whatsoever to undertake any cleanup or other remedial action that may be required in connection with the Property under any Environmental Law, or to comply with any other federal, state or local requirement to attend to the physical condition of the Property.

(H) At its sole cost and expense, with respect to an applicable Property for the period commencing on the applicable Closing and ending on the applicable Commencement of Construction, Developer shall: (a) comply with all Environmental Laws; (b) pay when due the cost of Developer's compliance with the Environmental Laws resulting directly or indirectly out of environmental conditions caused or permitted by Developer during its period of ownership, use, possession or development of the Property; and (c) keep the Property free of any lien

imposed pursuant to the Environmental Laws resulting out of Developer's ownership, use, possession, or development of the Property.

(I) During the earliest of the date that Developer (a) receives title to the Property, (b) receives possession of the Property or (c) performs any removal or remedial activities on the Property, Developer shall comply with all Environmental Laws and will undertake to complete any further investigation and remediation of the environmental conditions, if any, necessary to permit the intended use of the Property in accordance with the Environmental Laws. As between the City and Developer but not as to third parties, Developer assumes the risk of liability for any and all Hazardous Materials, whether known or unknown, which may have been or may be present in, at, on, under about or from the Property except for hazardous materials released by the City or its agents, employees, or contractors.

(J) Notwithstanding anything to the contrary which may be contained in this Agreement, Developer represents and warrants and covenants to the City for the period after Developer's commencement of ownership, use, possession or development of the Property and terminating upon the Commencement of Construction at an applicable Property, as follows:

(i) Developer shall not directly or indirectly use or allow the use of the Property for the purpose of storing any Hazardous Materials Developer brings into the Property, nor shall Developer directly or indirectly use the Property in a manner which will cause or increase the likelihood of causing the release of such Hazardous Materials onto or from the Property, other than those Hazardous Materials which are necessary and commercially reasonable for the conduct of Developer's development activities or the business operated on the Property and which Hazardous Materials shall be, handled and disposed of in compliance with all Environmental Laws and industry standards and in a commercially reasonable manner.

(ii) Developer shall promptly notify the City of any claims or litigation against the Developer by any person (including any governmental authority), concerning the presence or possible presence of Hazardous Materials contamination at the Property or concerning any violation or alleged violation of the Environmental Laws by the Developer respecting the Property, and shall furnish the City with a copy of any such communication received by Developer.

(iii) Developer shall notify the City promptly and in reasonable detail in the event that Developer becomes aware of or suspects the presence of Hazardous Materials contamination or a violation of the Environmental Laws at the Property.

(iv) If Developer's operations at the Property violate the Environmental Laws so as to subject Developer or the City to a formal notice of violation by a governmental agency alleging a violation of the Environmental Laws, Developer shall promptly investigate the underlying circumstances and notify the City within fourteen (14) days of the results of its investigation. If Developer determines that an ongoing violation by Developer is occurring or did occur, Developer shall, to

the extent required by Environmental Laws, cease or cause a cessation of or take other actions to address those aspects of the use or operations causing the violation and shall remedy and cure in compliance with the Environmental Laws any conditions arising therefrom to the extent required by Environmental Laws at its own cost and expense. If Developer disputes that its activities are violating Environmental Laws, it shall expeditiously appeal and prosecute an appeal of the notice of violation or take other commercially reasonable actions to dispute such notice.

Section 3. CLOSING

(A) Time and Place of Closing. The closing with respect to a particular Property shall take place at the office of the PDD, or such other location designated by the City and acceptable to Developer. Each Closing will take place within fifteen (15) days following the earliest to occur of (i) delivery by Developer of a Election Notice with respect to a particular Property, (ii) written notice to Developer that the City has cured all Defects set forth in an Objection Notice provided prior to the expiration of the City Cured Period with respect to a particular Property, or (iii) waiver by Developer of any Defects with respect to a particular Property, each pursuant to Section 1(C)(5) above. For the avoidance of doubt, no additional consideration shall be due from the Developer to the City at any Closing.

(B) Conditions to Closing. The City's obligation to proceed with a Closing is conditioned on the fulfillment by Developer of each of the following conditions precedent:

a. Resolution of Developer's Authority. Developer shall furnish to the City a certified copy of a resolution in form and substance as set forth on **Exhibit E**, duly authorizing the execution, delivery and performance of this Agreement and all other documents and actions contemplated hereunder with respect to a particular Property.

b. Intentionally Omitted.

c. Payment of Closing Costs. Developer shall have tendered payment of the closing costs payable by Developer, which shall include all title charges, escrow, closing and recording fees associated with any conveyance hereunder. For avoidance of doubt, the City shall not be responsible for any closing charges or transaction fees in connection with any Closing hereunder other than the payment of its own legal fees and expenses.

(C) Delivery of Deeds and Possession. The City will deliver to Developer at each Closing the Deeds with respect to the particular Property that is subject of such Closing to and possession of the applicable Property.

(D) Recording. Provided that Developer has complied with all conditions precedent as specified herein, the Deeds with respect to a particular Property shall be delivered at the applicable Closing for prompt recordation with the Register of Deeds of Wayne County, Michigan. Developer shall pay at each Closing all costs for recording the Deeds. Possession of the applicable Property shall be delivered to Developer at the applicable Closing.

Section 4: NOTICES

A notice, demand or other communication under this Agreement by either Party to the other shall be sufficiently given if it is dispatched by certified or registered mail, postage prepaid, return receipt requested, or sent by recognized overnight delivery service, or hand delivered, with receipt obtained, and addressed as follows:

If to Developer: _____

If to the City: Director
Planning & Development Department
65 Cadillac Square, Suite 2300
Detroit, Michigan 48226

With a copy to (which copy shall not constitute notice):

Corporation Counsel
City of Detroit Law Department
2 Woodward Avenue
Suite 500
Detroit, MI 48226

All notices shall be deemed given on the day of mailing. Either Party to this Agreement may change its address for the receipt of notices at any time by giving notice thereof to the other as provided in this section. Any notice given by a Party hereunder must be signed by an authorized representative of such Party.

Section 5: COVENANTS

(A) Developer covenants for itself and its successors and assigns and every successor in interest to any Property constituting a part of the Properties, that from and after Closing on such Property, Developer and its successors and assigns shall develop such Property only to and in accordance with the uses specified in this Agreement, unless otherwise agreed in writing by the City. The uses specified in this Agreement are for development and use of such Property into parking facilities, residential housing, commercial, retail space or any other use suitable for the location, consistent with the City's urban planning policies and the City's comprehensive development plan in effect as of the date the Developer seeks zoning and land use approval for such development. Subject to force majeure delays, within fifteen (15) months following Closing (the "Commencement Deadline") on any Property, the Developer shall achieve Commencement of Construction (as defined below) with respect to such Property. Following Commencement of Construction, the Developer shall diligently prosecute such development on the Property to substantial completion (which shall mean substantial completion of such development and all material improvements related thereto, exclusive of landscaping, punch list items and any tenant work for commercial or other space for which there are no tenants or for which the work is to be done by a tenant and any onsite or offsite work that is not commercially

necessary for occupancy) (the date upon which such substantial completion occurs referred to herein as the “Completion Date”). Subject to force majeure delays, the Completion Date shall occur within thirty nine (39) months following Closing for the applicable Property, or such longer period of time as may be reasonably necessary for Developer or its designee to actually achieve substantial completion of the applicable development or improvements, provided Developer is diligently pursuing such completion (the “Completion Deadline”). For purposes hereof, “force majeure delays” shall mean acts of God, terrorism, flooding, strikes, lockouts or other labor trouble, materially adverse weather conditions, fire or other casualty, governmental preemption in connection with an emergency, any rule, order or regulation of any governmental authority or any department or subdivision thereof and any other cause or event beyond the reasonable control of Developer (other than failure of Developer to secure necessary land use or zoning approvals from any governmental authority), or inability to secure materials, labor or access to the Property because of any such emergency, rule, order, regulation, war, civil disturbance, terrorist act or other emergency, or inability to secure materials, labor or access to the Property because of any other cause or event beyond the reasonable control of Developer (other than shortage of funds). In the event that the Developer elects to undertake environmental remediation of the Property after the Closing, “force majeure delays” also shall include the time reasonably necessary for the proper completion of all applicable remediation activities. In the event that Developer ceases, delays, or slows its development activities for a particular Property as a result of any claim or cause of action filed, threatened or asserted by the City (or any of its agencies or departments) and, (1) a court of competent jurisdiction dismisses such action or rules in favor of Developer with respect thereto or (2) the City withdraws its claims or causes of actions, the delay associated with such reduction or cessation in the development shall be deemed a “force majeure delay.” The Commencement Deadline and Completion Deadline shall be extended for a period of time equal to the number of days during which Developer is prevented from proceeding with the construction of the development at the Property by reason of force majeure, provided that (i) Developer is otherwise in material compliance with the terms and provisions of this Agreement, and (ii) Developer notifies the City of the events constituting such force majeure upon the later of (i) Closing with respect to the applicable Property and (ii) sixty (60) days after Developer has actual knowledge of their occurrence.

(B) For purposes of this Agreement, “Commencement of Construction” on a Property shall be deemed to have occurred when the Developer shall have commenced foundation or other equivalent site preparation work on the Property, which site preparation work may include renovation or demolition of existing buildings located on the Property, as applicable.

(C) If the development plan for a Property calls for development of improvements on the Property in two or more discrete phases, the requirements set forth in this Agreement relative to the Completion of Construction, as well as the remedies of the City applicable thereto, shall be satisfied upon Completion of Construction of the initial phase.

(D) Developer covenants and agrees that from and after Closing it will: (i) comply with all zoning requirements, and all other applicable state and federal statutes and regulations and local laws and ordinances applicable to the ownership, use and/or occupancy of the Property; and (ii) pay and discharge when due without penalty, and in all events before penalty for nonpayment attaches thereto, all taxes, assessments and governmental charges, including but not

limited to real estate taxes or assessments on the Property or any part thereof, except where the same may be contested in good faith.

(E) Certificate of Completion. The Developer shall give the City prompt written notice of the Completion Date. The City agrees that the PDD shall inspect the Property for purposes of issuance of the Certificate of Completion promptly following the Completion Date, and shall provide Developer with notice of any deficiencies in compliance with this Agreement, and an opportunity for cure and re-inspection. If, as of the Completion Deadline, PDD determines that Developer is in compliance with all provisions and requirements of this Agreement, PDD shall issue a “Certificate of Completion.” The Certificate of Completion shall be a conclusive acknowledgment by PDD of satisfaction by Developer of its obligations under this Agreement for the applicable Property or portion of the applicable Property addressed by the Certificate of Completion. The Certificate of Completion shall not, however, constitute evidence of compliance with or satisfaction of the requirements of any department, agency or entity with respect to any building, occupancy, or other permits, to the extent such departments are exercising their regulatory authority. The Certificate of Completion shall be in such form as can be recorded against the Property, or portion thereof, and shall release the Property, or portion thereof, from the City’s rights under this Agreement. The cost of recording the Certificate of Completion shall be the responsibility of Developer.

(F) Estate Conveyed. Notwithstanding anything contained in this Agreement to the contrary, the estate conveyed hereby shall be deemed to be a determinable fee and only upon the Commencement of Construction on the Property will the possibility of reverter retained by the City automatically expire as to that part of the applicable Property.

(G) City Covenants. During the Option Period and prior to a Closing with respect each Property, the City shall (i) maintain such Property in at least the same condition and repair (except for environmental condition and repair thereof, which is addressed in sub-clause (ii) below) as of the Effective Date, (ii) not, through its own action (or the action of any agency, department, employee, agent, or contractor), alter the environmental condition of the Property, as such exists as of the Effective Date, in a material and adverse manner, (iii) not “down zone” the Property or take zoning or land use action on the Property that would materially and adversely affect Developer’s ability to develop the Property for the uses otherwise permitted in this Agreement, and (iv) not execute or grant any lease, contract, agreement, lien, security interest, encumbrance, easement, or restriction with respect to such Property, or amend, modify, renew, extend or terminate any of the foregoing, without prior written consent of the Developer, which consent shall not be unreasonably withheld, conditioned or delayed.

Section 6: REMEDIES

(A) City’s Remedies Prior to Conveyance. Except with respect to assignment to a Permitted Entity (as defined below), in the event that, prior to the conveyance of the Property, Developer assigns this Agreement or any right therein or in a Property without the prior written approval of the City, this Agreement and any rights of Developer in this Agreement, may, at the option of the City, be terminated by the City after thirty (30) days written notice and opportunity to cure provided by the City to Developer. Notwithstanding the foregoing, the Developer’s rights and obligations under this Agreement may be assigned: (i) to a wholly owned subsidiary

of Developer, or (ii) to a joint venture, limited liability company, partnership, limited partnership or other entity formed to develop or finance a Property or the Properties, provided that the Developer retains a direct or indirect interest in such entity (any such assignee being referred to as a “Permitted Entity”). In any case, the Developer shall provide written notice to the City of such assignment.

(B) City’s Remedies Subsequent to Conveyance.

(1) Event of Default. If, prior to the issuance of a Certificate of Completion on a Property, Developer breaches any covenant set forth in Sections 5(A) or (D) hereof applicable to such Property and fails to cure such breach within ninety (90) days after written demand by the City, such an event shall be deemed to constitute an **Event of Default**, provided, however, that if the nature of Developer's default is such that more than the cure period provided is reasonably required for its cure, then Developer shall not be deemed to be in default and an Event of Default shall not have occurred if Developer commences such cure within said period and thereafter diligently pursues such cure to completion within two hundred seventy (270) days of City’s initial written demand hereunder. Notwithstanding the foregoing, Developer shall have the right to dispute that an Event of Default has occurred or that an Event of Default has not been timely cured by written notice of dispute sent to the City (“Notice of Dispute”). In the event a Notice of Dispute is sent, the parties shall meet and in good faith work to resolve their differences. In the event the City and Developer cannot resolve their differences as to whether an Event of Default has occurred or has been cured, then the City shall not record a notice of an uncured and undisputed Event of Default as described in Section 6(B)(2) below without first bringing an action in a court of competent jurisdiction for a final judicial determination that an Event of Default occurred and was uncured. To the extent a court of competent jurisdiction deems that an Event of Default occurred prior to the Commencement of Construction and such cause of action was filed with the court of competent jurisdiction prior to the Commencement of Construction, irrespective of the date the court makes such determination, the City shall have all rights and remedies available to it hereunder as if such Event of Default was undisputed prior to the Commencement of Construction in the first instance. The City may, in its sole discretion, waive in writing any Default or Event of Default by Developer. Notwithstanding any provision contained herein to the contrary, any lender of Developer that has a security interest in a Property, shall have an additional notice and cure right that should provide such lender with a reasonable period of time after the expiration of any cure periods available to Developer in which to cure any Event of Default prior to the City enforcing its remedies hereunder.

(2) Right of Reverter. It is expressly understood and agreed between the Parties hereto that until the Commencement of Construction on a particular Property, the conveyance of such Property to Developer shall be construed and interpreted as the conveyance of a fee simple determinable, and that such conveyance shall endure only so long as subsequent to the conveyance and prior to the Commencement of Construction there has been no uncured or undisputed Event of Default with respect to such Property and such Event of Default results from a failure of the Commencement of Construction to have occurred prior to the Commencement Deadline (a “Reverter Event of Default”). In the event of an uncured and undisputed Reverter Event of Default and the City's recording of a notice thereof, after a judicial determination as required by Section 6(B)(1) above and written notice from the City to Developer of the City’s election to enforce the reverter set forth in this Section, title to the applicable Property (and only

the applicable Property) shall revert in the City, except for parcels of Property previously conveyed where Commencement of Construction has already been achieved. Upon such reversion of title, the City shall have the right to re-enter and take immediate possession of the applicable Property. Upon an uncured and undisputed Reverter Event of Default as to a Property occurring prior to the Commencement of Construction and expiration of the cure period, this Agreement and any rights of Developer arising hereunder with respect to the Property subject to the reverter, may, at the option of the City, be terminated by the City by the City providing written notice of such termination to the Developer prior to the cure of such Reverter Event of Default, and the Developer shall thereafter have no further interest in the reverted Property. In such case Developer agrees to promptly execute and deliver a quit claim deed for any such portion of reverted Property to the City. While the right of reversion as to a Property automatically terminates upon Commencement of Construction on such Property, the City agrees to provide Developer with a written acknowledgement, in recordable form, that the Commencement of Construction has occurred and the City's right of reversion has terminated as to such Property.

(3) Intentionally Omitted.

(C) Rights and Remedies Cumulative. The rights and remedies of the City, whether provided by law or by this Agreement, shall be cumulative, and the exercise by the City of any one or more remedies shall not preclude the exercise by it, at the same or different times, of any other remedy for the same default or breach or any other default or breach by the Developer. No waiver made by either Party shall apply to obligations beyond those expressly waived in writing.

(D) Developer's Remedies. If the City breaches its obligations under this Agreement after reasonable notice and opportunity to cure, Developer shall have the right to seek injunctive relief, specific performance or other equitable remedies for the City's breach of this Agreement. In no event shall the Developer be entitled to monetary damages as a result of the City's breach of this Agreement, except to the extent such damages arise out of the City's uncured breach of the covenant set forth in Section 5(G) above.

(E) City's Representatives Not Individually Liable. No official or employee of the City shall be personally liable to Developer or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to Developer or successor or on any obligations under the terms of this Agreement.

Section 7: PROVISIONS NOT MERGED WITH DEEDS

No provision of this Agreement is intended to or shall be merged into the Deeds transferring title to each Property from the City to Developer or any successor in interest, and any such Deeds shall not be deemed to affect or impair the provisions and covenants of this Agreement.

Section 8: ENTIRE AGREEMENT; AMENDMENT

This Agreement (including all exhibits, schedules or other attachments hereto) constitutes the complete and exclusive statement of the terms of the agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, promises, and arrangements, oral or written, between the Parties with respect to the subject matter hereof. This Agreement may be amended or modified only by an instrument in writing signed by both of the Parties.

Section 9: GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan without regard to conflicts-of-law principles that would require the application of any other law.

Section 10: COUNTERPARTS

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, but together such counterparts shall constitute one and the same instrument.

Section 11: AUTHORITY OF CITY.

Notwithstanding anything in this Agreement, in law or in equity, or otherwise to the contrary, this Agreement shall be of no force or effect and may not in any way be enforced against the City unless or until this Agreement and the transaction contemplated hereby have been: (i) approved in writing by the Emergency Manager for the City of Detroit, in accordance with Emergency Manager Order No. 5, (ii) either included in the Emergency Manager's financial and operating plan or approved in writing by the Governor of the State of Michigan or his or her designee, in accordance with Section 12(1)(k) of Public Act 436 of 2012; and (iii) either included in the Emergency Manager's financial and operating plan or approved in writing by the State Treasurer, in accordance with Section 15(1) of Public Act 436 of 2012.

Section 12: CITY AGENCIES AND DEPARTMENTS. Whenever this Agreement requires an action or creates an obligation on behalf of the City, the City shall also be required, as applicable, to cause all of its agencies and departments to undertake such obligations.

TUNNEL LEASE AMENDMENT

FIRST AMENDMENT TO LEASE

THIS FIRST AMENDMENT TO LEASE (this “**Amendment**”) is made and entered into as of the ____ day of _____, 2014 (the “**Date Hereof**”), by and between the City of Detroit, a Michigan municipal corporation (the “**City**”), and Detroit Windsor Tunnel LLC, a Michigan limited liability company (“**Tenant**”).

RECITALS

A. The City, as landlord, and Tenant, as successor-in-interest to Detroit & Canada Tunnel Corporation (“**DCTC**”), as tenant, are parties to the Tube Lease, dated March 20, 1978 (the “**Tube Lease**”), whereby the City leases to Tenant the portion of the Detroit Windsor Tunnel (the entire such tunnel, the “**Tunnel**”) located in Detroit, which portion is more particularly defined in the Tube Lease and referenced herein as the “**Tube**.”

B. The City, as landlord, as successor-in-interest to Ford Motor Properties, Inc. as sublandlord, and Tenant, as tenant, as successor-in-interest to DCTC as subtenant, are parties to the Sublease, dated March 20, 1978 (the “**Plaza Lease**”; together with the Tube Lease, the “**Lease**”), whereby the City leases to Tenant certain property defined in the Plaza Lease as the “New Tunnel Plaza” (such premises, the “**Plaza Premises**”; together with the Tube, the “**Property**”).

C. The term of the Lease (the “**Term**”) expires on November 3, 2020, and the period commencing on the Effective Date through and including November 3, 2020 shall be referenced herein as the “**Existing Remainder Term**”.

D. The City desires to enter into a long-term agreement regarding the operation of the Property to assure that (i) the Tunnel will continue to provide to residents of Detroit and to other Tunnel passengers a safe and efficient route between Detroit and Windsor; (ii) the Property will be maintained and enhanced; and (iii), to promote such goals, there is transparency to the City regarding the operation of the Property.

E. In furtherance of the goals of the City, the Tenant desires to enter into a long-term agreement with the City regarding the leasing and operation of the Property.

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Capitalized Terms; Effective Date. Any capitalized term used herein and not otherwise defined shall have the meaning ascribed to such term in the Plaza Lease. “**Effective Date**” means the first day of the month next succeeding the month in which occurs the Date Hereof.

2. Extension of Term. The term of the Tube Lease is extended for the period beginning November 4, 2020 and ending on December 31, 2040 (such period, the “**Extension Term**”), upon all the terms and conditions as contained in the Tube Lease and applicable during the Third Renewal Option (as defined in the Plaza Lease), except as amended hereby. The term

of the Plaza Lease is extended for the Extension Term, upon all the terms and conditions as contained in the Plaza Lease and applicable during the Third Renewal Option (as defined in the Plaza Lease), except as amended hereby.

3. Existing Term CapEx Credit; CapEx Schedule.

- (a) For any Capital Expenditures (as defined below) paid by Tenant during the Existing Remainder Term (the “**Existing Remainder Term Capital Expenditures**”), Tenant shall receive a credit equal to the amount of such Existing Remainder Term Capital Expenditures (a “**CapEx Credit**”) against the aggregate rentals payable by Tenant pursuant to Article IV of the Plaza Lease (such amounts, the “**Rent**”) during the Existing Remainder Term; *provided, however,* that the aggregate CapEx Credit to which Tenant is entitled pursuant to this Paragraph 3 shall not exceed the aggregate Rent payable by Tenant during the Existing Remainder Term. Tenant shall not claim a CapEx Credit for any Capital Expenditures paid in advance of the performance of the related work, other than for progress payments customary in the industry (or payments required due to emergency) without the City’s prior written approval, which shall not be unreasonably withheld, delayed or conditioned. Subject to Paragraph 5, Tenant may not take a CapEx Credit during the Extension Term for an Existing Remainder Term Capital Expenditure.
- (b) “**Capital Expenditures**” means (i) capital expenditures, as determined by generally accepted accounting principles consistently applied in the United States (“**GAAP**”), paid for work to or at the Plaza Premises and (ii) (x) while the Existing JOA (as defined herein) or any successor agreement between Tenant (or its affiliate) and the City of Windsor (or its instrumentality) (any such agreement, a “**D/W Agreement**”) is in effect, 50% of the total capital expenditures, determined in accordance with GAAP, paid by Tenant (or its affiliate) and the City of Windsor (or its instrumentality) pursuant to a D/W Agreement for work to or at all or any portion of the underground tube of the Tunnel (i.e., the tube from and including the Detroit portal to and including the Windsor portal; such tube, the “**Underground Portion**”); *provided, however,* that Capital Expenditures made to the Underground Portion while a D/W Agreement is in effect shall be made such that the Detroit side of the Underground Portion is in a condition commensurate with the condition of the Windsor side of the Underground Portion; or (y) if no D/W Agreement is in effect, 100% of the capital expenditures, determined in accordance with GAAP, paid by Tenant for work to or at all or any portion for the Tube.
- (c) Within ninety (90) days after the Effective Date, Tenant shall provide the City a detailed plan and schedule for the capital improvements planned to be made to the Tunnel during the year in which the Effective Date occurs and the approximately five (5) years following the Effective Date. On or before each January 31st during the Term, Tenant shall deliver to the City an annual update of such plan together with a plan for the succeeding five (5) years.

4. Extension Term CapEx Credit.

- (a) For any Capital Expenditures paid by Tenant during the Extension Term (the “**Extension Term Capital Expenditures**”), Tenant shall receive a CapEx Credit against the Rent payable by Tenant during the Extension Term equal to the amount of such Extension Term Capital Expenditures; *provided, however*, the aggregate CapEx Credit to which Tenant is entitled during the Extension Term pursuant to this Paragraph 4 shall not exceed \$8,000,000; and *provided, further*, that the annual CapEx Credit claimed by Tenant under this Paragraph 4 in any given calendar year of the Extension Term shall not exceed 75% of the Rent payable for such calendar year (but such annual limitation shall not in any way reduce the aggregate CapEx Credit to which Tenant is entitled under this Paragraph 4). If the Lease (as amended from time to time) terminates prior to December 31, 2040, other than due to a default by Tenant, then the City shall pay to Tenant, on thirty (30) days’ written notice from Tenant, the amount of CapEx Credits that have accrued to Tenant but have not been applied against the Rent.
- (b) No more than sixty (60) days prior to November 4, 2020, Tenant shall provide the City a high-level, strategic plan for the capital improvements that may be made to the Tunnel during the Extension Term to the extent such plan is known or is customary in the tunnel operations field.

5. CapEx Credit Documentation.

- (a) Tenant may offset the amount of any accrued but uncredited CapEx Credits against any monthly payments of Rent, subject to the limitations in Paragraphs 3 and 4. On or prior to the date of claiming any CapEx Credit (i.e., on or before the date of payment of any monthly installment of Rent, or if none is payable, on or before the date such monthly installment of Rent would otherwise have been payable) or requesting payment pursuant to the last sentence of Paragraph 4(a), Tenant shall submit to the City a notice setting forth the amount of the claimed CapEx Credit, together with reasonably detailed written documentation of the Capital Expenditures (and the work associated therewith) for which Tenant is entitled to a CapEx Credit (such notice, a “**CapEx Notice**”). Within five (5) days after receipt of any CapEx Notice, the City shall have the right to ask for reasonable additional information to verify such Capital Expenditures were paid and to determine the nature of work associated with such Capital Expenditure. If the City in good faith believes that a CapEx Credit was claimed for an expenditure that does not fall within the definition of “Capital Expenditure,” as such term is defined in Paragraph 3(b) above, then the City shall give Tenant notice thereof (a “**Dispute Notice**”) within fifteen (15) days after receipt of the applicable CapEx Notice, and the date on which Rent is due shall be extended by fifteen (15) days. If the City timely delivers a Dispute Notice, Tenant shall receive the portion of the CapEx Credit that is undisputed, if any, and shall pay the amount of disputed Rent, subject to the provisions of Article XVIII(2) of the Plaza Lease regarding disputed payments.

- (b) Notwithstanding anything to the contrary in the Lease, as amended hereby, if the City timely provides a Dispute Notice in connection with a CapEx Credit claimed for Existing Remainder Term Capital Expenditures, and if and to the extent such dispute is resolved in Tenant's favor, then the City shall promptly pay an amount equal to the formerly disputed CapEx Credit to Tenant, or at Tenant's option, Tenant may credit such formerly disputed CapEx Credit against the Rent next coming due; provided, however, if (i) the aggregate accrued but unapplied CapEx Credit to which Tenant is entitled under Paragraph 3, plus the formerly disputed CapEx Credit, exceed the aggregate Rent payable during the portion of the Existing Remainder Term commencing at the time the dispute is resolved; or (ii) at the time the dispute is resolved, the Existing Remainder Term has ended; then in addition to, and without in any way reducing, the CapEx Credits to which Tenant is entitled under Paragraph 4, Tenant may take such formerly disputed CapEx Credit as a credit against the Rents payable during the Extension Term. Notwithstanding the foregoing, in no event shall Tenant be entitled to aggregate CapEx Credits for the Existing Remainder Term Capital Expenditures in excess of the aggregate Rent payable during the Existing Remainder Term.
- (c) Notwithstanding anything to the contrary in the Lease, as amended hereby, if the City timely delivers a Dispute Notice in connection with a CapEx Credit claimed for Extension Term Capital Expenditures, and if and to the extent such dispute is resolved in Tenant's favor, then the City shall promptly pay an amount equal to the formerly disputed CapEx Credit to Tenant, or at Tenant's option, Tenant may credit such formerly disputed CapEx Credit against the Rent next coming due (in addition to, and not in limitation of, any CapEx Credit due under Paragraph 4). Notwithstanding the foregoing, in no event shall Tenant be entitled to aggregate CapEx Credits for Extension Term Capital Expenditures in excess of \$8,000,000.
- (d) The provisions of this Paragraph 5 shall survive the expiration or sooner termination of the Lease, as amended hereby.

6. Repair and Maintenance Standards. Notwithstanding anything to the contrary in the Lease, but subject to the casualty and condemnation provisions therein, Tenant shall maintain the Property in a good and safe condition and repair, in compliance with all applicable laws, and in accordance with the following sections of the Existing JOA (as defined below): Sections 8.1(d), (e) and (f), and the first grammatical paragraph of Section 8.1; Sections 8.3(a), (b) and (c); Section 8.4; Section 8.6; Section 9; Exhibit 8.1 and Sections 1, 2 and the first paragraph of Section 3 of Exhibit 9.1, provided that the second sentence of that first paragraph of Section 3 of Exhibit 9.1 shall be replaced with "The program shall include regular and customary cleaning and grounds maintenance." In the event that the Existing JOA is terminated or amended, these standards shall continue to apply (to the extent applicable).

7. Reporting. In addition to its reporting obligations under the Lease, but subject to Paragraph 10 hereof, Tenant shall deliver, at its sole cost and expense, the following reports and information to the City:

- (a) Within one hundred eighty (180) days following the end of each calendar year ending during the term of the Lease: (i) a copy of the audited balance sheets of Tenant at the end of each such calendar year and the related audited statements of income, calculation of annual rental, changes in equity and cash flows for such year, including, in each case, the notes thereto, together with the report thereon of the independent certified public accountants of Tenant, in each case in a manner and containing information consistent with Tenant's current practices and certified by Tenant's chief financial officer that such financial statements fairly present the financial condition and the results of operations, changes in equity and cash flows of Tenant as at the respective dates of and for the periods referred to in such financial statements, all in accordance with generally accepted accounting principles in the United States consistently applied; (ii) a report, in a format reasonably acceptable to the City, certified by the Tenant's chief financial officer, providing reasonably detailed information regarding any work associated with Capital Expenditures undertaken by the Tenant with respect to the Property, including such information as may be reasonably requested by the City, which shall include the type of work associated with such Capital Expenditures, the expected cost therefor, the expected completion date, the contractor engaged to perform such work associated with such Capital Expenditures, and any expected disruption of traffic in the Property as a result of the work associated with such Capital Expenditures; and (iii) a report, in a format reasonably acceptable to the City, detailing the amount of traffic through the Property on a weekly, monthly and quarterly basis, the make-up of that traffic and the Tenant's projections for the traffic in the upcoming calendar year and the Tenant's basis therefor;
- (b) Within thirty (30) days after the end of each six-month period, commencing with the six-month period ending June 30, 2015, a report, in a format reasonably acceptable to the City, detailing all material incidents that occurred in the Tunnel, including, but not limited to, vehicular accidents and hazardous material releases, but in each case only if such incidents materially impeded the normal operations of the Tunnel;
- (c) promptly after the occurrence thereof, an email report on any incident occurring in the Tunnel and causing material damage to property or injury to persons, if such incident results in the closure of any portion of the Tunnel for at least an hour;
- (d) within thirty (30) days after receipt by Tenant, a copy of (i) the engineering reports required by Sections 8.7 and 8.8 of the Joint Operating Agreement by and among the Corporation of the City of Windsor, the Windsor Tunnel Commission and Tenant (as successor-in-interest to DCTC and The Detroit and Windsor Subway Company, Ltd.) dated November 1, 1997 (the "**Existing JOA**"); or (ii) if the Existing JOA is amended or modified to change the requirements for those reports, (x) every year, an engineering report based on visual inspection of the Tunnel made by an independent, licensed engineer reasonably acceptable to Tenant and (y) every five (5) years a comprehensive engineering report on the Tunnel prepared by an independent, licensed engineer reasonably acceptable to

the City, which report shall include, but not be limited to, an analysis of the structural integrity of the Tunnel, a description of the current state of the Tunnel, including its fixtures and mechanical systems, recommended capital expenditures for the Tunnel and such other information as the City may reasonably request; and

- (e) Within thirty (30) days after such request, any information regarding the Property reasonably requested by the City, provided that such information is in the possession or control of Tenant.

8. Right to Inspect. The City shall have the right, upon at least three (3) business days' written notice to Tenant, at reasonable times, provided that such inspection does not unreasonably interfere with the normal operation of the Property (and as to any portion of the Property subleased as of the date hereof or subsequently subleased to a governmental authority, does not violate the applicable sublease) and at the City's sole cost and expense, to have the Property inspected by an engineer, who is (i) either employed directly by the City or with whom the City has contracted; and (ii) licensed and has at least ten (10) years' experience in engineering matters related to construction, maintenance and repair of infrastructure projects or tunnels. Inspections made pursuant to this Paragraph 8 may only be performed once in each calendar year, except such limitation shall not apply when Tenant is in default of its obligations under Paragraph 6 of this Amendment or any other of its obligations regarding the repair, maintenance and operation of the Tunnel. Tenant shall make the Property and a senior officer who is responsible for maintenance and/or operations of the Property reasonably available to such engineer for the purposes of such inspection and shall provide such engineer any documentation in Tenant's possession or control, reasonably requested by such engineer, subject to Paragraph 10. Without limiting any provision hereof, any such engineering inspections conducted by or on behalf of the City shall be performed in accordance with all applicable laws and with all reasonable operating rules and regulations applicable to the Property. The City shall cause any individual or firm performing an inspection pursuant to this Paragraph 8 to be bound by the confidentiality obligations of the City pursuant to the provisions of Paragraph 10 hereof.

9. Calculation of Net Operating Income. For the avoidance of doubt, in calculating "net operating income" as defined in Section IV(2)(b) of the Plaza Lease, Tenant shall not include any expenses that are not attributable to the operation, maintenance and repair of the Property or to Tenant's obligations under the Lease; and, to the extent Tenant or Tenant's affiliates incur costs that are only partially attributable to the Property, Tenant shall not include as an expense for Section IV(2)(b) of the Plaza Lease the portion of those costs that are not attributable to the Property. Allocations will be prepared consistent with GAAP and the specific methodology and allocation shall be reflected and set forth in the companies' audited financial statements.

10. Confidentiality.

- (a) Notwithstanding anything to the contrary in the Lease, no information or document provided by Tenant to the City pursuant to or in connection with the Lease, as amended hereby, shall be subject to any confidentiality restrictions, and the City may publicly disclose such information or disclose such information to

third parties as it deems appropriate in its sole discretion; *provided, however*, that Tenant shall have no obligation to deliver to the City (and Tenant may redact from information it delivers to the City) any Confidential Information (as defined below); and *provided, further*, that if Tenant delivers to the City any Confidential Information (and labels it as such), then the City shall not disclose such information to third parties (other than to its professional advisors, employees, third-party report providers, affiliates, officers, members, underwriters, agents, consultants, lenders, investors and legal counsel and as to those, only on a need-to-know basis, as reasonably determined by the City, provided such parties are bound by the confidentiality obligations of the City set forth in this Paragraph 10).

- (b) **“Confidential Information”** means information that (i) relates to maintaining national security and/or to maintaining security at the Tunnel; (ii) is required to be kept confidential by applicable law, regulation or order; or (iii) is a trade secret or is other information that is proprietary to Tenant (including, without limitation, information regarding Tenant’s proprietary toll and revenue collecting and accounting system and Tenant’s mobile app for express payments, and other technical and business information relating to Tenant’s proprietary ideas, patentable ideas, copyrights, and other proprietary systems and software).
- (c) If Tenant chooses to withhold Confidential Information from the City, Tenant shall promptly provide written notice that it has done so. The City, through its authorized representative, shall have the right, upon reasonable advance written notice to Tenant, to inspect any Confidential Information, which shall not be redacted, at the offices of Tenant within the City to verify during customary business hours that such information is Confidential Information and to review such Confidential Information, provided that the City may not make a copy of such Confidential Information.
- (d) Notwithstanding anything to the contrary in Lease (as amended hereby), in an effort to ensure that the City, Tenant and the City of Windsor can effectively and efficiently operate the Tunnel in an integrated and seamless manner, the City shall have the right to share with Windsor all information regarding the Tunnel it receives, and Tenant shall cause it and its affiliates to not restrict the City of Windsor, or its affiliates, from providing the City any information related to the Tunnel.
- (e) Nothing contained in this Lease (as amended hereby) shall be construed to limit or reduce the rights and powers of the State of Michigan or the United States of America.

11. **Ineligible Parties.** It shall be a default under the Lease, as amended hereby, if any Ineligible Party (as defined below) shall be involved in the operation, financing, construction or management of the Property or the improvements thereon, or if such Ineligible Party has a direct or indirect beneficial interest in Tenant. **“Ineligible Party”** means any individual or entity, or any entity controlled by, controlling or under common control with any individual or entity, maintaining a controlling interest in any crossing of the border between the State of Michigan

and Canada, such as any tunnel, bridge or other similar infrastructure; *provided, however* that the term “Ineligible Party” shall not include Pike Pointe Holdings, LLC; any entity controlled, controlling or under common control with Pike Pointe Holdings LLC; or Windsor.

12. Operation of an Integrated Tunnel. The parties acknowledge that it is in their respective and joint interests to cause the entire Tunnel to be operated in a harmonious and integrated manner. The City understands that to effect such operation, Tenant intends to negotiate a new or amended operating agreement with the City of Windsor (or an agency or instrumentality thereof), and that Tenant will negotiate such agreement in good faith (but that Tenant shall have no obligation to enter into such an agreement). The City also understands that achieving such purpose may require amendments to the Lease (as amended hereby) and agrees to be reasonable, and to act in good faith, in discussing and considering any such amendments. For avoidance of doubt, (i) Tenant will not have any obligation to enter into any such amendment that would (x) adversely affect (other than in a de minimis manner) its rights under the Lease, as amended hereby, (y) increase (other than in a de minimis manner) its obligations under the Lease, as amended from time to time or (z) decrease (other than in a de minimis manner) the City’s obligations under the Lease, as amended from time to time; and (ii) the City will not have any obligation to enter into any such amendment that would (x) adversely affect (other than in a de minimis manner) its rights under the Lease, as amended hereby, (y) increase (other than in a de minimis manner) its obligations under the Lease, as amended from time to time or (z) decrease (other than in a de minimis manner) Tenant’s obligations under the Lease, as amended from time to time.

13. Notices. Article XVIII(3) of the Plaza Lease and Article XV(3) of the Tube Lease are each amended and restated as follows:

OPTION AGREEMENT

OPTION AGREEMENT

THIS OPTION AGREEMENT (this “**Agreement**”) is made and entered into as of the ____ day of _____, 2014, by and between Pike Pointe Holdings, LLC (“**Pike Pointe**”) and the City of Detroit, a Michigan municipal corporation (the “**City**”).

RECITALS

A. The City owns that certain parking garage, commonly known as the Grand Circus Parking Garage, located at 1600-01 Woodward Avenue, Detroit, Michigan, as more particularly described in Exhibit 1 (the “**Circus Garage**”).

B. The Detroit Building Authority (the “**DBA**”) had previously owned the Circus Garage and had leased it to the City pursuant to the Contract of Lease No. 2 by and between the City and the DBA, dated October 1985, (as amended, the “**DBA Lease**”).

C. The DBA Lease has previously terminated pursuant to its terms, and pursuant to the terms of the DBA Lease, title to the property leased thereunder, including the Circus Garage, reverted back to the City.

D. Syncora Capital Assurance Inc. and Syncora Guarantee Inc. (collectively, “**Syncora**”) own the entire beneficial interest in Pike Pointe.

E. Syncora, through one or more of its affiliates, including Pike Pointe, owns and operates certain public infrastructure projects.

F. In connection with the continued improvement of the City, the City desires to grant an option to Pike Pointe with respect to the possibility of negotiating and entering into a mutually agreeable concession agreement for the operation and maintenance of the Circus Garage pursuant to the terms of this Agreement, and Pike Pointe desires to accept such option.

NOW, THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Option. Pike Pointe shall have the option, in its sole discretion, to enter into a concession for the Circus Garage (the “**Option**”) on the terms set forth herein. In order to exercise the Option, Pike Pointe must deliver written notice to the City notifying the City that Pike Pointe has exercised the Option (the “**Exercise Notice**”), which Exercise Notice must be delivered within one (1) year from the effective date of the Seventh Amended Plan for the Adjustment of Debts of the City of Detroit, as it may be further amended and as modified (the “**Plan of Adjustment**”). After delivery of the Exercise Notice, the City and Pike Pointe shall promptly and in good faith, negotiate a concession agreement in accordance with the terms set forth in Exhibit 2; provided, however, that neither party shall be obligated to execute a concession agreement. If, within ninety (90) days following the delivery of the Exercise Notice, an agreement has not been reached between the City and Pike Pointe regarding the Circus Garage, either party may, by delivery of notice to the other party, terminate this Option, and thereafter Pike Pointe shall have no right with respect to the Circus Garage.

2. Failure to Exercise. If Pike Pointe fails to send the Exercise Notice within one (1) year after the effective date of the Plan of Adjustment, Pike Pointe will be deemed to have not exercised the Option and will have no further right to do so nor shall it have any interest in the Circus Garage. At such time, this Agreement and the Option will have no further force or effect.

3. Anti-Assignment. Pike Pointe may not assign to any third party (other than a wholly owned subsidiary or other affiliate of Syncora in which Syncora is the direct or indirect beneficial owner (a “**Pike Pointe Affiliate**”), any interest in this Agreement or the Option without the City’s prior written consent, which consent may be withheld in the City’s sole discretion. Any attempted assignment without the City’s consent shall be void ab initio and of no force and effect, and such purported transferee shall have no right to exercise the Option nor shall it have any interest in the Circus Garage. Notwithstanding anything to the contrary in this Agreement, Pike Pointe shall have no right to exercise the Option if, at the time of such exercise and the execution of the Concession Agreement, Syncora is not a direct or indirect beneficial owner of Pike Pointe.

4. Title to Circus Garage. The City shall cause the DBA to execute such documentation as is necessary to confirm the transfer of ownership of the Circus Garage to the City promptly after execution of this Agreement. The City shall retain title to the Circus Garage during such time as Pike Pointe has the right to exercise the Option and shall maintain the Circus Garage in at least the same condition and repair as of the date hereof.

5. Development Agreements. Pike Pointe hereby acknowledges that the City has entered into certain development agreements with third party developers, which agreements contemplate that those developers will have the right to use parking spots within the Circus Garage at fair market rates (as determined by Pike Pointe from time to time and consistent with the rates provided to other patrons of the Circus Garage), and Pike Pointe agrees that it shall execute leases, licenses or other usage agreements with such developers on those terms. The City will provide the material terms and conditions of those development agreements with respect to developers’ use of Circus Garage as soon as is reasonably practicable following execution of this Agreement.

6. Due Diligence Activities.

(a) Prior to delivery of the Exercise Notice, Pike Pointe shall have a period commencing on the date hereof and continuing through and including the date of the delivery of the Exercise Notice or the expiration or termination of this Option, whichever is sooner, (the “Due Diligence Period”) to conduct its due diligence activities on the Circus Garage, which shall not unreasonably interfere with the use and operation of the Circus Garage. For purposes of this Agreement, “Due Diligence Activities” include but are not limited to the following:

(A) such physical inspections, soil borings and bearing tests, surveys, and possible relocation of utilities on or for the Circus Garage as Pike Pointe deems appropriate, all of which shall be completed at Pike Pointe’s expense;

- (B) investigations, environmental site assessments, including Phase I and Phase II site assessments, sampling and testing of soil, groundwater, surface water, soil vapors, indoor air, and building materials (such as Asbestos and lead-based paint), and/or a Baseline Environmental Assessment, (“**BEA**”), as defined in Part 201 of the Natural Resources and Environmental Protection Act (“**NREPA**”), being MCL 324.20101 et seq., and such other investigations and assessments as Pike Pointe may deem needed in its sole discretion to determine the condition of the Circus Garage and the Circus Garage’s compliance with applicable law, all of which shall be completed at Pike Pointe’s expense; and
 - (C) a review of the title evidence, survey, entitlements, and payment of taxes and assessments, all of which shall be completed at Pike Pointe’s expense;
 - (D) a review of financing sources related to Pike Pointe’s proposed use of the Circus Garage, or any other matter that in Pike Pointe’s sole discretion is relevant to Pike Pointe’s use of the Circus Garage;
 - (E) a review of all City Information and all publicly-available information with respect to the Circus Garage;
 - (F) a review of available public and private utilities and public accesses necessary for the proposed use of the Circus Garage; and
 - (G) application and procurement of any zoning, site plan, elevation, special land use, environmental, conditional use or other municipal approvals or permits, or variances therefrom, required or appropriate for the proposed use of the Circus Garage. The City hereby authorizes Pike Pointe to submit and apply for all such approvals, permits, and variances upon the commencement of the Due Diligence Period.
- (b) Restoration of City Property. Promptly following completion of a Due Diligence Activity, Pike Pointe shall restore the Circus Garage and all property therein to the state in which it existed prior to the commencement of the Due Diligence Activity.
- (c) City Information. The City shall use reasonable efforts to make available to Pike Pointe all information in the City’s (or the City’s agencies’ or departments’) possession or control related to the Circus Garage within thirty (30) days following the effective date of the Plan of Adjustment, including but not limited to existing leases, licenses, permits, approvals, contracts, warranties, title searches and policies, surveys, appraisals, environmental audits, Phase I environmental site assessments, Phase II reports or other testing or sampling data, asbestos surveys, reports, specifications, from the Planning, Building, Assessing, Environmental

Affairs and Fire Departments, notices of violations of applicable laws, regulations and ordinances or other documents in the City's possession or control related to the Circus Garage, to the extent the City is not required by law or applicable agreement to keep such information confidential (collectively, the "**City Information**"). The City shall cooperate with Pike Pointe and use reasonable efforts to facilitate Pike Pointe's Due Diligence Activities, all at no material incremental cost to the City, including providing information, coordinating with third party users of the Circus Garage as applicable, and executing such documentation as may be reasonable and necessary for Pike Pointe's access to the site and completion of the Due Diligence Activities including the preparation of a BEA.

- (d) Insurance. Prior to entering onto the Circus Garage for any Due Diligence Activities, Pike Pointe or its contractors shall enter into a right-of-entry agreement regarding the entry into the Circus Garage to be reasonably agreed to by the City and Pike Pointe.
- (e) Indemnity. Pike Pointe shall defend, indemnify and hold harmless the City from and against any loss, liability, cost or expense incurred by the City to the extent resulting from Pike Pointe's (including its duly authorized employees, agents, engineers or other representatives) negligence or willful acts occurring in connection with the Due Diligence Activities; provided, however, that Pike Pointe shall in no circumstance have any obligation or liability with respect to any conditions pre-existing at the Circus Garage including without limitation any environmental condition, soil or groundwater contamination or other environmental conditions that may be discovered in the course of the Pike Pointe's Due Diligence Activities and thereafter disclosed to the City, except to the extent such conditions are materially exacerbated due to the negligence or willful acts of Pike Pointe or any of its duly authorized employees, agents, engineers or other representatives, and (ii) Pike Pointe shall not be responsible for any loss, liability, cost, or expense resulting from the discovery of any adverse information or condition regarding the Circus Garage or from the City's (or the City's agencies' or departments') negligence or misconduct.

7. Notices. All notices, demands and other communications given or delivered under this Agreement shall be given in writing to the address indicated below (or such other address as the recipient specifies in writing) and will be deemed to have been given when delivered personally, three (3) business days after mailed by certified or registered mail, return receipt requested and postage prepaid, or when delivery is guaranteed if sent via a nationally recognized overnight carrier, or when receipt is confirmed if sent via facsimile or other electronic transmission to the recipient with telephonic confirmation by the sending party.
